and shouts at the COWORKER:
ordering him not to..)

GOVERNMENT WORKER

(shouts to COWORKER) No.. no.. HOW DO YOU

COWORKER
(firm to GOVERNMENT WORKER) I'm going to stop them...

(THE GOVERNMENT WORKER grows defensive of the PIG FAMILY; shouting at the COWORKER)

GOVERNMENT WORKER
(shouts to COWORKER) Hey... HEY... hey... let's just ask them what their business is here first.. no need for violence... let's just talk..

COWORKER
(annoyed to GOVERNMENT WORKER) That is if they can talk..

(THE GOVERNMENT WORKER grows annoyed with the COWORKER's unlike-ability...)

GOVERNMENT WORKER
(annoyed to COWORKER) Have a bit of trust will you.

(THE GOVERNMENT WORKER and the COWORKER walk outside; to question the PIG FAMILY...)

(JED BREATHE)

JED

(strict to family) i don't know what these earthlings think of us aliens.. we are aliens... so they may see us a threat.. so..

(A PAUSE..)

JED

(strict to family) We are here on a holiday; to not cause trouble... You must stay be me and your mother's side... understand?

JESSIE & JAMIE

(to JED) Yes DADDY.. yes.

(JUDY looks worried and speaks her concerns to JED..)

JUDY

(JED notices JUDY's worrying and comforts her..)s

Made in Highland

JED

(Comforts JUDY) Judy... do not worry.. do not.

JUDY

(Worried to JED) But JED... we are aliens.. they might have highly specialised equipment for fighting us extraterrestrials...

JED

(Comforts JUDY) I doubt that JUDY... I mean I think they will trust us.

(A PAUSE..)

JED

(cont'd to JUDY) We have the body shape like them... our heads are different... they may relate to us... now just.

(JED BREATHES and reassures his family things will be alright..)

JED

(Comforts JUDY) I assure you your protection darling JUDY... and our children.

(JED holds JUDY's pink hands and share a kiss... JESSIE & Jamie giggle at their parent's love..)

JUDY

(firm to JESSIE & JAMIE) What children? What is so funny?

JAMIE

(giggles to JUDY) Just funny... seeing you kiss..

JUDY

(to JAMIE) It's love... you will find love with another pig one day... now come on.

(JUDY, JAMIE & JED leave their spaceship parked; and wonder around the AEROPLANE park grounds....)

(SUDDENLY - the COWORKER and GOVERNMENT WORKER walk outside the GOVERNMENT FACILITY HQ; grabbing the PIG FAMILY's attention..)

GOVERNMENT WORKER

(shouts to PIG FAMILY) Hey... unwelcome aliens... STOP RIGHT THERE.. we need to question you.

(THE PIG FAMILY look startled. JUDY worries and looks at her husband; JED breathes and stands in front of his family; guarding his family...)

GOVERNMENT WORKER
(firm to JED) Hello.. FATHER piggy... are you?

(JED speaks... the GOVERNMENT WORKER and the COWORKER are stunned by the humanistic talk-nature of the extraterrestrial pig family...)

JED
(to GOVERNMENT WORKER) Hello EARTHLING.. we intend no harm.. my family and I are visiting.

(THE GOVERNMENT WORKER remains inquisitive

GOVERNMENT WORKER
(firm to JED) Which planet are you from?

(JED breathes and breaks the truth..)

JED
(breathes to GOVERNMENT WORKER) We are from a distant planet... called PINKTOWN...

(THE GOVERNMENT WORKER is shocked; and questions JED even more..)

GOVERNMENT WORKER
(questions JED) PINKTOWN.. never heard it..

JED
(to GOVERNMENT WORKER) Like your planet EARTH... PINKTOWN is located within the MILKYWAY galaxy....

GOVERNMENT WORKER
(firm to JED) Oh please... I know what planets are in the MILKY WAY... and PINKTOWN is no exception... don't treat me like a dummy...

(ANNOYED: JED speaks the truth more. THE PIG FAMILY begins to worry and remain silent..)

JED

(firm to GOVERNMENT WORKER) I am... I am telling the truth... please...

COWORKER

(annoyed to JED) Really... well the planets I know in the MILKY WAY GALAXY are - MERCURY, VENUS, MARS, JUPITER, SATURN, URANUS & NEPTUNE... and there's here EARTH... and you can also call PLUTO a dwarf planet... but..

(A PAUSE..)

COWORKER

(firmly to JED) I do not see a planet called PINKTOWN on the MILKWAY WAY radar.. but...

(A PAUSE...)

COWORKER

(Firm to JED) But if you are telling the truth... then maybe us ASTRONAUTS and the people at NASA have much to explore... (to GOVERNMENT WORKER) Ain't that right MAN?

GOVERNMENT WORKER

(to JED) Yes that is right...

JED

(to COWORKER) PINKTOWN is a planet very much near PLUTO... it is just invisible with the human naked eye... for a very good reason... we don't trust any alternative extraterrestrial life because of our small size..

(THE GOVERNMENT WORKER & the COWORKER are both stunned and shocked of JED's home-planet and its invisibility wilfulness and power..)

COWORKER

(questions JED) You can... your planet is capable of invisibility.

JED

(to COWORKER) Yes...

COWORKER

(to JED) Gain us access to your planet... NASA would love it...

JED

(firm to COWORKER) I'm sorry.. not at the moment... until I gain trust in you humans... NO DEAL..

(COWORKER becomes annoyed and provoked..)

COWORKER

(firm to JED) I will get it from you some way... probe your memory perhaps.

JED

(firm to COWORKER) Please.. if you intend harm on me and my family; with which we intend no harm on you - I will fight to protect my family...

COWORKER

(firm to JED) So you have weapons.. what kind?

JED

(firm to COWORKER) I don't like your tone... stop...

(JESSIE & JAMIE begin to cry in fear; whilst JUDY worries... JED looks at his family... and comforts them..)

JED

(whispers to family) I promise you family.... I will protect you... if things get south..

(COWORKER swiftly speaks..)

COWORKER

(firm to JED) What.. what is your business here? Tell me why you are HERE?

JED

(breathes to COWORKER) We are just visiting.. that's all.. we do not wish to intend harm on you human earthlings... we come in peace. We have said this two times now... please.. let us be..

COWORKER

(Firm to JED) Hand over your weapons...

(JED becomes protective of his family...)

JED

(firm to COWORKER) I... I refuse.. for the paramount safety of my family... NO..

(COWORKER becomes futile and aggressive...)

COWORKER

(firm to JED) Oh you filthy PIG...

Made in Highland

(COWORKER loads a gun; and aims it at the PIG FAMILY... JUDY JAMIE & JESSIE scream in fear.)

JAMIE

(scared to JED) Daddy.... DADDY..

(JED in a protective stance; grabs a small pink-laser weapon gun; and aims it at COWORKER. THE COWORKER laughs though keeps his gun aimed; the GOVERNMENT WORKER looks in shock..)

COWORKER

(chuckles to JED) Oh... what sort of pink-gun-like pig weapons do you have? Laser tag-weapon... like...

(JED becomes annoyed with the COWORKER's tone; and shoots a laser at his stomach; inducing pain... but no wound or bullet. THE COWORKER bends down and screams..)

COWORKER

(screams to himself) SHIT... SHIT...
FUCK....

JED

(Firmly to COWORKER) We want no harm... WE HAVE TOLD YOU THIS... DO NOT.... DO NOT AIM A GUN AT ME or near my FAMILY.... UNDERSTAND.

COWORKER

(groans to JED) Okay... okay sorry..

(THE COWORKER begins to fear the PIG WORKER and drops the gun. THE COWORKER groans as he stands up..)

COWORKER

(groans to JED) I mean.. I must admit... you pig-sub-human extraterrestrials speak ENGLISH so well? For pig humanlike aliens... damn.. HOW?

(JED smiles at the COWORKER...)

JED

(to COWORKER) We know a fair bit about you humans than you think..

(THE GOVERNMENT WORKER speaks up...)

Made in Highland

GOVERNMENT WORKER

(to JED) We would really like to know more about you.... your species.. your kind..

(THE GOVERNMENT WORKER looks at the groaning COWORKER then back at JED)

GOVERNMENT WORKER

(to JED) I promise... I will not actively involve or indulge myself in hurting you... I welcome you to our planet EARTH..

(JED begins to trust the GOVERNMENT WORKER: and puts his PINK GUN-LASER WEAPON on his back. GOVERNMENT WORKER then puts his hand out to JED; JED looks confused..)

GOVERNMENT WORKER

(to JED) Here... we shake hands as a form of meeting another individual and-or gratitude... nice to meet you?

(JED breathes and shakes the GOVERNMENT WORKER's hand...)

JED

(breathes to GOVERNMENT WORKER) Okay... I trust you... (glares at COWORKER) Not him so much...

GOVERNMENT WORKER

(to JED) Please come inside... Educate our planet on your planet and nature...

JED

(smiles to GOVERNMENT WORKER) Okay... but please.. please offer me and my family hospitality..

(THE COWORKER laughs; JED looks at the COWORKER firmly.. the COWORKER regrets his laugh...)

COWORKER

(apologises to JED) Sorry... sorry..

(JED looks back at the GOVERNMENT WORKER)

JED

(pleads with GOVERNMENT WORKER) Please.... please offer...

GOVERNMENT WORKER

(to JED) I promise... I will offer hospitality for your family..

(JED agrees to shake the GOVERNMENT WORKER's hand; they both exchange smiles..)

(THE SCENE CUTS)

(FADE OUT; END OF SCENE)

INT. INSIDE - RESEARCH GOVERNMENT FACILITY
HQ - WASHINGTON DC USA

(FADE INSIDE THE RESEARCH GOVERNMENT FACILITY. THE PIG FAMILY ENTER IN FOLLOWING THE GOVERNMENT WORKER & COWORKER; MAKING THEIR WAY TO THE CIRCULAR MISSION DESK... THE PIG CHILDREN LOOK WORRIED BUT INTRIGUED OF THE INDOOR ENVIRONMENT. THE GOVERNMENT WORKER AND JED SPEAK)

GOVERNMENT WORKER

(to JED) So this is our GOVERNMENT HOUSE... where secrets are kept from the people?

(JED is shocked by the GOVERNMENT's WORKER statement..)

JED

(shocked to GOVERNMENT WORKER) What the? You keep secrets away from the public? What... what for? That ain't good.

(THE COWORKER speaks up...)

COWORKER

(firm to JED) We can't tell the PUBLIC about some things... it's crazy... the people would panic.. we can't have everyone in fear.

JED

(firm to COWORKER) so you lie to your people... that's not gonna get the public trust far.

COWORKER

(annoyed to JED) Imagine having advanced weapons that the public don't know about yet... okay.... people here... on EARTH... are afraid of what they don't understand.... some couldn't handle stuff we know... it's better they not know..

JED

(shocked to COWORKER) Damn... damn... well I don't like that... in my planet.. everyone knows the governance of our planet... no secrets kept where we are.

COWORKER

(annoyed to JED) I'm sorry... but you have the bodily structure of us.... apart from the pig-head-

(GOVERNMENT WORKER becomes annoyed with the COWORKER's comment; and speaks up..)

GOVERNMENT WORKER

(annoyed to COWORKER) HEy... stop the comment...

JED

(questions GOVERNMENT WORKER) What comment? What was.

(COWORKER laughs... JED becomes annoyed..)

JED

(annoyed to COWORKER) Hey... even though I ain't human... I can emotionally sense something awry... with which I think may have been a figure of your speech...

(JED prepares to arm himself; the COWORKER freaks out and begs JED to stop..)

COWORKER

(scared to JED) No... no.. disarm yourself please.. please don't shoot that futuristic extraterrestrial technology at me... please..

(JED disarms himself once again; looking at COWORKER with an annoyed expression on his face..)

GOVERNMENT WORKER

(to JED) I apologise for my coworker's rudeness... I intend you no harm.. I just would like to know more about you...

JED

(to GOVERNMENT WORKER) Once you start to become truthful with your people..

GOVERNMENT WORKER

(to JED) Sorry... father PIG..

(JED swiftly responds..)

JED

(firm to GOVERNMENT WORKER) Name's JED...

GOVERNMENT WORKER

(breathes to JED) Sorry JED... but uh... I can't...

JED

(to GOVERNMENT WORKER) Then I not wish to tell you more about my civilisation and my extraterrestrial self and species.. (looks at PIG FAMILY) We shall go now..

(AS JED prepares to leave with his family... THE GOVERNMENT WORKER garners JED's attention..)

GOVERNMENT WORKER

(shouts to JED) No wait... (breathes; speaks calmly) Okay... okay.. i will tell you the truth..

COWORKER

(Annoyed to GOVERNMENT WORKER) Are you kidding me dude? We don't know these extraterrestrial people.. what they can do... what do they know about human nature.

(JED speaks up..)

JED

(Annoyed to COWORKER) I know that a lack of trust and speech can result in a poor functioning society... secrets can destroy people and relationships.

COWORKER

(Firm to JED) Oh how advanced are you PIGHEAD? You don't know much about humans as you assume..

JED

(Speaks up to COWORKER) Trust is what I am concerned about... I'm out..

(JED intends to leave again; the GOVERNMENT WORKER shouts to avoid their escape...)

GOVERNMENT WORKER

(shouts to JED) No please.. please... I will be more truthful.. to my people.. please.

(JED looks firmly at the GOVERNMENT WORKER)

JED

(firm to GOVERNMENT WORKER) i do not like and appreciate lies. SWEAR TO YOUR WORD..

GOVERNMENT WORKER

(assures JED) I swear to GOD....

Made in Highland

(JED is confused by 'GOD')

JED
(Confused to GOVERNMENT WORKER) GOD...

GOVERNMENT WORKER
(Breathes to JED) It's a religion....
look... okay... tell me what I want to
know... and I will be more truthful to your
people..

JED
(to GOVERNMENT WORKER) Okay... I uh..

(SUDDENLY - loud noise from
outside is heard. EVERYONE
worries..)

JED
(Worried to GOVERNMENT WORKER) What... what
in the HELL is that?

(THE GOVERNMENT WORKER walks
towards the window and notices an
angry PROTESTOR sticking up a sign
"YOU CORRUPT PIGS... YOU DON'T
GIVE A SHIT ABOUT OUR JOBS... YOU
LIE ON THE EMPLOYMENT RATES" THE
GOVERNMENT WORKER worries)

COWORKER
(Questions GOVERNMENT WORKER) What... what
is it?

GOVERNMENT WORKER
(to COWORKER) An angry protestor.

(JED is stunned)

JED
(Shocked to GOVERNMENT WORKER) What...
people protest... I wonder why... no one's
truthful here.

COWORKER
(firm to GOVERNMENT HOUSE) I will go talk to
this protestor.. I will sort it out.

(JED remains inquisitive; and
wants answers...)

JED
(worried to COWORKER) why is another human
of yours protesting?

GOVERNMENT WORKER
(to JED) Because of lack of job security...
the employment rate is fabricated.

JED
 (questions GOVERNMENT WORKER) So you lie to
 your people..

GOVERNMENT WORKER
 (to JED) Yes..

(JED laughs..)

JED
 (to GOVERNMENT WORKER & COWORKER) Well you
 both bloody wonder why... your whole
 government is corrupt...

COWORKER
 (shouts to JED) Hey... this is our
 government.. our country... we the US.. we
 run the world... listen and abide by our
 rules..

JED
 (Annoyed to COWORKER) Well you will get no
 where.

(THE GOVERNMENT WORKER speaks
 up..)

GOVERNMENT WORKER
 (to COWORKER) Hey.. hey.. maybe we should
 listen to these aliens... we humans.. what
 do we know..

(A PAUSE)

GOVERNMENT WORKER
 (to COWORKER) We destroy the environment;
 the climate with toxic greenhouse gases.. we
 hate and are so divided by each other....
 our education levels are down...
 homelessness is out of control among other
 things..

(A PAUSE..)

GOVERNMENT WORKER
 (to COWORKER) Let's listen to this
 extraterrestrial..

(JED looks shocked at all the
 statements made by the GOVERNMENT
 WORKER... and speaks up..)

JED
 (shocked to GOVERNMENT WORKER) God...
 damn... your governance is truly flawed and
 in dire need of repair..

GOVERNMENT WORKER
 (pleads with COWORKER) please.. please mate.

COWORKER

(annoyed to GOVERNMENT WORKER) Oh FUCK off GOVERNMENT WORKER... keep on listening to the PIGHEAD for all I care.. I abide by my government directives..

GOVERNMENT WORKER

(pleads with COWORKER) No mate.. please..

(THE COWORKER makes his way outside. THE GOVERNMENT WORKER looks worried at JED...)

(FADE OUT; END OF SCENE)

MINUTES PASS

(FADE OUTSIDE THE RESEARCH GOVERNMENT FACILITY HQ. THE PIG FAMILY, the COWORKER & THE GOVERNMENT WORKER notice the ANGRY LONE PROTESTOR MAN at the front. THE COWORKER speaks firmly to the PROTESTOR..)

COWORKER

(annoyed to PROTESTOR) What are you doing on GOVERNMENT GROUNDS? leave... leave at once... this is prohibited entry for the public... could have you up for trespassing.. I will call the NATIONAL GUARD if you don't leave.. so LEAVE..

(THE PROTESTOR speaks angrily to the COWORKER and refuses..._

PROTESTOR

(Angrily to COWORKER) I demand an end to this government... I can't shout my lungs from the WHITE HOUSE... because of the NATIONAL GUARD.. so I will yell and protest here.

(THE PROTESTOR STEPS HARD: embracing his anger at the government; with his sign still standing up..)

PROTESTOR

(protests) GOVERNMENT... WE HAVE HAD ENOUGH with your fabricated lies within the job and employment sector.. the employment rate is a total lie.. WE HAVE HAD ENOUGH..

Made in Highland

COWORKER
(Shouts to PROTESTOR) LEAVE NOW.

(THE PROTESTOR ignores the
COWORKER)

PROTESTOR
(protests) WE DEMAND A CHANGE TO THIS
GOVERNMENT... WE DEMAND A CHANGE... we want
a new GOVERNMENT.. a new office... a NEW
PARTY SYSTEM... A BETTER PARTY SYSTEM.

COWORKER
(shouts to PROTESTOR) Warning... if you
don't leave NOW... security and police will
be called in..

(SUDDENLY - a LOUD OINK from JED's
NOSE is heard; deafening the
PROTESTOR and the COWORKER...)

COWORKER
(SHOUTS TO HIMSELF) WHAT IN THE HELL IS THIS
OINK?

(JED makes himself seen; and
serious; and begins shouting at
the COWORKER. The PIG FAMILY
remain inside with the GOVERNMENT
WORKER)

JED
(shouts to COWORKER) Enough... listen to the
man.. HAVE A GODDAMN HEART and listen...

NOT INTERFERE with government affairs... our
government will list you as a terrorist if
you DARE INTERRUPT... STOP.

(JED OINKS EVEN LOUDER... the
COWORKER covers his ears...)

COWORKER
 (shouting to himself) FUCK... YOU AND YOUR
 GODDAMN YELLING....

(JED OINKS even louder. the
 COWORKER falls on his knees;
 covering his deafening ears. THE
 COWORKER gives up and
 surrenders..)

COWORKER
 (groans to JED) Okay FATHER-PIG.. do..

(THE PROTESTOR looks shocked and
 stunned of JED's appearance and
 questions him)

PROTESTOR
 (shocked to JED) Woah.. a pig-like human...
 woah... is that? Is that government secret
 technology the GOVERNMENT has hidden from
 the public? (shouts to COWORKER) IS IT? IS
 IT?

(THE COWORKER stands up; and
 covers his sore ears. JED speaks
 to the PROTESTOR)

JED
 (to PROTESTOR) I am sorry for your
 government not listening to your calls.. but
 I may assist you in finally making your
 calls be heard.., please.. accompany me
 inside and speak to the GOVERNMENT WORKER
 inside... and we will assist..

COWORKER
 (shouts to JED) Hey... that is not loud...
 it is against government intellectual
 policy... NO... NO.

(JED then LOUDS another OINK at
 the COWORKER. THE COWORKER screams
 from the pain in his ears; and
 falls on his knees once again..
 THE SCENE ENDS JED accompanying
 the PROTESTOR inside; with the
 COWORKER covering his sore ears;
 screaming from the wringing
 ears...)

COWORKER
 (screams to himself) FUCK... FUCK...
