The new Walt Disney Studios logo begins with really dark music. And as it begins it shows the Disney castle covered in thorns and a destroyed castle and green magic showing the Disney logo and a green beam going around the castle.

FADE TO BLACK.

EXT. A CASTLE IN THE MEDEVIL TIMES - NIGHT

CUT TO:

A King is inside his kingdom and he sees the forbidden mountain.

CUT TO:

A young little boy comes down and sees him.

YOUNG PRINCE PHILLIP

Father, you have been looking at the strange green castle for a long time. What is wrong?

KING HUBERT

Phillip, I am really worried about King Stefan and I feel like his past and his failures might come back to haunt him.

YOUNG PRINCE PHILLIP

What do you mean father?

KING HUBERT

My son I will tell the story of that evil place that nobody in the kingdom ever goes.

FADE TO:

FLASH BACK SCENE

All of a sudden there is a lot of knights that are going into battle and they are fighting a lot of monsters.

And a lot of people are dying and there are a lot of explosions and places around the kingdom are catching on fire.

KING HUBERT (V.O.)

Many years ago when I was elected king of my kingdom and when King Stefan also became king, An evil sorceress name Maleficent declared war on our great land because a long time ago Maleficent and King Stefan were friends when they were younger but as time grew, the King forgot about her and found another woman name Leah. And that made her very angry and very unhappy, almost to the point where legend says she began to change into an evil dragon and swore revenge on great land.

More fighting and explosions start to happen and there are more chaos everywhere.

KING HUBERT (V.O.) (CONT'D)

As the war came to a close, Maleficent and her army of animal disfigured soldiers were defeated. And King Stefan's army and our army won very badly.

CUT TO:

The Knights arresting Maleficent. And arresting her in chains.

THE JUDGE

By the power of King Stefan, Maleficent shall be thrown into the dungeon outside of the kingdom and shall never return to the great land of England.

MALEFICENT

YOU FOOLS!!!! YOU BASTARDS WILL ALL PAY, I SHOULD BE THE QUEEN AND THIS SHOULD BE MY KINGDOM!!!!!!

KING STEFAN

You will never be allowed in my kingdom ever again. You have respect and no loyalty to this great land. Arrest her!!!!!!

The guards start taking Maleficent away and put her in a horse carriage.

And the carriage goes off.

KING HUBERT (V.O.)

And so from there, the evil sorceress was in prison. But I know being in a dungeon was not going to be enough to protect the kingdom.

CUT TO:

King Hubert and King Stefan in King Stefan's thrown room.

KING HUBERT

Do you think prison will be enough Stefan?

KING STEFAN

I don't know Hubert. But as long as I rule this long and I will make sure in my power that Maleficent never destroys the great land of England.

KING HUBERT

But I also believe your mistakes with your past with Maleficent will really be costly and you will need help from my knights and army for the day or night she does come back.

KING STEFAN

Lets just hope for our skins, she never comes back Hubert.

KING HUBERT

I agree Stefan.

KING HUBERT (V.O.)

As the years we have never seen any word of Maleficent but I fear she may return for some reason or another.

FADE TO:

King Hubert with Phillip.

YOUNG PRINCE PHILLIP

Father, Do you think I will ever be a king?

KING HUBERT

It takes a lot of work and skills to do so. But I know I won't be a king forever.

(MORE)

KING HUBERT (CONT'D)

But for you, it's important that you uphold the traditions and laws and the honor of this great land. Because if someone doesn't, no one will.

YOUNG PRINCE PHILLIP

Alright father.

YOUNG PRINCE PHILLIP (CONT'D)

Father?

KING HUBERT

Yes Phillip?

YOUNG PRINCE PHILLIP

What in the world happens to Maleficent?

KING HUBERT

Nobody knows but she is locked up in a dungeon far far away from this land. But it's important before you think about being king, it's important that you are knight first and prince first then at some point in your life you will be good enough to be king.

Prince Phillip nods his head.

FADE TO BLACK.

The main title shows up and it says "Sleeping Beauty"

FADE TO:

EXT. AROUND THE KINGDOM - MORNING

All of a sudden a medieval horn starts to play very loudly.

CUT TO:

YOUNG PRINCE PHILLIP

Father this is really fantastic, I have never seen a parade of people like this before.

KING HUBERT

Oh yes this is really special, whenever a princess is born, the kingdom will always throw celebrations. And every ruler and leader and everyone always comes.

YOUNG PRINCE PHILLIP

But what If they can't make it into the kingdom?

KING HUBERT

Well they don't have to be in the great hall or in the palace, there are always different people celebrating with their families or friends and having celebrations of their own.

YOUNG PRINCE PHILLIP

Will I get to meet King Stefan?

KING HUBERT

Absolutely my boy, it is our duty as prince to meet with the other kings and rulers of other kingdoms in this great land.

KING HUBERT (CONT'D)

And you have nothing to worry about it, I will help you.

CUT TO:

Hubert's carriage comes to Stefan's castle and Hubert and his boy come out and they start going inside.

Phillip begins to look around at everything that is going on around him. And Phillip is amazed at everything.

CUT TO:

Everybody starts to gather around the thrown and the carriage. And Phillip and Hubert get to the front.

KING STEFAN

Stefan looks at Phillip.

KING STEFAN

And who might be young man.

KING HUBERT

Awwwe this is my son Phillip and it's his first time here in your kingdom.

YOUNG PRINCE PHILLIP

It's a pleasure to meet your majesty.

KING STEFAN

It's a pleasure to meet you Phillip. And I am glad you are here as well.

YOUNG PRINCE PHILLIP

Me too sir.

Prince Phillip begins to look around and he looks down on the baby's bed and sees baby Princess Ahora for the first time. And she makes a lot of baby noises.

YOUNG PRINCE PHILLIP (CONT'D)

Wow she is beautiful.

Phillip walks back to his father. And all of a sudden, Flora, Maryweather, and Fauna show up out of the sky and land in the great hall.

YOUNG PRINCE PHILLIP (CONT'D)

Father who are those women and how were they able to come down?

KING HUBERT

These are fairies Phillip, they have always given ever magical gift to every princess in this great land and have done so for ages. And they also advise the King and Queen.

YOUNG PRINCE PHILLIP

Do they ever advise you Father?

KING HUBERT

No Phillip only a king that has a young princess and Stefan's kingdom is a lot bigger then mine, but we always have a common understanding regardless of population and size our castles, we all understand, we must protect this great land together.

YOUNG PRINCE PHILLIP

But something happens to you?

KING HUBERT

Then someone else takes my place in my kingdom.

CUT TO:

The main fairies are with the King and Queen.

FLORA

Thank you so much for our arrival your majesty and your highness.

KING STEFAN

You are welcome. And may you gifts be amazing and wonderful and guide our daughter Aurora to be the best princess in our land and some day the queen of this land as well.

MARYWHEATEHR

And we will do the best gifts we can your majesty.

The fairies begin to approach Aurora's bed.

FLORA

The gift I give to the princess shall be the gift of beauty and hope that is the most beautiful woman in the great land of England.

Flora begins to wave her wand at the baby and the baby keeps on making noises. And there is a magical sequence showing a beautiful and really gorgeous stunning woman.

Fauna approaches the baby and she starts waving her wand and magic starts to come out of it.

FAUNA

My gift to the young princess shall  
be the gift of song, Where she has  
the gift to not only sing but also  
talk to animals of the great land  
of England and where she can sing

FERGUS

So mate, you excited for increasing your prince status and hopefully getting a girl?

PRINCE PHILLIP

Unfortunately Fergus. I haven't really thought about it that much. Plus I'm sure the other girls in the kingdom are not that great.

ANGUS

Why in the world are you saying. Come on mate, don't tell me your still thinking about going to the woods and finding that one girl from your childhood.

FERGUS

Come mate, give that a rest, Plus there is no grantee the great princess of the land of England will come here. Plus I hear no other boy that is a peasant has gone over there to the woods, some say she is protected by birds.

ANGUS

Some say mate, no one lets her do anything or see anybody from outside the forrest.

PRINCE PHILLIP

Well I say you two buggers are full of shit and are completely mad. Plus the forrest is not that dangerous.

ANGUS

And you also need a horse to get there, it's a long way on foot.

PRINCE PHILLIP

I understand that Angus.

CUT TO:

The boys get to Phillip's school. And they see all the fantasy looking boys.

ANGUS

My god, these bloody boys and their fathers funding them to be a prince at a royal school.

Phillip, you are late once again.

PRINCE PHILLIP

I'm sorry I just lost track of time. And I thought I was on time.

THE HEAD INSTRUCTOR

Unfortunately your not son, Today we are learning about sword fighting and arrow shooting as well.

PRINCE HUGH

Yes the last I re-call my lord,  
Phillip has failed this task over  
50 times and other ones as well.

The other princes in the room begin to laugh at Phillip.

PRINCE JASPER

Yes and he don't even have a horse  
well.

THE HEAD INSTRUCTOR

Everyone shut up!!!!!! Now  
regardless of Phillip's status we  
will keep on with our session  
regardless of who passes and fails.  
Now lets you go bloody  
shits!!!!!!....

All of a sudden all of the students start walking outside.  
And Phillip runs into Prince Hugh.

PRINCE HUGH

This will be very easy for me  
Phillip, You will never pass or  
graduate as one of the best princes  
in England. Just give it up  
already.

PRINCE JASPER

Yes it's pretty clear to all of us  
that you are a failure and why  
don't you talk to your peasant  
friends as well. And go to school  
with them.

PRINCE PHILLIP

They are no different from anybody  
else. And plus they are good  
friends.

PRINCE HUGH

Well prepare to be beaten like one.

They walk away laughing at him.

PRINCE PHILLIP

Cunts!!!!!!!!!!....

CUT TO:

All of the students start training and sword fighting and  
fighting each other. And some are firing bow and arrows.

And others are using a shield and defending themselves.

And he sees more princes in line and others fighting each other and same instructor grading them.

THE HEAD INSTRUCTOR

Pass. Next men up.

Phillip gets even more worried.

PRINCE PHILLIP

Oh god...

Phillip begins walking and he begins to face off.

THE HEAD INSTRUCTOR

Alright listen up, clean fight and I want to see the moves that we all trained on. Understood?!...

And they both nod.

THE HEAD INSTRUCTOR (CONT'D)

Alright...Go!!!!!!

Both Prince Phillip and the other prince start fighting and throwing a lot of sword moves at each other.

Phillip right away is struggling really bad and he falls down to the ground.

Other boys start laughing at him and calling him names.

Phillip gets up again and throws more sword moves and his appointment is getting the better of him.

Phillip finally gets the upper hand and punches him another one in the face and the other one gets even more angry and throws more attacks at Phillip.

And both of them fall into the mud and grass and both get up and are very aggressive towards each other.

Phillip gives his appointment a huge cute and then tackles Phillip really badly and Phillip smacks the other prince badly and gives him a bloody nose.

THE HEAD INSTRUCTOR (CONT'D)  
 ALRIGHT BOYS THAT'S ENOUGH!!!!!!!  
 You both fail badly!!!!!! Prince  
 Phillip, why did you have to act  
 very aggressively to your  
 oppointent?

PRINCE PHILLIP  
 Well sir it's because I had to be  
 aggressive because the person you  
 are fighting will not take you  
 easily and never take any prisoners  
 sir.

THE HEAD INSTRUCTOR  
 Unfortunately Phillip, your answer  
 was a complete bag full of shit, I  
 don't know who you are, or who you  
 forget you are talking to?!...And  
 you have failed my school and not  
 risen in the ranks in the entire  
 kingdom. And from all the records I  
 have remembered, you are no way  
 ever going to be king of England or  
 be a prince as well or have no  
 chance of getting a  
 princess!!!!!!...What in the bloody  
 hell would your father think?!....

Some of the other boys are laughing at him and Phillip begins  
 to get even more angry on the inside and he starts breathing  
 really hard.

All of a sudden, Phillip gets super angry and he punches him  
 in the face knocks him out. And Phillip tackles him really  
 hard.

Other princes come and grab him and Phillip gets into a fight  
 with those boys as well.

THE HEAD INSTRUCTOR (CONT'D)  
 (screaming)  
 ALRIGHT YOU BUGGER...GET OUT OF MY  
 SCHOOL AND GET THE BLOODY HELL OUT  
 OF HERE!!!!!! YOU ARE PATHIC AND YOU  
 WILL NEVER RISE UP IN THE PRINCE  
 RANKS!!!! GET OUT YOU HERE YOU  
 HERE!!!!!! YOU ARE DISGRACE TO THE  
 KINGDOM!!!!!!!!!!!!!!....

Phillip begins to runaway from the school.

CUT TO:

Phillip is in another part of the kingdom and sleeping on a tree.

As Phillip is on the tree, his friends see him.

ANGUS

ANGUS

Oh my word, you really have gone mad today. It's alright mate, we never liked you going to that waste of a place. Does your father know?

PRINCE PHILLIP

He doesn't know yet. And I don't plan on telling him.

FERGUS

Oh my lord, Well we are always here for you Phillip.

PRINCE PHILLIP

KING STEFAN

I can't believe it's been 16 years since my daughter had to leave the kingdom. And I sadly don't know how she is really doing?

KING HUBERT

Yes I agree Stefan.

KING STEFAN

How is your boy Hubert?

KING HUBERT

Alright I suppose. He was at prince school today trying to improve his prince ranks in the kingdom. But unfortunately I know that he has been struggling and quite frankly, other princes have raised up in the whole land.

KING STEFAN

That's a gigantic shame, he is a very good lad. Well he be at my daughter's birthday?

KING HUBERT

I hope so. But unfortunately he has a lot of competition, and a lot of other lads want your daughter as well.

KING STEFAN

Well I think with all do respect Hubert, I believe those prince schools in the kingdom are complete rubbish, the boy needs explore and go on his own adventures a lot more. I do not believe he will learn a damn thing in those places.

Phillip goes outside and he sees Samson for the first time.

PRINCE PHILLIP

Oh my god. Thank you father. How in the world did you get him?

KING HUBERT

King Stefan gave him to me this afternoon. And He is your responsibility, feed him, take care of him and so on, and he will be yours forever. You think you can do that?

PRINCE PHILLIP

Yes sir.

KING HUBERT

Good because the bad news, since you have not developed as I thought, I have no choice but to send you out of my kingdom, and you will learn how to be a prince on your own. And Take care of yourself and support yourself as well. And I want you back in a week to report to me. Is that understood?

PRINCE PHILLIP

But what if I can't do that father? And what if I'm not ready?

PRINCE PHILLIP

Don't worry I'll be right mate. I can only imagine there are more of these creatures here in this forrest. And hopefully we can find a village somewhere to go.

Phillip starts looking through the pockets of the knights.

PRINCE PHILLIP (CONT'D)

What the devil?!...It's coins from the kingdom, I haven't seen these coins since I was child. I wonder if they are worth anything. Come on Samson lets keep going.

BRIAR ROSE  
 Is there anything I can do aunt Fauna?

MARYWHEATEHR  
 Well my dear I don't know if you can do anything here, But you could go out and pick a lot of blackberries and other berries outside. And come back within an hour or so.

BRIAR ROSE  
 Alright okay aunt Marywheather.

Flora hands Briar a basket and she goes outside.

FLORA  
 Well we better ready for her birthday and I can't believe she is 16 years old already.

FAUNA  
 Yes I can't bloody believe it either, it all went by so fast.

MARYWHEATEHR  
 But we have to make sure not ever tell her real name or what she really is.

FLORA  
 Yes. Now lets get everything ready and we have to do all of this without magic.

## MARYWHEATEHR

And I unfortunately believe that is going to be really hard and very difficult Flora. And do you think one of us should be with her?

## FAUNA

get any carrots from me...

Samson does another horse noise.

Phillip keeps on driving himself and all of a sudden, more animals and birds show up and grab his stuff as Briar keeps on singing.

PRINCE PHILLIP (CONT'D)  
oy, no, those are my stuff, give  
them back you damn blokes.

Phillip keeps on running and he starts back tracking as he is getting close to Briar and he sees her singing more and more.

PRINCE PHILLIP (CONT'D)  
Holy...there she is...

in my dreams and I can't remember  
him but I know I have meet him  
before somewhere and always see his  
face. And the song always makes me  
think of him.

Briar keeps on singing and Phillip hides behind a tree and he slowly gets hid coat and his hat back.

As Briar keeps on singing, Phillip finally continues to sing some parts of the song himself and Briar turns back and is really shocked and frighten.

how did you get here?  
(MORE)

And where did you come from? And  
how did you know I was here?

PRINCE PHILLIP

have meet before in a dream you  
said. I was really wondering if you

BRIAR ROSE

I really don't know if I can do  
that, I'm not suppose to talk to  
strangers.

PRINCE PHILLIP

But you have meet me before Once  
upon a dream.

PRINCE PHILLIP

trouble with me, Nobody is getting  
in trouble. And also I would love  
to meet your aunts.

BRIAR ROSE

PRINCE PHILLIP

Not even anybody from my father or  
King Stefan's kingdom. Why? That  
just doesn't make any sense to me.

BRIAR ROSE

I have to go and I don't know if I  
can see you. And I have to go.

Briar gets up and Phillip gets up.

PRINCE PHILLIP

Come on this is silly. You should

PRINCE PHILLIP

You don't even know when you were born?

MALEFICENT

SILENCE!!!!!!!!!!!!.....

Maleficent gets super angry that she starts blasting her powers around her room and causing destruction. And she grabs one of her knights by the neck.

MALEFICENT (CONT'D)

Where is the boy now?!...

ANIMAL KNIGHT 2

We don't know my lady, he was in the forrest and he ran into a girl with no shoes on and grey and black dress and she had golden hair as well and...

Maleficent loosens up her gripe on the knight and throws him to the side.

MALEFICENT

Girl with blonde hair and in the forrest...Princess Aurora...She is in the forrest with Fauna, Flora, and Marywheather as well. My cruse is going to come along very well. Especially knowing how protective they are of her. And I can use that against them as well.

ANIMAL KNIGHT 3

So what do you want use to do my lady?

FLORA

The dynasty before King Stefan wore red in not just dresses but in every clothing imaginable. Blue presents coldness.

FAUNA

Well I believe is going to look beautiful in any color we pick for her.

CUT TO:

Fauna making the cake and also using some of her magic to cleaning items come alive. And they start cleaning everything.

FLORA

How is everything going with the cake and cleaning Fauna?

FAUNA

Everything is going well and...

All of a sudden, everything starts falling apart, even the dress.

MARYWHEATEHR

Well that's just perfect and atrocious. We should of started using our magic right when Briar left the cottage. And now look at everything, the whole cottage is a storm and is full of clutter as well.

Marywheather goes upstairs to get the wounds and brings them to everybody.

FAUNA

I'm sorry Flora but I believe Marywheather might be correct. We can't do any of these tasks without our magic.

They all start using their magic and making everything better such as the cake, and dress and cottage.

They are able to do this in a matter of minutes.

FLORA

Alright everything is done. Is everything all ready?

FAUNA

Yes.

FLORA

Good.

They all use their magic and all their items are on the table.

CUT TO:

Briar finally comes into the house.

BRIAR ROSE

Aunt Flora, Aunt Fauna, and Aunt Marrywheather I'm home. And I also have berries as well.

They all turn around and they all say surprise. And they say Happy birthday.

BRIAR ROSE (CONT'D)

Oh my word, I don't really know what to say. Thank you all of you. And the dress is really wonderful and it's so beautiful and gorgeous and so amazing.

FLORA

Well we are really glad and happy that you love it Briar.

MARYWHEATEHR

And also very soon, you will go the kingdom for your birthday and finally be with your father and mother as well.

BRIAR ROSE

What??...But I thought I never really had parents and the kingdom.

FAUNA

Yes Briar...

FLORA

Alright sweet-heart. Look...Your name is not really well Briar Rose, we made that name up for you. And your real name is princess Aurora And King Stefan is your father and Queen Leah is your mother. And your not from the forrest your are from the kingdom.

BRIAR ROSE

I don't believe you. And I want to be here and be a normal person. I don't want to be a princess. And also I met someone who is very special.

FAUNA

You meet someone?

MARYWHEATEHR

Briar we have always told you never to talk any strangers. And we have told you as well that the forrest can be very dangerous as well.

BRIAR ROSE

But he is not a stranger. He is really handsome, and really kind and yes he was king of strange and really obsessive and today he did see me with no clothes on and danced with me. But he just really magical and sweet and just full of adventure. And I couldn't remember his name, but he just took me on a gigantic adventure.

FLORA

Briar, well was he from the kingdom or so?

BRIAR ROSE

I don't know Aunt Flora. But he had a white horse and boots and brown hair.

FLORA

Briar, all of that sounds really nice and I'm glad you made a friend today. But you can't see that boy anymore, and you are going to marry a prince from the kingdom.

BRIAR ROSE

No I can't. I want to be with this one instead, And I don't want to marry a prince from the kingdom. And I don't want to be a princess. And I just want to be with this one instead. And I want to see him again.

FLORA

I'm sorry my dear. But you are a princess and your not a peasant in the forrest. And you can't marry peasant

Briar starts crying and she starts walking to her room.

MARYWHEATEHR

Oh dear. What have we done. We really believed that she was going to be happy. And I can't believe what we have done as well.

CUT TO:

And Phillip stops around another part of the kingdom and sees Angus and Fergus

ANGUS

Hey Phillip mate, We are glad you are back. You have been gone for almost a week. Where on earth did you go?

FERGUS

And yes and you have a horse. What's the horse's name?

PRINCE PHILLIP

Oh well this is my horse Samson. And father gave him to me. And I have to tell you a story about my adventure that I went on. And we have to go somewhere private and we must move quickly.

FERGUS

Oh yes sure thing mate.

As they start going somewhere else, Maleficent is also in the kingdom. And she starts spying on them.

Phillip and his friends sit down and they start drinking some wine.

ANGUS

Ah a nice glass of mine, is always great.

FERGUS

So what in the devil did you do out there?

PRINCE PHILLIP

Well after I got kicked out of the rubbish school, my father wasn't really angry at me, but he didn't think I was learning anything at that school to begin with. And so he sent me on a journey and into the woods.

PRINCE PHILLIP (CONT'D)

And so what happened was that I got attacked by people that looked deformed and mutated. And it wasn't easy fighting them, I had to use what was around me to fight them, including a sling shot that I built a long time ago and had to use combat as well and use a huge axe as well.

ANGUS

Oh my word!!!!...And you almost got killed as well.

PRINCE PHILLIP

Correct Angus. But it also gets really good as well. I was able to get around the cottage in the woods. And when I did get there, I was able to find maybe one of the most beautiful and gorgeous and stunning girls in the whole land of England.

FERGUS

Oh that's fantastic Phillip. Was it Princess Aurora?

PRINCE PHILLIP

Well...Well no but she was from the forrest and she blonde hair and she was bare-foot, every time she would sing a song, a lot of the animals in the forrest would come to her and listen to her talk. And she was also a really wonderful dancer as well. I mean it took me a while to win her trust and she wasn't easy to persuade as well. I really had to try my hardest to sweep her off her feet.

ANGUS

Sounds an awful lot like a princess to me Phillip.

PRINCE PHILLIP

But she wasn't though. I didn't even get to know her bloody name either. And she never talks to strangers as well according to her.

FERGUS

Well sounds like mate, who ever was raising her was very overly protective of her getting into trouble with either strange men like ourselves or strange or dangerous animals, creatures or people that live in the forrest as well Phillip.

ANGUS

Are you going to see her again mate?

PRINCE PHILLIP

I have no idea Angus. I have a feeling I may never see her again.

story. Fuck!!!!!!....

PRINCE PHILLIP

EXT. OUTSIDE OF KING HUBERT'S KINGDOM - AFTERNOON

Phillip ends up getting back into the kingdom while riding on Samson.

Phillip gets to Hubert's castle and gets into the thrown room.

PRINCE PHILLIP

Father, I'm home.

King Hubert sees Phillip. And he is home.

KING HUBERT

Oh my boy. You are home and your safe from your journey that I sent you on.

Hubert hugs his son really tight.

KING HUBERT (CONT'D)

So did you learn anything on your journey son?

PRINCE PHILLIP

Well I actually did father, I learned how to be self reliant and how to survive. And when there were enemies, I just used what ever was around me and to defeat them.

KING HUBERT

That's magnificent Phillip. I can't believe Stefan was right, an adventure is what you really needed to get all thought that I have taught you right into your head.

PRINCE PHILLIP

But also I believe Maleficent's mountain was also there and I also meet a girl from the forrest as well.

KING HUBERT

What did she look like boy?

PRINCE PHILLIP

Well father, she had blonde and golden hair, she was bare-foot, and she wore a black and grey dress, and she had the ability to sing and talk to animals as well. And I danced with her and she is a very beautiful dancer and she also has very striking eyes.

KING HUBERT

You met princess Aurora. You met the princess of King Stefan's kingdom and his daughter.

PRINCE PHILLIP

Well I don't know for sure if that was truly her or not father. It really could of been anybody. And she didn't even give me her name as well. And she said she wasn't allowed to talk to any strangers. What ever the bloody hell that means.

KING HUBERT

Right son, It must be because the fairies are rising here in the mountains. Do the fairies know that you are a prince.

PRINCE PHILLIP

I sadly don't think so father.

KING HUBERT

Well son I am sure that girl you met was princess Aurora of the kingdom of Stefan and daughter of King Stefan. But the reason the fairies hid her away and changed her name was because of Maleficent and her army finding her and kidnapping her and fairies as well.

PRINCE PHILLIP

But what do I do father, I can't just go back to Stefan's kingdom, they are is a mountain of her army running around and I just escaped from there.

KING HUBERT

Then for me, I suggest as King of this kingdom and as your father to go find Princess Aurora and bring her to the kingdom because it is her 16th birthday and you must go to the cottage and tell fairies who you are and get to the ball as well.

PRINCE PHILLIP

What about King Stefan and Queen Leah?

KING HUBERT

Don't worry about them. Go, Go, go my son.

Prince Phillip runs to Samson the horse and he jumps on him and he starts riding off and out of King Hubert's kingdom.

Phillip starts riding the horse and going faster and faster into the night.

KING HUBERT (CONT'D)

KING STEFAN

Hubert you are here. Everything is just about to get started in 3 hours from now. And I just can't wait to see my daughter once again and I hope Maleficent is not right about her gift either.

KING HUBERT

Yes I agree Stefan.

KING STEFAN

How did my suggestion go with having your boy go on an adventure of his own?

KING HUBERT

Well Stefan, Phillip did really well, he proved he can fight and survive and be self reliant and navigate on his own as well. And even though he got thrown out school, I really believe he is going to be a really wonderful and an amazing prince to this great land. And I think someday, he might even be an amazing king as well when both of us are not living anymore as well.

KING STEFAN

I couldn't agree more Hubert.

KING HUBERT

And I'm also very sure your daughter will be a great queen to this kingdom and to this great land as well.

as well Fauna.

FLORA (CONT'D)

Now princess you just have to sit  
down.

Fauna and Marywheather come around Aurora.

FLORA (CONT'D)

Now the last ever gift that we will  
give to you princess is the gift of  
royalty. And this crown you will  
wear with grace and beauty and you  
will wear it proud for the people  
of England and for this great land  
as well.

Aurora gets really sad and she starts crying as she is looking in the mirror.

FAUNA

Now my dear. This is suppose to be happy moment.

FLORA

It's best that we all give her some space everyone.

The fairies walk out of the room and they shut the door.

MARYWHEATEHR

Unfortunately she is sad because of the young man she felt earlier today.

FAUNA

What are do you suppose we do Flora?

FLORA

I don't believe there is nothing we can do at this moment. We have really tried everything we can. And that's all we can do.

CUT TO:

The fairies in another room sitting down.

MARYWHEATEHR

You know now that I think I have really figured why in bloody hell that she has to marry a prince from this kingdom. If anything we all could have just said yes and just met the young man.

## FAUNA

Marywheather unfortunately is it not for us to decide sadly. We are just only the people that raised her under the King and Queen's orders.

CUT TO:

Aurora keeps on following Maleficent around the room and she leads Aurora to a secret passage and she keeps on going down the hall.

CUT TO:

Back to the fairies in the other room.

## MARYWHEATEHR

And quite frankly, I believe we should tell King Stefan about the boy saw this morning.

As Marywheather is talking, Flora starts to hear strange noises.

## FLORA

Everyone...I believe something is wrong and that Maleficent is here and she also has Aurora.

They right away start going into the room Aurora is in and they right away see her following Maleficent.

## FLORA (CONT'D)

Aurora stop. Don't touch anything in the castle.

The fairies try to grab her and she keeps on moving.

They keep on chasing her but the passage way door closes. And they are trapped.

## FAUNA

It's shut tight.

## FLORA

We must find another way to get to her and fast.

The fairies keep on running.

The fairies keep on running and they find another hall way and they go in there.

FLORA  
We have to keep running after to her.

CUT TO:

Princess Aurora finally gets to the spinning wheel room and the beam transforms into spindle of a spinning wheel.

Aurora is at first stepping back.

MALEFICENT  
Touch the spindle of the spinning wheel!!!!....

MALEFICENT (CONT'D)  
Touch it I saw child!!!!!!....

All of a sudden, Aurora finally touches the spinning wheel and all of a sudden a lot of dark magic starts going into her body and a lot of magic gets blasted all over the room.

CUT TO:

MARYWHEATEHR

And very soon everyone is going to find out.

FLORA

Even though this may not be the right thing to do. But we all have to freeze time and put everyone to sleep and we have to make it night time again.

FAUNA

But Flora that is going to take ages. Have you gone mad?

FLORA

I know Fauna, but we have to do this. And only a true love's kiss will break the spell and also advance time as well. And intel then, the earth and this kingdom will stand still intel a prince breaks the sleeping curse.

MARYWHEATEHR

But were on earth are we going to look for a prince.

FLORA

We will find out later, Now we just have to get everyone to sleep.

And while Princess Aurora is waiting for you to kiss an old man like you will be, and even though she is beautiful and grogerous and still looks brand new, her kingdom and yours will not be. Because not only will you be old and weak to fight. But my new kingdom will be one where my animal and muted pets will over populate and take over every single kingdom and England and then from there, there will only be one kingdom where there no knights, and no laws, and where anybody could be jailed for almost anything and saying anything going against me. And the traditions of the old kingdom will be a thing of the past. And the great land of England will be no more. And you will die and all of your friends, your father, King Stefan and his queen will be dead. And then you will be dead and falling off a cliff along with your horse. MEDEVIL COOK 1

So what will be on your calendar today sir?

PRINCE PHILLIP

Well I think maybe go swimming, and well, play cards with Angus and Fergus and that's all I can think of I suppose.

PRINCE PHILLIP

I thought you already knew who I was?

PRINCESS AURORA

Well I'm sure there is more about you than your just sword skills and horse riding young man.

Phillip laughs and all of a sudden, Phillip and Aurora start making out by the door. And they kiss for a very long time.

PRINCE PHILLIP
