EXT. MOTHER GOOSE'S MAGICAL MUSHROOM FOREST - DAY

HAJIMARE and MOTHER-GOOSE are walking together through the TALL SHROOMAGE AND BRIGHT SUNSHINE,

MOTHER-GOOSE has a BOOK clasped under her wing, and

HAJIMARI  
Mother-Goose?

MOTHER-GOOSE  
Yes, deary?

HAJIMARI  
Is Owari gonna be okay with those two?

MOTHER-GOOSE  
Y and his sweet natured friend will take good care of him, don't worry, deary.

HAJIMARI  
So you aren't mad at him for peeking at the light?

MOTHER-GOOSE  
Oh, I am mad, deary, crushingly so, but, that just means that hes going to miss out on our next story! So, hes punished himself!

MOTHER-GOOSE (CONT'D)  
And I'm sure hes scared out there, lost amidst the multiverse.

HAJIMARI  
Yeah, but now he gets to see the stories from the bulb.

MOTHER-GOOSE stops walking and she sighs and then

MOTHER-GOOSE  
Tell ya what, deary ...

MOTHER-GOOSE plops down and  
opens THE BOOK,

MOTHER-GOOSE (CONT'D)  
... How about I read to ye a story right now, to quell ye young mind a bit so ye can stop worryin' about ye foolish brother?

HAJIMARI

Yeah! Great idea, Mother-Goose!  
thanks!

MOTHER-GOOSE

(searching the pages of  
the book)

Lets see ... lets see ...

MOTHER-GOOSE (CONT'D)

Ah! Here's a good one!

MOTHER-GOOSE clear her throat and then we

MOTHER-GOOSE

And that's that.

HAJIMARI

That's that?

MOTHER-GOOSE

That's that, deary.

HAJIMARI

That's ... kinda bleak.

MOTHER-GOOSE

Well, some stories are just like  
that, deary, I'm sorry.

HAJIMARI

Its fine, I guess.

HAJIMARI (CONT'D)

I hope Owari's getting a better  
story with those two and the light-  
bulb thingy.

MOTHER-GOOSE

Would you like me to read one more  
as we continue to wait, deary? I  
feel bad to disappoint.

HAJIMARI

Yeah!

MOTHER-GOOSE  
(flipping through her  
BOOK now)

Alright, alright, lets see now ...

HAJIMARI, patiently watching her as she searches through her book for a suitable next story, and then

MOTHER-GOOSE (CONT'D)  
Ah! Deviled eggs! perfect!
