FADE IN:

INT. HOUSE - LIVING ROOM - DAY

The house is filthy and falling apart. A jolly REAL ESTATE AGENT (30s) strolls in with a happy, loving COUPLE (30s).

REAL ESTATE AGENT  
This is the living room.

The couple looks around at the room. Their happiness dies. They frown at the agent, disgusted.

MAN  
This house is falling apart.

WOMAN  
Why are you showing us this?

INT. HOUSE - KITCHEN - DAY

The agent dances in, cheesing. The couple enters, and their faces light up like bulbs.

A huge Pringles dispenser hangs on a wall. The dispenser's spotless. Bright light shines from it.

The machine dispenses original, cheddar cheese, sour cream & onion, and BBQ Pringles.

COUPLE  
We'll take it!

FADE OUT.
