

*Love Bundle Commercial*

(Writing Sample)

Commercial for fictional company

Written by

Maurice Vaughan

INT. HOUSE - KITCHEN - DAY

"*Valentine's Day*" shows on a cellphone calendar. A stressed MAN (30s) paces with the phone, thinking hard.

MAN  
Maybe she'll like flowers. No,  
chocolate. No, jewelry.

The doorbell rings.

EXT. HOUSE - FRONT PORCH - DAY

The man opens the door, sees a cute little DOG wearing pink heart-shaped glasses on the porch.

DOG  
Can't decide which gift to get her?  
Flowers, chocolate, jewelry?

MAN  
Did you just talk?

DOG  
Yes. Can't decide?

MAN  
Yeah. How did you know?

A gift basket appears out of thin air at the man's feet. He grabs it. The basket has beautiful flowers, delicious chocolate, and glistening jewelry.

DOG  
Give her a Love Bundle. It has all  
three!

INT. HOUSE - KITCHEN - DAY

The man's wife (30s) drags into the room, wearing a robe and yawning. He holds the gift basket, cheesing.

MAN  
Happy Valentine's Day.
