SEAN VASIS

Yes I did. I am working on a new plant formula that might just working in terms of bringing my daughter back to life. And I also found the person who was responsible for my daughter's death.

ALLEN IVANSON

Well who is he.

SEAN VASIS

Jason Scott. One of the members of the Power Rangers. And the leader of the teenagers with attitude as well.

ALLEN IVANSON

I see.

As Sean is working on the experiment, he starts turning into Master Ville.

MASTER VILLE

And also Jason is under house arrest by the United States government and without his team and everyone by his side, he will close to dead.

Allen starts transforming Ivan Ooze.

IVAN OOZE

Oh yes I agree Ville. But we also are going to need Lord Zedd's help because knowing him, he will find a way into the government system.

MASTER VILLE

Oh yes. But first we need to find my daughter's grave and then use this flower chemical on her and then try to take out the Power Rangers from there. And then Lord Zedd will take care of everything else.

JASON SCOTT

Hello?

KIMBERLY HART

Jason is that you?

JASON SCOTT

Kimberly!!!!!!!!!! Hi!!!!!! I haven't talked to you such a long time. Kimberly I miss so much and I think about you every day.

KIMBERLY HART

I really miss you too Jason. And I really wish I could see in person. And I really miss you.

JASON SCOTT

How are things going with you and in your house arrest location your in?

KIMBERLY HART

Awful!!!!!! the school I go to is not as good as Angel Groove, And I haven't even made any gymnastics teams there because of me under house arrest. And people there won't talk to me. what's worst is that I haven't really explored Seattle that much. It's just awful!!!!!!

JASON SCOTT

Same with me in New York, I just go to school, come back and it's just depressing. How are Billy and Zach.

KIMBERLY HART

Billy is alright, he is found a way to be positive and he does a lot of science experiment stuff. And then Zach unfortunately he hates being in Texas because he is not allowed to do all the things he once could do when we were all together. And he told me that he almost got sent to a juvy school.

JASON SCOTT

Oh god!!!!!! What about Tommy?

KIMBERLY HART

I haven't talked to Tommy since we left Angel Groove for Washington DC.

JASON SCOTT

Do you think he is doing alright?

KIMBERLY HART

I really don't know Jason. I sure hope so.

CUT TO:

INT. THE YOUTH CENTER - AFTERNOON

ERNIE

Good workout?

TOMMY OLIVER  
Yeah I think so.

ERNIE  
Well It is such a shame we never  
see Jason, Kimberly, Zach, and  
Trini and Billy here no more. It's  
not the same without them.

TOMMY OLIVER  
Yeah I hear you man. I feel like  
out of all of them, Jason is  
suffering the most.

ERNIE  
Do you think the power rangers are  
criminals Tommy?

TOMMY OLIVER  
No. They never were. But sadly  
though our government can be very  
fucked up and really stupid.

ERNIE  
Oh yeah man.

CUT TO:

Tommy walks out of his last class and he starts walking to  
one of the buses.

Tommy gets on the bus and the bus starts heading out of the  
school.

CUT TO:

Jason on the phone with Kimberly in Jason's apartment.

JASON SCOTT  
What about Trini?

KIMBERLY HART  
I also haven't talked to Trini in  
a while and I believe knowing her,  
she probably ran away from the  
place she was suppose to stay in.

JASON SCOTT  
Oh dear. That can't be good.

KIMBERLY HART  
But it's really great to talk to  
you again Jason.

JASON SCOTT  
It's great to talk to you as well  
Kimberly.

KIMBERLY HART  
Bye Jason.

Kimberly hangs up the phone.

The police officer throws a couple of papers on the table  
to show Zach.

POLICE OFFICER 1  
Mr. Taylor, Since you have been  
under house arrest you have  
violated your arrest 7 times now.  
Give us one good reason. Why we  
shouldn't lock up in a prison.

ZACH TAYLOR  
Well it's mostly because when I  
was going places, I was just going  
to nearby places. And I also still  
believe my friends and I are not  
criminals.

POLICE OFFICER 1  
Mr. Taylor the government will not  
let you off the house arrest intel  
we find out more about the power  
rangers powers and who their  
leader is.

(MORE)

POLICE OFFICER 1 (CONT'D)  
Now I will make this very easy for  
you, You can tell us everything  
and we will make our house arrest  
easy, if not...We will put in  
federal prison for 10 years of  
your life.

Zach doesn't really say anything.

ZACH TAYLOR  
I'm not going to tell.

POLICE OFFICER 1  
Well then...I'm sorry to do this  
to you kid.

CUT TO:

Zach gets handcuffed by police officers is taken into a  
police car and is taken to big time prison.

CUT TO:

Zach gets thrown into a jail cell and the cell closes on  
him.

PRISONER 1  
What are you in for?

ZACH TAYLOR  
Violating my house arrest 20  
times.

ZACH TAYLOR (CONT'D)  
But if anything, I won't have to  
wear a black beeping brace.

PRISONER 1  
Wait a brace? who are you man?

ZACH TAYLOR  
I don't know If I can tell you.

Zach lays down on his cell.

A couple of police cars and police helicopters are chasing Trini. The beam starts going down and it hides in a warehouse.

POLICE OFFICER 2 (CONT'D)  
I think we lost her.

The cops leave and Trini lands on the ground and takes her helmet off.

Trini sleeps in the warehouse and destroys her house arrest beeper on her leg.

Trini gets a picture of her friends.

YELLOW RANGER  
Hopefully getting to Jason will be where we can finally get our freedom back.

CUT TO:

INT. A MONTANA SPACE BASE - AFTERNOON

Billy walks up into the base and he climbs up one of the ladders.

Billy starts pressing a couple of buttons and powering up the ship.

As Billy is working, he starts watching TV and watching a speech that is on United Nations.

Billy notices Ed Zedlar going on TV. One of Billy's Co workers come into the room.

SCIENTIST 1  
How does this ship look Cranston?

BILLY CRANSTON  
Well according to my calculations, I was able to get most of the powder into the ship and then some gasoline and then it needs more fire formula as well. And then from there, It should be good to go.

SCIENTIST 1

Good job Billy. I meant I know your under house arrest. But I think you will be a great scientist this country really needs.

BILLY CRANSTON

I don't know I just really miss my friends a lot. Things were so much more easy. And also I just don't see my parents anymore now that I'm viewed as federal criminal as well. And I'm just here to do my house arrest time and then go back to Angel Grove.

Billy walks off the ladder and he sits down on the couch and the other scientist sits down next to him.

ED ZEDLAR

(on TV)

Good evening everyone, as new ambassador to South Africa. I am pleased to say that the country of South Africa is now in full time peace. And we can start getting ready for the new forgin policy for new millennium. And my men and I will make sure that every country is represented well in this new deal. Thank you.

Everybody on TV is clapping.

SCIENTIST 1

What do you think this means Billy?

BILLY CRANSTON

Well it sounds like the UN is going to make sure every country has the same stuff as the US. I don't know, all of this sounds very fishy to me. But what do I know right.

CUT TO:

Ed Zedlar is on top of the UN building and heading to a helicopter and the helicopter takes off and starts heading east to South Africa.

CUT TO:

The helicopter lands on the ground and Zedlar gets off the helicopter and gets inside of a secret base and he turns into Lord Zedd.

And Lord Zedd sits down and he looks at his own globe.

LORD ZEDD

Soon the whole world will be under attack and with the power rangers out of the way, I will be able to destroy the world from the outside and the inside as well. And no one will be able to stop me.

As Zedd is sitting down, Master Vile and Ivan Ooze walk into the building.

MASTER VILLE

Nice place you have here Zedd. It can use some re-touches though but it is good.

LORD ZEDD

Hello Vile, What can I do for you?

MASTER VILLE

Oh nothing Zedd, I also watched your speech and it is a great plan. But I also have something that will really crush the rangers even more. Starting with using someone against the rangers.

LORD ZEDD

Like what?

Master Vile gets out a flower and shows it to him.

LORD ZEDD (CONT'D)

It's just a flower.

MASTER VILLE

Not just any flower Zedd. This flower will be used to create a new monster out of a female body and someone that the red ranger use to know.

LORD ZEDD

Oh that is a really great plan Vile. Where do we start?

IVAN OOZE

We start at the Angel Groove grave site.

Lord Zedd does an evil looking smile.

CUT TO:

EXT. ANGEL GROOVE GRAVEYARD - NIGHT

Police are guarding the place but one of them gets attacked Ivan Ooze and gets punched in the face and knocked out.

They go into the grave site and they find Emily's gravestone.

MASTER VILLE

Perfect this is it right here.

Master Ville and Lord Zedd start doing their magic and start digging and they find Emily's coffin and bring it out.

Ivan Ooze uses his dark liquid magic and melts the coffin and sees a dead Emily.

Ivan Ooze picks her up in his arms.

IVAN OOZE

This will be a perfect plan to mess up the rangers even more.

CUT TO:

The villains are in Lord Zedd's base again and they place Emily on to a bed.

Ivan Ooze and Lord Zedd start creating a chemical using a lot of liquid poison and some flower liquid formula.

IVAN OOZE (CONT'D)

This will give her the power of the plants.

Ooze and Lord Zedd start pouring the flower formula into Emily's body and her skin starts getting really healthy and Emily becomes really beautiful and very stunning.

MASTER VILLE

Hello my child. It's been way too long.

EMILY

Who are you? And where am I?

MASTER VILLE

Your in south Africa my dear. And  
I bet you don't remember.

Master ville transforms into Sean Vasis.

SEAN VASIS

I'm Sean your step father, I have  
raised you when your mother and  
father passed away. And also you  
were killed by Rachel Pierson as  
well. And my friends Lord Zedd and  
Ivan Ooze created a potion to make  
you beautiful and also to have the  
powers of every planet on earth.

EMILY

What did I use to look like  
before?

Sean turns back into Master Ville and shows a picture of  
her.

EMILY (CONT'D)

I use to look like this?

MASTER VILLE

Oh yes my dear. And you use to go  
Angel Groove High School and you  
also broke up with Jason Scott as  
well.

EMILY

Where is Jason. Is he safe? He is  
alright?

MASTER VILLE

Unfortunately my dear he is  
alright. But he is now seeing  
Kimberly Hart. And the only way to  
get Jason back is to kill Kimberly  
and kill Trini as well.

EMILY

Where do I need to go?

MASTER VILLE

I will give you some money to go  
back to Angel Groove and have fun  
there. And then also pay attention  
to people around you and then from  
there, I want to break into the  
main United States Air base and  
blow this up.

(MORE)

MASTER VILLE (CONT'D)

With your new flower powers Emily.  
And I will now call you the Bloom  
of Doom!!!!!!!!!!

Emily's skin starts turning pink and green and red. Emily keeps on doing an evil smile and her eyes turn red and pink.

CUT TO:

INT. THE GYM AT THE YOUTH CENTER - AFTERNOON

Tommy starts working out in the gym and he does a lot of different workouts.

As Tommy is working out he notices on TV a lot of different shows from the 90s.

CUT TO:

Tommy walks out of the gym and he sees a missile base in Montana.

TOMMY OLIVER

Hey Ernie, is there a way you can turn that up?

ERNIE

Yeah of course Tommy. You sure do like watching the news do you? Why does this interest you?

TOMMY OLIVER

It's mostly because Billy is there on his job cause he lives in Montana. And everything on the world stage is really getting dangerous ever since the government made the Power Rangers wanted fugitives.

ERNIE

yeah.

As Tommy is sitting down, Emily walks into the youth center and everybody is shocked and surprised and people are making crazy statements.

Emily sits down and she gets herself a burger and onion rings. And she pays Ernie.

ERNIE (CONT'D)  
You seem to eat a lot. Have I seen  
you before?

EMILY  
Long ago you have. But I am  
changed now.

Emily sees Tommy and she comes close to him.

EMILY (CONT'D)  
Oh hey what's up? Your Tommy  
Oliver.

TOMMY OLIVER  
Yes I am. Have we meet before?

EMILY  
No we haven't. I'm Emily by the  
way.

TOMMY OLIVER  
Tommy. So are you new here?

EMILY  
No I'm from here. I have lived  
here my whole life.

EMILY (CONT'D)  
So what where you watching?

TOMMY OLIVER  
Nothing just boring news stuff on  
TV. Something about a US base in  
Montana.

EMILY  
That sounds really exciting.

Emily's eyes start looking through Tommy's body and notices  
the dinosaur magic.

CUT TO:

INT. MONTANA BASE - LATE AFTERNOON

Zedlar, Vasis, and President Clinton walk into the base.

PRESIDENT BILL CLINTON  
I'm very sure this base is going  
to be the greatest wonder of the  
world and the biggest minds in  
science are working very hard on  
this.

SEAN VASIS

Oh that's great Mr. President. I hear one of the kids that use to be a Power Ranger works here as well.

PRESIDENT BILL CLINTON

Oh I don't know about Mr. Vasis, that is top secret government stuff.

SEAN VASIS

Oh yes definatly for sure.

CUT TO:

They walk further into the base and they see Billy and the other workers.

PRESIDENT BILL CLINTON

Mr. Cranston, I'm glad your here.

BILLY CRANSTON

Hello President Clinton, What brings you here.

PRESIDENT BILL CLINTON

Well my boy nothing really much. I'm just here to show my newest staff member in terms of the science department in the state of Montana.

BILLY CRANSTON

Well this is one of the biggest in the state and the rockets and fuels are powerful to knock out an entire content. But God knows I hope we never have to use this rocket.

PRESIDENT BILL CLINTON

I hope we don't have to either my boy. I'm sure you Dr. Vasis have a lot to talk about. And so do with Ambassador Zedlar as well.

As the president keeps talking Zedlar makes a smile on his face and Billy is cringing.

PRESIDENT BILL CLINTON (CONT'D)

I just have to go to the bathroom, I will be right back.

The president leaves to go to the bathroom.

ED ZEDLAR

(Lord Zedd Voice)

Hello Billy!!!!!! Or should I call the blue ranger!!!!!! And it makes me laugh so hard that you and your friends are under federal in-dicment and under federal house arrest. And I being evil am still a government worker. Or should I say UN ambassador.

BILLY CRANSTON

What do you want Zedd?! And what is your evil plan now? And even if the Power rangers are not there to stop you, people will know your true intentions.

ED ZEDLAR

(lord zedd voice)

My plan? Who said that is was mine. I have a lot more help now then I did when Rita was helping me. Also, does the name Emily ring a bell to you Billy?!....

BILLY CRANSTON

What the fuck are you talking about?! Emily is dead because Rita killed her 2 years ago.

ED ZEDLAR

(lord zedd voice)

Wrong Blue ranger, I have used Jason's old girlfriend and turned her into a flower monster and to only kill Kimberly and rest of you brats but also destroy the world as well.

BILLY CRANSTON

You won't get away with this Zedd!!!!

ED ZEDLAR

(lord zedd voice)

Oh we will just have to see about that.

The president comes back.

PRESIDENT BILL CLINTON

Everything going okay between you two?

ED ZEDLAR

Oh no we are just having man talk  
and showing him some pointers.

Billy gets flusterd and he walks over to a pay phone.

CUT TO:

Billy gets to a pay phone and he turns on his Ranger watch.

CUT TO:

Tommy at the youth center. Tommy answers the ring.

TOMMY OLIVER

Hello?

BILLY CRANSTON

Tommy, it's Billy we have a huge  
emergency, Lord Zedd and probably  
one of his new monsters is the  
Montana base that I work at it.  
And he is planning on something  
really big as well. And something  
is really not right here.

TOMMY OLIVER

What do you mean Billy?

BILLY CRANSTON

I'm saying Zedd has Jason's old  
girlfriend Emily and he says he  
has turned her into a plant  
monster. Tommy, we have to do  
something.

TOMMY OLIVER

I mean I can do something. But I'm  
not one on house arrest the way  
you guys are. And I'm going to be  
alone.

BILLY CRANSTON

No you won't Tommy. I will help as  
well. Plus the government is on us  
anyway.

TOMMY OLIVER

Oh okay I'm on my way Billy.

Tommy starts running out of the school and he jumps up in  
the air and he teleports to Montana.

CUT TO:

Tommy gets to the base and he gets out his morpher.

TOMMY OLIVER (CONT'D)  
White Tiger Zord.

Tommy transforms into the white ranger and he sneaks into the base.

CUT TO:

Billy with President Clinton and Vasis and Zedlar.

Billy starts typing up the new reports and entering the new codes.

BILLY CRANSTON  
Well everything is all set.

SEAN VASIS  
Good Job Mr. Cranston. Doing this and handing over codes to the government will definatly shorten your house arrest sentence in a big way.

BILLY CRANSTON  
Yeah I really hope so sir.

PRESIDENT BILL CLINTON  
And don't worry it will happen Billy my boy. I'm sure of it.

Sean looks at Billy and smiles at him but all of a sudden does an evil smile and punches Billy in the base.

Billy lands on the ground with a bloody noise and Zedlar transforms into Lord Zedd and he uses his staff and starts blowing up the base and causing a lot of choas.

Sean takes out a PP7 gun and points the gun at the president.

SEAN VASIS  
You really believe I was helping America. No, I have much bigger plans with these new codes. And with the help of Lord Zedd.

BILLY CRANSTON  
Help of Lord Zedd? Who the hell are you?!...

Sean does an evil smile and he starts transforming into Master Ville.

WHITE RANGER  
Yeah not really Zedd. The tables  
have gotten stronger.

LORD ZEDD  
Hello Tommy, Sounds like you have  
turned you back on me. And you  
will pay for it as well!!!!!! And I  
do miss the green on you.

WHITE RANGER  
Where is the president Zedd?

LORD ZEDD  
Oh he is trapped, and nobody can  
save him.

CUT TO:

President Clinton gets dragged by Master Ville.

PRESIDENT BILL CLINTON  
What the hell is going on  
here?!...

MASTER VILLE  
I have the new codes to destroy  
your country!!!!!!!!!!

Master Ville straps him to a rocket.

CUT TO:

Tommy and Billy fighting Lord Zedd and dodging all of his  
attacks.

WHITE RANGER  
I got Zedd, you take care of Ville  
head.

BLUE RANGER  
Sounds good.

The Blue ranger jumps up in the air and he attacks a lot of  
putties that are coming after him.

The Blue ranger keeps on running and Master Ville takes out  
his staff and throws a lot of attacks at Billy.

MASTER VILLE  
Time for you to know what real  
science looks like!!!!!!!!

BLUE RANGER  
Not going to happen poison  
head!!!!!!

The blue ranger start fighting Master Ville and throwing a lot of attacks at him.

Master Ville kicks Billy in the face and Billy throws more power lance and kick attacks at him. Master ville throws more attacks but Billy dodges the attacks and Billy kicks him in the stomach.

Master Ville gets even more angry and gets up and throws more attacks at Billy and Billy jumps up in the air and whacks Ville in the head with his power lance.

Master ville dissapears in smoke with an evil laugh.

Billy hears the count down ticking down.

Billy runs to President Clinton and unties him.

PRESIDENT BILL CLINTON  
Thank you so much.

BLUE RANGER  
Your welcome sir.

CUT TO:

Tommy starts fighting Lord Zedd and Tommy punches Lord Zedd in the face and Lord Zedd grabs Tommy by the neck and throws him to the ground.

LORD ZEDD  
You will never stop me Tommy!!!!

WHITE RANGER  
Don't be sure of that Zedd!!!!!!...

Lord Zedd dissapears with an evil laugh and Tommy starts running to Billy and he also hears the ticking down.

WHITE RANGER (CONT'D)

find Kimberly and then Trini and  
then Jason.

TOMMY OLIVER

BEN HANNITY

I know son. But I believe I have news on what happened in Montana. And Tommy and Billy were attacked by Lord Zedd and a monster name Master Vile And they are planning on doing something really awful that has to do with UN affairs. And Zedd is behind all of it.

Ben uses his magic to pause Jason's arrest meter.

JASON SCOTT

Thank you.

BEN HANNITY

Don't mention it. And Billy and Tommy might be in Seattle, Washington to find Kimberly and Trini.

JASON SCOTT

What about Zach.

Ben takes a deep breath.

BEN HANNITY

I don't know how to soften this for you Jason. But Zach is in federal prison is jailed in a facility in Texas. I'm sorry Jason.

JASON SCOTT

Jailed? for what?

BEN HANNITY

I found reports that he violated his house arrest 7 times for just little things and they jailed him.

JASON SCOTT

What are we going to do?

BEN HANNITY

I will still be able to help you but you have to break out of your house arrest bracelet, because they will not just want you on house arrest they will kill you as well.

As Jason is talking to Ben, a lot of police are surrounding the area.

ED ZEDLAR

I don't think jail is the place for you, Jason, I think getting killed on top of the UN building is the best thing I can think of for you. Arrest him and take him to the car!!!!!!!!!!

BILLY CRANSTON

Is Jason going to okay doctor?

MAIN DOCTOR

Well I have some good news and some bad news, the good news is he's alive and he survived the surgey, the bad news however is that is going to be in a wheel chair for at least 7 months intel his legs heal up. His blood flow is back to normal, but he might have to just rest and not work out and I heavily suggest he eat a lot of food to get his blood surgar to normal levesl to gain some blood cells, his face still has bruises. But his black eye should heal but also put some ice on the eye and his bones on his face should heal very fast. I'm sorry I really wish there was more I can do for you kids.

ZACH TAYLOR

No this is great doc, We are just glad that Jason is alive. Can we see him?

MAIN DOCTOR

Of course. And he can also go home if he choeses to do. And for a teenage boy, he sure is very strong.

BILLY CRANSTON

Oh you have no idea doc.

JASON SCOTT

(weak voice)

Sadly I have not Trini. But I'm just glad we saved the world and you guys were by my side. But I have no idea where I'm going to go. Because lets be real, we haven't seen our parents in like forever since we got under government arrest. And I'm sure all of us are probably going to have to go to jail.

Ben walks into the room.

BEN HANNITY

That's actually won't be the case Jason. I have spoken to President Clinton and he's thinking about a huge law that would make power rangers legal and get you guys back to living normal lives again.

The main reason we are here sir is because we need a new bill in congress that makes the power rangers legal meaning they can fight crime and protect the United States of America from outside forces. And it will also give them a chance to get off of being under goverment arrest and back to their normal lives in Angel Grove, California .

PRESIDENT BILL CLINTON

But if they betray this country?

JASON SCOTT

We would never do that sir. My friends and I and Mr. Hannity love this country and we want to fight for our country. And making this bill would be the best way to help the troops and police officers and fire fighters as well. Please sir.

ZACH TAYLOR

And people all over the United states love the Power Rangers Mr. President. And America will be a much beter place. And you will save a lot of lives in the process.

But there are so much at stake, my own party hates me right now and I have no idea what this counry is going to be like when the year 2000 hits.

TRINI KWAN

We understand sir, But you can prepare the world for the future, And we all might not agree with you poltically on your choices, but this where you can really make a huge difference to our country.

President Clinton looks at Jason as Jason is in a wheel chair and then looks back at Kimberly and the rest of the kids.

PRESIDENT BILL CLINTON

PRESIDENT BILL CLINTON

My fellow Americans and My fellow citizens, Tonight I am here to make the state of the union address. And a couple of days ago in New York City, We saw the Empire state building on fire. And not only where their fire fighters, police officers, and the US army protecting us. But there was also special warriors and special fighters known as the "Power rangers" or as some people call them, "The Teenagers With Attitude". Now I understand, currently they are under government arrest because of the events last year. But as we get into another century, and into the 21st century, We might need more than the army, our police officers, and fire fighters, but the world also needs the power rangers slash the Teenagers With Attitude. Now yesterday the members of the power rangers and their leader came to the oval office to meet with me and vice president Gore. And they laid out a bill for me, And ladies and gentlemen, as your president, I am putting forward a new bill called "The Teenagers With Attitude act" that get rid of the current kids on government arrest and it would be a law that would let the Power Rangers be legal and future rangers legal as well. And they wouldn't get arrested or be hunted just because they now the power rangers. And they would be heroes just like our police officers and our fire fighters and our US military as well. As of now, I submit this bill to all of the members of congress and the senate and I urge all to pass The teenagers with Attitude act.

Alright everyone, We have finally came to the end of this school year. And we are all proud of these kids as they now enter the real world. And the graduating from this place is not an ending but it's beginning of what is to come. And we have had students fight in battles and survive this great country. Thank Mr. Caplan, Hi everyone,...my name is Jason Scott. I know all of you know me as the red ranger and parts of the Teenagers with Attitude.

Jason pauses for a couple of seconds and takes 4 deep breathes.

## JASON SCOTT (CONT'D)

You see before I was a power ranger...I was just a kid from Los Angeles and I enjoyed listening to my Sony Walkman, playing N64, working out, practicing my karate moves, And watching TV. But then when I came here, 2 years ago, I met a girl with black hair that was popular and loved gymnastics and I remember getting up in front of the class and saying how I was and people laughed at me and mocked me for a lot of reasons. I really thought I was never ever going to fit in here, I was bullied a lot and I stayed out passed curfew and got in trouble with Principal Caplan a lot.

(MORE)

JASON SCOTT (CONT'D)

But along my journey however, I also met a boy who loves science and a hispanic girl who was tough and firece like a tiger and then met an african america kid from the inner city who taught me how to be tough and taught me how to use my brain and not be in make believe world and be in reality instead. I was really never the best in class but I always tried to do my best for myself and make my parents proud. I just can't revel to you guys how we became rangers, but it happened and we were called to survive and protect the United States of America even it meant the world didn't know what a power ranger was. And it's true we were under goverment house arrest as well but even with moving from Angel Groove to New York City, I always kept my head down and focused on school and protected my country. And I always thought my friends all the time and thought my parents a lot as well. But then once my friends and I got off house arrested, we came back here and finished our senior year. And I just thank you to all of you guys for accepting me here at this amazing school and the friends made here. Thank you so much for being my best friends.
