JASON SCOTT

Come on it can't be that bad. I mean I know when we first got our powers, I tested my ranger powers and went to Los Angeles and it's pretty fun I believe.

ZACK TAYLOR

But not everybody has the explorative nature that you do Jason. Plus don't you think should not teleport for fun things and should probably just use it only when Zordon tells us.

TRINI KWAN

I don't know he does have a point Jason.

JASON SCOTT

Well yeah. But I don't know Zach, it's so fun and if you wanted to you can go anywhere you want just think of that place.

KIMBERLY HART

And you would get in trouble with your parents...

JASON SCOTT

Okay that too, but still come on it can't be that bad.

BILLY CRANSTON

I don't know I have thought about that many times. It can be pretty fun.

JASON SCOTT

JASON SCOTT
At least as often as I can. Just because of my busy school schedule.

TOMMY OLIVER
Oh okay I understand man.

TOMMY OLIVER (CONT'D)
So what do you think about what's going on Iraq right now?

JASON SCOTT
That's a really good question my man. For me I really feel sorry about what's going on there. I mean I herd there was some sort of fighter there that hijacked a US air force base. But hopefully we can win that conflict that's going on over there.

TOMMY OLIVER
Yeah it's very personal for me as well because my dad is over there.

JASON SCOTT
Oh I'm sorry buddy. Yeah I know what it feels like to lose someone you love. Because sadly I did loose my girlfriend Emily.

TOMMY OLIVER
What happen to her?

JASON SCOTT
I really sadly do not want to talk about it. It was just really painful.

TOMMY OLIVER
Oh I'm sorry Jason.

JASON SCOTT
But anyway thanks for the tip my
man.

Your welcome buddy.

Tommy's watch starts beeping and he leaves the gym.

TOMMY OLIVER (CONT'D)

passed away.

SCORPINA
As I suspect. Rita will be very
pleased about this. And you did
well on beating up the other
rangers as well back in downtown
Los Angeles.

GREEN RANGER
So where do I go now?

SCORPINA

Well we want to address to the world that Rita is back. And I hear the president of the United states is having a big fair around the white house. And he is going to show off some new gadget guns as well. And once we do that, we will take care of Angel Groove later.

JASON SCOTT

TRINI KWAN

I also was able to use my uncle's car to pick some stuff up like food and drinks and then Zach also helped me as well.

PRESIDENT BILL CLINTON

Oh that's fine. Ed. Take a seat...

ED ZEDLAR

Yes Mr. President. The kids live in Angel Groove, California a suburb that is in Los Angeles. And I believe they might have some alien DNA inside of them that turns them into...

Ed shows the paper of the five power rangers fighting Rita in downtown Angel Groove.

PRESIDENT BILL CLINTON

And where did you get this photo if I may ask?

ED ZEDLAR

I have my sources in Sacramento. And also from my experiences as a military officer, I will be able to send more federal agents for your protection tomorrow at the Gadget fair this coming weekend.

ALPHA 5
Yes Zordon.

BEN HANNITY
Alpha we must contact the power
rangers and tell them to teleport
to the command center.

ALPHA 5
Yes Zordon I will tell them very
soon.

CUT TO:

The kids are sleeping in the living room and all of a sudden, the communicators start ringing.

Jason answers it.

JASON SCOTT
Come in Zordon!!!!

ZORDON
Jason, I need all of you to come
the command center right away.

JASON SCOTT
Alright okay we are on our way.

Jason closes his eyes and suddenly all of the rangers teleport out of Jason's living room.

CUT TO:

INT. THE COMMAND CENTER - NIGHT

The rangers show up with their helmets but also wearing their suits at the same time.

RED RANGER
So what's up Zordon? What's going
on?

BLUE RANGER
Yeah is there anything that's
going on?

ZORDON
Rangers, did any of you watch the
news last night?

BLACK RANGER

We sort of did. Why you ask?

ZORDON

The reason I ask is because if you observe the viewing globe I will tell you more on what might be going on.

The rangers turn back and they see Zedlar with the president.

ZORDON (CONT'D)

Last night when I was in my human form watching TV in my apartment. I noticed that this gentlemen name Ed Zedlar was meeting with the president but if you closely at some of the footage, I have an awful feeling Zedlar could be one of Rita's monster or be someone that could just as powerful as Rita was.

YELLOW RANGER

Do you think Rita might be behind all of this? And I thought she was dead.

ZORDON

I thought that as well Trini. But I believe she might have survived and she could be behind this attack or this new evil plan on what's going on in the country of Iraq. Also observe the viewing globe once more.

The globe changes to the green ranger beating on American military troops. The rangers are shocked and going crazy.

PINK RANGER

Is that another ranger?

ZORDON

It is Kimberly. Someone must have taken or stolen the green powers that I kept hidden from Rita during the war of the dinosaurs and now she has given it to someone that might be in your school or in Angel Groove as a whole.

RED RANGER

But who in the world would have
the green ranger powers?

ZORDON

That is what I want to know as
well. But for now rangers, If you
see anything evil or strange
please take action. And also I
want all of you to keep a close
eye on Zedlar because if not, we
can all be in grave danger.

BLACK RANGER

Yeah that would really not be
good.

BLUE RANGER

Yeah I agree.

ALPHA 5

I have also been able to use more
of the globe to see your school
who might have the green ranger
powers.

RED RANGER

So where do we go from here
Zordon?

ZORDON

Well whenever you get a chance, I
want all of to go teleport to
Washington DC and keep any eye out
to see if anything strange is
going around the white house. I
also hear from the newspaper that
there is a culture fair going at
the white house. That might be the
perfect time to go there and check
what is going on.

BLUE RANGER

Sounds good.

ZORDON

May the power protect all of you
and good luck rangers.

The rangers teleport out of the command center.

CUT TO:

The rangers land on the ground around downtown Angel
Groove.

KIMBERLY HART

Well that was some really big news.

ZACK TAYLOR

Yeah tell me about it. How in the hell's name are we going to convince our parents of going to the other side of country while going on a huge mission.

BILLY CRANSTON

Well you could do a little bite of math and get there around their time zone I guess.

TRINI KWAN

Well either way we have to find out who the green ranger really is.

KIMBERLY HART

Does anybody know the time?

JASON SCOTT

Yeah it's 5AM and it's Saturday. And yeah we better get back to my house.

TRINI KWAN

Yeah I'll say.

The rest of the group is walking on the sidewalk and they find a hidden corner and they teleport back to Jason's house.

As they do this, Tommy also sees them.

TOMMY OLIVER

I will be there as well Power rangers!!!!!!...

Tommy disappears into the shadows.

Jason is in the locker room and he starts changing into his swim trunks. As Jason is changing, he starts having flashbacks of him making out with Kimberly and getting caught by Emily again.

Jason starts shaking his head.

JASON SCOTT
It's okay it was all in the past.

CUT TO:

Jason dives into the swimming pool and he starts swimming laps

Jason gets to his 50th lap and he starts getting out of the water.

As Jason gets out, he notices Zedlar pulling up to the parking lot.

CUT TO:

Jason gets out of the locker room wearing normal clothes and he walks up to Erine.

ERNIE
Hey Jason, How was your work out?

JASON SCOTT
It was really good. Have seen Kimberly, Billy, Trini, or Zach anywhere?

ERNIE
I have not yet seen them yet Jason. But I'm sure they will be here.

JASON SCOTT
Alright okay sweet.

Ernie starts making Jason a chocolate shake.

ERNIE
Here is your shake Jason.

JASON SCOTT
Thanks Ernie.

Jason starts drinking his milkshake and Kimberly and Billy show up.

BILLY CRANSTON
Hey Jason. Man Friday night was awesome.

KIMBERLY HART
It sure was. And you and I need some private time. No offense Billy.

BILLY CRANSTON
None taken Kimberly. I understand.

JASON SCOTT
Ah yeah I love the way you think baby girl.

Jason slowly puts his arms around Kimberly and begins to kiss her on the lips.

Jason and Kimberly kiss each other on the lips and they sit down at a table in the youth center.

Jason and Kimberly start kissing each other at table.

CUT TO:

INT. BUSINESS BUILDING IN ANGEL GROOVE - NIGHT

Tommy is sitting down and looking down at the skyline.

Tommy uses his hands and green smoke starts coming out of it.

As Tommy is sitting down, Zedlar walks in with Rachel person.

ED ZEDLAR
Hello Tommy. Both Rachel and are glad you came here.

TOMMY OLIVER
I just want you to tell me what I have to do next and I will do it.

RACHEL PIERSON

We will it will just involve some patience. After All Ed was very nice to convince your father you are doing a good deed by protecting him and being a body guard.

TOMMY OLIVER

Then what do you need me for?

ED ZEDLAR

I want you to cause choas all around Angel Groove and to Washington DC and then also the world as well. And I know you are capable of doing so Tommy. Oh by the way, I know who Jason really is. Reason I say that, is because I saw him by the pool and he is very strong.

Ed walks out of the building and he hands Tommy the blue prints of the culture fair.

ED ZEDLAR (CONT'D)

I will see you back here tomorrow.

TOMMY OLIVER

Oh okay.

Tommy walks out of the building.

Ed and Rachel walk into another room and they transform out of their human forums.

RITA REPULSA

So What do you think of my new ranger Zed?

LORD ZEDD

I think he is very suitable for the job. Also you creating monsters of humans is genius. Also I really know how we will be able to crush the power rangers and crush the world they love so much as well from the inside. I want you go to go with the boy to Washington DC and I will stay behind with Goldar and Scorpina in Angel Groove and wait for the rangers there. And also I have a feeling where Zordon might be as well.

CUT TO:

INT. DOWNTOWN LOS ANGELES AROUND THE MALL - AFTERNOON

JASON SCOTT

Yeah I think we are. And we are a day early and it's night time.

ZACK TAYLOR

Damn!!! Fuck man where are we going to sleep? I don't think none of his combined have any money...

JASON SCOTT

Yeah hopefully we can find a place to sleep and fast. Because this does remind me of when Billy, Zach, I were in San diego last year.

BILLY CRANSTON

There has to be like a motel
somewhere around here I believe.

JASON SCOTT

That's a good idea Billy.

ZACK TAYLOR

Well you better make up yo minds
because it's cold out here.

Jason closes his eyes and all of a sudden Jason teleports to the nearest hotel that there is and the rest of the friends follow him through teleporting.

The friends teleport inside the watergate hotel.

They both look around.

ZACK TAYLOR (CONT'D)

Jason are you crazy. We can't stay
here!!!! This place is expensive.
We can get caught!!!

JASON SCOTT

It's okay Zach we will be okay.

Jason snaps his fingers and he turns invisible

JASON SCOTT

Yeah I guess so. Zordon never told
us about this part of our powers.

JASON SCOTT (CONT'D)

But I guess it's suppose to represent the magic the dinosaurs did have.

KIMBERLY HART

So what do we do now Jason?

JASON SCOTT

Well for now, go find a room, stick with it, we will meet in the lobby by 9AM and head over to the white house. sound good?

ZACK TAYLOR

Yeah man we all herd. Well anyway, we will talk about it later. We have to get the white house.

BILLY CRANSTON

We do. But I don't know Zach, it's going to be heavily guarded with secret service agents. Even for something as tiny as the culture fair.

TRINI KWAN

Yeah you really have a huge point there Billy.

JASON SCOTT
We will just teleport and then
hide somewhere.

Jason and the rest of his friends teleport out of the hotel

Jason and his friends teleport to the white house.

The friends land on the ground and they notice a lot of

Zach sees Tommy with Zedlar and the president.

TOMMY OLIVER
Anyway it's a great honnor to meet your sir. Even though I don't agree with politically, it is nice to be in the white house.

ranger...I know all three of you
are very weak without your leader
and Rita and Lord Zedd are going
to win and not only take control
of the country but also the world
as well!!!!!!!

YELLOW RANGER

What have you done with Jason?

GREEN RANGER

Well Jason should be the least of
your worries right now. Am I right

laser that Lord Zedd built was
disabled.

BLACK RANGER
We need to know more about the
green ranger powers Zordon? And
why didn't you tell us a sooner
that there was another ranger?

ZORDON

I wanted to tell you kids about it. But I just wanted to protect all of you because even though I am your leader and help you. I know all of you are still kids. But I hid away the green ranger coin from Rita during age of the dinosaurs hoping that her and Lord Zedd would never find it. But as you guys defeated Rita, she might have woken up Lord Zedd and now has the ability to destroy everything.

BLUE RANGER

Have you been able to find out the whereabouts on Jason?

But I do understand the whole country right now does have concretions about us and what we can do. And I know that judges, and our world leaders will make the choice if we can continue to go to school at Angel Groove High School or even still keep going to school in the state of California as well or in the United States as well. Um I know right now our parents are watching this right now. And at least to my parents, I just want to tell them I'm sorry for everything and putting you guys through this as well. And....

KIMBERLY HART

I am just really worried that now the world is completely afraid of us...

JASON SCOTT

I know I feel the same way to Kimberly.

As they are sitting down, Tommy walks up behind them. The group gets really shocked.

TOMMY OLIVER

It's okay you guys. I'm not going to hurt any of you. I know you guys don't expect to forgive me. And I know because of me, You all are in this situation and because of me, Everybody knows who all of you are. And I hurt all of you and I was wrong that I did all the things that I did to you guys back when I was the green ranger. I'm very deeply sorry especially to you Jason. And also to Zach as well because I was really fucked up.

JASON SCOTT

....Well I'm just glad that you are better Tommy and that Zordon was able to cure you.

TOMMY OLIVER

Is there anything I can do to make you guys feel better?

BILLY CRANSTON

Well all have a court hearing I guess in Washington DC about us going to school. So I guess you can maybe help Zordon. Since in human forum, Zordon is a lawyer. And I believe you can be a witness.

BEN HANNITY

Just let me to do the talking kids. I will be right behind all of you.

JASON SCOTT

Thank you so much Zordon...

The kids get into the court room and sit down at their seats.

POLICEMEN 4

All rise Today's big case is the state of California and the United States of America VS Jason Scott, Kimberly Hart, Trini Kwan, and Zach Taylor known as the power rangers and to settle this very high federal case. the judge will make the final decision on where the children will go and other elements as well. Now lawyer and people involved raise your left hands.

The kids and the lawyers raise their left hand.

POLICEMEN 4 (CONT'D)

Do you all of you swear to tell the truth and nothing but the truth?!...

BEN HANNITY

Yes!!!!....

And the kids also say yes.

POLICEMEN 4

Now you may proceed with opening statements!!!!

Ben stands up.

BEN HANNITY

Hello your honor. My name is Ben Hannity I am today representing the 5 children that are power rangers. As not only their lawyer but also knowing the children, I have seen them grow up to be men and women. But just because they are the power rangers or aliens or superheroes for that matter, I think it's wrong to have them be kicked out of Angel Groove High School. And I think it's wrong to ex spell them as well because they are good kids. Also in our country we do honor or police officers, our fire fighters and our nurses, And they do a lot of things as well. I also read somewhere in something that President John Adams wrote and he said that we need to have a strong military, and a strong army, and a strong US Navy as well. But what happens when those things are not strong enough, and there is nothing else. And that leaves us with these very powerful and strong. But not just that, they are very bright, smart, and very wonderful children that just want to make our nation and our country a better place. We don't punish our police officers or nurses, doctors, fire fighters, people who protect this country. You don't want to get rid of those things. And we shouldn't get rid of the power rangers or do anything harmful to these very wonderful kids. Because they are good and very gentle human beings as well. That's all I have to say Your honor.

THE JUDGE

Alright Thank Mr. Hannity Now Mr. Stott

ELI STOTT

Thank your honor. My name is Eli Stott I am representing Angel Groove High School and the state of California. As good of a statement that Mr. Hannity says, the power rangers are superheroes, just like how Spider-Man or Batman are just people dressed in costumes. And since the kids have destroyed private sector buildings but they have also destroyed most of the United States of America. Now if you let these kids in the state of California and crime fighting and beating up criminals. What kind of message is that to our future generation, that they can be superheroes, save the world, But in reality, their presence have damaged the entire country and have damaged our american democracy as well know. The fact that there are other aliens up there, and we send these kids up there to destroy them, not only that, but taking on aliens and destroying jobs, and keeping a big secret from the federal and state government, but it also promotes very awful behavior and a generation full of people that will want to do harm and damage our country as well. For me personally, these kids need mental help and a lot of hospital visits. And our trust needs to be in our government and our people and our democracy and with the American people as well. I say these kids might need to be kept away from society intel we know what they are capable of doing. And I rest my case on that your honor.

THE JUDGE

Alright well these are very good statements by both of you guys, now is there anything else both you two want to say.

BEN HANNITY

Nothing at the moment your honor.

THE JUDGE

Well will continue this case tomorrow and there will be a final decision on the fate of the 5 kids. We a jur.

The Judge bangs the hammer and everyone leaves the court room.

CUT TO:

Jason walks to the basement of the US supreme court. And they are staying in the bunkers are being watched by guards.

Jason lays down on his bunker bed and he watches the news. And everybody on the news is talking about them.

TOM BROKAW

Today in Washington, The Power rangers have been in court, there was some opening statements. The president of the United States has not commented on the issue of the kids that are indeed the Mighty Morphin Power Rangers or another newspaper in the New York Times calling them "The Teenagers with Attitude.

Jason lays down on his bed and he is very scarred.

Jason hears knock on his door.

TRINI KWAN

Jason are you okay?

JASON SCOTT

I'm fine Trini. What do you think the final choice is going to be?

TRINI KWAN

I don't know. But what ever happens. I think we are glad that we are friends with you Jason. And all of us are with you til the end.

JASON SCOTT

Thanks Trini. Man if I never meet you guys, or never fell off the ledge to the river, we would of never been here to begin with.

TRINI KWAN

Yeah. Zordon is trying everything
he can. We will get there.

JASON SCOTT

Okay.

FADE TO:

INT. THE COURTROOM - MORNING

The kids and Ben enter in the court room and everybody
starts to sit down.

The Judge also walks in and sits down.

ZACK TAYLOR

Well here we go you guys.

BEN HANNITY

What ever happens. I believe in
all of you. And I am proud of all
of you as well.

TRINI KWAN

Thanks Zordon.

The Judge bangs the hammer. And he has a piece of paper.

THE JUDGE

Good morning everyone, Now I have
really thought really long and
hard about both arguments. Now I
understand, we must have something
really strong to protect our
country and fight against any
enemy that really comes at us. And
from talking to US generals and
commanders and anybody in the
military, they would love to some
people as strong like the power
rangers join them. And hopefully
will get there. But I understand
the state of California and that
things have been destroyed in that
state, And it's going to cost a
lot of money to fix everything.
And it will take a long time...

(MORE)

THE JUDGE (CONT'D)

But there must a decision, and sadly I am really sorry to tell everyone but as of now, Jason Scott, Kimberly Hart, Zack Taylor, Trini Kwan, and Billy Cranston sadly as now are Ex spelled from Angel Groove High School and sadly will not be allowed to go to school in California no more all of you will have to move to different states in the country. But they can still go to California but not go go school there no more. The kids will not face any jail sentence or be watched by the government but with people now knowing who they are. There will be some supervised appointments by social service and a doctor as well when they are at their new homes in the states they are assigned to...Court is a jur.

The judge bangs the hammer.

Jason is really shocked at the final choice and is really scarred out of his mind.

CUT TO:

The kids walk out of the court room and grab pieces of paper that say what state they are going to. Jason grabs his paper and it says New York, Kimberly grabs her paper and it's Washington State, Zach grabs his paper and it says Texas, and Trini grabs her paper and she is going to Nevada, and Billy grabs his paper he is going to Montana.

CUT TO:

Jason is walking in the streets and he is going into a mall
in Brooklyn and he sees a lot of TVs that are showing the
power rangers. Jason starts looking around and he goes and
gets a cheeseburger and a shake and he sits down on a
couch, Jason turns his head and he sees the New York City
Skyline.

As Jason is eating his lunch, a very ghetto person is
staring at Jason and he has an evil look on his face, the
man walks away into the shadows.

CUT TO:

Jason keeps on eating and Ben walks up to Jason.

BEN HANNITY
You know it's really not that hard
to find you Jason.

JASON SCOTT

Yeah I just don't know what to do anymore Zordon. Everyones us. I can't imagine what Tommy is going through being the only person in Angel Groove.

BEN HANNITY

You still have your friends though which is good. It won't have to be this way Jason. I will find a way to get you guys back in Angel Groove once again.

JASON SCOTT

I just really miss Kimberly the most. I think about her and I can't live without her. But also Zach and Billy and Trini as well.

BEN HANNITY

CUT TO:

Jason breathes in and out and he walks into the room.

As Jason is in the room, he sees his doctor.

Jason walks out of the room and he sees the oval office door open, Jason goes into the oval office and he starts looking at pictures of President Kennedy.

As Jason walks in, a reporter from NBC sees him.

CHRIS WALLACE
Hello Mr. Scott.

Jason turns back and sees him.

CHRIS WALLACE (CONT'D)
I have herd about you and your friends. And I'm sorry things didn't go in your favor. I was really wondering if I can interview you?

JASON SCOTT
Sure thing.

Jason sits down in the chair and Chris begins to interview Jason and Jason starts answering his questions.

CUT TO:

Jason comes back from Washington DC. Jason goes into the apartment building and gets to his room. But Jason changes his mind and goes upstairs.

Jason gets to the roof top and he grabs his power morpher and transforms into red ranger.

As Jason looks down on the New York city Skyline, Jason also hears a tiger roar in back and turns back and another ranger lands on the ground.

WHITE RANGER
Hello Jason. Even though you might not live in Angel Groove anymore. I can help you with watching Angel Groove and hopefully recruit more rangers as well for anything ever happens to you.

RED RANGER
Thank you. Wait...Tommy?

The White ranger takes off his helmet and revels who he is.

WHITE RANGER
Yes Jason. I also brought your friends along as well.

The other rangers show up as well and land on the ground.

YELLOW RANGER

Even though people may hunt us
down. We are still the power
rangers and it's good to see you
again Jason.

RED RANGER

Absolutely. Lets do this.

The rangers start running and jump off the ledge and they start teleporting and all the rangers start flying in the air, and their inner dinosaurs start making noises. And the white tiger starts making noises.
