ACE VENTURA

I know Melissa. But we are a lot more smarter than they are. And if anything the police may have a mole under their nose as well.

MELISSA ROBINSON

What do you mean Ace?

ACE VENTURA

Like did you notice anything strange Lt. Einhorn?

MELISSA ROBINSON

No why?

ACE VENTURA

Because I have a feeling is not anything who she says she is. And she really could be hiding something. I mean have you ever thought about why we never heard the news of her being hired?

ACE VENTURA

That sounds weird sir.

dan marnio

Yeah you got that right young fella. And he was obsessed with Dolphins and sea life, that he had to be in a mental hospital in Miami.

But that makes no sense she is alive and we see her.

ACE VENTURA

No something tells me this cause is a lot more twisted and a lot more complicated and it's more then just someone kidnaping dolphin.

MELISSA ROBINSON

So where do we go now?

ACE VENTURA

Well I think right now we have to find out where Finkle lives and see if we can find more leads.

mr. finkle

Ray hasn't been home in a while and he is not coming home anytime soon either.

ACE VENTURA

Why do you say?

mr. finkle

Because I think my boy is just crazy and he took a lot of drugs while he was playing for the Miami Dolphins and even blamed Dan Marino for it as well.
