INT./EXT. BROTHER'S GARAGE - DAY

Owen and Roy are updating their Monster Truck under mechanic business. Owen paces the 2nd shock absorber on the last side of the 4 shocks. Roy opens up his fuel tank on the back side of his truck chassis.

Roy is feeling the fuel tank to the engine active for the upcoming Monster Truck event.

ROY (V.O.)

Me and Owen are both owning a Motorsports Garage, taken over from our father.

Alison is giving the one last shock absorber to Owen

ROY (V.O.) (CONT'D)

Our teenage sister "Alison" lives with us in one house, and helps us out in the Motorsports Garage.

Alison walks towards the open box where the last shock absorber is inside the box.

ROY (V.O.) (CONT'D)

Alison lives with us in our house, because our both parents died by a plane crash during their outbound flight after the stopover.

Alison is bending down to grab the last shock absorber out of the box, by power.

Alison uses her power while she lifts up the shock absorber, and walks with it back to Owen.

ROY (V.O.) (CONT'D)

That's also the reason why we take over our father's Motorsports Garage.

Alison gives Owen the very last shock absorber. while Owen get the shock absorber in his hands, With sigh, Alison is pulling up her jeans because of her butt crack was sticking out of her jeans when she grabbed the shock absorber by bending down.

ROY (V.O.) (CONT'D)

After doing a fun practice, We need to upgrade our both trucks before getting ready on transport to the first upcoming event.

Owen places the very last shock absorber to complete all 4 shocks. Meanwhile Alison also adjust her shirt after pulling up her jeans.

Owen is teaching Alison how to repair a Monster Truck as a mechanic what the same goes for building it. By first fixing the Axles by using the glue.

ALISON

Not so special to fix the axle with such a stronger glue.

OWEN

Easy peasy, right?

ALISON

Yeah, yeah.

Roy is changing the rim on the tire.

Owen is supporting Alison to push the tire forwards to the right axle.

OWEN

(teaching Alison)
Come on, you can do it.

ALISON

(breathing)
Man, this is too heavy!

Both brothers and sister have completed their Monster Truck repair for today. Alison sits with her butt on the floor, exhausted, sighing from a hard day at work. Owen is also exhausted and starts thinking for a moment. And then Roy walked out of the screen.

Roy is walking towards the radio, to turn on the Radio.

Owen is still thinking, while Alison is still sitting down on the ground, but leaning forwards to bother about something while her butt crack already stucked out of her jeans again.

OWEN
 (thinking and soft
 whispering)
 Let me think for which League we
 can join.

3 seconds after Owen's whisper, the music "Kanye West -
 Stronger" turned on by Roy, and goes loud. that shocks
 Alison and Owen.

ALISON
 (shocked)
 Jesus! Roy!

OWEN
 (Loud calling reaction to
 Roy)
 Bro! What da fuck! Turn it down!!

Roy is enjoying and dancing on Kanye West's Stronger.

ROY
 (partying)
 Come on, guys! Have some fun!

Alison is standing up, and wants to tell Owen something.

ALISON
 (to Owen)
 Do you know what?

Owen turns his head to Alison, while she's walking towards
 him.

While Alison is pulling up her jeans again including
 adjusting her shirt, She is telling Owen, she's going to do a
 hand stand push up to the tire during the loud music.

ALISON (CONT'D)
 While the music is still on. I can
 do a hand stand push up to the
 tire. Do you want to count for me?

Owen accepted it, and tells her to start.

OWEN
 Alright, Let's go!

Alison is going to stand few meters in front of and with her
 body and face to the tire. With a little run-up, she places
 her hands on the floor and puts her feet on the top of the
 tire. While she stands upside down and her shirt is lifted
 up, she starts with the first hand stand push up on the 1st
 count to the 5th count. Owen counts up for her.

OWEN (CONT'D)
 (teaching counting)
 One, Two, Three..

Alison started to notice things getting a little tougher, but Owen supports her to keep up the hand stand push up to reach the final 5th count. Alison reached the 4th count.

OWEN (CONT'D)
 (teaching counting)
 Come on! 4,

Alison almost finished her hand stand push up. With perseverance, Alison reached the 5th (last) count

OWEN (CONT'D)
 (teaching counting)
 5,

then landed on her feet and immediately lay on her stomach on the floor.

OWEN (CONT'D)
 Great.

Alison has a giggle as she lies on the floor on her stomach. Owen finds her handstand push up challenging and impressive.

OWEN (CONT'D)
 That's heavy, Isn't?

Alison looks at Owen while she's still giggling.

ALISON
 (breathing and giggle)
 Yeah the catty sister is active again..

ALISON (CONT'D)
 (little high voice)
 Sorryyy

Alison stands up by her hands and feet with her butt up.

Alison is walking to Owen while she pulls up her jeans and adjusting her shirt, cause her butt crack was sticking out of her jeans again.

ALISON (CONT'D)
 (little silly laugh)
 Yeah, I know.. I'm too crazy..

Alison is smiling apologising for being kinda slutty. Cause of the Movie night appointment with her boyfriend tonight.

ALISON (CONT'D)

(silly with smile)

My apologies for being slutty, to see on my clothes. Because me and my boyfriend are going to watch a movie tonight in his house. But I'll be home at the same night on 9.30 PM.

OWEN

(friendly)

Oh, it's fine!

Alison walks out of the camera towards the radio.

Alison turned the music and radio off.

Alison awakes Roy by waving.

ALISON

Yo, Roy!

Roy was shocked reacted like Hey! Owen is calling out Alison and Roy to come with him to the computer.

OWEN (O.S.)

(calling out)

Guys, Come with me to the computer!

CUT TO:

4 minutes later, Owen, Roy and Alison are sitting next to each other, both at the chair leaning forwards to look with Owen at the computer. The computer shows a list on the notifications app with listed Monster Truck League they will join to compete on.

OWEN (CONT'D)

(looking at the computer)

Alright, here we have the list of several Monster Truck Leagues that contains crush cars where we can compete on.

Owen already opened up the list of Monster Truck Leagues they want to compete on. The listed leagues are Monster Nation, Monster Truck Throwdown, Monster Flame, Toughest Monster Truck Tour, and Monster Truck Militia. They chose one of them, except Monster Nation, because they did already competed on Monster Nation.

OWEN (O.S.) (CONT'D)
 We already had Monster Nation, but
 now we can chose for Throwdown,
 Monster Flame, Toughest, or
 Militia.

Roy came up with an idea, but on a chill way of explaining.

ROY
 (on a cool chill way of
 explaining)
 But one league not in the list "Hot
 Wheels Monster Trucks Live". with
 crush cars, all indoor, freaking
 cool trucks..

Owen hits Roy between his shoulder and upper arm, while Owen
 and Alison are and look annoyed to Roy.

ROY (CONT'D)
 (to Owen)
 Ouch!

Because Hot Wheels has nothing to do with their Monster Truck
 Leagues choices list to compete on.

OWEN
 (annoyed to Roy)
 No, dumbass! These contains too
 short freestyle times, and you
 can't even compete with your own
 truck!

Alison came up with to check Monster Flame.

ALISON
 (looking)
 What about Monster Flame?

OWEN
 (to Alison)
 Monster Flame?

ALISON
 (seriously to Owen)
 Yes.

Owen thinks about it for a few seconds.

OWEN
 It's a Dolmanian Major Monster
 Truck League of Dolmania that's
 organising a U.S. Stadium Tour this
 year.

Owen wants to check it out.

OWEN (CONT'D)
But, we can check it out.

Owen opened up the U.S. Stadium Tour website of Monster Flame by clicking on the link at the list of the notifications app.

He scrolls down to check the site completely.

At the Line-Up category of the drivers, they see Monster Flame is looking for 3 U.S. Drivers including its Crew-Team for their U.S. Stadium Tour.

OWEN (O.S.) (CONT'D)
Nice! They're looking for 3 U.S.
Teams to compete on the Tour here
in the U.S.

Alison likes the U.S. Stadium Tour of Monster Flame too.

ALISON
(to Owen)
Should we take a part in this?

OWEN
(to Alison)
Since you asked, I can't say No to
this. So, bring it on!

Roy accepted it too. But he recommends to build the same team like the last time on tour with Monster Nation.

ROY
(chill to Owen)
But then we need to build the same
teams like the last time, when we
toured with Monster Nation.

OWEN
(to Roy)
Just what I said "Bring it On!". We
are going to ask them face to face.
Deal?

ROY
(to Owen)
Alright, deal!

Owen, Roy and Alison are giving each other an hand box for making the deal.

FLASH BACK TO:

Owen and Roy's competing on Monster Nation, at the moment while they face each other at the final racing at the racing competition in Oklahoma City. Both trucks are getting ready in front of the start line.

ROY (V.O.)

Yup, It's a fact. The last time, Owen and I did competed on Monster Nation with the same teams. I was much better than him at Racing, trust me. I became the Racing Champion of the whole Monster Nation tour.

Owen and Roy started racing, by flying over the first racing ramp.

ROY (V.O.) (CONT'D)

Owen became the same like me, but on Freestyle. Because he's better in Freestyle than me. Remember?

Roy is flying as first over the finish line. Earlier then Owen.

ROY (V.O.) (CONT'D)

You'll see it at the upcoming Stadium Tour of Monster Flame.

END FLASH BACK

CUT TO:

EXT. BROTHER'S HOUSE - MOMENTS LATER

Camera from close-up at the brother's car towards filming on Extreme long shot to Owen, Roy, Brandon, AJ and Nina.

OWEN

Monster Flame, a Dolmanian Major Monster Truck League and its Dolmanian owners "JOJO Entertainment Motorsports", are organising a U.S. Stadium Tour. They're looking for 3 American Drivers, with teams of Crew chief and Mechanics etc. We need to form a team together before signing up to compete on the U.S. Stadium Tour of Monster Flame.

BRANDON

(confused)

Monster Flame organised the tour in the U.S. By paying with their own currency of the Dolmanian Mondo. I don't even know if it works.

NINA

It works on that way.

Roy gets being interested on the conversation

Owen feels that he's right. Brandon don't understand it.

NINA (CONT'D)

Dolmanians has a huge rich incomes in business with that currency while they deal international financial businesses by using the Dolmanian Mondo, to make other companies and buildings richer too.

Nina explains by a little walk from the left to the right.

NINA (CONT'D)

And on that way, even JOJO Entertainment including Monster Flame can easily pay expensive to organise International Tours like in U.S. as in Europe, to make huge money with that. Just like we the United States is doing it by using the US Dollars. You can understand it easily, if you compare Dolmania with the United States.

Brandon laughs on it. Owen walks to the other side.

BRANDON

(laughing)

Nina...

Nina is looking annoyed at Brandon.

BRANDON (CONT'D)

Dolmania? The little Australia of Europe? They just want to look like us a bit..

Nina shakes her head at Brandon for no

NINA
 (annoyed and being smart)
 It's one of the most richest
 countries of the world, next to
 America.

BRANDON
 (annoyed)
 Richest on what?

NINA
 As powerful nations, that contains
 superpowers like the United States
 and Japan.

Owen was surprised

ROY
 (enjoying)
 Problem solved.

Nina turns her head to Roy.

Owen is telling Brandon that Nina is right on it. And in
 meanwhile Nina turns her head to Owen.

OWEN
 (to Brandon)
 Come on Brandon, She is right about
 Dolmania. And we need to compete on
 the U.S. Stadium Tour of Monster
 Flame before it's too late. And we
 need to build the same team again
 like the last time at the Arena
 tour of the National league of
 Monster Nation.

And in two seconds she turns her head back to Brandon and
 nodding her head for yes.

BRANDON
 Alright, while it's true. I'll join
 Owen's team as a mechanic to work
 together with his girlfriend and
 sister. To make Owen the U.S.
 champion

Nina is a little bit laughing at Brandon.

Owen and Roy are looking at each other for huh?.

Nina knows her idea without thinking or bothering.

NINA
 (arrogant challenging to
 Brandon)
 Fine. Just like the last time, I'll
 join Roy's Team as an mechanic to
 make Roy winning the Racing
 competitions.

Brandon is dissed by Nina.

ROY
 (little laugh)
 Uh Oh..

CUT TO:

EXT. LIZ'S HOUSE - AFTERNOON

Owen is sitting inside his car to practice his talk with his
 girlfriend "Liz".

OWEN
 (practicing in talk)
 Hey Liz, It's Owen, your favorite
 Monster Truck Driver. Yeah it's
 really tough to work all day inside
 the garage to build and repair a
 Monster Truck.

Owen sighs for failing that practice. And he sees Liz coming
 out of the front door with her key, walking to him.

OWEN (CONT'D)
 Oh shit..

Owen opens the window while Liz arrived. Liz is leaning
 forwards at Owen's window.

LIZ
 (with smile on her face)
 Hey there

OWEN
 (friendly)
 Hey

LIZ
 (with smile on her face)
 What are you doing here?

OWEN
 (little laugh)
 No, no, I was just..

LIZ
Are you stalking me?

OWEN
No no..

Owen grabbed the flyer of Monster Flame and wants to give it to Liz

OWEN (CONT'D)
I just want to put this in your mailbox.

Liz takes the Monster Flame flyer from Owen and is looking on it.

OWEN (CONT'D)
My brother and I are going to compete on a US Stadium Tour of a major Monster Truck League from Dolmania. But literally the American Stadium tour.

LIZ
Okay. So you want me to join your crew again, just like the last league "Monster Nation" during the Arena events?

OWEN
(friendly and nodding yes)
Yeah

LIZ
(smile)
While I'm still busy inside my garage, I can show you where Im working on today..

OWEN
(friendly)
Sure.

Owen steps out of the car and walks with Liz to her garage.

Liz opens the garage by getting the garage door up.

Liz shows her Trophy truck where she works on today. But only the front tire is still on the ground separate from the chassis.

OWEN (CONT'D)

(Amazed)

Wow.. You're working on that Trophy truck?

LIZ

Yeah, but only the front tire still needs to be bolted on.

Liz turns her head to Owen.

LIZ (CONT'D)

Wanna see how I screw it back on?

OWEN

(nods yes)

Sure.

LIZ

Alright.

Liz kisses Owen on his cheek and she plans to walk to the tire.

Liz walks to the tire.

She lift it off the ground and rolls it to the tire spot of the chassis

Owen looks on distance how she will screw the tire to the chassis.

Liz put the band in the right place to screw it on. She is kneeling down (and her butt crack is sticking out of her jeans) to grab the screwdriver and screw the tire back on.

Owen became even more enamored with Liz as she stares at her butt crack. But he enjoyed it.

Liz drills the last screw to tighten the tire, while she is still squatched down while you can see her butt crack above her jeans.

Liz puts her screwdriver back in her repair box and gets back up.

LIZ (CONT'D)

(with a smile on her face to Owen)

What do you think?

Owen's response is that Liz is great at it and he is interested in her assistance and support.

OWEN
 (nods yes with a smile on
 his face)
 Yeah, amazing.

But Owen asks Liz once..

OWEN (CONT'D)
 But do you want to join my team as
 a crew-chief and mechanic for
 competing on the U.S. Stadium Tour
 of Monster Flame?

LIZ
 Alright, 50 dollars and you can
 clean my house for one day..

Owen was thinking "huh?"

Liz is laughing by making a joke

LIZ (CONT'D)
 (laughing)
 No, I'm kidding! Okay, I'm in!

Owen is glad.

OWEN
 (friendly)
 Alright, Cool.

LIZ
 When is the first event? And where?

OWEN
 Firs event and venue?

Liz is noddng for yes cause that's what she asks.

OWEN (CONT'D)
 About 3 weeks on Saturday. In the
 Wireless Dome in Syracuse.

LIZ
 (smile)
 Okay. Keep me in touch for more
 updates.

Liz kisses Owen on his cheek, and walks back into her house.
 Owen drives back home.

INT. SMITH FAMILY'S HOUSE - (LIVING ROOM) CONTINUOUS

Roy in a talk with his girlfriend "Dakota" in the living room of The Smith Family's House.

DAKOTA

Alright, you need me in your crew for the next tour? Started about 3 weeks in Syracuse?

ROY

Yes, It's the U.S. Tour of Monster Flame. That Dolmanian Major Monster Truck League that makes huge money, more than other leagues, cause of their Dolmanian Mondo, they can pay everything expensive. And they decide to host the U.S. Stadium Tour this year from Syracuse trough 2 other host cities on the road to the U.S. Championship in Vegas.

DAKOTA

Uhhh.. I didn't knew that Monster Flame will make it big in the U.S. too.. crazy rich Dolmanians. But however.. Do you also need my brother and my dad to assist us, while you drive the truck, and I'm your crew chief and mechanic? Then also my father needs to be your co-crew chief, Just like the last time at Monster Nation.

Dakota extends her arm to shake hands to agree.

ROY

(friendly)
Alright, deal!

Roy and Dakota shaking a little hand, and as surprise Dakota kisses Roy on his cheek.

INT. SMITH FAMILY'S HOUSE - (IN HALLWAY FROM UP AND DOWN THE STAIRS) CONTINUOUS

Mark Smith (Dakota's father) and Brock (Dakota's brother) comes down the stairs.

MARK SMITH

(to Brock)
Who is it this time Dakota letted in?

BROCK
 (to Mark Smith)
 I don't know..

MARK SMITH
 Let me see it..

MARK SMITH (CONT'D)
 (calling out to Dakota)
 DAKOTA!!

INT. SMITH FAMILY'S HOUSE - (LIVING ROOM) CONTINUOUS

Dakota turns her head to the hallway.

DAKOTA
 Yes, dad?!

Mark Smith (Dakota's father) and Brock (Dakota's brother) comes into the living room.

MARK SMITH
 (to Roy)
 Look who we got here! Dakota's boyfriend "Roy Mashburn". You need us in your crew for the U.S. Stadium tour of Monster Flame. Is that what I heard?

BROCK
 (to Roy)
 Is it with your same truck?

ROY
 Yes, it starts about 3 weeks on Saturday in Syracuse.

Mark Smith is laughing a bit.

DAKOTA
 (annoyed to Mark Smith)
 Dad, seriously! It's a foreign Monster Truck League straight from Dolmania, who organised a large U.S. Stadium tour. This is where he competes on this time! He needs me, and we need your support!

Roy is nodding for yes.

MARK SMITH

Alright. On every league you compete on. We are always able to join your team.

ROY

(friendly)

Great. Thanks Mr. Smith

Roy is shaking hands with Brock and Mark Smith.

EXT. BROTHER'S GARAGE - DAY

Owen and Roy are loading their truck into the trailer, before they drive to Syracuse with help from Alison, Liz, Dakota, Brock, Mark, Brandon and Nina.

What nobody expected yet. We did earlier compete on a Monster Truck Tour. But in the Arena events of Monster Nation. With the same trucks, and same crew.

Both brothers are closing the doors of their garage, and are stepping with Alison, Liz and Dakota into their trailer. While Brock and Mark are riding with them by car.

OWEN

ALISON

Oh.. Firestriker, that truck is driven by Dirk Steffard, right?

OWEN

Yes, a Dolmanian driver, because Firestriker is a Dolmanian Monster Truck.

LIZ

And your brother? Who's his opponent during the first round?

Owen turns his head to Roy who's standing next to his truck with Dakota, Brock and Mark Smith.

OWEN

OWEN (CONT'D)

Oh yeah.. he needs to race against

OWEN

(as calling out response

Just wait! I'm going to get a lot
more points than you, jerk!

Brandon's telling Owen something

BRANDON

Well, have you practiced a lot at
your backyard track of your
Motorsports Garage? Because that
helps to get more points than Roy.

OWEN

(to Brandon pointing at
Roy)
Yup, I know. Cause he doesn't even
know how to win Freestyle

Adam Summerville is walking to Owen and his team. Owen and
his team turned their head to Adam.

ADAM SUMMERVILLE

ALISON

(worried to Owen)

Alright, You lost the Semi finals to Roy. How can we get more overall points on Freestyle?

OWEN

(chill to Alison)

Don't worry, Alison. I know how I can handle this. I'm the king of Freestyle. More better than him, remember? Just like at the last tour.

ALISON

(to Owen)

Are you really sure you can do a stronger freestyle than him at a larger track like this here?

OWEN

(to Alison)

Of course, what do you think? I promise with love to you sis. We're close together.

ALISON

(Hugging Owen)

LIZ

(to Owen)

Leave that guy. he doesn't know
what he's doing to debutants.

ALISON

(to Owen)

He loses the Semi-finals too, and I
think He can't stand his loss to
his rival of D-Giant driven by
Ocker who's facing our brother at
the Final Racing.

OWEN

(to Alison)

Our brother is facing who??

Owen is turning his head to the stadium screen and sees D-

debut.

ROY

Yeah It was a strong debut, but
It's okay that I'm the runner up
against one of the superstars you
can't beat easily.

BROCK
 (grumpy to Roy)
 Easily?? Do you remember the last
 time you crashed earlier at the
 Freestyle you had to dominate?

DAKOTA
 (mad to Brock)
 Enough, Brock!

Dakota takes Roy with her, because Roy feels he's being
 attacked by her brother.

DAKOTA (CONT'D)
 (gentle to Roy)
 Come, Roy. don't worry about him.

Mark Smith is walking to Brock

MARK SMITH
 (mad to Brock)
 Brock, you don't talk to your
 brother in law like this, while he
 tries to do on his best!

LIZ (CONT'D)
 (to Owen via her headset)
 Owen, you got the skills on
 Freestyle by practicing a lot, so
 do what you need to do. Okay?

Owen inside his drivers cab on getting ready for his
 Freestyle run.

OWEN
 No probs. I know what to do.

Owen starts his freestyle by starting his engine and driving
 into the track. And Owen's team is cheering up Owen, while

MARK FELLERBAD (O.S.)
 That's what the fans like to see on
 the newcomers.

As follow he goes for the wheelie van stack, and made a
 wheelie as follow, but then he hitted the backside of the
 double van stack, and he easily survived it.

MARK FELLERBAD (O.S.) (CONT'D)
 Oh, A nice survive of Owen
 Mashburn! He takes it easy at that
 moment.

That made Owen's team relieved, but Liz coaches him some extra.

LIZ
 (to Owen via her headset)
 Good job, sweetie. Keep going your
 freestyle run after that easy
 survive.

Then Owen goes for the van stack and flies over the double van stack, but landed on his right side tires, and made an incredible save by leaning on his nose, with hitting the glass paddle standing on four wheels again.

Owen's team really enjoys it, while Liz is giving Owen an compliment.

LIZ (CONT'D)
 (to Owen via her headset)
 Yes, that's what we also wanted to
 see. Keep going like that!

Owen has still control behind the wheel inside his drivers cab.

OWEN
 Its the Freestyle debut, that
 nobody expected at all.

Then Owen goes for the big air over the double van stack, then he made a wheelie as follow, but made an incredible save while he almost lies down on his roof, but by support of the high ramp, he made a backflip, and stands on four wheels again, but he lost his American flag from his truck.

MARK FELLERBAD (O.S.)
 He is almost over, and HO!! Oh my!
 What an amazing backflip save! Holy
 smokes!

Owen's team was really happy with the save. Even the crowd loves to see that.

LIZ
 (to Owen via her headset)
 Excellent! just take it easy now.

Then Owen is going for the Donut, That makes even Brandon enjoying.

BRANDON
 (enjoying)
 Donut time baby!

After the donut, Owen goes for the wheelie van stack, but takes it easy as promised. And ended his Freestyle run by turning off his engine while standing on the double van stacks.

 Yeah, it's the first time to show
 the US Fans here in Syracuse who's
 the real legendary Monster Flame
 truck and driver, and I proof this
 by getting into the semi-finals of
 the Racing competition and
 dominating the Freestyle. Man, it
 feels great.

In meanwhile Owen and his Team looks at the stadium screen.

ALISON
 That's the driver who is the
 overall event winner? Wow..

OWEN
 Yeah, At least he knows to fix it..

BRANDON
 Well, the first event is completed.

OWEN
 About a week, It's time for the 2nd
 stop in Detroit.

LIZ
 Who's in for the dinner at the Ron
 Blacks Beer Hall, tonight?

OWEN

They've booked for the whole team and when they walk to their table, Roy's team are at the table next to them.

ALISON

(to Owen)

What's Roy's team doing here?

OWEN

(to Alison)

I don't know.. Did they overhear us or something?

LIZ

(to Owen, Alison and
Brandon)

I think so..

Roy turned his head to Owen.

ROY

(to Owen)

Yo Owen, you have the dinner here with your team too?

Owen turned his head to Roy too.

OWEN

(Jealous to Roy)

Yeah right. Have you been following us or something?

ROY

(to Owen)

No bro, We just had the same idea, man..

OWEN

(to Roy)

Oh now I got it! You think you're copying us because you beat me in the semi-final race and I beat you in the freestyle competition to take more overall points than you!

ROY

(to Owen)

Oh how did you know that?! You probably think I can't handle losing because you think you're the king of the Motorsport Garage?

OWEN

(to Roy)

I'll hear more of your bullshit at home, and now I'm going to take my luck with dinner, freak!

Owen turns his head back to his own team.

ALISON

(to Owen)

Owen, please take it easy and don't try to confront him.

OWEN

(to Alison)

Sorry, I didn't start, he started that contact with me.

ALISON

(to Owen)

I get you. you know how much of a jerk he often acts.

Edward walks to Owen's Table.

EDWARD

(to Owen and his team)

Welcome to Ron Blacks Beer Hall, you guys! How was the Monster Flame event going?

OWEN

(Friendly to Edward)

Hey Edward, yeah uhh.. It was a strong debut for me. How's your life going nowadays?

OWEN

INT. BROTHER'S HOUSE - LATER AT NIGHT

Owen, Roy and Alison arrived and entered back home, while Liz
 and Dakota are with staying with them.

ROY
 I was not the only one who imitated
 your night 1st event after dinner,
 It was totally Nina who came up
 with that!

OWEN
 It's easy for you to blame her, but
 you're not really giving me relief
 here, buddy!

ROY
 So for thinking that I'm jealous on
 you got more overall event points
 than me? What's the point?

OWEN
 Alright, let me tell you something.
 You're better then me.

ROY

Huh? I am better than you?

OWEN

Yeah, you heard me! You are better than me!

OWEN (CONT'D)

(getting pissed)

On Racing competitions you've beaten me up at the semi finals, and you're the runner up on your debut. But you screwed it up! Why? while you told me now, it's Nina's idea to imitate us for going to Ron Blacks Beer Hall, while you arrived earlier at night, You pretend to be drunk and pissed off the people next to you on the left side for to making stupid comments to Edward!

In meanwhile Alison, Liz and Dakota feel really sorry for each other to comforting each other.

ROY

(relaxed)

What's worse about that? It's just having fun on practicing on challenge other drivers before during and after the show..

OWEN

(disgusted by Roy)

That.. That's so rude and disrespectful, that you doesn't know how it feel to me and our sister? Huh?!

Owen continues walking and Liz and Alison is walking after him, and also apologising to Dakota and Roy about Owen for being mad. Liz and Alison go to calm Owen down to cheer him up and sleep with him in bed in Owen's room. Dakota tries to calmly comfort Roy and they walk to Roy's room together.

LIZ

(with smile on her face to Owen)

Excited to beat your brother again?

ALISON

(giggling)

You know he would be a jerk again, just like the last time..

LIZ

(giggling)

Actually, totally funny when he gets roasted by fellow drivers for being the worst.

OWEN

Alright, don't look too forwards into Roy's jerkiness. The 2nd event is important to focus on. Brandon arrived by my trailer with my truck into at Ford Field. So get ready for Monster Flame in Detroit.

Owen, Alison and Liz are high five each other.

INT. ROY'S HOTEL ROOM IN DETROIT - CONTINUOUS

Roy and Dakota arrived back into their hotel room after dinner at the Hotel restaurant.

ROY

Even I keep being a runner up and taking less points at Freestyle, Your brother will be outraged.

DAKOTA

My brother is just a dork for being fanatic for nothing, while you try to do on your best. You're good at Racing. That's your most favorite kinda competition at Monster Truck Racing. If you look back at Monster Jam World Finals 8 and 9 in Las Vegas back in the late 2000's, John Seacock became World Racing Champion. Twice in a row. That's the kind of driver you'll be too.

ROY

Really?

DAKOTA

You'll really be. It's all between you and me. Okay? Come here.

Roy and Dakota are going to making out kissing each other.

INT. FORD FIELD DETROIT - TWO DAYS LATER

ANDY SEASOCK

(Hosting)

Yeah Mark, It's really surprising that Espinoza and the both two Mashburn brothers made a strong debut the last weekend in Syracuse. I think they practiced really well, to dominate the next competitions or even the overall event..

In meanwhile the drivers have 10 minutes to prepare for the start of the show. Owen already steps into his truck. Just like what Roy is doing.

Liz is asking Alison to go already to the crew spot across the parking pits.

LIZ

(to Alison)

Just walk to Brandon, okay? I'll be there in 7 minutes.

ALISON

(to Liz)

Okay.

Alison is walking to the tunnel to go to Brandon who's awaiting her next to the truck pits below the stands.

ALISON (CONT'D)

(talking to herself)

Alright, Alison, Listen. We are team Xmax from the Mashburn Racing Team, Nobody can bring us down..

Enzo interferes for a while on Alison

ENZO ESPINOZA

(to Alison)

Look who we got here, a team member from a fellow American driver, right? Better be prepared for losing..

ALISON

(annoyed sigh to Enzo)

Shut up!

And van Volen, Heloise, Ocker, and Jarvis are commenting on Alison as follow while they walking continue.

GUY VAN VOLEN

(to Alison)

Hey hey, chill out! Joking belongs to get competition.

GINGER HELOISE

(to Alison)

Yeah! so what do you expect else?

ANTHONY OCKER

The last time, I've beaten up your other brother at the Final racing from last week in Syracuse.

WESLEY JARVIS

Yeah! But your brother of your team, Will get it more heavier than ever until the end of the two final events! You've been warned!

Alison gets annoyed and walks continue to Brandon.

Because I've beaten up Jumping Jack, I kicked Red Devil Taxi's ass, and I wiped both Mashburn brothers out of the track during the final 2 racing rounds. Man, I can't say something else, I'm proud on let it happen inside the United States of America. Fans in Dolmania, Amsterdam, and the U.S. of A, I love you guys! Whooo!!!

While Roy is sitting with Dakota to stay out from Brock for a while, Owen is walking to Roy.

Owen, Liz and Alison walked into Owen's Room, while Alison needs to go to the bathroom to the toilet and taking a shower as follow. And also while Owen is walking with the trophy in his hand, puts it on the table, and is proudly sitting down on his bed.

OWEN
(proudly)
This is one of my best days I ever
had.

LIZ
(proudly and smiling)
Awesome to hear, New York's best

OWEN
 (proudly to Liz)
 Say that, beautiful!

Liz slowly sits sensually on Owen's lap while she putted off her crew-shirt while you can see her in undershirt with lower back and butt crack above her jeans.

LIZ
 (soft sensual to Owen)
 So beautiful, that my only man will
 dominate the world of Monster

While Owen is going to whisper in Liz's ear.

OWEN

Roy's jealous reaction

ROY

(Jealous)

Nice job and congrats, but next time I'll kick your ass on the track again on Racing, asshole.

Dakota is going to lying down next to Roy in bed.

DAKOTA

(Gentle to Roy)

Roy, stop being jealous okay? You'll get him at the next event. I promise.

ROY

(Gentle to Dakota)

I hope so.. well, we'll see next week, if it will happen.

EXT. STATE FARM STADIUM GLENDALE - DAY

3 days before the U.S. Tour Championship in Glendale Arizona at the State Farm Stadium, Owen, Roy and their crew arrived at the stadium to work on their truck while the track is in progress to be builded up.

While Owen's truck is on the real 4 Monster Truck tires again, Owen complimented his team for this.

OWEN

(to his team)

Nice job, team. We'll both get ready for the upcoming event here in Glendale on the upcoming Saturday. So be prepared, we're going for the U.S. Tour Championship.

Adam Summerville walks to Owen for a while

ADAM SUMMERVILLE

(to Owen)

Getting ready for the Tour Championship, We got it. But once again congrats to your overall event championship, last week in Detroit.

OWEN

(friendly to Adam)

Thanks, Mr. Summerville. That's not for nothing why I told my team we prepare for the Tour Championship this weekend on Saturday.

ADAM SUMMERVILLE

(to Owen)

That's true, Owen. While your brother is good at racing, you have many impressive skills on Freestyle. You proof it in this Stadium tour. But the truth is, You got a lot of competition with many other drivers of Monster Flame. Even with the 2 Dolmanian legendary drivers Wesley Jarvis and Anthony Ocker.

OWEN

(to Adam)

That makes it more excited than I thought.

Few moments later, also Roy's team finished adding real Monster Truck tires on Roy's Monster Truck.

Roy, Dakota and Mark Smith are talking for a while about the upcoming event in Glendale on Saturday.

ROY

(to Mark Smith)

It sounds crazy that I'm only just now coming up with it, but Brock will be furious with me if I'm the runner up again in the final race of the racing competition. Me and Dakota were talking to each other about it a few times.

MARK SMITH

(to Roy)

Do you know what it is, Roy? He has been hanging out a lot lately with a bad friend, during which he got very drunk and ended up in a police cell for a few hours.

ROY

(to Mark Smith)

Seriously? Oh geez... I didn't know that.

DAKOTA

(to Roy)

I'm so sorry I didn't tell you this earlier before, honey.

DAKOTA (CONT'D)

(to Mark Smith)

Dad, what he explained, that's what bothered him for a while.

MARK SMITH

(to Dakota and Roy)

Don't worry, I know how to handle him from now on.

Roy and Dakota are nodding for yes, and Mark walks continue.

Owen walks from the garage back to his truck, while Wesley Jarvis is calling him out.

WESLEY JARVIS

(to Owen)

Hey Mashburn!

Owen turns his head to Jarvis.

WESLEY JARVIS (CONT'D)

(to Owen)

Yes, you there! You took the overall event championship, but not anymore this time!

Owen is standing next to and confronting Owen.

OWEN
 (to Wesley)
 Watch out the Freestyle
 competition, and you'll find out.

WESLEY JARVIS
 (to Owen)
 Are you starting to challenge me
 right now? If I take the freestyle
 victory again with the overall
 event score, then you're really
 screwed! you have been warned!

Wesley continues walking, and then Owen continues walking
 back to his monster truck, in which Liz suddenly ran towards
 him.

LIZ
 (to Owen)
 Honey, did I saw Wesley Jarvis
 confronting you again?

OWEN
 (to Liz)
 You saw that correctly. but we both
 feel the American-Dolmanian rivalry
 coming in.

LIZ
 (to Owen)
 I thought so because, he...

Owen puts his hand on Liz's shoulder.

OWEN
 (to Liz)
 Don't worry about him. I know how
 to deal with this.the same goes for
 all other Monster Truck Drivers.

Owen and Liz are walking hand in hand back to Owen's Monster
 Truck.

In between, Roy came into contact with Adam Summerville.

ADAM SUMMERVILLE
 Your racing quality is really
 strong. Because you dominated many
 Racing rounds, but it's also nice
 that you finished as runner up.

ROY

Yeah that's where I'm proud at, but one of the crew members not, because he's always pissed off at me cause of that. But the other crew member aka my girlfriend always defends me from him, and stands up for me, that's where I'm glad for thank god.

ADAM SUMMERVILLE

Let's just guess, Brock gets into trouble with Dakota because Brock attacks you. One of the arguments between brother and sister Smith..

ROY

How did you know that?

ADAM SUMMERVILLE

Their father, aka your crew chief told me about it, after he talked to Dakota about it.

ROY

I already have that suspicion. but okay, I hope to win the racing competition this time, but I don't mind entering the freestyle competition as runner-up again.

ADAM SUMMERVILLE

(smiled pointing to Roy)
That's what I wanna hear.

ADAM SUMMERVILLE (CONT'D)

(walks on, but looks at Roy)
See you at the show.

ROY

Alright, see you then.

Summerville walks on wit his head forwards, and Roy walks to the track to see to track in process for being builded up.

Roy discuss with Dakota how to win, to make sure Dakota will pass it along to Roy's Team.

DAKOTA

(to Roy)

Keep in mind, and do what you need to do.

ROY

Then from now on there is a lot of work for me to do.

Brock comes interfere for a while.

BROCK

(mad to Roy)

If you lose the final racing again, something worse is gonna be happen to you, fucker!

DAKOTA

(mad to Brock)

Mind your own business, Brock!

BROCK

(mad to Dakota)

This is all of our business! I don't wanna lose championships cause of his weakness to forget any championships!

ROY

(mad to Brock)

Brock, go away! It's my founded Racing team and Monster Truck, not yours!

BROCK

(mad to Roy)

I don't fucking care, fuck face! You've been warned for what I'm going to do to you after losing again! You'll be dead on that moment!

DAKOTA

(mad to Brock)

BROCK!!

Brock walks on. As follow Brock and Dakota turns their head to each other again.

DAKOTA (CONT'D)

(gentle to Roy)

Don't listen to Brock! Remember my father told you, he got arrested by the cops after being drunk.

Roy nods yes, and they're kissing each other for a while.

Few moments later, the Racing competition kicks off in Glendale, with the first heat of the first Racing round between Roy and Batman (Shelton Pents) after hitting the first racing ramp.

Roy's team is cheering up Roy, except Brock.

After hitting the 2nd racing ramp, Roy made a strong turn to hit the final racing ramp, and flies as first over the finish line, 2 seconds earlier than Shelton Pents did.

ANDY SEASOCK (O.S.)

(Announcing)

And he's moving as first towards the 2nd racing round, Roy Mashburn, in Blowing-Z!!

Roy's team is giving Roy an applause, except Brock.

DAKOTA

(cheering up Roy)

Good start, sweetie!

Few moments later, after Taz defeated Apollo Ringo, and Buzz defeated Monster Koala, The 4th heat of the 1st racing round will be happen between Owen and Firestriker (Dirk Steffard).

Owen's Team is having fun on watching Owen racing against Danny, because they know what they expect.

The traffic lights goes green, and the racing starts between Owen and Danny, by hitting the first racing ramp.

Owen takes two strong turns and speed limit to hit the second and last racing ramp for flying as first over the finish line, one seconds earlier than Dirk did.

MARK FELLERBAD (O.S.)

(Announcing)

Owen's Team gives Owen an huge applause.

Few moments later, The 2nd racing round is will starts at the first heat between Roy is facing Apollo Ringo (Ginger Heloise) while they both are ready in front of the starts line.

Owen's team gets surprised.

ALISON

Wow, really painful for that Monster Energy dude.

BRANDON

but surprising.

The track crew, and Lois runs to van Volen while he tries to get out of his truck. But a few seconds later, van Volen got out of this truck, while the truck is going to stand on 4 wheels again, by help from the excavator.

MARK FELLERBAD (O.S.)

(Announcing)

Ouch, van Volen crashed on his side during making a turn before he wanted to hit the 2nd racing ramp. That's why this heat ended immediately. But that does mean that Owen Mashburn certainly qualifies for the semi-finals against his brother, but Guy van Volen also qualifies for the semi-finals as the fastest loser. so a second chance for van Volen during the semi-final against Red Devil Taxi or D-Giant.

Than a few minutes later, the first heat of he Semi-final racing round is going to be kicked-off while Owen and Roy are facing each other when they're ready in front of the start line.

LIZ

(cheering up Owen)

Let's do it, Owen!

The traffic lights goes green.

ANDY SEASOCK (O.S.)

(Announcing)

Let's go racing!

Both brothers started the race by hitting the first two racing ramps with strong turns and speed limits. Both teams are hoping for their win. And Roy is more faster and flies as first over the finish line a second earlier than Owen did.

MARK FELLERBAD (O.S.)
 (Announcing)
 He moves on as first to the final
 racing, Roy Mashburn in Blowing-Z!

Roy's team is happy while Brock is a little relieved.

Owen's Team is disappointed.

And a few moments later, the final racing will be kicked-off in a few seconds, between Roy and Buzz (Guy van Volen) after van Volen has beaten Red Devil Taxi in the last heat of the semi-finals.

ANDY SEASOCK (O.S.)
 (Announcing)
 This is the final racing of this
 Racing competition and the Stadium
 tour of Monster Flame in the U.S.
 Happen in Glendale Arizona, between
 Roy Mashburn in Blowing-Z, and Guy
 van Volen in Buzz. We'll see who's
 going to win the last Racing
 competition of the tour this year.

Roy's team gets the hope, and you can see on Brock that he feels he will abuse Roy if he loses.

DAKOTA
 (Hopefull)
 Come on Roy! Kick his ass on the
 track!

BROCK
 (feeling anger)
 If he loses again, I'll kill him
 this time!

DAKOTA
 (annoyed to Brock)
 Do not act so childish!

NINA
 (annoyed to Brock)
 Yeah! Grow up, you moron!

The traffic lights goes green, and the final racing has been kicked-off by van Volen and Roy after hitting the first racing ramp. They both made a strong turn to the 2nd racing ramp, and on the other turn to the final racing ramp, van Volen uses unexpected his speed limit faster, and flies over the finish line as first. And that makes Roy being the runner-up again.

MARK FELLERBAD (O.S.)
 (Announcing)
 Ladies and Gentlemen, Your Racing
 winner, Guy van Volen, BUZZ!!!

The crowd made some noise.

While Roy stepped out of his truck, Dakota is taking Roy with him to the dressing room.

DAKOTA
 (to Roy)
 Come, Roy. You did it awesome. I'm
 proud of you.

And as surprise, Brock ran straight up to Roy.

BROCK
 (angry to Roy)
 You motherfucker!

Brock hits Roy hard in the face with his fist, which startled Dakota.

DAKOTA
 (gasp by shock)
 BROCK!!

Roy tries to stand up while he gets being mad on Brock.

ROY
 (mad to Brock)
 What da fuck is your problem?!

Some Track crew members where shocked like "what's going on?"

Brock kicked Roy on his face, Roy yelled out his pain and became unconscious. it shocked Owen, Alison (with gasp), and his team, including many other drivers, and van Volen with his team, while van Volen toke the Racing competition victory.

DAKOTA
 (by shocked angry to
 Brock)
 BROCK, WHAT'S WRONG WITH YOU?!!

Brock is spitting on Roy.

BROCK
 (pissed to Dakota)
 You got the wrong boyfriend and
 driver, huh?!

DAKOTA
 (pissed off at Brock)
 Just Fuck Off!!

Even Nina runs to Roy when Dakota is kneeling down to Roy, to check if he's okay, while the ambulance is being called on him.

NINA
 (pissed to Brock)
 You're just a fucking psycho!

Even Nina is bending down to Roy, to check if he's okay.

And then a really pissed off father stands a few miles behind Brock.

MARK SMITH
 (yelling called out to
 Brock)
 BROCK!!!!

Brock shows his middle finger to Roy, and walks to Mark Smith.

MARK SMITH (CONT'D)
 (Totally pissed on Brock)
 You crossed the line, You're fired!
 Get lost!

BROCK
 (complaining to Mark
 Smith)
 But he failed!!

MARK SMITH
 (Mad yelling to Brock)
 Get lost! Now!

Brock walks away from the stadium, while the ambulance arrived for Roy.

MARK FELLERBAD
 (Announcing)
 Ladies and Gentlemen, Our apologies
 for what happened on the side next
 to the track, because this does
 never belong to any Monster Truck
 Leagues like Monster Flame, and
 this was never happened earlier
 before during a Monster Truck
 League event! What do you think,
 Andy?

ANDY SEASOCK

(Announcing)

I don't blame you for that, Mark. because this is a humiliation for such a motorsport, that fired crew member "Brock Smith" should be punished very severely and even banned from all Monster truck organisations. Because this should never happen! All drivers, crew members and everyone from the organisations, and even his own father and sister, are extremely mad on him because he seriously punched Roy Mashburn into the hospital. And that means Blowing-Z will not be able to compete on the Freestyle competition from now on.

INT. HOSPITAL GLENDALE - AFTER THE EVENT

Owen walks through the hallway of the hospital together with Liz, Alison and Brandon walking behind him. He sees Roy's team without Brock in the waiting area.

OWEN

(to Dakota)

Is anything alright with Roy?

DAKOTA

(to Owen)

He was seriously unconscious, and he is about to be operated on with anesthesia in 8 minutes.

OWEN

(to Dakota)

I'm just a bit worried. Can you please tell me where he is?

DAKOTA

(to Owen)

He just arrived at the intensive care room.

Owen walks immediately to the Intensive Care Room.

OWEN

Alright, thanks. I'll be back in a minute.

Owen entered the Intensive Care Room, 4 minutes before Roy gets the anesthetic.

NURSE

(to Owen)

Sir, but you can't enter right now.

OWEN

(to Nurse)

Sorry, I need to talk to my brother.

Owen walks to Roy.

OWEN (CONT'D)

(to Roy)

Yo Roy, are you alright buddy?

Roy wants to ask Owen, while Roy is still in pain and can barely speak.

ROY

(barely speak)

Did you win?

NURSE

(to Owen)

Sir, I'm sorry you have to leave the Intensive Care room.

OWEN

(to Nurse)

But..

NURSE

(to Owen)

Don't worry, We will make your brother well again with the operation.

Owen walks back to the waiting area with a sigh.

Owen became unhappy, while Liz and Alison sat next to him to partly comfort Owen.

Dakota walks to Owen.

DAKOTA

(to Owen)

Are you okay?

OWEN

Not quite, you know what that jerk asked me? If I won.

DAKOTA

(to Owen)

I'm so sorry for your brother, because he was being knocked out by my brother, that made us all mad on him. But since 10 minutes ago, my brother was arrested by the police for this, and has to go to prison for 4 months, with the judge immediately deciding that he will live in an institution in Chicago for the rest of his life. Me and my father never want to see my brother anymore. So, yeah.. It doesn't matter what he did earlier before that incident, I hate my brother so much.

Liz and Alison were surprised on Brock's punishment..

OWEN

(to Dakota)

So, he certainly deserved his punishment because of this?

DAKOTA

(nodding yes to Owen)

Correct.

OWEN

(to Mark Smith)

If I need to ask for being sure, Is that true?

MARK SMITH

(nodding yes to Owen)

Yes. We got that notification about it by the cops from a local Police department.

Owen starts to remember this, and makes him think that he wants to write this in his notes on his cell phone.

INT. HOSPITAL GLENDALE - THREE HOURS LATER

Owen walks with Liz and Alison into Roy's patient room where Roy lies in bed, and Dakota is sitting on a chair next to Roy to stay with and take care of him.

OWEN

(to Roy)

Yo Roy

ROY
(to Owen)
Yo Owen

OWEN
(to Roy)
How are you now, brother?

ROY
(to Owen)
Yes, it's going well... but I don't
know, if it is possible for me to
reach the Grand Finals or not.

OWEN
(to Roy)
Dang, that sucks for you. But let's
hope.

ROY
(to Owen)
Yeah, All thanks to Brock who
rushed me into the hospital for
being unconscious. But I'm glad
that Dakota always stands up for
me, because she means the world to
me.

Dakota is adoring Roy, Roy smiles to Dakota with a wink.

ROY (CONT'D)
(to Owen)
But how was the Freestyle
competition going?

OWEN
(to Roy)
I toke the 15 points landed at the
9th place, cause of my truck
coughed fire after making a combo
of 3 skills in one that includes a
big air and sky wheelie, landed
with a pogo. Red Devil Taxi toke
the Freestyle victory and is the
Tour champion of the United States.
But I toke the 3rd place at the
Overall Tour scores.

ROY

(to Owen)

It's a shame that the Freestyle ends earlier, but it's great that you finished 3rd in the total tour score. But how many points in total did you achieve with it?

OWEN

(to Roy)

I took 3rd place with 84 points. but in shared 2nd place with Buzz and Jumping Jack.

ROY

(to Owen)

Uhm, wow..

In meanwhile, Mark Smith comes inside.

ALISON

(to Roy)

But hey, Roy, while you may be able to compete in the Grand Finals anyway and Brock never comes back, maybe we can get Owen's team and your team to work together with each other. Would that be something?

ROY

(answering Alison)

It's up to Owen, If he'd like that too?

OWEN

Well, It's no big deal.

Roy, Alison, Liz and Dakota are glad for this, and for Mark Smith it feels interesting.

MARK SMITH

(to Owen)

Very good decision, Mashburn.

OWEN

Well.. let's prepare for the next week.

Both brothers, sister girlfriends and Mark Smith are glad.

INT. ROY'S HOTEL ROOM IN HOUSTON - FRIDAY AT EVENING

Roy and Dakota are both watching the Monster Flame update on TV, when a new driver and truck is announced to compete on the Monster Flame Grand Finals USA the next day in Houston.

REBECCA PHILLIPS
(on TV in front of the
Batman Monster Flame
Truck at the pits at the
Sam Boyd Stadium)

The replacement of Shelton Pents is known. He is going to be replaced by Batman. Batman is the Monster Truck behind me, and it will be driven by the former Monster Jam driver, John Seacock, who's been earlier Twice the World Racing Champion of Monster Jam, back in 2007 and 2008.

That surprised Roy and Dakota for a while. During they're sitting next to each other on the top of the bed.

ROY
So the old Monster Jam World Racing Champion returns into the world of Monster Trucks? Wow.. I never expected that.

DAKOTA
He was really long inside the Monster Truck Industry as the driver since 1992 when he drove Sudden Impact as first.

ROY
I still remember when I went to my first World Finals of Monster Jam, really in 2007 while I saw Seacock became World Racing Champion, while I got his autograph during the Party in the Pits. But now, My big brother is going to face him during the U.S. Monster Flame Grand Finals, here in Vegas.

DAKOTA
Bringing the icons back into the Monster Truck Racing is nothing else than surprising.

Roy stands up and walks to the chair.

ROY

We the team can handle it on this Saturday. Together as boyfriend and girlfriend.

Roy sits down on the chair, while Dakota is walking towards him.

DAKOTA

(sensual)

Even without psycho jerks like Brock who fucks it up for everyone. But you, the one I trust forever.

Dakota is sitting on Roy's lap.

Roy and Dakota are making out with each other, Roy put his hands on Dakota's butt crack above her jeans, as follow he wipes his hands to her lower back and he puts her shirt up.

Roy takes off Dakota's shirt while she cooperates, and they continue making out while Dakota is braless.

EXT. NRG STADIUM, HOUSTON - DAY

After the 4 large tires were placed on Owen's Monster Truck, Owen, Liz and Alison finally finished preparing his Monster Truck for next Saturday's Action-side. Summerville walked up with John Seasock.

ADAM SUMMERVILLE

(to Owen)

Good afternoon Mashburn, I'll introduce you the former Monster Jam World Racing Champion from the late 2000's, John Seasock.

ADAM SUMMERVILLE (CONT'D)

(to John Seasock)

John, this is Owen Mashburn. One of the biggest American talent super star the U.S. Tour of Monster Flame has.

Owen and John Seasock are going to shaking hands.

JOHN SEASOCK

(to Owen)

Hi, my name is John Seasock.

OWEN

Hey John, My name's Owen Mashburn.
good to meet you. Me and my brother
saw you for the first time winning
the World Racing Championship of
Monster Jam World Finals 8 back in
2007.

JOHN SEASOCK

Really? That's interesting. I've
heard your brother is a good racer,
isn't he?

OWEN

Yeah he is a good racer, he's
recovered quickly cause a crew
member aka the brother of his
girlfriend fought him into the
hospital by becoming unconscious.

JOHN SEASOCK

Oh, that's awful for him. Sorry for
your brother, pal.

OWEN

But he's recovered now, he will
drive again.

JOHN SEASOCK

That's a Good thing. but where is
he?

OWEN

He's working on his truck yet
together with his girlfriend.

ADAM SUMMERVILLE

See, that's interesting to see.

Liz and Alison agree with Summerville.

Anthony Ocker made fun of the moment by making a comment.

ANTHONY OCKER

The 2 times Monster Jam World
Racing Champion made friends with a
wrong driver! That's a big failure!

Summerville reacted to Ocker.

ADAM SUMMERVILLE

Ocker, Mind your own business!

But Owen and John Seasock didn't care.

JOHN SEASOCK

(to Owen)

Are they often making fun of you?
Or is it just by challenging?

OWEN

It can be both, but often they keep
shouting things to look for
competition.

JOHN SEASOCK

Very good of us that we both don't
care about them. I'm going to win
the US Racing Championship for your
brother if he lose at the Racing
competition. and then you win the
US Freestyle Championship.

John Seasock stretch his arm for handshake to make that deal
with Owen.

JOHN SEASOCK (CONT'D)

Deal?

Owen shakes his hand with John Seasock.

OWEN

(with smile)

Deal.

ADAM SUMMERVILLE

Good job, you guys. Now you both
know what you need to do at the
upcoming Saturday.

Roy runs towards Owen, Summerville and John Seasock.

ROY

(to John Seasock)

Wait, you're John Seasock the two
times Monster Jam World Racing
Champion, right?

JOHN SEASOCK

(to Roy)

Yup, that's me.

ROY

(to John Seasock)

Cool, man!

Roy stretch his arm for handshake to John Seasock

ROY (CONT'D)
 (to John Seasock)
 Roy Mashburn, Nice to meet you.

Roy and John Seasock are shaking hands with each other.

JOHN SEASOCK
 (to Roy)
 Nice to meet you too, Roy. Your brother and I made a deal. If you lose a round at the Racing competition, while I'm still move on to the next round or even the final racing. I'll win the American Racing Championship, even for you.

ROY
 (to John Seasock)
 Awesome!

John Seasock turns his head to Owen again.

JOHN SEASOCK
 (to Owen)
 Your brother is a big fan, isn't he?

OWEN
 (to John Seasock)
 Yeah, he's just being surprised that we both are lined-up at the Monster Flame U.S. Grand Finals.

Adam Summerville continues walking, while John Seasock walks to his own Monster Truck.

JOHN SEASOCK
 (with smile)
 See you on Saturday, my friend.

OWEN
 (with smile)
 See ya, pal.

Owen turns his head to Roy.

OWEN (CONT'D)
 (annoyed to Roy)
 Roy, please. You don't necessarily have to spontaneously run towards us to meet him like a crazy man!

ROY

(to Owen)

It's been years since we met him and now we're both lined up in the same event. Is it okay for once?

OWEN

(to Roy)

Just be patient, brother. It happens more when the guy with Summerville walks up to you, like it happened to me.

ROY

(to Owen)

Fine. But it's too late for that now. Lol..

OWEN

(to Roy)

However.. how is your Monster Truck so far?

ROY

(to Owen)

Yes, almost done. I screwed on the first two straps. But now the last two, and then it's ready for tomorrow from the Action side. And how is yours?

OWEN

(to Roy)

Mine is already finished, and it will soon move to its Action-side spot on the track for tomorrow during the Kick-off of the Grand Final, with the Action-side just in front of it first.

Dakota is calling out loud to Roy, to bolt the last two tires on his Monster Truck.

DAKOTA

(calling out loud to Roy)

Roy Sweetie, Are you coming to bolt on the last two tires to your Monster Truck?

ROY

(calling out loud to
Dakota)

I'm coming, babe!

ROY (CONT'D)
 (to Owen)
 I'll see you later.

Roy is walking back to his Monster Truck where Dakota, Mark Smith and Nina awaits him.

Liz and Alison are happy for Owen to have such a moment.

LIZ
 Oh my gosh, That was really awesome!

ALISON
 You are friends with two-time Monster Jam World Racing Champion, just days before the American Grand Finals of Monster Flame. How cool is that?

OWEN
 I can't say anything else than being proud on that milestone.

Then, Guy van Volen's crew member Jeffrey comes to challenging Owen and his team, that van Volen has George Balhan for his Monster Energy promotion.

JEFFREY
 (to Owen)
 Hey Mashburn, I see your mates with John Seasock. But Guy van Volen aka Buzz, has George Balhan for his Monster Energy promotion. But which brand sponsored you? no one! so he achieved more than you, loser!

Owen sees van Volen getting promoted by Monster Energy in collaboration with George Balhan, Two Monster Energy Girls, and Dirt Shark.

Owen turns his head back to Jeffrey.

OWEN
 (to Jeffrey)
 At least I start from small and slowly grow bigger. Is that why you've come to challenge me?

JEFFREY
 (to Owen)
 our driver has made more friends in the Monster Energy community.
 (MORE)

JEFFREY (CONT'D)

But you're just a stupid small garage that doesn't achieve much.

OWEN

(to Jeffrey)

And?

JEFFREY

It's a pity that your brother joined your team as a crew member, otherwise you will be completely screwed! then your truck won't be called "Xmax" but you will drive behind the wheel of "I'm fucked to pieces".

But now that your brother and his team have joined your team, you're still going down! We'll see you and your team on Saturday, ass beetle!

Jeffrey walked back to Van Volen's Monster Truck to enjoy Van Volen's Monster Energy promotion.

Liz and Alison try to keep Owen from being brought down by protecting him.

LIZ

(to Owen)

Honey, don't listen to that jerk.

ALISON

(to Owen)

Because that asshole doesn't know what he says.

OWEN

(to Liz and Alison)

Don't worry, girls. We are a team. And as Roy and his team join us, we become even stronger. we keep remembering it.

Owen hugs Liz and Alison together (both 3 with smile on their face) for being a good boyfriend-girlfriend couple and brother-sister.

EXT. NRG STADIUM, HOUSTON - SATURDAY NIGHT

After the Action-side, the drivers with their teams and their Monster Trucks are going to prepare for the U.S. Grand Finals of Monster Flame, at the pits, a few meters behind the stadium track.

And that's also to see on Owen and Roy and their team and Monster Truck. While Owen walks to his Monster Truck, where his team awaits him.

OWEN

So, my team is ready for the
Monster Flame U.S. Grand Finals,
Aren't yeah?

MARK SMITH

I am prepared to take charge of the
team as crew chief and you can
simply stay behind the wheel of
your Monster Truck.

OWEN

Thanks Mr.Smith

BRANDON

(to Nina)

So, during the time I can spank my
sister's butt crack for fun during
our work for now.

NINA

(annoyed to Brandon)

Better not do it, dumbass!

Brandon is laughing for making a joke. While the rest of the team are looking to him, like "what the fuck?"

And then Wesley Jarvis walks by to taunt Owen in a lamely mean way.

WESLEY JARVIS

(to Owen)

Hey Mashburn!

Owen and his team turns their head to Wesley Jarvis.

WESLEY JARVIS (CONT'D)

(mean to Owen)

You're lucky that your team has
grown, but you better watch out!
because now you're going to have
the worst day ever of your life,
coward!

Wesley Jarvis continues walking. And coincidentally, Ginger Heloise also walked past it.

GINGER HELOISE

(lame and mean to Owen)

Yes, I hope that you miss your chance because you crash sooner, or even better: that the engine of your monster truck breaks down faster that you can never continue with the show. for us you remain the biggest loser!

Roy's reaction on them.

ROY

(Surfer bum like)

Oooo.. those two are in a good mood tonight.

MARK SMITH

(to Owen)

Don't worry, Mashburn. Do what you have to do and grab your big chance!

OWEN

(to Mark Smith)

Of course, I do.

Owen turns his head to John Seasock who stands a few meters from Owen and his team, while John Seasock is on his way to his Monster Truck.

First John Seasock shows a wink with a thumb up to Owen.

As follow, Owen shows a wink with a thump up back to John Seasock.

John Seasock continues walking to his Monster Truck.

Owen turns his head back to his team.

OWEN (CONT'D)

(to his team)

Well, here we go.

Owen puts on his drivers gloves, and Liz gives him his helmet with his Race Balaclava.

OWEN (CONT'D)

(to Liz)

Thanks bae.

Owen and Liz are kissing on each other's mouth for 2 seconds.

LIZ
 (to Owen)
 You can do it.

Owen smiles to Liz, and steps into his Monster Truck.

Not surprised, Batman (John Seasock) flies as first over the finish line, one second earlier than Firestiker (Dirk Steffard) did.

MARK FELLERBAD (O.S.)

(Announcing)

He moves on as second to the 2nd racing round, JOHN SEASOCK, BATMAN!!!

Liz and Dakota are nodding yes with their heads, with a wink including a smile on their face.

Roy's team is proud to see Roy winning the first racing round, but they prepare to seeing Owen's race against Ginger Heloise.

DAKOTA

(to Nina)

Now his big brother's turn.

NINA

Both drivers and trucks started the racing from the start line, trough the Racing ramp straight to the first corner.

Owen's team is cheering to Owen. While he's racing.

Both drivers toke a strong speed limit, as Apollo Ringo (Heloise) makes a mean diversionary turn that makes Owen made a sloppy turn. That's a bit of a shock for Owen's Team.

BRANDON
 (shocked)
 What da?!

LIZ
 (shocked)
 Oh no!

Apollo Ringo (Heloise) flies as first over the finish line, three seconds earlier than Owen does.

OWEN
 (Gentle to Liz)
 Don't worry, sweetheart. My
 Championship is not over yet.

OWEN (CONT'D)
 (to his team)
 Guys, it's not over yet. because
 now is my chance to win the
 American Freestyle Championship.

Owen's team is cheering up Owen for his words for not giving up.

Few moments later, Red Devil Taxi (Wesley Jarvis) defeated Jester Surf Penguin (Danny Hunspuns) at the 1st heat of the 2nd racing round.

(Announcing)

Roy's team gave Roy a round of applause. But Owen and his team think this is becoming interesting.

LIZ

(smile to Owen)

Not bad from your brother.

OWEN

(nodding yes to Liz)

I know.

A moment later, Apollo Ringo (Ginger Heloise) defeated Buzz (Guy van Volen) at the last heat of the 2nd racing round.

Few moments later, the first heat of the Semi-final racing has been started between Buzz (Guy van Volen) and Red Devil Taxi (Wesley Jarvis).
