BUBBLES

I'm sorry Buttercup, My classes are alright, but I have started a twitch account and I have gotten a lot of followers just for playing video games.

BUTTERCUP

Bubbles That's stupid because you shouldn't be using your body to get followers, and also the money you get on there is less then minimum wage.

BUBBLES

Oh come on Buttercup, it's so fun and a lot of the guys that I talk to are super nice. And also I work for Mr. Bravo in Los Angeles last week and he paid me around 9,000\$.

Buttercup face plams herself.

BUTTERCUP

That is because Mr. Bravo acts like a 21 year old and the reason you got that job working for him is because the professor is friends with him. Oh God, When is Blossom going to get home?!....

HIM

The young man in the black shrit could be what we need to reborn Aku.

FUZY LUMPKIN

Well he does look very little and small.

HIM

But the potential on him could be really good. Especially since Sedusa knows a lot about him. And he could lead us to the powerpuff girls and Samurai Jack as well.

FUZY LUMPKIN

So what do you want us to do then?

HIM

I want to keep an eye on the boy.

FUZY LUMPKIN

What about the other one?

HIM

New York City, there is an underground base that George and the Justice Friends and Dexter help me built, and it's in Brooklyn. We will be safe there.

MISS BELLUM
Do you think the mayor is alright.

JACK UTOUNIUM
Sadly I don't know Bellum, lets just hope he is alright. I know for me watching the news, every big city was infected with Him's red demon and devil cancer that almost every big city in the country is destroyed and sadly another American civil war is on the rise as well. And the our country is going to need a lot of help.

Jack keeps driving the car.

No Bubbles, I am Samurai Jack, the great warrior from Japan and protector of the world and anything that is good and that is who I truly am as well. And I never wanted this day to come. But our world and our country are in trouble and we will stop who is responsible for this terror. And I brought Mojo Jo Jo into this world and we will bring him out of it as well.

SAMURAI JACK

Thank you Mark!!!!!!...Alright everybody listen up and listen good, I know all of you don't want to be staying down here. And they are going to do it for the name of globalism and for a new evil world order. And I know, nobody wants war, but we must go to war and unite our superpowers and who ever has powers please step forward because we will need your services because this is a fight that I don't think the United States army can win alone, And we have to step up.

Some other Cartoon Network characters are listening including Ben 10 and a family that has blonde hair.

SAMURAI JACK (CONT'D)

And if you don't have powers, we need your skills, we need your talents and what you can build and if you guys step forward, I grantee we will save our country. And I know how these anti-America are like because I have seen them before back in the 1960's during the Vietnam war and that was a war we lost especially when Aku attacked New York City and now Mojo Jo Jo wants to do same thing but worse.
