

YOU STOLED FROM ME!!!!!!
INT. DINNER -NIGHT

MARSHAUNNA MABREY (MARSHAUNNA) moved from Waukesha to Milwaukee. She is eating dinner with her new neighbors. Their names are the Wilson's, DWIGHT WILSON is the husband and WENDY WILSON is the wife . Their son CRAIG WILSON is also eating with them.

Marshaunna is eating dinner with them and she is explaining to why she moved to Milwaukee. She tells them that she got a job transfer at this tech firm called The TRIXTER CORPORATION. She has a job in cyber security. She tells them she will be making 150,000 a year.

When they hear this they are in shock and compliments her and say that is so wonderful and how impressive.

They all continue the conversation.

WENDY

That is quite impressive Marshaunna, you say you're 30 years old and already you got a house next door to me, and you are not married and have no children.

MARSHAUNNA

Yes, ma'am, I do not want any children right now. I mean I am 30 years , but I am not ready. I want to work and make some money first and do some traveling. I always wanted to see the world.

MARSHAUNNA

My parents are so worried about me. This is the first time I have been on my own and they are so worried about me because they feel I am too young to be moving to a new city away from them.

DWIGHT

Well, as a parent, I fully understand how your parents feel. I remember when my son wanted to go to NYU, I was so scared but now my son goes to the University of Milwaukee. He says he likes it.

CRAIG

Yeah, I like it a lot. NYU is too far away. I am fairly young. I'm only 19 and I need to be near my parents. I also have a girlfriend named Mickey and she needs me too, ahahahaha.

They all start laughing. After dinner is over with Marshaunna tells them she had a great time meeting them and she is going to go home. She has to go to work the next day.

INT. WILSON'S HOME-DAY

It is the next day and the Wilson's are up eating breakfast at the dinner table. Craig is on his way to school (University of Milwaukee) and Wendy is on her way to work.

Wendy is a supervisor at a call center called LANDER'S CALL CENTER. She has been working there for 20 years now. She really enjoys her job.

Dwight is retired from the post office. He worked at the post office for 30 years also and he is now retired and just enjoys life and stays home and watches a lot of TV.

Wendy and Dwight begin a conversation about Marshaunna.

WENDY

I enjoyed Marshaunna last night. It is only one thing about her. I don't understand how a 30 year old lives in a big ass house by herself with no husband and no children.

DWIGHT

That is none of your business. That is her business. Don't start making accusations about her okay. She is our new neighbor and I like her.

WENDY

I find it strange that someone that young has all of that and they live right next door to us. I do like Marshauna but I think it is more to her than her being our new neighbor.

DWIGHT

Look, Wendy, don't go around snooping in other folks business.

WENDY

I am not going to snoop in her business okay.

DWIGHT

I know you Wendy, when something rubs you the wrong way, you go digging dirt on their asses.

WENDY

Digging dirt got us married remember. You were talking to Lisa and I told you she was a skank and I showed you pictures of her kissing another man and you let her go.

DWIGHT

Yeah so, you can talk to me that is why, you were jealous because Lisa had me and not you at the time.

WENDY

Jealous or not it worked and now we have been married for 32 years now.

DWIGHT

Baby, go to work. You are gonna be late.

They end their conversation Wendy goes to work and Craig finishes his breakfast and when he is done he goes out the door on his way to school.

Dwight is in the living room watching TV just chillin and relaxing. He is watching the morning news to get an update of what is going on in Milwaukee.

INT. MARSHAUNA'S HOME-DAY

Marshauna is in her house and she is sitting in her living room with a telescope watching the Wendy and Craig leave the house.

Marshauna starts talking to herself saying that she is going to get even with the Wilson's. She keeps saying that they just don't know what she is up too and they will not believe what is going to happen to them.

Later on that day Marshauna has her telescope and she sees Craig coming home from school with a girl. His girlfriend is named Mickey and she is about 5'4 brown skinned with hazel eyes and long hair and she is very petite.

Marshauna looks at them with her telescope and she says to herself, oh how cute, Craig has a girlfriend.

INT. WILSON'S HOME-DAY

Craig and Mickey walk into the house and Wendy is not home yet but Dwight is there and Dwight tells Mickey hello.

They all begin a conversation.

DWIGHT

Hello, how are you guys doing. Nice to see you Mickey.

MICKEY

Nice to see you too, Mr. Wilson.

DWIGHT

What you guys have planned for today?

CRAIG

We are going to work on some homework.

CRAIG

We have an english paper to write and we got to work on it.

MICKEY

Yeah we have to work on it. This part of our midterm grade. If we don't do this paper and don't turn it in, we could flunk our english class.

They continue the conversation for about five minutes and then Dwight goes back into the living room to watch more TV.

All of a sudden out of nowhere, Mickey asks about Marshaunna.

They begin a conversation about Marshaunna.

MICKEY

So, how is your new neighbor Marshaunna?

CRAIG

Oh she is cool, I like her she is real nice.

MICKEY

Oh really, Is she real pretty?

CRAIG

Are you jealous? Look she is nice okay and she is 30 years old and She is too old for me and you are the only woman I want to be with.

MICKEY

Okay, if you say so. Said that to test you because I knew you would get mad. I am not jealous I just wanted to see your reaction.

CRAIG

Let's get to this paper okay. We must make a good grade on it or else we won't pass.

About 20 minutes later Wendy comes home from work and when she goes into the house she sees Craig and Mickey working on their homework.

Wendy does not particularly care for Mickey, but she does not say anything too Craig about it. She thinks Mickey is bossy and tries to run her son and she feels that ain't cool but stays out of it.

Wendy begins a conversation with Craig and Mickey.

WENDY

Hey you guys. What are you guys doing?

CRAIG

Working on homework, we have an English paper that is due next month. We only got two weeks to work on it and it has to be 10 pages.

MICKEY

This paper is intense and there has to be a lot of information that goes into this paper.

WENDY

Okay, well I'll let you guys continue to work on your paper. I'll be in the living room talking to your father.

Wendy goes into the living room where she sees Dwight watching TV and they both begin a conversation.

WENDY

How was your day today?

DWIGHT

It was all right, nothing in it. Just stayed home.

DWIGHT

Why do you still work? You need to retire like me and relax.

WENDY

I am not a couch potato like you okay. I can't just sit at home. I tried that shit and I hated it and that is why I went back to work.

DWIGHT

Well, I did my job and got my retirement check.

They continue the conversation and then Wendy tells Dwight that she is going to go into the kitchen and cook dinner.

An hour later, Craig and Mickey stop doing their homework. Mickey goes home and Craig and Wendy have a conversation.

CRAIG

You don't like Mickey? I can tell you don't. You just don't say anything about it.

WENDY

She is too bossy in my opinion and she runs you. Never let anyone run your life or tell you what to do okay.

CRAIG

Look, mom, Mickey is a good woman, she has her head on straight and she is not a gold digging either. Too many women at my age are real silly, gold digging, or just fake.

CRAIG

I am so happy with her, she can hold a real conversation, she is not ghetto.

CRAIG

Mickey is the woman for me. I will continue to be with Mickey.

WENDY

Oh, okay, if you feel that way fine.

INT MARSHAUNNA'S HOME-DAY

Marshaunna put a bug in their home and she can hear everything they say. She is keeping tabs on the Wilson family.

What the Wilson family does not know is that Marshaunna is planning a very deadly so-called blood bath. She starts talking under her breath about what she is going to do to them and how they will pay for what they did.

Marshaunna keeps listening to the Wilson's conversation.

All of a sudden there is a knock on her door. She peeps through the peephole of her door and it is Dwight Wilson. She turns off the bug so that Dwight can't see what she is doing. She answers the door and lets him in. They begin a conversation.

MARSHAUNA

Hey, Mr. Wilson

DWIGHT

Hey, what's up?

MARSHAUNA

Do you need anything, after all you are married and I don't want Mrs. Wilson coming over here thinking that I am sleeping with you.

DWIGHT

(Starts laughing) No, she is not like that. I came over to talk to you. Wendy and Craig are gone. Wendy went grocery shopping and she takes forever to come home.

MARSHAUNA

Oh, yeah, I hear ya.

DWIGHT

It is so nice to meet you, I wish you were with my son. I don't like my sons girlfriend. She is bossy towards him and I have heard rumors about her saying she is a ho and she is just using my son.

DWIGHT

I don't get in it because I don't want to start any drama with my son.

MARSHAUNA

She seems bossy. I can tell she is a piece of work when I saw her yesterday.

DWIGHT

I wish he was with you.

MARSHAUNA

I am too old for your son. I'm 30 years old and he is only 19. Trust me he thinks, I'm old.

DWIGHT

I am also tired of my wife. She works too much in my opinion and she has gotten too boring for me.

DWIGHT

She cannot even make good love anymore. Her pussy is so dead and outdated.

MARSHAUNA

Wait a minute!!! That is too much information.

MARSHAUNA

You need to have a talk with your wife. I am so sorry to hear this but I cannot do anything for you.

DWIGHT

Yes, you can do something for me? Make love to me? You're too old for my son and I am a man and I need to be with a woman and have a women make love to me badly.

They continue to have a conversation and the next thing you know they end up making love in Marshaunna's bedroom.

After they are done, Mr. Wilson goes back home and an hour later Wendy and Craig come back home. Wendy comes home first then about 10 minutes later Craig comes home. They all begin a conversation.

DWIGHT

Good to see you guys home.

WENDY

The grocery store was packed today.

WENDY

How was your day(talking to Dwight)?

WENDY

Did you go see Marshaunna? I know you did. Come on now you ain't about to tell me you stayed home all day and did not go see Marshaunna. I saw her car parked outside so I figured she had the day off of work.

DWIGHT

No, I stayed home(he is lying to Wendy).

CRAIG

I know you saw Marshaunna. She is pretty. But not as pretty as you, momma.

DWIGHT

Look don't make up stuff okay. I did not go see Marshaunna , I stayed home.

They talk for about five minutes. Craig goes upstairs to his bedroom and Wendy stays downstairs in the living room.

Craig is in his bedroom and then he takes a nap. He wakes up about two hours later and tells his parents he is leaving but goes to Marshaunna's house. They begin a conversation.

INT MARSHAUNNA'S HOUSE LIVING ROOM TALKING-DAY

MARSHAUNA

Look, I know my dad came over today. I came over because I got a huge crush on you and I want to make love to you.

Marshaunna and Craig keep talking for a little bit and then next thing you know, they end up in Marshaunna's bedroom making love. She has made love to Craig and Dwight.

After they are done they go back into Marshaunna's living room. They begin a conversation.

CRAIG

Look, I know you had sex with my father. My mom and dad have not been speaking a lot to each other and my dad is horny and since you live next door I know he figured that he wanted to make love to you.

MARSHAUNA

Your father did not come over here today and I would never do that because I respect you guys.

CRAIG

I know you respect our family but , you are so pretty and I know my dad could not resist. I am not mad it is just that he is in a vulnerable place in his life.

MARSHAUNA

I know you don't want to be with me , you're only 19.

CRAIG

I got a crush on you but I still love Mickey. She is a wonderful woman.

MARSHAUNA

Not to get in your business, but Mickey looks bossy to me and you should get out of that relationship. I know bossy women when I see it, I am a woman and we know these things.

CRAIG

My parents said the same thing. She means well though. I did not mean to come off as a player, I just was so horny for you and I could not resist.

Craig and Marshaunna continue to talk for about five more minutes and then Craig leaves and goes back home.

Marshaunna mumbles to herself how she had sex with two people in one day and that her plan is working.

Marshaunna takes a bath then she takes a nap. She wakes up about three hours later and then she starts going to the kitchen to cook herself something to eat.

EXT FAST FOOD PLACE-DAY

It is the next day and Craig and Mickey are eating at a fast food burger joint and they have a conversation.

MICKEY

I know you've been over to your new neighbors house Marshaunna. She is very pretty and I know you have had sex with her already, I can feel it in my gut.

CRAIG

Why are you saying this? I have not had sex with her. You need to stop accusing me of things I have not done(He is lying to Mickey because he knows he slept with Marshaunna).

CRAIG

My parents were right about you, you are bossy and controlling. I wish you would stop it.

MICKEY

I am not bossy.

CRAIG

You are bossy and I also heard rumors that you have been sleeping with other guys behind my back but I never said anything to you until now.

CRAIG

I am done with you bossing me and I do not want you to mess with other guys. Do I make make myself clear. If you keep on being bossy and sleeping with other guys, I will end our relationship.

MICKEY

I am not sleeping with other men. I also, don't appreciate you talking to me any kind of way. I want us to continue to be together. I will quit being bossy okay. I am so sorry if that is how you feel.

CRAIG

Look, just stop being bossy okay. I am your man and you are not supposed to run your man. That is weak on my part and I look like a beta male .

MICKEY

I was not trying to boss you okay. Look if I am being bossy, I will quit okay.

They continue to talk and eat their burgers and when they are done they leave.

While leaving the burger joint, Marshaunna walks in. Mickey and Craig say hi to her at the same time. They just have a quick conversation and Craig and Mickey leave.

INT. MARSHAUNNA'S HOME-DAY

Marshaunna is back at home and she starts looking at the Wilson's home. She had bugged their house and she can hear and see everything that they are doing.

She hears their conversation and she sees Craig and Mickey walk in the house. They begin a conversation with the Wilson's. Marshaunna is listening and watching them because she also put a hidden camera in their house when the Wilson's were not at home.

CRAIG

Hey mom and dad, what's up?

WENDY

Hey , how was you guy's day?

MICKEY

It was good. We saw Marshaunna. She is doing good. She is cool.

DWIGHT

Oh, really, she is very pretty too.

WENDY

What is that supposed to mean? I wish you would say that about me.

DWIGHT

Oh baby, You are my wife and my one and only and you are the most prettiest woman in the world.

WENDY

Man, cut the bullshit. You trying to butter me up. I was just joking Dwight, she is pretty and you are too Mickey.

MICKEY

Well, thank you. Just as long as she does not try to get with my Craig I'm all right.

They all start laughing and Craig and Mickey continue to talk about their day they had with each other.

Marshaunna is at her home listening and watching their every move. Then she starts laughing wickedly about them and stating that she has something up her sleeve and they just don't know what is going to hit them.

INT. WILSON'S BEDROOM-DAY

Dwight is in his bedroom because he went to take a nap. After he was done talking to his wife and son and son's girlfriend, he decided to take a nap.

Dwight takes a nap and he starts dreaming about making love to Marshaunna again. He starts dreaming and starts breathing hard and breaks out in a cold sweat in the dream. All of a sudden, he wakes up and starts breathing hard.

Dwight had been sleeping for about two hours and when he went downstairs he realizes that his son and his girlfriend and his wife Wendy are gone.

He calls Marshaunna on his cell phone. Marshaunna gave Dwight her phone number just in case he needed to call her about anything. They both begin a conversation.

DWIGHT

Hey, it's me Dwight. I took a nap and starting dreaming about us making love again. I broke out in a cold sweat.

MARSHAUNNA

Oh, really? Man I had no idea that I had put it on you like that.

DWIGHT

I can't stop thinking about you, You're always on my mind. I feel something with you. Yes, I love my wife but you make me feel like a young man again.

DWIGHT

Don't worry, I will never let Wendy find out.

DWIGHT

I love Wendy and that is my wife, but I still can't stop thinking about you.

MARSHAUNNA

Tell you what, we can make love as much as you want okay. Fine by me.

MARSHAUNNA

I know you love your wife and I am not about to get obsessed and go crazy over you, but one thing I can say is that you make me feel so good.

INT. WILSON'S HOME -DAY

The next thing you know Dwight is at Marshaunna's house again making love. It last for about an hour and then Dwight goes back home and when he gets back home , Wendy arrives five minutes later.

They have a conversation about where she had gone.

DWIGHT

Where were you? I know I took a nap but you guys had left.

WENDY

I went out to eat by myself. I know you were tired so I went to eat at STEAKS ARE US. Then after that I went shopping. I wanted some me time today.

DWIGHT

Who's Bryant? Why does he keep calling for you asking for you and stating that he works with you?

WENDY

I know you are not getting jealous. He works with me and he is new to the job and I gave him my number just in case he has any questions about the job and that is it. I am not having an affair with him.

DWIGHT

You better not, I don't like niggas calling for you unless its me checking in or Craig.

WENDY

Well, what about you, I know you go over Marshaunna's house when I am gone. I know you got a crush on her after all she is pretty.

DWIGHT

Why are you so concerned about her? She couldn't care less about me like that , she does not want me and she is old enough to be my daughter.

WENDY

Well, lately when we go to sleep at night, you have been waking up in a cold sweat. You got the nerve to tell me you having nightmares and bad dreams but I know you dreaming about fucking her.

DWIGHT

Now, I've had about enough of you accusing me of sleeping with her or having some type of affair. I am not sleeping with her(He is obviously lying because he has) She is too young and you are paranoid and I am done with this conversation.

DWIGHT

Now if you would excuse me Wendy, I'm going to watch some TV.

The conversation ends and Dwight starts watching TV and Wendy storms upstairs into their bedroom crying because she feels Dwight is lying and that he is sleeping with Marshaunna but she cannot prove it.

EXT. WILSON'S HOME-DAY

Wendy goes downstairs and goes outside of the house. When she goes outside of the house she sees Marshaunna.

Marshaunna sees her crying and starts talking to Wendy. They have a conversation. Marshaunna goes to their house to talk to Wendy.

MARSHAUNNA
What's wrong Mrs. Wilson?

WENDY
(Sarcastically tells Marshaunna she is find in a rude type of way) I am fine.

MARSHAUNNA
You don't look fine, what happened
? (Marshaunna sees an angry look on Wendy's face and all of a sudden she figures out that she knows about her sleeping with Dwight, but she lies about it) Oh, you think I am sleeping with Dwight?

MARSHAUNNA
I am not sleeping with your husband!!! I just moved here and I would never do a thing like that. I barely know you guys. Come on now he is old enough to be my dad. I came here because my job moved me here and I am not here to get a man or sleep with someone's husband.

WENDY
You are so right? I thought you were really sleeping with him. Look it has not been the same with our marriage. We use to love each other and make love every night. Lately our marriage or sex life is not the same. He does not look at me the same.

WENDY
I got jealous the first day I met you because you are so pretty and I just knew you were going to take Dwight away from me. I got so paranoid that I was about to go crazy. I am so sorry and please forgive me. I really like you Marshaunna and I kind of wish you were my daughter.

MARSHAUNNA
That's okay Mrs. Wilson, I forgive you. Can I have a big hug? I love you like my mother and I would never do that.

They hug and end their conversation. Wendy goes back in her house and Marshaunna goes back into her house.

EXT. PARK-DAY

It has been three months since Marshaunna moved next door to the Wilson's. Marshaunna decides to put her plan into action and decides to kill the Wilson family starting with their son Craig.

Craig is at the park with his girlfriend Mickey and they are at the park with some friends. The park is in some type of woods where there are lots of trees. They are drinking and partying and getting drunk and high(smoking weed).

Craig and Mickey continue talking to their friends. Marshaunna found out that they were going to the park so she decided to go so she can kill Craig. Marshaunna is hiding in a wooded area and she has some bow and arrows with her.

When Marshaunna sees Craig , she positions herself to get a good angle in which she can shoot a direct shot to his back.

Marshaunna gets her bow and arrow and then she shoots her bow and it lands directly into Craig's back and Craig is killed instantly.

Mickey and their friends starts SCREAMING AND HOLLERING and eventually crying. Mickey gets on her cell phone and calls the police. Marshaunna leaves the scene. They cannot see Marshaunna , and she leaves the park without anyone noticing her.

INT. WILSON'S HOME DAY.

Mickey is at the Wilson's home and they are all crying and devastated that Craig was murdered. They have no idea who could have done this since Craig had no enemies or anyone that disliked him.

The police arrive at the Wilson's home and they let them in and they start asking the Wilson's questions about Craig.

Marshaunna looks out her window and sees the police at the Wilson's home and she decides to go over there and to see what happened.

Marshaunna is at the Wilson's home and she starts crying because she cannot believe that Craig is gone(playing it off). She tells the police that she was at home when Craig was killed. She also tells them she works from home.

Marshaunna also tells police that she can make a printout of her schedule to verify that she was at home.

The police tell her that it is ok and does not believe that Marshaunna is a suspect.

EXT. -FUNERAL-DAY

A week later there is a funeral for Craig. All of the Wilson's family including, aunts, uncles, cousins, grand parents, etc. Are all there on both sides of the family.

Marshaunna is at the funeral sitting along side of Mickey. They both cry and Mickey looks as if she is about to pass out.

Craig's friends are there and they are crying too.

When the funeral is over everyone starts talking to everyone and saying things like how sorry this happened to Craig and how much of a wonderful young man he was.

Wendy goes up to Marshaunna and tells her thank you for coming. They begin a conversation.

WENDY

Thank you for coming(in a very melancholy type of way). I know you just moved here but I appreciate you coming to the funeral. I am going to find the bastard who murdered my son. You best of believe that!!!!

MARSHAUNNA

(Starts crying to play it off) I hope they find the killer too. I am so sorry about Craig. I really did like him he was such a nice young man with a bright future ahead of him.

WENDY

Who would do this to my son. They are just so sick.

After they are done talking, they end their conversation and Dwight is seen talking to their relatives and when he is done, he walks towards Marshaunna. They begin a conversation.

DWIGHT

I am so happy you came. I can't believe this happened to me and my family. I mean that sick ass murderer took my only son. I hate that someone would do this type of shit to my son!!!!

MARSHAUNNA

I hate this too. They are going to find who murdered your son. The police will be on your sons case.

They end their conversation and you see Marshaunna and Dwight leave each other. Mickey starts talking to Wendy.

Mickey walks up to Marshaunna and tells her that she is happy she came to the funeral.

The funeral ends and everybody leaves the funeral going about their separate ways.

Dwight and Wendy go home. Mickey goes home and Marshaunna goes home too.

EXT. MARSHAUNNA'S HOME-DAY

It is the next day after the funeral and Marshaunna is outside of her home on her front porch. She has her cell phone and she sets it to unknown. She is tech savvy anyway so she knows how to reset cellphones.

She starts setting the phone to call not traced and she starts sending a text to Mickey. Marshaunna found Mickey's phone number. One day Marshaunna looked through Craig's phone one day when he was not looking and found Mickey's number.

She texts Mickey and tells Mickey that I am the murderer that murdered Craig. You better stay away from the Wilson family.

Marshaunna also texts Mickey and tells her that if she is seen around them ever again, she will get killed.

Mickey sees the text and gets scared and she starts screaming. Marshaunna goes back into her house.

INT. WILSON'S HOME- DAY

Mickey calls the Wilson's and Wendy picks up the phone. Mickey tells Wendy that she got a text message from the murderer stating that she has to stay away from you and your husband or else she will get killed.

They begin a conversation about the text messages.

MICKEY

I got a text stating to stay away from you and your husband or else I would be killed next. It was sent from the murderer as unknown. I tried to trace the call but the phone can't be traced.

WENDY

OMG! Are you serious? The call can't be traced. So you can't go to the police because they would not be able to find the number.

MICKEY

I can't go to the police, they will find out and then they will kill me. I must stay away from you and your family until the killer is caught. I am so sorry about this. I need to go, I can't have the killer listening to my call to you.

Mickey hangs up. Wendy has a shocked look on her face and then she tells Dwight that she got a call from Mickey and she said that she got a text message from the killer to stay away from us or else. Dwight said this.

DWIGHT

WTF now the killer is threatening Mickey. It has to be someone Mickey and Craig knew. Craig must have had an enemy and he never mentioned.

After Dwight said his comment, he goes back upstairs to their bedroom.

Wendy does not know what to say and now she feels that she lost Mickey too and feels like she has Dwight now and she starts getting scared that she will lose Dwight.

Wendy sits on the couch in the living room and she begins to cry starts talking about how she lost her son. Wendy still does not believe that her son is gone and why would God allow something like this to happen to her and her family.

INT. MARSHAUNNA'S HOME- DAY

Marshaunna is sitting in her home looking at the Wilson's. She starts laughing to herself saying that her plan is in motion and that she killed Craig and warned Mickey about coming near the Wilson family.

While her plan is in motion, Marshaunna starts thinking of ways to get rid of Mrs. Wilson. She is next on her list. Marshaunna thinks that getting rid of Mrs. Wilson will be easier than killing Craig.

She starts laughing to herself in a wicked manner and says to herself that I will get my revenge and all three of them will end up dead.

EXT. DINNER--DAY

Wendy and Dwight are at a restaurant eating dinner. They are having a conversation about Craig and Mickey.

WENDY

We got to find the fool that killed our son. They are making death threats to Mickey and next thing you know they will be making death threats to us.

DWIGHT

If I ever catch the fool who murdered my son , I'm going to kill him myself. I can't believe that our son is gone and we have no other children. I am so lonely and devastated by this. I love you Wendy but I miss my son.

WENDY

I miss my son, too. You are not alone. I mean, He had a future , he had a girlfriend. I was looking forward to grand children and all of that and it got robbed from me.

WENDY

The police have not called us and have not found anything.

DWIGHT

The police will find the killer. But If I get a hold of the killer before they do I, am going to kill him with my own bare hands!!!!

WENDY

Are you almost done eating? I am ready to go home , I simply can't take this shit. I thought going out for some air will do me some good, but apparently it is not working.

DWIGHT

Yeah I am almost done.

Dwight and Wendy finish eating. After they are done, they go back home.

INT. WILSON'S HOME- DAY

The Wilson's arrive home and they are sitting on their living room couch. Wendy starts crying over Craig's death and Dwight picks up the landline phone and he begins to call the police.

Dwight calls the police and they answer. Once they answer he starts asking them questions about Craig. He is on the phone with the police.

DWIGHT

I want to know you're still trying to find my son's killer.

POLICE

Yes, we are still working on your son's case.

DWIGHT

Look I know that it has only been about a month but I want to know something.

POLICE

It takes a lot of time and work to find suspects. We are working very hard to find who killed your son.

DWIGHT

Please let me know soon okay.

POLICE

We're doing the best we can Mr. Wilson.

Dwight ends his call with then police and he begins to talk to Wendy. Wendy has calmed down and they begin to change the subject and have a conversation Marshaunna.

WENDY

I am so glad we met Marshaunna. She is so lovely, she has been a breath of fresh air.

DWIGHT

I saw you talking to Marshaunna one day outside the house, you had a mad look on your face, what did you guys talk about?

WENDY

Nothing, I was just so angry about Craig's death. I needed to talk to someone so it was her.

DWIGHT

You had a mad look on your face, did you accuse her of sleeping with me?

WENDY

(Dead silence, then she answers and tells the truth) Yes, but listen. I thought you guys were having an affair.

DWIGHT

I would never cheat on you(knowing he's lying). I love you, why are you so insecure ? We have been married for 35 years now and all of a sudden Marshaunna moves next door and I'm already in love with her.

WENDY

I see the way you look at her. I see how she looks at you. I didn't like it and I figured you and her were messing round.

DWIGHT

I'm not going through this with you anymore. I am tired, and I'm done with this subject. You got to get a serious grip and stop being insecure over some 30 year old.

Dwight and Wendy end their conversation and Wendy goes upstairs and Dwight stays downstairs in the living room and watches TV.

INT MARSHAUNNA'S HOUSE LIVING ROOM - DAY

Marshaunna is in her living room and she has bugged the Wilson's home again.

Marshaunna heard their conversation and she starts laughing out loud about the Wilson's. Now she is contemplating on how to kill Wendy. Marshaunna wants Wendy out the way. She is tired of Wendy thinking she wants Dwight and she does not.

Marshaunna starts talking about how she plans ok killing the Wilson's and how she does not have any idea that she is next and how she will join her son Craig in heaven.

She starts thinking about how her and Dwight and Craig had hot passionate sex and how she enjoyed it and she plans on sleeping with Dwight again.

She gets a phone call from Dwight and they begin a conversation.

MARSHAUNNA

Hey Dwight, what's up?

DWIGHT

Wendy is really tripping, she thinks I am having an affair with you.

DWIGHT

I am so done with her. I keep telling her that I only want her and, not anyone else.

DWIGHT

The cops are not doing anything to speed up my sons case. They are moving too slow. They need to find the bastard that killed my son.

MARSHAUNNA

I am sure they will find your sons killer. The short time I've known Craig, he was a nice young man.

DWIGHT

I can't believe my son is gone.

DWIGHT

He was my only child.

MARSHAUNNA

I am real heartbroken about this(knowing she is lying).

MARSHAUNNA

I wish something could be done ab out this. Whoever killed your son needs to be in prison.

DWIGHT

Me, and Wendy need to concentrate on finding my son's killer. She is more worried about me and you than our son.

MARSHAUNNA

Don't worry about Wendy right now.I know she is your wife, you need to concentrate on your son.

MARSHAUNNA

She is too caught up about me and you, she still thinks that I want to be with you.

DWIGHT

I am tired of her. Sometimes I wish I was with you. You really make me happy and you put a smile on my face.

MARSHAUNNA

I am glad you feel that way. I am so happy you feel that way.

MARSHAUNNA

I got to go now. I am very busy today. I got to do some of my tech work at home. I'll talk to you later.

Marshaunna and Dwight hang up the phone. Marshaunna goes to her laptop and starts scrolling down information how to kill your neighbor.

She sees a website on killing your neighbors. She opens the website and sees an article on killing your neighbors by messing with the brakes.

She starts thinking out loud that she can kill Wendy by tampering with her brakes.

She goes to a website on how to kill someone by tampering with the brakes.

There is this demonstration about using a screwdriver to unscrew the brake pad.

Marshaunna decides to use that example to tamper with the brakes. She decides she is going to use this example.

Marshaunna gets a call from Wendy and they begin a conversation.

MARSHAUNNA

Hello

WENDY

Hey girl, is Dwight talking to you about me? I can feel it.

MARSHAUNNA

Mrs. Wilson, are we going to do this again? I am not having an affair with your husband.

WENDY

I know you're not but I know he calls you talking about me. I know he thinks I'm paranoid but I get the feeling he has been calling you telling you about our business.

MARSHAUNNA

Look, Mrs. Wilson. I'm tired of this bullshit okay. I respect my elders but you are pissing me off about your husband and I am getting tired of this. If you don't trust your husband then leave his ass. Leave me alone about your husband okay.

WENDY

Okay, I am sorry about all of this.

MARSHAUNNA

I have to go. I got to clean my house okay. I got some cleaning to do. I will talk to you later.

They hang up the phone and Wendy is shocked about Marshaunna but understands why she is mad. Wendy decides to forget about the situation with her husband and starts preparing dinner.

While driving she tries to slow down. When she put her foot on the brakes she notices that the brakes are not working.

She tries to slow down and she can't. Wendy starts panicking and her car does not stop, it keeps on going.

Wendy's car slams into another car and she dies instantly.

Once the car wreck is done. Police and people run to the scene. The police see that it is Wendy, Craig's mother.

We found your wife dead. Apparently, she got into a car accident with this car a blue Honda Accord. Her car slammed into the car and Wendy died instantly.

DWIGHT

OMG, first my son , now my wife. What in the hell is going on here?

POLICE

Sir, I am so sorry about this.

DWIGHT

(in tears crying) Wendy was on her way to the store. She was going to make a meatloaf and some mash potatoes and she said she needed some accent.

MARSHAUNNA

OMG, what happened?

DWIGHT

The police said that Wendy slammed into a blue Honda Accord and it killed her instantly.

MARSHAUNNA

I can't believe this is happening. Wendy didn't deserve that. OMG(She starts crying to act as if she cares knowing she does not).

Dwight is in tears crying and begging Marshaunna not to leave. He wants her to stay because he feels he can't be alone by himself now his wife is gone too.

DWIGHT

Please stay with me? I can't be alone. If I'm alone now, I might kill myself. I can't do this now.

Dwight and Marshaunna end up in the Wilson's bedroom and they begin to make love. After they are done they start talking about Wendy.

DWIGHT

I think someone is trying to get rid of me and my family. I don't have any known enemies but apparently there is someone out there hell bent on destroying me and my family.

MARSHAUNNA

I don't think anyone is trying to destroy you or your family.

MARSHAUNNA

Bad things happen to good people. Life is not fair but bad things happen to good people in life.

DWIGHT

Are you sure no one is after me and my family? I think someone is trying to harm us but why would anyone trying to harm us?

DWIGHT

Me and my family are good people. We don't harm anybody. I'm telling you Marshaunna, someone out there is trying to kill us.

MARSHAUNNA

I would not be too sure. I'm going to stand by you no matter what. I have your back.

DWIGHT

I really appreciate this.

When they are done talking, Marshaunna goes back to her house.

Mickey still thinks that Marshaunna is up to no good and wants the Wilson's killed.

Mickey calls Dwight and they begin a conversation about Wendy.

MICKEY

I saw on TV about the car accident. I am so sorry about that. Mrs. Wilson was a good woman. I know she did not care for me that much, I knew that but she still was a good woman.

DWIGHT

Thanks Mickey. I personally believe someone is out there trying to destroy me and my family.

MICKEY

(she never tells Dwight she thinks it's Mickey but she agrees with him anyway) I believe someone is after you and your family too. Mr. Wilson do you have anything in your past that could have anything to do with your wife and Craig being dead?

DWIGHT

I don't have anyone in my past. I am not a bad person but I feel someone is after me and my family.

MICKEY

Mr. Wilson, please be careful out there. I think it is your past catching up to you. It is either someone or something in your past that is causing bad things to happen to you and your family.

DWIGHT

I have no past. I have not done anything to anybody.

MICKEY

I am going to go now Mr. Wilson. I am going to be praying for you okay and checking on you from time to time okay?

DWIGHT

Thank you, I would like that.

They both hang up the phone and Mickey gets back to the computer looking up more information on Marshaunna.

She still cannot find anything about Marshaunna and now Mickey is getting very agitated about this.

Dwight does not know anything about Dylan working on Marshaunna's case. Dylan has been assigned to capture Marshaunna involving the killing of Craig and Wendy.

Dylan does not want to blow his cover so he does not tell Dwight what he is up to so he calls Dwight to have a friendly conversation.

DYLON
Hey Dwight, what's up?

DWIGHT
Dylon, man what's up?. It has been a while since I have heard from you.

DYLON
I heard about Wendy and Craig and I just wanted to give you my condolences.

DWIGHT
Thank you very much.

DYLON
What's been up man? I am so happy I called. Do you have any idea who could have killed Craig?

DWIGHT
I have no idea who murdered my son. I believe my son was murdered and his killer needs to be brought to justice.

DYLON
They will find Craig's killer. Craig was a nice young man and he had a promising future.

DWIGHT
That son of a bitch who killed my son better not run into me because if I find them I will kill them myself!!!!

DYLON
Don't go getting street justice and play vigilante. Let the police handle it.

They continue to have a conversation for about five more minutes. After they are done talking they hang up the phone.

Dylon is an undercover cop and he is working on Craig and Wendy's case and Dwight does not know about it.

DYLON
Hello, my name is Dylon and I am good friends with Dwight.

MARSHAUNNA
If you are here to ask me if I killed his family, I didn't. I barely moved here to Milwaukee and they are the only people I know here.

DYLON
I know your real name , You are Laura Clay. I know what you are up too and you are not going to get away with it.

DYLON
I understand your pain but killing Dwight and his family does not help from what happened to you in the past.

MARSHAUNNA
You better get away from my door or else I will call the police for harassment.

DYLON
That is so typical for a guilty person.

DYLON
You may have killed Wendy and Craig but you are not going to kill Dwight, trust me.

DYLON
Oh, If you come looking for me, I will be ready for you ass.

DYLON
Good day Marshaunna.

Dylon leaves Marshaunna's home and goes back to his home and Marshaunna's goes in her house with a very angry look on her face, she starts talking to herself.

Dylon and Marshaunna have a conversation .

DYLON

I told you that I would be ready for you. You need to leave Marshaunna, you are not ready for me. I am a lot sharper than what you think.

MARSHAUNNA

You had no right coming over my house questioning me about the Wilson's.

MARSHAUNNA

You don't know me. I have been so full of hurt and pain because of the Wilson family. They are going to have to pay for what they did to me.

DYLON

Go home Marshaunna now or else I will shoot you.

Marshaunna leaves Dylan's home. After she leaves Dylan's home she goes straight over to the Wilson's home to kill Dwight.

****INT.WILSON'S HOME-DAY****

Marshaunna arrives at the Wilson's home and she goes right into the house. Dwight left the door unlocked.

Marshaunna goes right to the basement and she sees Dwight crying and sobbing about his family. She hears Dwight talking about and saying things like why me why me.

Dwight starts thinking about who could have killed Wendy and Craig. All of a sudden he starts thinking about Marshaunna.

Dwight starts thinking about who Marshaunna really is and all of a sudden he remembers.

25 years ago(before Craig was born) Wendy and Dwight got into a serious car accident. It was late at night and they driving down a dark road. Dwight was driving and he had his brights on but it still was very dark.

While they were driving , out of nowhere Dwight slams into a car head on. It turns out that it was Marshaunna's family.

Marshaunna's mom and dad were instantly killed but Wendy and Dwight survived.

Marshaunna lost her mom and dad and had to be raised by her grandparents on her mom's side.

Dwight starts talking loudly to himself and starts saying oh no oh no Marshaunna. He looks back and sees Marshaunna with a gun in her hand. They begin a conversation.

DWIGHT

I'm sorry(Crying) I am so sorry. It was an accident!!! I did not mean to kill your parents.

MARSHAUNNA

You killed my family. You kept your family and I lost mine, how dare you question me.

MARSHAUNNA

I had to live with my grandparents . They were loving people but it is not the same as having a real family.

MARSHAUNNA

You took away my mom and dad because of some car accident you hit me and my family head on.

MARSHAUNNA

You know how difficult it was that everybody had their parents and I didn't. Parents going to PTA meetings with their kids not me, my grandparents had to show up.

DWIGHT

Killing my family and me is not going to bring them back.

DWIGHT

Your real name is Laura clay, I remember now.

MARSHAUNNA

Yes that is my real name Laura Clay. I came all the way from Waukeesaw to Milwaukee to look for you and your family to kill you guys.

DWIGHT

You are making a big mistake. I would never kill anyone on purpose. I am a good man. Don't kill me !!!!

MARSHAUNNA

I'm sorry Dwight but you have to go.

Out of nowhere Dylan shoots Marshaunna in her back. Dylan was standing behind her.

After Dylan shoots Marshaunna, she falls to the ground. She is dead and Dylan and Dwight have a conversation.

DYLON

I told you I will have your back. I've been working undercover for a while now on your case. I could not blow my cover.

DYLON

I've been following Laura for a while now. After she killed Craig and Wendy, I started doing some undercover work . I got assigned to your case and since then I started following Laura.

DWIGHT

I was so blind, how could I not figure out that it was Marshaunna or Laura all this time.

DYLON

I had been doing my research on her and she wanted vengeance, she wanted to kill you because of the car accident years ago.

DWIGHT

I am not a killer and that happened 25 years ago and the road was dark man. I had my brights on but I ended up hitting her family head on. It was an accident , I would not do anything like that on purpose.

Dylon calls the police and the police come to Dwight's house. They take Marshaunna's body out of the basement and Dylan and Dwight walk outside of the house and they begin a conversation again.

DWIGHT

Man, thanks for having my back. I would not have made it without you. She would have killed me too. Man, I really appreciate you coming through for me.

DYLON

No problem. Man we are good friends. I am sorry for missing Wendy and Craig's funeral but I was working undercover.

DWIGHT

That is ok.

Dylon and Dwight end their conversation. The cops end up leaving the home and Dylan leaves too.

Three months later Dwight gets a new neighbor. She is a single black female. She looks like she could be about 5'3, slender built.

Dwight sees the lady and the lady walks over to Dwight's yard and they begin a conversation.

DWIGHT

Hello, new neighbor. My name is Dwight.

SANDY

Hello, my name is Sandy. I heard about what happened. All I want to say is , I am not dangerous ok.

They both start laughing.

DWIGHT

Oh, I know. It's nice to meet you.

DWIGHT

Where are you from?

SANDY

I'm from Los Angeles California. I moved here because my grandmother lives in Milwaukee and I moved here to take care of her.

DWIGHT

That's real good. Well I am a nice man and neighbor. I'm not creepy or anything like that. If you need anything, don't hesitate to come over and ask me okay?

SANDY

OK, well I'm going back home so I can do some more unpacking.

SANDY

Nice meeting you and If I need anything, I will not hesitate to ask you.

Dwight and Sandy end their conversation and Dwight goes back inside of his house. Sandy goes back to her house to finish unpacking.
