ED

Oh okay mom...

Ed laughs in the car and both him and Sarah get out of the car.

And the parents leave.

SARAH

Great just great!!!! You made us late again to school!!!!!! With your Jaw-breaking pancakes and them being too huge for my diet!!!!!!!

ED

They tasted just fine to me. Especially when you put syrup and candy on it.

Ed does it signature laugh.

SARAH

That was not funny Ed. God you fucking annoy my ass sometimes with your pathetic social skills. God no wonder your in Special Ed. And don't have real friends.

Sarah starts going to her classes. And Ed starts going to his classes.

ROLF

Kevin, are parties and booze always on your mind. It really amazes how you Americans are so stupid epscailly in the city.

KEVIN

Well Your the money making machine my man. And I really need it. If you help me, I can let you barrow my PS4 and you can watch American Rated R movies.

ROLF

Oh okay that's a deal.

Jimmy walks into the classroom and he is very shy.

Kevin starts walking to Jimmy.

KEVIN

Hey blue man, I have noticed you don't go to any parties in the area.

JIMMY

Well it's because my dad and mom never let me go.

Kevin starts laughing at him.

KEVIN

That's hilarious because I'm sure you have no money either or social life either.

Kevin keeps on laughing at Jimmy.

Eddy sees the laughing.

EDDY

I don't see why laughing at him solves your point.

Kevin turns back at Eddy.

KEVIN

What did you say?!...

EDDY  
I'm saying he is just saying that  
he respects authority. And  
respecting authority is not  
something to laugh at!!!!!!...

KEVIN  
Oh okay!!!!

EDDY  
Yeah!!!!!!

Both Eddy and Kevin stand up

KEVIN  
If you weren't in this school  
right now I would kick your ass  
into a lot of pieces!!!!!!

EDDY  
Yeah sure you would!!!!!!

Eddy just turns back and Kevin grabs him by the shoulder.

EDDY (CONT'D)  
Buddy you really do not want to  
touch me right now!!!!!!

KEVIN  
Why is that?!...

EDDY  
Because I can do this!!!!!!...

Eddy turns back and punches Kevin in the face and kicks him  
in the balls and slams to the desk.

KEVIN  
Ouch what the fuck?!....

EDDY  
If you ever touch me ever again. I  
will do much worse things to you  
in general. Okay wannabe punk  
brat?

Eddy just goes back to his seat and sits by himself.

As Eddy is sitting down, Jimmy starts coming to him.

JIMMY  
Hi, I don't know who you are but  
thanks for helping me out.

EDDY  
Dude, it was nothing. You just  
have to learn to defend yourself  
even if you get into trouble.

JIMMY  
I'm Jimmy by the way.

EDDY  
Eddy.

JIMMY  
So does this mean we are friends?

EDDY  
No just because I saved you. Does  
not mean we are friends.

JIMMY  
Oh okay.

Jimmy walks back to his seat.

INT. THE SPECIAL ED CLASSROOM - AFTERNOON

THE SPECIAL ED TEACHER  
Alright class, Even though I know  
graduation is coming up, all of  
you will be in the state  
transition program. And I assure  
all of you it will help.

Most of the students accept this. But Ed is just shaking  
his head.

ED  
Um...well...I know I might not be  
smart on this topic...But my dad  
says those programs don't really  
work...

THE SPECIAL ED TEACHER  
Really why do you say that Ed?

Ed passes for a couple of seconds and starts talking.

ED  
It's mostly because I feel like  
anything government is just a bad  
thing and it does not do a good  
job.

(MORE)

ED (CONT'D)

And my dad told me a story about in my generation that a lot of people indoctrinated by crazy people in our government. So I don't know if I agree on going to a transition state program...

All the students are shocked and outraged at what Ed said.

The teacher starts making a angry face at Ed.

THE SPECIAL ED TEACHER

....I really don't know what you think you are. Or who you are dealing with. But it's just the way the world is...People are put into boxes. And Government is always going to be the answer.

ED

Well I really believe that's kind of a bad thing. Because really crazy lazy and crazy people.

THE SPECIAL ED TEACHER

Alright that's enough young man...Also for expressing that thought, you will get detention and not graduate!!!!!!!

ED

Huh?...That doesn't very...right...

THE SPECIAL ED TEACHER

GO Get out of here!!!!!!...

Ed leaves the classroom without saying anything.

THE SPECIAL ED TEACHER (CONT'D)

....WHITE SUPREMACIST!!!!!!!!!!!!!!!!!!

EDD (DOUBLE D)

What makes you say that?

EDDY

I don't it's just common sense that this stupid place does not teach. You want to sit down?

EDD (DOUBLE D)

Sure thing.

Double D sits down at the table.

EDDY

So what do you plan on doing after leaving this place if you ever do?

EDD (DOUBLE D)

That's a really good question. And sadly I really don't know.

EDDY

Oh okay good. That's the way it really should be.

(MORE)

EDDY (CONT'D)

grow or make big food.

EDDY  
Well it certainty worked.

EDD (DOUBLE D)  
Well nothing brings people

graduate from high school!!!!!!

EDD (DOUBLE D)

What!?.....that's crazy Plus I

problem you bitches!!!!!!!

CUT TO:

Eddy and Double D are in detention sitting down.

EDD (DOUBLE D)

Oh my god this is terrible and  
really awful. I don't know how I  
am going to explain all of this to  
my parents. This really is the  
worst day of my life!!!!!!!!!!...

EDDY

Double D it's fine. Plus don't  
take things in school too  
serousley a lot of these teachers  
and staff are really just a bunch  
of bricks that want to manipulate  
think your the scum of the earth  
because you did one bad thing. But  
your really not.

Eddy all of a sudden sees Ed looking at the ceiling.

EDDY (CONT'D)

Hey green jacket man, What are you  
in here for?

Ed does not say anything and keeps on laughing.

EDDY (CONT'D)

Buddy did you even hear a word I  
said.

ED

It's really funny how the cellings  
have different shapes and they  
look a lot like aliens.

EDDY

Oh okay cool that's nice. I asked you what did you get in trouble for?

ED

Oh...Well I sadly got in trouble for expressing a different opinion and I got in trouble with my special ed. teacher and she sent me here. And then she also called me a really nasty name which was very sad.

EDD (DOUBLE D)

What did she call you?

ED

I really shouldn't say.

EDD (DOUBLE D)

It's okay man you can tell us.

ED

She called me a white supremacist just disagreeing with her and saying that I just don't like state run transition programs.

EDDY

Eddy.

EDD (DOUBLE D)

And I'm Double D. But yeah if you ever need someone to talk to. We both are here for you pal.

ED

EDD (DOUBLE D)

I see. That's really sad...

EDDY

Well the good news is whether we graduate or not, we all are going to get out of this city and go somewhere else. And I think we can all agree that nobody likes us at all. But's that's okay because are all going to do something great in the future.

EDD (DOUBLE D)

But how are you so sure of that Eddy?

EDDY

It's because there is always a lot of ways to get out of a place. Trust me.

ED

Oh okay.

The Dean of Students comes into the room.

DEAN OF STUDENTS

Alright here's the deal. Both of you will not get your high school diplomas for what all of you guys did. But you guys will get to walk in the ceremony. Any questions?

ED

I actually have one...Do we get some sweets like a brownie, or a big chocolate chip cookie, or a huge milkshake or a Slurpee of some kind or a huge lizard of ice cream?

DEAN OF STUDENTS

Noooo!!!!!! Those are all dumb ideas!!!!!!

The Dean of Students walks away.

EDD (DOUBLE D)  
Well that was really not good news.

EDDY  
It might not been good news. But I think Ed is on to something and if they are not going to get give us our high school diplomas...We are going to have to destroy the graduation ceremony itself. And I know just how we are all going to do this!!!!!!....

ED'S MOM

ED'S DAD

Well there are many of different people that are still employed. They just need to get their GED and then they can go to work, it's that simple.

SARAH

Oh please dad!!!!!! Ed won't be able to do that!!!!!!! He is completely not smart enough or has the social skills to all of those things. Let alone move out of the house. He has candy stuff all over his room for god's sakes!!!!!!!

ED'S DAD

Sarah don't talk to your brother that way!!!!!! And the progress your making is no better because I have caught you partying a lot and drinking and hanging out with that Kevin person. Honey, that guy is not a good influence on you.

SARAH

Well it's my life dad I can do what ever I want. And when I turn 18, you guys are not going to be able to stop me.

KEVIN

What are you dorks so happy about?

ROLF

Yeah, because last I herd high school kids that didn't get their high school diploma turn out to be really huge dip-shits in this country!!!!!!!

EDDY

It's none of your business you morons!!!! Also I do not regret humiliating your ass in the lunch room.

KEVIN

Well that's quite a statement man. Because I know I'm on the right side of being awesome and you are on the way of making minimum wage and only getting SSI benefits just like every other loser in Detroit!!!!!!! Especially your new person that's in your group.

ED

I sadly do not know what all that stuff is.

KEVIN

Yeah just what I thought I would expect from a mentally retarded special ed. student!!!!!!

ROLF

And yeah I also learned people with disabilities not worth anything the work force as well. Not even a girlfriend as well.

ED

I don't think that's true. My dad always says that I'm special and unique to the world.

KEVIN

Well I think your dad is backwards and old and brainless fuck!!!!!!

Ed is really shocked at the response.

EDDY

You know what Kevin get out of here!!!!!! And that's not very nice of you to say that!!!!!! Fuck off!!!!!!

Kevin and Rolf leave.

EDDY (CONT'D)

Don't listen to them Ed. I'm sure you dad is none of those things.

EDDY

Oh don't worry it will be more fun. Alright here is the plan, I will go on stage and once I shake the principal's hand, I will press the button and launch all of the sweats on the everybody. And then from there while all the choas is going on, we then run and leave.

EDD (DOUBLE D)

And where are we going?

EDDY

ED

 I wish there was a swimming pool  
 by this place.

EDDY

Eddy gets up to the stage and he is about to shake the  
 principal's hand.

The Principal hands Eddy an envelope full of paper.

THE PRINCIPAL  
 I'm sorry young man, you won't be

EDDY

Double D we are going to need some wheels. Do you think you think you can make that jawbreaker on the ground really huge?

EDD (DOUBLE D)

Sure thing.

Double D gets out his flash ray and makes the jaw breaker really huge and the Ed boys keep on running and Ed jumps on the jaw breaker and uses his hands and cuts the jaw breaker open.

Ed jumps into the jaw breaker.

ED

Get in you guys.

Eddy and Double D pick up the pace and jump on to the giant jaw breaker and get inside.

Double D uses his flash ray to close the hole. And Double D makes another ray and create a window.

EDD (DOUBLE D)

We have to get out of here. People are chasing us.

Ed and Eddy keep on running and moving the jaw breaker from the inside and the jaw breaker starts heading north and they start heading to Lake Michigan and going really fast.

EDD (DOUBLE D) (CONT'D)

Guys I really believe we have a huge problem.

EDDY

What?!...Uh Oh!!!!

The Ed boys see the lake and the giant jaw breaker goes off a huge cliff and Ed boys start yelling and the jaw breaker is going in the water.

The Jaw breaker goes into Lake Michigan and the giant jaw breaker starts sinking into the water and there is a really huge splash.

The splash ends up knocking the Ed boys and the jawbreaker starts to sink into the water.

As the Jawbreaker is sinking into the water, the Ed boys are break out of the jaw breaker and the water tide starts drifting them up north and around the state of Michigan.

As they are inside of the water, Ed starts having fantasy dreams of making it in a big city. Double D starts having dreams of kissing Nazz on the lips. Eddy starts having dreams of being rich.

The Ed Boys keep on drifting and going around the lake and one mouth passes by.

FADE TO:

EXT. THE SHOES OF CHICAGO - AFTERNOON

The Ed boys get to the surface and the water starts drifting them to shore. The Ed boys get to shore and land on the sand on their faces.

The Ed boys get up and they all notice a lot of American flags everywhere.

EDD (DOUBLE D)

Oh boy where are we you guys?

ED

That's a good question. Well I see big buildings, roads, and American flags. It must be the 4th of July.

EDDY

Who cares where we are? We are here and we have to find some answers.

EDD (DOUBLE D)

I don't know even know where we start.

All of a sudden one of the Ed boys see a man in their 40's. and Double D goes up to him.

EDD (DOUBLE D) (CONT'D)

Excuse me sir, what city are we in?

THE MAN BY THE BEACH

You boys are in Chicago.

Double D gets really scarred and he starts going really crazy.

EDD (DOUBLE D)  
 Holy crap we actually got here.  
 Dang, how much time has passed  
 since we were in the water?

THE MAN BY THE BEACH  
 Well it's July 1st right now. The  
 4th of July is very soon.

EDD (DOUBLE D)  
 Oh my god we been in Lake Michigan  
 for a month!!!! Holy Shit!!!!!!!

EDDY  
 It's okay Double D. All we have to  
 do is get jobs and get a place to  
 live and then we will be very set  
 to start own jaw-breaker factory.  
 Plus if we were in Detroit right  
 now. We just get held back for  
 another year.

ED  
 I didn't even tell my parents I  
 left. I can imagine they might be  
 very worried about me.

EDDY  
 Ed you don't want to go home. Plus  
 Sarah and the people that you left  
 behind treated you like trash.  
 This is a chance to start a new  
 life here and do something big.

ED  
 .....Is that the truth Eddy?

EDDY  
 .....Yes....

EDDY (CONT'D)  
 Come on lets go.

The Ed boys start walking away from the beach and they  
 start heading towards downtown Chicago.

CUT TO:

A skyline of the Chicago skyline and showing shots of  
 Chicago.

CUT TO:

The Ed boys start walking around downtown Chicago and they  
 see a lot of different things.

EDDY (CONT'D)  
Man I am just starving. Do we  
enough money for at least a simple  
piece of pizza?

Double D and Ed start checking their pockets.

EDD (DOUBLE D)  
I have no money with me.

ED  
I have no dollar bills of any kind  
with me.

EDDY  
Oh okay well lets at least get a  
table.

The Ed boys grab a table and as they do this, a big guy in  
his 20's with blonde hair and wearing a big brown jacket  
walks in.

JOHNNY BRAVO  
Awwwwwe nothing says great like a  
good day of school. Even though a  
lot of girls slapped me in the  
face. I always feel pretty.

Johnny goes in line.

PIZZA GUY  
What can I get you my man?

JOHNNY  
Just a sausage deep dish pizza  
please.

PIZZA GUY  
Coming right up man.

The guys get him his pizza and he sits down.

JOHNNY BRAVO  
Thank you Pizza man.

EDDY  
That guy really does not know  
anything about the world?

ED  
Well I don't know he looks like.  
Maybe we should invite him over to  
sit with us.

EDDY

Ed no that's stopped. He has better things then to talk to people who just came out Lake Michigan. Plus we haven't showered in a mouth.

Johnny hears Eddy talking.

JOHNNY BRAVO

Wait who came out of what?...I really like your story a lot.

EDDY

This is none of your business!!!!

ED

We came out of the cold lake that is by the city and we need a place to live.

EDD (DOUBLE D)

Ed!!!!!!!!!!!!.....

EDD (DOUBLE D) (CONT'D)

Look I'm sorry you have to excuse our friend. He likes to talk about many different things.

JOHNNY BRAVO

Yeah I can really see that. Well normally, I don't do this to every person I met, but you guys look like nice people and...I will tell you a secret, I live in an apartment that my mom owns that's around the north side of Chicago. And she told me to try to get people. Since it's new, I think there is a possibility it may be free.

EDD (DOUBLE D)

Free Apartment are you freaking serious?!.....How the hell does that work in a big city?!....

JOHNNY BRAVO

You know that's a good question black hair little man. Well anyway I will get you guys some deep dish big pizza and I will help you guys out.

EDD (DOUBLE D)  
 Oh my god thank you so much man.  
 We will not disappoint you at all.

ED  
 Yes thank you so much big man with  
 sun glasses.

EDD (DOUBLE D)  
 Ed!!!!!!!!!!!!.....

JOHNNY BRAVO  
 No it's okay I like that nick name  
 a lot. No worries.

Johnny walks away.

ED  
 I like him a lot. He really  
 reminds me of my dad.

EDD (DOUBLE D)  
 Yeah he sounds really nice and  
 friendly despite his Elvis like  
 voice.

EDDY  
 More like a fucking con-artist if  
 you ask me!!!!!!...

EDD (DOUBLE D)  
 What makes you say that Eddy?

EDDY  
 Because nothing is free!!! That's  
 like what every politician and  
 powerful person or celebrity says.  
 I don't fucking trust this  
 guy!!!!!!...

EDD (DOUBLE D)  
 But Eddy we don't have any other  
 options.

EDDY  
 Yeah we do. We can work somewhere,  
 and then sleep there, and then get  
 an apartment. That's how it use to  
 be the normal folk.

EDD (DOUBLE D)  
 Well buddy it does not have to be  
 like that. Plus I don't know, lets  
 just give him a chance.

ED

Yeah I agree with Double D. Plus we might maybe learn something and try to grow new brain cells as well.

Ed does his signature laugh.

Eddy gets really flustered and angry and pissed off.

Johnny comes back with pizza.

JOHNNY BRAVO

Everything all right with you boys.

EDD (DOUBLE D)

Yeah everything is fine Mr. um?

JOHNNY BRAVO

Johnny. Johnny Bravo.

EDD (DOUBLE D)

Alright okay Mr. Bravo.

ED

I really like that last name a lot. It's very manly and very masculine as well. Even though I don't know what Masculine means.

Ed does his signature laugh.

The Ed boys start eating pizza with Johnny.

CUT TO:

EXT. OUTSIDE OF AN APARTMENT BUILDING IN CHICAGO -  
AFTERNOON

Johnny starts driving his car and they get the apartment complex.

ED

Oh wow this apartment complex looks really nice. To me it a lot like the one from the movie Break-up.

JOHNNY BRAVO

Funny you say that, because my mom did design this apartment complex to make it look just like that movie.

JOHNNY BRAVO (CONT'D)

I think you guys are in for a very big treat.

Johnny and the Ed boys get out of the car and they heading to their apartment rooms.

CUT TO:

They get to their apartment and they notice how good it truly looks.

EDD (DOUBLE D)

Oh wow this looks super and really amazing Johnny.

JOHNNY BRAVO

Well thank you. Yeah you guys don't have to pay me a dime. You can stay here as long as you want.

ED

Oh that sounds fantastic. Thanks Mr. Bravo.

JOHNNY BRAVO

Your welcome boys.

JOHNNY BRAVO (CONT'D)

Well I'm going to be off and about. If you need anything, just let know.

EDD (DOUBLE D)

Alright okay.

Johnny leaves the room.

EDDY

I pretty sure that guy does not mean a word he says. Just watch we will get billed big time...

ED

It should be okay. We will get jobs and then from there, we will be build our jawbreaker factory or so. And then possibly giant food and sweats.

Ed his signature laugh.

EDD (DOUBLE D)

Come on Eddy, So far we are doing okay, it could be a lot worst.

EDDY  
Yeah I'm sure your right.

ED  
The only question. Is where do we start?

EDDY  
Yeah that's a really good question.

CUT TO:

INT. JOHNNY'S APARTMENT - AFTERNOON

Johnny gets into his apartment and he lays down on his bed.

JOHNNY BRAVO  
Awwwww another day of school. Man why the hell do I have to be in this city?!...I wish I could go go Los Angeles. This apartment stuff is so freaking hard.

Johnny's cell phone starts ringing and Johnny answers his phone.

BUNNY BRAVO  
Hey Johnny, How is Chicago? Are you having fun.

JOHNNY BRAVO  
Yeah I am mom. So far school is really funny and also this apartment complex you built is very great as well.

BUNNY BRAVO  
Good just make sure nothing in the apartment building breaks.

JOHNNY BRAVO  
Alright okay mom. Yeah so far everything is going just fine.

BUNNY BRAVO  
Good. I will see you in 2 months from now.

JOHNNY BRAVO  
Alright okay mom.

Johnny hangs up his phone.

JOHNNY BRAVO (CONT'D)  
Well that was a really good call.  
Now I'm off to bed.

Johnny walks over to his bed and he jumps into his bed and he starts sleeping.

CUT TO:

INT. A COLLEGE IN DOWNTOWN CHICAGO - MORNING

Sarah and Jimmy are driving to the campus and they park their car.

SARAH  
Ah finally out of my parents house  
and now I have freedom.

JIMMY  
Not to be rude Sarah, but don't  
you think sneaking out of the  
house and steeling all of your dad  
and mom's money is very  
in-responsible of you. And don't  
you think you should be looking  
for your brother instead of trying  
to get into a college?

SARAH  
None of the above, I'm going here  
and that's final. Now get my bags.

JIMMY  
Hey ma'am.

Jimmy starts getting all of Sarah's bags and they go into the office to pick up Sarah's dorm room key.

SARAH  
Perfect this all mine!!! Jimmy  
what classes did you choice?

JIMMY  
Well for me I choose a math, and  
also art. And then also some  
technology classes.

SARAH  
Oh get real those classes won't be  
worth anything in 20 years. I  
picked a lot of social classes  
that I believe will change the  
world and make the world better as  
well.

JIMMY

Don't you think you should change  
the world by one person at a time?

SARAH

No because that's stupid and slow.

JIMMY

Oh okay Sarah.

Jimmy and Sarah keep on walking up the stairs and they get  
to the dorm rooms and they set their stuff down.

SARAH

Ah our own room. Away from our  
stupid little neighborhood. And  
it's also great that we are here  
early before anybody else.

JIMMY

So what are we going to do by  
then?

SARAH

You will just come with me  
everywhere I go and help me with  
shopping.

JIMMY

Oh I see.

SARAH

And I'm also glad I'm here because  
I'm pretty sure the graduation  
ceremony my stupid older brother  
is probably dead along with his  
other new friends that he made.  
Come on!!!...

CUT TO:

INT. A BIG CONDO IN DOWNTOWN CHICAGO - NIGHT

A huge moving truck comes and Rolf and Kevin get out of the  
truck.

KEVIN

Finally here in the city. And also  
I have a feeling one day we are  
also going to run this city and be  
billionaires as well.

ROLF

But Kevin we already made like  
900,000\$ from that party.

KEVIN

I know that we did. And hopefully  
we can just throw more parties and  
then also get a job at a cooperate  
jobs as well. And the best part  
is, we have fake resumes to do so.

ROLF

I really do like the sound of  
that.

CUT TO:

The Ed Boys start walking around the city and they see a  
strange looking crystal building.

EDD (DOUBLE D)

Hey guys what's in there?

EDDY

I don't feel like going into a  
crystal building that looks small  
and stone age like.

ED

I don't know it looks cool. Double  
D and will take it look.

Double D and Ed start walking to the building.

As The Ed boys start walking into the building And they see  
people dancing and drinking and playing a lot of club  
games.

The Song "Missing You By The Rolling Stones" plays in the  
background.

The Ed boys see a lot of girls dancing on tables and on a  
lot of golden metal tables.

EDDY

Holy shit this place looks rocking  
and fun.

ED

I agree Eddy.

EDD (DOUBLE D)

Man I have a huge feeling we  
shouldn't in here. We don't have  
any ID.

EDDY

Well looks like nobody is carding us. Come on lets take a look around.

The Ed boys start walking around and they see people drinking, playing games pool and darts, girls dancing in bikinis on tables

EDD (DOUBLE D)

Wow this place looks very crazy. Our parents would hate it if we came into the a place.

EDDY

But our parents aren't here though Double D. Lets just get something to drink. And get something eat.

As The Ed boys keep on walking around and they some seats and they sit down. And they see more beautiful girls coming

ED

I have to say. The girls in these clubs are very beautiful and very stunning. Ah yeah.

EDD (DOUBLE D)

I really wonder how we haven't been carded yet. Who the hell is in charge?...

EDDY

Well who ever is in charge they seem to run a really good place.

As the Ed boys are sitting down, one of the waitresses comes and gives Ed a tasty achoolic drink.

ED

Oh thank you sweetie pie.

The girl smiles at Ed and she walks away and does a sexy walk.

As Ed is drinking his drink. All of a sudden, The Ed boys fall into a trap door and Ed start screaming and yelling as they are going through the water slide.

The Ed boys keep on sliding and the Ed boys fall their slide and they fall into a huge deep swimming pool.

The pool tips over and dumps the Ed boys and they are soaking wet.

The Ed boys begin to cough out of water.

EDDY

What in the fucking hell?!...

EDD (DOUBLE D)

What kind of place is this?!...It looks like where in a Bond lair from the James Bond movies.

ED

I really shouldn't have tried to drink that fruity drink. It tasted like something out of the dinosaur age or something...

The light finally comes on and a man in a orange suit wearing a light blue neck tie while also wearing a white button up shirt shows up.

FRED FLINSTONE

The Dinosaur age indeed my boy.

The Ed boys get really scarred.

FRED FLINSTONE (CONT'D)

Welcome to my club. And also, it really makes me laugh you boys just came in here and then I also had to laugh at you guys being wet.

EDD (DOUBLE D)

Just please what ever you do, please don't call our parents.

FRED FLINSTONE

I ain't going to do that man. I also like your hair as well. Where are you boys from by the way?

EDDY

We are from Detroit.

FRED FLINSTONE

Um Detroit. I see that city has changed so much from the 1960's even though I am around 5 million years old.

ED

That's odd you don't look like that old.

FRED FLINSTONE

Oh thank you young man, Yeah I'm actually around my early 40's. But I have been alive for a long time along with my wife Wilma and my friends Barney and Betty.

EDD (DOUBLE D)

That is a very long time sir.

EDDY

So why did you pull a trap door on us then?

FRED FLINSTONE

I am glad you asked the question my boy. I saw you boys swimming out of Lake Michigan and while one of you boys was asking where you guys were, I was also on that beach.

CUT TO:

FLASH BACK SCENE

Fred is on the beach and he sees The Ed boys swimming out of the ocean.

Fred starts scratching his head.

FRED FLINSTONE (V.O.)

I knew you boys were in a lot of money trouble from the words you guys expressed. So I kept a close eye on you teenagers.

CUT TO:

Fred also seeing the Ed boys walk into the apartment complex.

FRED FLINSTONE (V.O.) (CONT'D)

However I knew getting your attention was not going to be that easy. So I knew I had to use my cave man magic to get closer to you boys. And then I also told my body guards to not card you guys as well.

CUT TO:

INT. FRED'S OFFICE - AFTERNOON - THE PRESENT

The Ed boys and Fred in the same room.

FRED FLINSTONE  
And now, here you boys are.

ED  
Well I have to say your club is  
very nice.

FRED FLINSTONE  
Thank you. And now since I told  
you guys that story, How would you  
like to work for me in this club?

EDDY  
Um sir I don't know if we would be  
good working at night club.

FRED FLINSTONE  
Non-sense. you boys are young  
including your green jacket  
friend, And then orange shirt boy  
can help with technology at  
computers.

EDDY  
And then what do I do then?

FRED FLINSTONE  
You will be in charge of being a  
cashier of mine. Handling every  
single dollar that comes in and  
make sure that it goes into my  
safe. And then I also technology  
to put all of it into my personal  
bank account.

EDDY  
What?!... Double D gets to  
technology. Ed gets to be a body  
guard and I get the counting money  
part. Ugh that's not fun!!!!

Fred uses his cave man powers and grabs Eddy and hold him  
over a liquid swimming pool that has black moving shapes.

EDDY (CONT'D)  
Ahhhhh no...please put me down  
orange suit no...oh okay...I will  
do that... Just please don't drop  
me into the moving waters of  
death...please.

Fred drags Eddy back to the ledge.

FRED FLINSTONE

Good...I wasn't going to do it anyway. Also that pool causes people to age very rapidly and you would die very quickly from old age and turn into a skeleton. But, if you thought that was bad...

Fred opens another room and it's freezer full of cave man.

FRED FLINSTONE (CONT'D)

This is Cave ice that freezes you if ever touch crystals and mix it with money espcailly when you have a lot it. The small crystal cells will go in and poison your mind and spirit. You must never touch this freezing crystal otherwise you end being frozen.

EDD (DOUBLE D)

Oh my god that looks so pain full and really sad. Don't worry we will not do any of these things.

FRED FLINSTONE

I know that you boys wont. Now are you boys hungry?

ED

Oh yes very hungry. What do you guys have to eat.

FRED FLINSTONE

Oh we have a lot of food. Come along.

The Ed boys fallow Fred into an elevator and the elevator starts going down.

The elevator stops and they get out of the elevator and they are in Flintstones house.

EDD (DOUBLE D)

Oh wow this place looks really nice and really wonderful. And everything is so shinny and nice.

ED

Yeah I have not seen a house like this in my entire life. And I have always thought there was no underground houses.

FRED FLINSTONE  
Yeah people have a lot of  
different ways on building homes  
my boy.

FRED FLINSTONE (CONT'D)  
Wilma I'm home and we have  
company.

WILMA FLINSTONE  
Oh that's great honey I'm in the  
kitchen preparing dinner.

Wilma finally walks into the room and she sees the Ed boys  
for the first time.

WILMA FLINSTONE (CONT'D)  
Oh hey boys, it's a pleasure to  
meet you handsome young men. Well  
I'm Wilma Flinstone and welcome to  
our home.

ED  
Oh thank you ma'am. It's a  
pleasure to be here. This house  
reminds me of like  
an...underground mansion.

WILMA FLINSTONE  
Oh thank you. Come sit down.

The Ed boys sit down at the table and Fred also sits down  
as well.

FRED FLINSTONE  
Well you boys are really going to  
like this. We eat lot of cave man  
like food.

ED  
Oh that sounds really good.

CUT TO:

Wilma starts cooking a lot of meat through a huge barbecue  
that they have and also making salad with giant veggies and  
mashed potatoes.

CUT TO:

Wilma gets done cooking and she starts putting all the food  
on the table.

WILMA FLINSTONE  
Alright you guys go. Mashed  
Potatoes and a huge ranch salad  
with veggies and steak.

FRED FLINSTONE  
Thanks honey.

WILMA FLINSTONE  
Your welcome Fred.

The boys start to look at the food and they begin to eat.

EDD (DOUBLE D)  
Oh wow this is really good. Thank  
you.

FRED FLINSTONE  
Your welcome. I also like your  
black hair. My black hair use to  
look just like that in cave man  
days.

Wilma then gets Fred a beer and Fred starts drinking.

EDDY  
So Fred. I mean Mr. Flinstone, So  
what day and time would you like  
us to start?

FRED FLINSTONE  
Well it won't be easy. Some of you  
will do your assign jobs well. And  
some of you will struggle. But  
ultimately, you guys will have  
money and have employment as well.

EDDY  
Oh okay. I see. Yeah money is  
really good thing espcailly with  
how the three of us want to start  
a jaw breaker factory.

FRED FLINSTONE  
Oh wow jaw-breakers that's a very  
interesting idea. I tell you what,  
you guys do a good job for me, I  
will help you guys get your  
jaw-breaker factory up and running  
and I know a little bit about  
candy myself.

ED  
So does this mean you will help us  
Mr. Flinstone sir?

FRED FLINSTONE  
Oh sure thing. And you guys can  
call me Fred.

ED  
Oh okay.

FRED FLINSTONE  
Now eat up.

EDD (DOUBLE D)  
Oh okay.

CUT TO:

EXT. DOWNTOWN CHICAGO - NIGHT

The Ed boys start walking back to their apartment.

EDD (DOUBLE D)  
Wow that food was really good. Man  
our new boss sure knows a lot  
about food.

EDDY  
I'm just glad that the man didn't  
call our parents.

ED  
Well I liked the underground  
house. He sure has a pretty big  
life and I think he has more  
stories as well.

EDDY  
I don't believe that he use to be  
cave man. I think he just made all  
that crap up. And I'm sure that  
water wasn't real magic water  
either.

EDD (DOUBLE D)  
Oh Eddy, Again with your remarks.  
Can't you just be happy that we  
have jobs.

EDDY  
Your jobs are more important then  
mine, I have to count money and  
count cash and that's boring as  
hell.

ED

Well if you look at the bright side Eddy. At least you will be around a lot of money and that can hopefully inspire you or so. Sorry I watch a lot of Shark Tank on TV.

Ed does his signature laugh.

EDDY

Us working for that Cave man idiot is nothing like shark tank Ed. Plus I'm sure he just made all his money numbers as well.

EDD (DOUBLE D)

How do you know?

EDDY

Well lets see, Unknown building in the city, Underground home and strange people work for him.

EDD (DOUBLE D)

News flash Eddy, Big cities are going to have weird people that live in them.

The Ed boys keep on talking, and ghetto looking girls start spying on them.

LEE

Man those boys sure look very handsome and very rich. I really wonder where they are from?

MARIE

Oh yeah I agree. We really should find out who they are. And hopefully steel all their money as well.

MAY

Yeah I really wonder if they are going to school because if so, we would find them very easily as well.

LEE

I agree. Come on lets fallow them.

The Sisters start following the Ed boys.

CUT TO:

The Ed boys make it to the apartment building and they get into the building.

EDD (DOUBLE D)  
Wow what a freaking day.

ED  
Yeah I hear you Double D. We really need to get some Z's.

The boys go into the apartment complex.

As they do that, The Kranker sisters see them walk in.

LEE  
Oh their apartment looks really nice. As I predicted they are rich.

MARIE  
Wait a minute sis, Isn't this the apartment building that that Bravo guy owns or something?

LEE  
Yeah I think it is. All we have to do is fallow that guy, steel his cell phone and then get the boys information and then destroy them in the process.

MAY  
That really is a great plan. Also they are alone in the windy city. They have nobody to fight for them.

LEE  
Yeah!!!!!!...

The sister leaves the property and walk away.

EDD (DOUBLE D)  
 Do you think all of this that we  
 did in the last couple of days  
 well help maybe get Nazz to like  
 me.

EDDY  
 I'm sure it will. Plus it does not  
 matter what social skills you  
 have, money always talks Double D.

ED  
 So how often are we going to come  
 here Eddy?

EDDY  
 As much as we can and try to learn  
 how to make jaw-breakers and fast.

EDD (DOUBLE D)  
 Oh yeah for sure.

CUT TO:

EXT. CHICAGO COLLEGE - MORNING

The Ed boys get off the bus and they start heading to a  
 library.

They walk into the building and they walk to a librarian.

THE LIBRARIAN  
 Can I help you boys?

EDDY  
 You sure can. My friends and I  
 were all wondering if there was  
 any books on Jaw-breakers?

THE LIBRARIAN  
 Yeah of course there are. They are  
 just straight back there.

EDDY  
 Alright okay. Sounds good. Thank  
 you.

The Ed boys start walking to the back part of the library  
 and they find a book on jawbreakers.

ED  
 Do you think this book is going to  
 help Eddy?

EDDY

We only one way to find out. Come  
on lets check it out.

Eddy grabs the book and they bring the book to the check  
out stand.

EDDY (CONT'D)

We would love to check out this  
book if that was okay.

THE LIBRARIAN

Do you have a library card?

EDD (DOUBLE D)

No but we can try to get one.

THE LIBRARIAN

Alright okay. Well you just have  
to fill out some papers.

ED

Alright okay.

The Ed boys start filling out the library card application  
and give it back to the librarian.

THE LIBRARIAN

Good. I will double check on this  
right away.

The Librarian checks on the application and gives it back  
to the Ed boys.

THE LIBRARIAN (CONT'D)

It looks really good. And here are  
your cards and here is the book  
and make sure to return it in 2  
weeks.

EDD (DOUBLE D)

Thank you so much.

THE LIBRARIAN

Your welcome.

Johnny starts heading to his class and he sits down at his  
seat.

As Johnny sits down Sarah and Jimmy come into the classroom and sit down behind him.

JOHNNY BRAVO

Man I really wish I didn't have to come here. I can be doing so many good things right now then going to a class.

JOHNNY BRAVO (CONT'D)

Man I'm sure the Ed boys are advancing a lot in their lives and I'm stuck running an apartment complex that I didn't even own. Ugh!!!!!!

Johnny gets out his stuff and Sarah whispers to him.

SARAH

The Ed boys?

Johnny turns back.

JOHNNY BRAVO

Why do you know them?

SARAH

Yes you 1950's idiot. Of course I know them. Ed is my older brother. Where did he go?

JOHNNY BRAVO

I don't know where him and his friends went. I just know they get up early and go to their jobs like normal people. Look lady, I really don't know where your brother is or where him and friends went.

SARAH

Shit-head!!!!!!

JIMMY

Maybe we can try to find the apartment complex that the guy with sunglasses mentioned.

Johnny turns back again.

JOHNNY BRAVO

I ain't giving you clowns the address to the apartment complex that my mom owns. Don't bother me!!!

SARAH

If you help us, I will make sure to give you all the ladies and booze that you want and throw a big party for you in this campus and then give you 5 million dollars.

JOHNNY BRAVO

I don't believe you. Plus I'm sure you don't have that amount of money.

Johnny is very mad and conflicted and starts to over-think.

JOHNNY BRAVO (CONT'D)

.....Alright fine...They live in Chicago around the North side and that's all I know.

SARAH

Thank you. That wasn't so hard was it!!!!...

Sarah and Jimmy leave.

JOHNNY BRAVO

Oooooooh no I feel so bad about what I just did. And I told them where they lived. Oh god this is awful and not good. I have to do something.

CUT TO:

Johnny starts walking around the campus and he starts hearing noises and it sounds like a party.

Johnny goes upstairs and he sees a lot choas at the party and people acting like animals and destroying a lot of things.

The song "I don't like you by Eva Simons" plays in the background.

Johnny sees a lot of people dancing and doing a lot of other fun things.

JOHNNY BRAVO (CONT'D)

Wow this sounds like my kind of party. I can't wait to dance with a lot hot and sexy mammas here...

As Johnny goes off without thinking, The Kranker sisters come and get into the college party.

And so do Kevin and Rolf.

KEVIN

I really didn't know there was going to be party thrown here.

JOHNNY BRAVO

Well hello ladies, can I help you guys?

LEE

You sure can, We saw your apartment complex and I know the three boys live there. Will you be a good boy and tell us where they are.

JOHNNY BRAVO

Look ladies I can't tell you that, it's private information and I'm not suppose to tell anything about my clients even it is only a college job.

MARIE

Well I believe it's time to steel your things and steel your money.

JOHNNY BRAVO  
Uh oh!!!!!! Oh shit!!!!!!

Lee kicks Johnny in the balls and May jumps in the air and kicks Johnny in the face.

Johnny gets forced to the ground really hard.

JOHNNY BRAVO (CONT'D)  
Oh my god that really hurt really bad.

The Kranker sisters grab Johnny and they pick him up and they take his cell phone and steal a lot of his money and throw Johnny out the window.

Johnny screams and yells out the window and Johnny falls into a garbage can.

JOHNNY BRAVO (CONT'D)  
Hey that's not right. Those things don't belong to you. Hey!!!!!!

The truck takes the garbage can Johnny is in and take it away.

CUT TO:

People are in the club partying like crazy. The Kranker sisters walk over to Sarah and Jimmy.

LEE  
Here is 600\$ and also the guy's cell phone as well.

SARAH  
Thank you.

Sarah opens up Johnny Bravo's cell phone and goes on the notes part and sees The Ed Boys address and phone number.

SARAH (CONT'D)  
Well imagine my shock. Ed is here in Chicago. I can imagine he is homeless and doesn't smell very well and staying in a homeless shelter. And just crying to mom and dad over the phone. I'm going to ruin my brother so bad to the point where he will end up on a random island beaten up.

JIMMY  
Does that mean I will be rich just like you Sarah or no?

SARAH

Not really. You will still be the same to me.

JIMMY

That doesn't sound very fair.

Sarah slaps Jimmy in the face and forces him against the wall.

JIMMY (CONT'D)

Okay, okay I get it.

The party keeps on going on with a lot of loud music.

Nazz walks into the party and she hears a lot loud music and she looks around.

Nazz keeps on looking around in the party.

One of the sisters sees Nazz.

MAY

Can I help you miss?

NAZZ

Yeah I was really wondering if you knew where Kevin was?

MAY

Oh yeah is in the other room.

NAZZ

Thank you.

Nazz keeps on walking and he hears Kevin and making out with Sarah.

CUT TO:

Kevin is making out with Sarah and Nazz opens the door.

Nazz is outraged by this and she slaps Kevin in the face.

KEVIN

Baby I can explain.

NAZZ

No don't you freaking touch me.

KEVIN

Nazz!!!!!!

Nazz leaves the party and she starts running to a city bus and she starts taking the bus to downtown.

CUT TO:

Double D gets out of the apartment building and he walks to the garbage shoot and throws the garbage down the shoot.

As Double D gets out of the garage shoot room, he sees Nazz in the hallway.

EDD (DOUBLE D)

EDD (DOUBLE D) (CONT'D)

What are you doing here? I didn't know you were in Chicago.

NAZZ

I didn't know you lived here either. I haven't seen you since graduation and you guys messed up the ceremony.

EDD (DOUBLE D)

Yeah for me I really didn't know we were going to mess up the ceremony that bad. But we just found a way to pull it off. But it was all Eddy's idea.

Nazz starts laughing like crazy and cracking up.

NAZZ

Oh Your so funny Double D.

EDD (DOUBLE D)

Your welcome I try to be. Do you have a place to stay?

NAZZ

I sadly don't. Well I mean I came here with Kevin but sadly he ended up cheating on me with another girl.

EDD (DOUBLE D)

Oh no I'm sorry Nazz. Well you are very welcome to stay with us. I'm sure Ed and Eddy won't mind at all. Come on.

Double D and Nazz start walking to The Ed boys apartment.

ED (CONT'D)

I'm Ed by the way. I really don't think we met.

NAZZ

It's a pleasure to meet you. So how did all of you get this nice apartment?

ED

Oh I am glad you asked that question, we got it from a guy name Johnny Bravo and he was nice enough to give us this apartment.

NAZZ

Oh wow nice that's really awesome and really wonderful. So what do all of you guys do for a living to afford it?

ED

Well actually...it's surprisingly free.

NAZZ

Oh what?!...That's crazy.

ED

No we are not. But we do work at a bar in downtown Chicago however and we also are planning on building a jaw breaker factory here as well.

EDD (DOUBLE D)

Oh yeah we have a lot of big plans.

Eddy finally joins in the conversation and walks up to the three of them.

EDDY

Hey Nazz, sweetie pie, Welcome to our apartment.

NAZZ

Oh hey Eddy. Ed and Double D were talking about how you guys live here for free.

EDDY

.....Yeah about that...We don't know if it's free quite yet. But so far it looks like it is. I mean I kind of don't trust Mr. Bravo but so far things are going alright.

NAZZ

Oh okay. Well I am glad that I came to you guys. I think you guys were right about Kevin. He really is a jerk and Rolf...I don't want to talk about him a lot more less.

EDDY

Well yeah. Well anyway don't be shy, our house is your house.

NAZZ

Alright okay. Thanks Eddy.

EDDY

Your welcome Nazz.

CUT TO:

INT. FRED'S OFFICE - AFTERNOON

Eddy starts collecting money and he starts using a calculator to help him. Fred walks into the office.

FRED FLINSTONE

I just wanted to say that you are doing a really good job Eddy.

EDDY

Oh thank you Mr. Flinstone.

FRED FLINSTONE

I actually have something to show you Eddy.

EDDY

Oh okay.

Eddy gets up from his seat.

FRED FLINSTONE  
Fallow me young man.

Eddy starts following Fred to the elevator and the elevator starts going up and they get to the top floor of the building.

Eddy sees all the jewelry and diamonds being made.

EDDY  
Holy shit!!!!!!...

Eddy sees a lot of people working on jewelry and diamonds and people doing a lot of different roles.

FRED FLINSTONE  
Do you know the story of how I built my company Eddy?

EDDY  
No I don't sir.

FRED FLINSTONE  
Back in the dinosaur and the cave man days, I use to work digging up gold riding on a huge dinosaur to do so. Once those days were over, I decided to start a mining company of my own and my company is worth 5 billion dollars. And not only that, I own a bar and club in the basement part of the building.

EDDY  
Wow that's really incredible sir. Do you have any kids yourself?

FRED FLINSTONE  
I did yes. My wife and I were separated from my daughter Pepples and her friend Bam Bam. And when the dinosaur age ended we were frozen for 700 years intel 1900s but by then, my daughter was no where to be found. And our friends Barney And Betty suffered the same faith as well.

EDDY  
Oh my god that's terrible Mr. Flinstone. Have you and your wife tried to find your daughter?

FRED FLINSTONE

We have many times. But still no results. But I dream that one day Wilma and I will find Pebbles again and see our little girl again and be a family again. And even with all the money and wealth, all of that, will never replace my daughter.

EDDY

Well sir, I'm sure you will find your daughter at some point. Especially in this day and age with modern technology.

FRED FLINSTONE

Yeah I really hope so son.

Fred and Eddy keep on walking around the factory and Eddy sees all the amazing things in the factory.

CUT TO:

Fred and Eddy walk into Barney's office.

BARNEY RUBBLE

Oh hey Fred.

FRED FLINSTONE

Hello Barney. How is everything going today?

BARNEY RUBBLE

Everything is going great Fred, I was able to get more diamonds shipped using the so called apps I believe that these so called "millienals" create.

FRED FLINSTONE

Barney that's wonderful buddy. I have someone you want to meet. This is Eddy he works in my bar with his friends.

EDDY

Hi it's a pleasure to meet you sir.

BARNEY RUBBLE

It's a pleasure to meet you as well. I like that sold gripe that you have. You remind me of my son Bam Bam.

EDDY

Oh thanks. So how long have you worked here?

BARNEY RUBBLE

Believe or not, I have worked here for almost 100 years and built up a lot of wealth and helped Fred build all of this from our days from the dinosaur gold mine from the cave man days.

EDDY

Wow that's incredible sir. How do you guys get through the government stuff.

BARNEY RUBBLE

Fred and I are cave man from the dinosaur age, us Cave-men are very smart people then you might think. So we adapt to a lot of different things.

EDDY

I see. Do you sometimes think about your son as well?

Barney passes for a couple seconds.

BARNEY RUBBLE

Everyday...But also I share the same belief with Fred that we will see our children someday.

Eddy does not say a word as Barney's remarks go through his head.

EDDY

Well I am very glad that I got to meet you sir. I have really learned a lot from you guys in a very short amount of time.

FRED FLINSTONE

I am glad that you did. And it's why we want to help you and your friends because our time as businesses owners could come to an end.

EDDY

But you guys have been immortal for a billion years.

BARNEY RUBBLE

I know but the magic we have consumed will get weak at some point and not even modern medicine can help us.

EDDY

Then how can I help you guys?

FRED FLINSTONE

Eddy, I want you to have this?

Fred all of a sudden gives Eddy a 1 billion check.

EDDY

Holy shit this is over a million dollars. Mr. Flinstone, I can't have this, it's not mine.

FRED FLINSTONE

You have earned it kid. I want you to grow a buisnesses of your own and plant a building and a skyscrapper either in this city or somewhere else. And from there, I grantee you boys will be successful.

FRED FLINSTONE (CONT'D)

Good-bye Eddy...

Fred starts using his Cave man magic and puts Eddy in a purple and magical hole.

EDDY

Wait no wait. I still have a lot of questions.  
Nooooooooooooo!!!!!!!!!!!!!!!!!!!!

Eddy starts falling through the hole and he falls on his back and the Fred's building dissapears.

Double D and Ed fall through the whole as well and land on Eddy.

The Ed boys get up.

EDD (DOUBLE D)

Eddy what happen? Where is the building going?

EDDY

Um...guys, I sadly don't believe we are going to be working for Mr. Flinestone anymore.

EDD (DOUBLE D)  
Why Eddy?

EDDY  
.....It's because both him and his family and his best are dying. And so they gave me a billion dollar check to start our own jaw breaker buisnesses.

EDDY (CONT'D)  
And also, he is going try to find his daughter as well.

EDDY (CONT'D)  
Lets get out of here you guys.

EDD (DOUBLE D)  
Oh okay Eddy.

The Ed Boys start walking back to their apartment.

CUT TO:

The Ed boys see their building site.

EDD (DOUBLE D) (CONT'D)  
Man it's really going to take us a lot of time to get a building built here. And...

All of a sudden, The check dissapears and it magically goes into the Ed Boys bank account.

EDDY  
What the hell?!...

The Ed boys get out their cell phones and they see money is now in their bank accounts.

ED  
Oh wow we have a lot of money.

The Ed boys all of a sudden, they see a lot of magic in the sky and the magic and spirts start building the whole skyscrapper and building the jaw breaker factory.

The building gets done and it looks beautiful with a lot of crystals and jewerly all over it.

ED (CONT'D)  
Wow the building looks like the empire state building in New York City.

The Ed boys go into the building and it's very empty but also with a lot of space.

EDD (DOUBLE D)  
 Man it sure look like this place  
 is really huge, we re going to  
 make a lot of choices guys.

EDDY  
 Yeah I agree.

The Ed boys go into the elevator and they see all the offices and other parts of the building including some fun things as well.

ED  
 Man this place is beautiful. Man I  
 wish my parents were here to see  
 this.

CUT TO:

The elevator stops and they see 3 huge apartment rooms. They walk to their apartment rooms and they see empty apartment rooms.

ED (CONT'D)  
 Wow these apartments are really  
 nice.

EDD (DOUBLE D)  
 Yeah I agree. But I guess we have  
 to move out of our old apartment  
 building I guess.

EDDY  
 Yeah.

CUT TO:

The Ed boys go back to their apartment and they start packing up all their things. And they start putting everything into a moving truck.

EDD (DOUBLE D)  
 Well I guess that's the last one.  
 Any sign of Johnny anywhere?

EDDY  
 Sadly nope. But we have to go  
 Double D.

EDD (DOUBLE D)  
 Alright okay.

The Ed boys leave Johnny's apartment complex and they make the move to their new building.

CUT TO:

INT. DOUBLE D'S APARTMENT - MORNING

Double D gets up the next day and he gets ready for his day and he takes a shower and he gets on normal clothes.

Double D gets out of his apartment and Eddy and Ed get out of their apartment rooms.

ED

Man it sure looks like we have a lot of work to do.

EDD (DOUBLE D)

Yes we do.

EDDY

So where we start first?

All of a sudden, The Ed boys see a lot of cave man magic flying through the building and it starts creating a lot of jaw breakers and jaw breaker machines. And the spirits start creating a lot of things that you would see an office building.

The Ed boys hear a lot of people in line. The boys see a lot of people with resumes.

EDDY (CONT'D)

Holy shit!!!!!!....

ED

Now that is a lot of people.

CUT TO:

The Ed boys start interviewing a lot of people for different position.

The boys in their interviewing spots start going through a lot of check marks marking yes or no.

CUT TO:

Ed with a job candiate.

ED (CONT'D)

So why do you want to work with the Ed boys?

RANDOM JOB CANDIATE  
Well because I really like jaw  
breakers and jaw breakers are very  
hard to come by in this day and  
age.

Ed marks with a yes.

CUT TO:

Eddy is in another interview.

EDDY  
Oh okay well since you are still  
in school. I think maybe finishing  
high school might be the best  
thing for you. But we will keep in  
touch.

RANDOM JOB CANDIATE 2  
Ahhhhh man!!!!!!!!!!

CUT TO:

Double D is also interveiwing someone in another room.

EDD (DOUBLE D)  
So what is that one special thing  
that makes you very sepcial?

JUDY JETSON  
Well I mean I know I am very  
beautifful and a lot of the guys  
say I am really hot. Are you  
single?

EDD (DOUBLE D)  
I kind of already have a  
girlfriend. But I'm sure you would  
be a great team-member and  
possibly get a date here as well.

JUDY JETSON  
Does that mean I got the job?

EDD (DOUBLE D)  
Sadly no. But keep in touch  
though.

JUDY JETSON  
Alright okay. Here is my card.

Judy gives Double D her card and it's sliver and futerstic  
looking. Double D starts looking at the card.

EDD (DOUBLE D)  
.....Um wait a mintute? Where are  
you from?

Judy goes out the door and she runs to the parking lot and  
rides off into a nice car.

EDD (DOUBLE D) (CONT'D)  
Man that girl is something else.  
But I'm sure we will see her down  
the line.

CUT TO:

INT. THE CLUB AREA OF THE BUILDING - NIGHT

The Ed boys are sitting at a table looking over resumes.

EDDY  
Man we got a lot of interviews  
completed in a short amount of  
time.

EDD (DOUBLE D)  
Yeah. One of the people that I  
interviewed was a girl that was  
like our age. And she strangly had  
white hair.

ED  
I don't know maybe she could be a  
hooker or a stripper somewhere or  
be in a dance or play.

Ed does his signuatre laugh.

EDDY  
Well either way we have to hire  
some people and then show them how  
to make jaw-breakers. Or we can  
give them the choice on what  
flavors to make. But I say hire  
the girl with white hair she  
sounds hot.

EDD (DOUBLE D)  
Oh okay. I also looked at her  
resume and it said and I quote  
"High School student, then model,  
and then swimsuit girl" and then  
also "loves creating makeup"

EDDY

Well I say hire her and then try  
to get to know her as well Double  
D.

EDD (DOUBLE D)

Oh okay Eddy. She is hired I  
guess.

be rich...UGH!!!!!! My life is

JANE JETSON

Are you sure you are going to freeze out here. And if you didn't notice but you are in Brooklyn and it gets really cold in New York City.

Ed thinks about it for a couple of seconds.

ED  
Alright okay...A ride would be  
really nice.

CUT TO:

Ed gets in the car with Jane and Jane starts the car.

JANE JETSON

EXT. OUTSIDE OF SARAH'S COLLEGE - AFTERNOON

Ed gets out of the car and he walks into the campus. Ed starts looking around the campus for Sarah.

As Ed is going up the stairs Ed sees Jimmy going upstairs.

JIMMY

Oh hey buddy boy. I know you would come here sooner or later.

ED

Do I know you?

JIMMY

I'm pretty sure you do. I hang out with Sarah a lot. And I'm sure you are missing a huge party slash rally as well.

ED

Rally for what?

JIMMY

Oh you didn't know, Sarah and Kevin are protesting the new jaw breaker that opened up and they think it's destroying the enviroment and destroying man kind and not providing equal pay.

ED

But all that stuff is bull-shit and not true.

Ed gets flusterd and he starts running and he finds Sarah's dorm room and Ed slams the door open.

KEVIN

We must destroy that jaw-breaker building because it's hurting mother earth and the way of life and lets demand that the building goes down. And also the greedy rich are destroying America as well.

A lot of the crowd starts cheering and Ed shakes his head.

ED

Oh god I am glad I didn't go to college. These people are all brain-washed!!!!....

Ed gets through the crowd and he sees Kevin on stage. And Kevin sees him.

KEVIN

Well Hello, hello Long time no see retarded boy!!!! I never imagined someone as stupid and low IQ as you would be in a suit and tie.

ED

Buddy have you seen Sarah anywhere. I really need to talk to her right now!!!!!!

Kevin starts laughing at him.

KEVIN

(mocking voice)

Awwwwwwwe big brother really wants to talk to his sister. Isn't that sweet!!!!!!

Kevin and Rolf countine to laugh at him.

ED

Dude, this is not a joke, I really need to talk to her right now.

All of a sudden, the door opens up and Sarah sees Ed. And Sarah has really completey transformed into a hard femminist and she has colored hair and parts of her hair is shaved off and has a noise pierced.

SARAH

Well hello Ed. I am very surprised to see you here at my social justice rally. Oh and I didn't think you were smart enough to be wearing a suit and tie. Let alone be in Chicago. I still do not know how in fuck's name you got here.

ED

Sarah you stole mom and dad's money and they are homeless and they are in New York City and they are not living in the nice part of Brooklyn. Sarah how could you?!...

SARAH

Oh it's because I really wanted to get out of Detroit and get away from our parents and also I really think America is a very stupid and retarded country and so I decided to steal all of mom and dad's money and use to fund all of my SJW groups on campus. And now we are protesting almost everything to make America a Universal U-topia.

ED

Sarah what your doing is wrong and not right. Also your supporting very crazy causes that eventually are going to destroy the country and destroy American citizens as well. Also protesting a lot is not going to change anything, it will just make problems worse.

SARAH

Your not my brother anymore Ed. To me your just a white supermasict, a prodcut of the patriarchy. Also your views and your life style are dangerous!!!!!! And to me your nothing but a nazi!!!!!!

ED

Sarah don't say that stuff. You don't even know what that truly means. And you don't understand what the real world the way my new friends and I do.

Sarah gets really angry at Ed and she all of a sudden whacks him in the head with a golf club.

SARAH

CUT TO:

ED (CONT'D)

JUDY JETSON

JOHNNY BRAVO

Yeah don't worry man. Those people  
are no good and they are very  
class-less people and they don't  
care anybody but themselves.

ED

I just really wish there was  
something I could do.

JOHNNY BRAVO

You know buddy, I sometimes wish  
that too. But at the end of the  
day you just change the world all  
by yourself, the only thing you  
can change is yourself and improve  
yourself as well.

ED

Yeah thanks Johnny.

Ed gets out of the car and Judy and Johnny drive off and Ed goes into his building.

ED  
Johnny did and so did the girl with white hair.

EDD (DOUBLE D)  
That's the girl I interviewed. How did they know you were at your sister's campus?

Double D and Eddy are very scarred and terrifield.

EDD (DOUBLE D)  
Oh my god that's a lot of them.  
What are we going to do Eddy?

EDDY  
We just have to hide and hope they

CUT TO:

The protestors get closer and closer to the building and they break into the building and start destroying the property and destroying a lot of cars and starting fires. And they keep chanting louder and louder.

CUT TO:

The protestors get to the top of the building and they start destroying everything and beating up other workers.

One of them grabs Ed, Edd, and Eddy and ties them up and puts tape on their mouth.

Sarah and Kevin walk into the building and they see the Ed boys tied up.

KEVIN  
I have to hand it to the Dorks,  
they did build a nice place.

ROLF  
Yeah I agree. Where I come from,  
this type of stuff does not  
exsist.

The three of them start walking towards The Ed Boys. Kevin right away rips the tip off of their mouth.

KEVIN

Hello dorks, I have to hand it to you guys, you boys did build a successful place to terror down. Now where is all the profit you guys made.

EDDY

I'm not telling you where it is Kevin!!!! It's not fucking yours and you didn't earn it either. And also Kevin, you are worst then what you were in high school. I know that you were a bully and you were not nice. But your nothing but a stupid and in-titled and stupid SJW millienial. Also your poltical ideas are such bull-shit!!!!!!

Kevin whacks Eddy in the face with a stick and kicks him in the head.

EDD (DOUBLE D)

Eddy!!!!!!!

KEVIN

You beter watch youself Dork Number 1. Otherwise I will throw you off this building and steel all your money. Oh by the way, did you think about how we found where you guys were??...

The Kranker sisters grab Johnny and Judy all tied up and throw them to the ground.

JOHNNY BRAVO

Ouch mother of god!!!!!!....

Lee punches Johnny in the face.

KEVIN

Yeah tell them 1950's boy. That you accidentally gave away their address.

Johnny passes for a second and is about to speak.

JOHNNY BRAVO

EDDY

Kevin and Rolf un-tie Johnny and Johnny runs out being  
really sad.

EDD (DOUBLE D)

Eddy that was way too harsh. He at  
least said he was sorry.

EDDY

What ever Double D. It's people  
like him where guys get screwed  
over.

ED

Are we ever going to see Johnny  
and white hair girl again?

EDDY

No Ed, 1950's shithead and white  
girl screwed up big time and do  
not deserve any social  
hand-outs!!!!!!

ED

Oh...

KEVIN

How typical of you dorks, just yell at people just because they did something wrong!!! No wonder people don't like you Eddy.

EDDY

That dosen't have to do with anything. Also you and your little SJW army are just a bunch of cry babies that don't work and are into very bull-shit ideas. Also in the end, you three people are a bunch of low life scum and that are the oppiste of what you guys so called "preach"

KEVIN

Oh your words just make me laugh. Sounds like you dorks have been watching too much Fox news and other right whing media.

EDDY

I am going to beat the living shit out of you, if we ever get un-tied.

ROLF

Kevin and Rolf start laughing at them.

Ed sees Sarah.

ED

Sarah don't do this...

SARAH

KEVIN

Alright time to beat up you people!!!!!!

As the Ed boys are on the ground, Double D sees a magical rock and Double D grabs on the rock very hard.

Kevin takes out another weapon and tries to whack the Ed boys in the face and all of a sudden, a magic spirt beam

protects them. The Bullet bounces off the beam and triggers an explosive

Part of the building starts to explode and flames are everywhere.

Some of the protestors in the building get burned up and flamed up really bad and they start yelling and screaming.

EDDY

Lets get out of here!!!!

The Ed boys start running away and the protestors on the top floor start chasing them.

KEVIN

The Ed boys get to their main office and open the safe and they put the money into a bag.

The Ed boys get all the money that they could and Double D opens an emergency door and they start running down the stairs and more explosions start happening and more people are chasing them.

SARAH

Get them!!!!!!!

Sarah takes out a gun and she starts shooting at the Ed boys.

The Ed boys see no way and they hit a dead end and they see a lot of fire everywhere.

EDD (DOUBLE D)  
Guys I really believe we are going  
to have to jump!!!!

ED  
Oh okay Double D!!!!

EDDY  
Guys in cahse we die because of  
some SJW people beating us up. I  
just want to say thank you for  
being my friends.

More explosions start happening and The Ed boys jump off  
the ledge and the whole building explodes in flames. And a  
lot of people start running out of the building.

As the Ed boys are falling in the air, The rock that Double  
D has in his hand creates another cave man spirte beam that  
protects them from the explosion.

The beam starts going down and the Ed boys fall down to the  
ground very saftly and they turn back and see their jaw  
breaker building getting destroyed.

EDD (DOUBLE D)  
Oh no our beautiful company!!!  
This is just too sad!!!!!!...

EDDY  
And we lost everything...All  
because of dumb people in this  
world!!!!!!...

ED  
I don't think we did.

Double D and Eddy turn back and they see Ed with a bag of  
30,000\$ in it.

ED (CONT'D)  
I mean we still have some money  
but just not very much.

EDDY  
Well we may have lost everything  
but at least we are alive. And  
hopefully we can find a place of  
our own again as well.

EDD (DOUBLE D)  
What do you think is going to  
happen with Sarah and Kevin Ed?

ED

I don't know Double D. But all I know is I can't help her, she is in trouble and she choose to go on the path she did. I tried everything but it wasn't enough.
