INT. A PET CO AROUND MIAMI - AFTERNOON

A little boy is walking and he starts looking around the store.

As the boy keeps on looking around and exploring around the store, some of the titles are appearing on the screen.

The boy keeps on looking around and the animals are paying attention to boy very closely.

The boy starts staring at dogs, cats, hamsters, and guinea pigs.

As the boy is looking around the pet store. He comes around the accessories part of the store.

As the boy is looking around, a girl with blonde hair comes to him.

SHELBY VENTURA

Hunter how long are you going to be in the store. You know mom won't let us get any pets of any kind because of our job and mom doesn't like animals.

HUNTER VENTURA

That's really stupid because I really like animals and I wish we can have pets. Because I feel like I understand I understand animals much better then people.

SHELBY VENTURA

Well you have to improve your social skills with people as well.

As Hunter is looking around, he sees a little dog and it's lost.

HUNTER VENTURA

Hey little fella, are you lost?

Hunter holds the dog.

HUNTER VENTURA (CONT'D)

What's your name?

Hunter starts looking at the name tag.

HUNTER VENTURA (CONT'D)

Oh the dog's name is Soap. I don't know why soap but lets try to find it's owner.

SHELBY VENTURA

Hunter we can't leave the store, mom will be here any minute.
Hunter!!!!!!

Hunter picks up the dog and he starts looking around the store. And he goes outside and Hunter begins to look around and he sees an old lady.

THE OLD LADY

Oh my little soap, oh thank god, oh thank you young man. How can I repay you?

HUNTER VENTURA

Maybe some ice cream or candy or some pizza. Or Mexican food.

THE OLD LADY

Mexican food...Wait a minute...Your Ace Ventura's grandson...

HUNTER VENTURA

Wait...you know my grandpa...

THE OLD LADY

Oh yes, I knew about him, when I was younger he saved my 4th dog Ginger when I was in my 30's. And I can tell you have his eyes and someday, you will have his hair as well.

HUNTER VENTURA

Well maybe, if my mom will let me.

As Hunter is talking, a businesses woman in business clothes and high heels sees Hunter.

MARINA VENTURA CAMPBELL

Hunter!!!! I told you to stay in the pet store intel I came and got you.

HUNTER VENTURA

Oh I'm sorry mom, I was just returning this lady's dog.

MARINA VENTURA CAMPBELL

And I have told you not to talk to strangers.

HUNTER VENTURA

But she is just an old lady.

MARINA VENTURA CAMPBELL

I don't care. Come on, time to go Hunter.

HUNTER VENTURA

Alright okay mom.

Hunter looks at the old lady.

THE OLD LADY

It's okay my child, you will one day, be a pet detective and be just like your grandpa. Good-bye my child.

Hunter walks with his mom and they start walking to the car.

HUNTER VENTURA

Mom, why can't I have pets at home?

MARINA VENTURA CAMPBELL

Well because pets are really hard to take care Hunter and they can really cause a lot of messes and are a lot of responsibility. And I just want you to be a clean and mature little boy and be a mature man and have a clean brain as well.

HUNTER VENTURA

Then why don't you let me talk to people I don't know.

MARINA VENTURA CAMPBELL

Because I don't want anything bad to happen to you Hunter or get kidnapped?

HUNTER VENTURA

But that wouldn't happen if I had pets and animals protecting me.

MARINA VENTURA CAMPBELL

Well I don't think animals should be around because they will screw up your mind and make you a dirty boy. And then you will end up eating sweets instead of real food. Or other crazy things as well.

SHELBY VENTURA

So where are we going home mom?

MARINA VENTURA CAMPBELL

Well dad and I are going out to dinner and then going on a cruise for the week. And I think I'm taking to stay with grandpa and grandma this weekend in Miami.

HUNTER VENTURA

We are going to stay at grandpa and Grandma's house...YES!!!!!!

SHELBY VENTURA

Are you sure that's a good idea mom? Because there was that one time grandpa took us to the Dolphins game and he ended up falling into the dolphin tank and he hit on the cheerleaders.

MARINA VENTURA CAMPBELL

Well your grandpa...well...is grandpa and he will always do a lot of crazy things and him and grandma are very wild and silly and goofy and have a lot of energy. But please just do act like them in the future?

HUNTER VENTURA

This is really going to be fun.

CUT TO:

The car keeps on driving on the highway and Marina starts driving the highway and driving south to Miami.

As the car keeps on going on, Hunter is really wow-ed at downtown Miami and all the elements of Miami. Including the Miami sports stadiums and arenas

And the song Til The Dawn by Drew Sidora is playing in the background as Marina is driving.

Marina keeps on driving and they end up in a very rich neighborhood.

Marina keeps on driving, and Hunter is really amazed and wow-ed at the neighborhood.

Marina is driving and she takes a right turn. And Marina is really amazed.

MARINA VENTURA CAMPBELL

Oh wow this is it.

Marina gets out of the car and the kids get out of the car.

HUNTER VENTURA

Oh wow we are here. I can't wait to see them.

MARINA VENTURA CAMPBELL

Yeah. I don't remember their house looking like this.

(MORE)

MARINA VENTURA CAMPBELL (CONT'D)
 I mean they built a treehouse like
 this when I was little, but
 careful, they could be doing
 something wild, just stick with me.

Marina and the kids walk up to the door.

MARINA VENTURA CAMPBELL (CONT'D)
 Hello dad, mom, are you guys home?

Marina keeps on looking around.

And the song move ya body is playing in the background.

Marina opens the door and the song keeps on playing louder
 and louder. And Marina walks into the house.

MARINA VENTURA CAMPBELL (CONT'D)
 Anybody home?...

HUNTER VENTURA
 Grandpa and grandma are here right
 mom?

MARINA VENTURA CAMPBELL
 Oh they are.

All of a sudden they hear a lot of animal noises as a lot of
 animals are.

OLD ACE VENTURA
 Alright it is time for Trazan to
 chase Jane around the tree house
 and it's time for you to run around
 naked...Ah yeah, yeah, yeah.

MARINA VENTURA CAMPBELL
 What?!...Oh my god!!!!!!

HUNTER VENTURA
 Cool!!!!!!!

Ace does a trazan yell and Melissa starts laughing and
 Melissa is butt naked. Marina gasps and covers Hunter and
 Shelby's eyes.

Melissa keeps on running around and she jumps around a lot of
 objects. And climbing on the ceiling.

OLD MELISSA ROBINSON VENTURA
 Oh I feel like a female jaguar and
 you won't get me king of the
 jungle.

Melissa makes a lot of jaguar sounds.

MARINA VENTURA CAMPBELL
Mom!!!!!!!

Melissa sees Marina.

And Melissa jumps off the ceiling and sees Marina.

OLD MELISSA ROBINSON VENTURA
Marina, my little female lion cub
and princess of the jingle. Oh my
little cub, How is my little girl
doing?...

MARINA VENTURA CAMPBELL
Oh I'm doing and doing alright.
Where's dad?...

OLD MELISSA ROBINSON VENTURA
Oh dad is around, he is about to
chase me around the tree house
naked...

MARINA VENTURA CAMPBELL
Mom can you please put on some
clothes and cover your boobs and
your ass and everything and don't
be naked in front of the kids.

OLD MELISSA ROBINSON VENTURA
But we always do this, it's your
tradition to do cat butt naked
chasing.

MARINA VENTURA CAMPBELL
Mom!!!!!!...just please put some
clothes and find dad.

OLD MELISSA ROBINSON VENTURA
Alright okay Marina.

Melissa grabs a robe and puts it on and turns off the speaker
in the tree house.

OLD ACE VENTURA
I'm coming my jaguar queen...

Ace begins to scream and Ace ends up jumping off the another
object and lands on Melissa and Melissa does a girly gasp and
laughs and Melissa keeps on laughing.

OLD MELISSA ROBINSON VENTURA
Um Ace I believe our daughter is
here.

OLD ACE VENTURA
Oh okay Melissa.

Ace finally gets up.

MARINA VENTURA CAMPBELL
Oh my god!!! Dad please cover
up!!!!

OLD ACE VENTURA
Alright okay my baby lion princess.

Ace walks over to get a robe. And covers himself.

And Marina un covers the kids eyes.

And Hunter sees Ace.

HUNTER VENTURA
Grandpa, grandma!!!!

Hunter goes up to Ace and Melissa and hugs both of them.

OLD MELISSA ROBINSON VENTURA
Hey little tiger come here. How is
my big tiger doing?

HUNTER VENTURA
Oh I'm doing good grandma.

OLD ACE VENTURA
So are you excited for a good
spring break?

HUNTER VENTURA
Very excited grandpa. Grandpa I
even did what you use to do and I
saved a dog in a pet store and
brought back to an old lady.

OLD ACE VENTURA
Oh that's awesome sport, One day,
you will be next in line to be a
pet detective just like what I was
back in the day. We will have a lot
of fun this week as well. And you
will listen to my stories as well.
And the swimming pool.

MARINA VENTURA CAMPBELL
No, no, not the swimming pool.

HUNTER VENTURA
Why not mom?

OLD MELISSA ROBINSON VENTURA
Come on Marina, it will be fun, the
kids can be like animals and fool
around in our kingdom...

MARINA VENTURA CAMPBELL
Mom!!!!!!! No!!!!!!

OLD ACE VENTURA
Marina you are very up-tight. Come
on sit down and take off those
clothes and sit with us.

MARINA VENTURA CAMPBELL
Dad, I'm not taking off my clothes.

OLD ACE VENTURA
Oh I think you will, lets tie her
up like a spider web.

OLD MELISSA ROBINSON VENTURA
Oh I love the sound of that.

MARINA VENTURA CAMPBELL
No, no, Ahhhhhhhhh!!!!!!!!!!

All of a sudden, Melissa and Ace jump up in the air and they
grab some spider guns and start tieing up Melissa and start
removing her clothes.

MARINA VENTURA CAMPBELL (CONT'D)
No,no, no, Ahhhhhhhhhhhhhhhhh!!!!!!!!!!

CUT TO:

The kids are outside and they are playing in the swimming
pool and have no swims suits on, and playing on the slides
and swimming and laughing.

CUT TO:

Ace and Melissa are outside and are butt naked and Marina is
also butt naked as well.

Ace goes and gets some pina-colidas and Margaritas.

OLD ACE VENTURA

I got some drinks for all of us. So Marina, what brings you and the kids here.

MARINA VENTURA CAMPBELL

Well I'm starting to date again and I might be going on a cruise with Robert and I think things might be serious this time around.

OLD MELISSA ROBINSON VENTURA

And what happen with Steve?

MARINA VENTURA CAMPBELL

Steve is very difficult and Steve is not very serious and he has not met any of my standards and he parties way too much and is too wild around the kids as well. So I had to file for a divorce.

OLD ACE VENTURA

Oh my little lion princess. Oh my poor baby. And not only that, you also have no naked lion king with you as well.

MARINA VENTURA CAMPBELL

Wait what?!...Dad that doesn't make any sense.

OLD MELISSA ROBINSON VENTURA

I don't know, I'm starting to get a feel you have changed way too much Marina, and your up-tight and you don't know how to be wild and loose and be loving and silly and goofy, and you might have way too high expectations.

MARINA VENTURA CAMPBELL

Mom I do not have high expectations.

OLD ACE VENTURA

Marina don't ridiculous. Every since you have got that cooperate job. You are so up tight and you are not very happy. And you are way too hard on Steve and your taking it out on the kids and putting all these rules and parental regulations on them.

MARINA VENTURA CAMPBELL

Well I have to dad because I live in the real world where people can't act like animals do sexual actives all the time. And I just don't want Hunter to be like Steve. Or like you.

OLD ACE VENTURA

What?!...Oh my lion princess you do not speak out of trim with the king of the jungle or with your father. And you are way too harsh on males and men.

OLD MELISSA ROBINSON VENTURA

What your dad is trying to say is lower your expectations a little bit and don't be so feminism and don't buy all the feminist crap out there. Because you keep going that route your going to be evil and you will have no naked lion king that will love you and take off your clothes and get you butt naked.

MARINA VENTURA CAMPBELL

Well I don't want my kids and me to be in a weird family and I don't want Hunter to be a crazy young man.

OLD MELISSA ROBINSON VENTURA

Being crazy is part of the circle of life Marina. Trust me, we know, and it's not about money all the time, it's about love and touching and kissing and telling we love each other. And being a family.

MARINA VENTURA CAMPBELL

I just wish we were a normal family mom.

OLD ACE VENTURA

We are a normal family lion princess and my female lion cub, and you have to understand, your mom and I just wanted to have you in a good, loving family.

MARINA VENTURA CAMPBELL

Well I want to be in a normal family.

(MORE)

MARINA VENTURA CAMPBELL (CONT'D)

Look can you guys watch the kids
and don't do anything crazy over
the week and don't expose them to
inappropriate things.

OLD ACE VENTURA

"Inappropriate things" you mean you
don't want me to take Hunter to
strip club or take him to a Miami
Heat game or take him to the zoo or
take him to a nude beach in Miami
so he can people nude and not
ashamed and be masculine. Normal is
very over-rated. Marina you have a
lot of things to work on, and if
you don't work on them soon, you
won't have another husband and the
kids will suffer big time.

MARINA VENTURA CAMPBELL

I really wish you weren't my
father...And I have to go..

Marina walks away.

OLD ACE VENTURA

Hey, you come back here princess,
you are in very big trouble with
the king of the jungle and your
queen of the jungle as well.

MARINA VENTURA CAMPBELL

Good-bye father.....

Marina leaves and starts the car and leaves off.

OLD ACE VENTURA

Man what the fucking hell is wrong
with our daughter...I mean Jesus
Christ what happen Melissa?...

OLD MELISSA ROBINSON VENTURA

Sadly this society is much
different then what it was back
when we were young and people are
living in big time rules and big
time anti freedom as well.

OLD ACE VENTURA

Yeah I know Melissa. It's crazy.
But, she will figure it out though
I believe.

OLD MELISSA ROBINSON VENTURA
 So should we have fun with our
 grand kids?

OLD ACE VENTURA
 Oh yes I agree my beautiful queen.

Melissa and Ace start walking to the swimming pool.

CUT TO:

Ace and Melissa jump in the swimming pool and they start playing the grand kids and playing with them.

The song "it wasn't me by shaggy" plays in the background.

Ace and Melissa keep on playing with them in the pool and splashing with them.

CUT TO:

The kids all of a sudden are dressed like jungle people and hanging out from different parts of the house.

Hunter is in the house and Melissa is painted a jaguar.

Melissa makes a jaguar sound.

OLD MELISSA ROBINSON VENTURA
 Oh I hear a human...and...I got
 you.

Melissa starts chasing Hunter around the house and finally grabs him and lifts up him.

OLD MELISSA ROBINSON VENTURA (CONT'D)
 Oh no you don't trazen!!!!!!...

CUT TO:

Ace starts playing with Marina and Marina has a toy gun.

And Ace is making a lot of shadow puppets.

Ace starts running with Marina and Ace plays dead and lays down on the ground.

OLD ACE VENTURA
 Oh you got me...

And Marina starts tickling Ace.

CUT TO:

The whole day keeps on going and Ace and Melissa keep on playing with the kids.

And the sun starts to go more and more down.

FADE TO:

INT. AROUND THE KITCHEN IN THE HOUSE - NIGHT

OLD ACE VENTURA
Dinner is ready.

Ace is cooking dinner and they are having a lot of chicken and salad and some mashed potatoes and also cheddar broccoli soup.

Ace puts the food on the table.

SHELBY VENTURA
Oh wow this looks really yummy and really delicious, thanks grandpa.

HUNTER VENTURA
Thanks grandpa.

OLD MELISSA ROBINSON VENTURA
And then I also have desert and some ice cream and some pies and cookies as well.

The kids starts cheering.

HUNTER VENTURA
That's awesome. Thank you so much grandma.

OLD MELISSA ROBINSON VENTURA
Oh your welcome my little tiger.

Melissa kisses Hunter on the head.

HUNTER VENTURA
Grandma can I ask you a big question?

OLD MELISSA ROBINSON VENTURA
Sure kiddo.

HUNTER VENTURA
How do you and grandpa always eat such big time foods and never get fat what so ever.

OLD MELISSA ROBINSON VENTURA

Oh that's because grandpa and I are always active and working out and always playing with each other and playing with each other and also swimming naked and running around naked has always helped us because we are all animals in the kingdom. Right baby?

OLD ACE VENTURA

Oh yeah your right Melissa. And when you get much older, I will take you to a lot of masculine and crazy places that you won't appreciate now because your kid, but when you get to your 20's you will love and appreciate.

HUNTER VENTURA

Like where grandpa?

OLD ACE VENTURA

Well lets see my little tiger cub, like a strip club, wrestling match, sports ball game like a Miami Heat, dolphins game, Panthers game, ah Marlians game for sure. Ah a random bar in downtown Miami, zoo, water park and theme parks. Oh and most importantly a casino and also a nude beach as well.

SHELBY VENTURA

I don't know if that would be a good idea. I don't believe mom would let us go to a casino or go to a nude beach.

OLD ACE VENTURA

Awwwwwe I wouldn't listen to your mom, your mom is just worried about everything and always wants to keep you guys in a big time bubble where nothing can hurt and your perfect the way you are and your different and special then everybody else crap. I mean seriously I have a feeling your mom is turning all of you into a very weak little animals and be low in the animal kingdom as well.

HUNTER VENTURA
Well I can't wait grandpa.

OLD ACE VENTURA
Oh I know you can't little cub.

Melissa looks outside and sees the moon.

OLD MELISSA ROBINSON VENTURA
Alright everyone, who wants to go
night swimming.

Hunter right away raises his hand.

HUNTER VENTURA
Me!!!!!!

CUT TO:

Ace and Melissa and the kids swimming in the water with no clothes on.

And Ace and Melissa plays with the kids in the water and plays with them.

CUT TO:

The kids are getting out of the water and they walk to Ace and Melissa.

HUNTER VENTURA (CONT'D)
Wow this is really fun, and
swimming with no clothes on is
amazing and really wonderful and I
feel fresh.

SHELBY VENTURA
Too bad we would get in trouble if
mom were around and saw us naked.

OLD ACE VENTURA
Ah no you wouldn't. Hell I know
your mom very well. And also back
in the old days, people were always
naked even going back to the 1930's
and 1960's.

OLD MELISSA ROBINSON VENTURA
And while you kids are here, we are
going to morph you kids into alpha
kids and also big time animals and
where you will be confident and
very powerful inside and out. And
also not soft.

OLD ACE VENTURA
That's right my queen.

CUT TO:

The kids are inside the house and have no clothes on, Hunter is looking around and he sees a picture of Ace and Melissa with a giant guinea pig by the white house.

HUNTER VENTURA
Grandpa, grandma, what is this?
And is that a giant guinea pig?

Ace and Melissa see the kids and walk over to the kids.

OLD ACE VENTURA
Oh that picture, oh you know, I am very glad that you found that picture. That picture is a picture of grandma and I at the white house in Washington DC and it was a really huge case that I did and I had rescue the president's guinea pig and he accidentally got really gigantic. I'll tell you guys the rest of the story when you guys take a shower and get ready for bed.

CUT TO:

The kids get out of the shower and they go into the beds with no clothes on.

SHELBY VENTURA
So no PJ's before bed.

OLD ACE VENTURA
No my little lions, in order to be powerful and confident and and alpha and be powerful animals in the kingdom, you must never sleep in pajamas and always sleep with no clothes on.

HUNTER VENTURA
Why is that grandpa?

OLD ACE VENTURA
Because it will help you when you get older and you will have bigger privates and a huge bottom and for males, a big tail, and for girls, huge boobs and huge vagina.

(MORE)

OLD ACE VENTURA (CONT'D)

Trust me, you will want those things when you are little lion cubs are much older, believe me.

SHELBY VENTURA

Alright okay grandpa. So can you tell us the story of the giant guinea pig?

HUNTER VENTURA

Yeah guys, I want to hear it.

OLD ACE VENTURA

Well, I will tell you some of it, and then grandma will also help me tell it as well. And I have to warn you guys, it's a really long story. And also this story takes place when your mom was about you cubs age. Ah back when your mom was a little girl and was a female lion cub, and she was so cute, and so beautiful and most of all, she was the princess of the jungle.

FADE TO:

INT. AROUND THE MASTER BED ROOM - MORNING

Ace is waking up from bed and he gets out of bed butt naked.

A subtitle shows up and it says "20 years ago, Miami, Florida"

Ace walks over the window and he is butt naked and the song "I'll be good to you by NSYNC" plays in the background.

Melissa gets out of the bed butt naked and she hugs Ace from behind.

MELISSA ROBINSON VENTURA

Morning king of the jungle.

ACE VENTURA

Morning my jungle queen. How is my beautiful and very gorgeous baby girl?

MELISSA ROBINSON VENTURA

Oh I'm doing good honey.

ACE VENTURA

So what we should do today?

MELISSA ROBINSON VENTURA
So what do you want to today?

ACE VENTURA
Anything you want Melissa.

Melissa does a sexy girl moan.

And Melissa starts kissing Ace on the lips.

CUT TO:

Marina gets up and she goes to take a shower.

CUT TO:

Marina gets out of the shower and she notices there are no towels to cover herself.

Marina starts screaming in the bathroom.

CUT TO:

Marina runs to her closet and she notices she has no clothes in her closet. And she begins to scream.

YOUNG MARINA VENTURA
(screaming)
MOM!!!!!!!!, DAD!!!!!!!!.....

Marina starts running to Ace and Melissa's bedroom. And the song "Gone Daddy Gone by Gnarls Barkley" plays in the background.

Marina starts running upstairs and there are so many animals in the house that she has to jump over and dodge some of them.

Marina gets upstairs and is butt naked and Marina gets up getting grabbed by huge gorilla.

YOUNG MARINA VENTURA (CONT'D)
Get off of me, I'm not a
gorilla...Mom!!!! Dad!!!! Can you
help me!!!!!!...

Ace and Melissa hear Marina screaming. And they run to Marina.

Marina gets dropped on the ground.

ACE VENTURA

Oh morning my little lion princess
and my jungle princess. How is my
little naked baby girl?

Ace goes up to Marina gives her a kiss.

ACE VENTURA (CONT'D)

Oh I love you so much Marina.

YOUNG MARINA VENTURA

Dad, this is like the 40th time,
you and mom's animals have
destroyed all of my clothes and I
haven't worn any clothes for 3
months. And also I'm going to be
late for school as well.

ACE VENTURA

School. Honey, sweetie pie, why do
you want to go to school? Plus the
state still has you in the special
ed and thinks your dumb and stupid
and not like everybody just because
I raise you differently. And also
I'm very convinced your special ed
teacher is a 3rd wave feminist and
also she doesn't let you hang out
with any normal people. And also
I'm very convinced your not
learning anything.

MELISSA ROBINSON VENTURA

Yeah, also what they are teaching
in all of the classrooms is very
anti America and anti capitalism
and very communist propaganda.

ACE VENTURA

Yeah I agree, and also we waste our
tax dollars funding those rich
spoiled little brats who are
"teachers" also I remember those
same people did nothing during the
Corona virus lockdown.

YOUNG MARINA VENTURA

But I just want to be normal and be
like everybody else dad. And be
smart like everyone else.

MELISSA ROBINSON VENTURA

Oh but you very smart heart. Hell, your much smarter then your father and I. But, yeah you might getting smart in the iq world, but what about your body, mind, and spirit, and you can be an alpha female and huge and giant boobs and get any guys attention and you go to nightclubs and nude beaches.

YOUNG MARINA VENTURA

Mom!!!!!!!!!!!!... No!!!! I don't want to do any of that stuff, can you just get me some clothes and take me to school please?

OLD ACE VENTURA

I don't know Marina, your mother might be right, it's good to be smart and read books and be intelligent. But going to school is only half the life battle, you have to do things that are outside of school to be an alpha person and to be beautiful and gorgeous and stunning alpha animal in the animal kingdom so other male animals can massage you and kiss you and take off your clothes and get you butt naked and do naked activities.

YOUNG MARINA VENTURA

Dad!!!!!!!!!!!!...

MELISSA ROBINSON VENTURA

What, that's how your father and I met, we met a party he threw in Miami...And it was nice party, and I looked very sexy and very beautiful and very stunning and my boobs were really huge as well.

ACE VENTURA

Oh they still are baby..

Ace and Melissa begin to start making out and touching each other.

YOUNG MARINA VENTURA

Ahhhhhhhhhh!!!! Can you guys please focus and take me please.

ACE VENTURA
 Alright okay.

CUT TO:

Ace is wearing his signature outfit and Melissa is wearing a very beautiful and very gorgeous female Miami outfit.

Ace stops at a good-will in Miami and he parks the car.

ACE VENTURA (CONT'D)
 I shouldn't be too long you guys.
 I'll be back soon.

Ace walks into the store and Marina gets really flustered.

YOUNG MARINA VENTURA
 Why can't we just be a normal
 family and why I just have a big
 amount of clothes like everybody
 else?!.....

MELISSA ROBINSON VENTURA
 Marina, sweetie, it's okay to not a
 lot of things, and also wearing
 clothes is over-rated and being
 part of society is kind of not
 what's it's built up to be. And
 Plus dad and I know do very well
 with that life we had. And also
 your dad doesn't have a degree from
 anywhere is not an elite person.

YOUNG MARINA VENTURA
 Dad graduated from the University
 of Miami!!!!!!.

MELISSA ROBINSON VENTURA
 Well...yes...but he just has a
 normal degree.

YOUNG MARINA VENTURA
 Please don't talk!!!!!!.....

CUT TO:

Ace is inside the good-will and he starts looking at the children's clothes sections.

Ace keeps on looking around.

ACE VENTURA
 Well, I guess I will get these
 clothes for her I guess.

Ace starts putting some clothes in the cart.

But as he is doing this, he starts notice some thugs go into the off limits part of the store.

Ace begins to sneak around and he goes into one of the doors.

And Ace is in the backroom and he sneaks behind a wall. And as Ace is behind the wall, he took a peak and he saw some thugs and they were building a supersonic ray gun.

And then all of a sudden, Ace behinds the wall even more, he notices a guy in a suit.

THUG 1

Hey boss we got the last remaining piece to the ray gun.

DR. EUGENE WARMELT

Good gentlemen, very soon my work to make animals very huge and also very tiny will be the greatest achievement ever. And very soon, I will kidnap a lot of the guinea pigs around the United States of America and even kidnap the president's guinea big and I have very special plans for all of them.
 MUAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA
 BRAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA
 HAHHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA
 AHAHAHAHA!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

As Ace is behind the wall, he takes his iPhone and he starts recording his whole conversation. Ace gets done recording the conversation but he trips over something and some of the other thugs hear him.

And even Warmelt hears him.

DR. EUGENE WARMELT (CONT'D)

What the?!...Who in the hell is here?!....

The thugs see Ace and Ace gets grabbed really badly and gets electrocuted really badly. And Warmelt turns to Ace.

DR. EUGENE WARMELT (CONT'D)

Ah Ace Ventura Pet Detective, I know someone like yourself would be snooping around one of my good-will properties in Miami.

ACE VENTURA

I actually wasn't, I actually was shopping for my daughter and taking her to school because she wanted to go to school.

DR. EUGENE WARMELT

Ah you are busy Mr. Ventura and you now a father and husband!!!!...And I believe they will be part of my evil plan very soon.

ACE VENTURA

And what kind of plan is that?

DR. EUGENE WARMELT

Oh you will see very soon.

Warmelt presses a button on his remote and he disappears behind smoke.

All of a sudden, there is a lot of thugs that are coming towards Ace.

DR. EUGENE WARMELT (CONT'D)

Kill Him!!!!!!!!!!!!!!

The thugs start running towards Ace and they start throwing a lot of punches and kicks at Ace. Ace starts dodging the kicks and punches and throws a lot of punches and kicks of his own.

As Ace is fighting the thugs, the score of the epic rap battle song of Lance Armstrong VS Babe Ruth plays in the background.

Ace keeps on fighting thugs and punches 4 thugs in the face, more thugs tackles Ace to the ground and grab him by the neck and slam against the wall.

Ace gets kicked in the face and gets shoved against some wooden crates.

Ace gets attacked more and more gets more punched in the face and gets kicked in the face.

Ace recovers from the kick and Ace dodges more attacks and Ace blocks one attack and Ace does another punch and does another kick as he fights two more thugs that are coming at him.

Ace does 2 more punches and Ace does a back flip and Ace does around 6 backflips and Ace does more kicks and Ace does a backflip kick and Ace lands on the ground.

Another thug tries to attack and Ace does a ninja sound and Ace kicks the thug in the stomach and Ace dodges 6 punches that are coming at him.

Ace throws more punches and kicks at more thugs coming at him.

Ace keeps on fighting more thugs and all of a sudden one of the thugs grabs Ace by the neck and throws him outside the room.

And a lot of people are shocked out of their minds and one of the thugs has a kitchen knife in his hand and tries to attack.

The thug throws around 13 different attacks at Ace. Ace dodges more attacks and Ace ducks behind some clothes and the thug ends up destroying a lot of clothes bars and destroying some of them.

As the bar is destroyed the thug grabs the giant bar and tries to whack Ace in the face and in the stomach. And the thug causes a lot of damage around the store and even sets the good-will on the fire and place catches on fire.

Ace dodges more attacks and Ace climbs on top of a shelf and Ace kicks the thug in the face and Ace jumps off of the shelf and Ace grabs the thug from behind and forces him against the wall.

The thug punches Ace in the face and kicks him in the stomach. Ace finds a golf club in the sports section and Ace whacks the thug in the face and forces him to the ground and Ace grabs him by the shirt and shoves the thug's face against a lot of glasses and breaks a lot of glasses and there is a lot of blood on the ground and Ace shoves the thug against a wall 14 times.

The thug gets up and he has a lot of blood coming out of his face. And the thug grabs a weed-whacker and turns it on and it starts buzzing.

BEAT UP THUG

I'm going to really beat the living
fuck out of you animal shit
head!!!!!!...

ACE VENTURA

Like hell you will!!!!!!...

The thug gets really angry and really pissed off and thug screams and throws a lot of weed-whacker attacks and throws around 20 weed-whacker.

Ace gets a huge cut on his arm by the weed-whacker and Ace gets hit in the face and gets forced against the wall.

Ace is beaten really up and Ace starts looking around and the thug keeps attacking Ace with the weed-whacker. And all of a sudden, Ace grabs some old fire works in the store and Ace lights the fire works and Ace throws the fire works at the thugs.

The thugs start yelling and all of a sudden there is a huge explosion inside the store. And Ace starts running out of the store.

CUT TO:

Ace jumps through a glass window and Ace looks around and he sees a lot of cars leave the burned up good-will.

Ace starts to run to his car and Melissa and Marina see Ace.

MELISSA ROBINSON VENTURA
Ace what happen to you?!...

ACE VENTURA
We have a really huge problem. And I think I might have another case very soon.

MARINA VENTURA CAMPBELL
But what about trying to get me to school?!.....

ACE VENTURA
I think this experience will teach you a lot more then school ever will sweet heart.

MELISSA ROBINSON VENTURA
Do you want to drive?

ACE VENTURA
Absolutely. Lets go!!!!!!...

All of a sudden, Ace begins to start the car and Ace starts driving the car on the road.

CUT TO:

As Ace begins to drive the car and to go really fast, Ace starts chasing more thugs in the car. And the song "Bloom by Odesza"

Ace and the thug roll off the car. And they land on the road and they almost fall off the bridge highway.

Ace gets up and throws more punches and kicks and fights the thug like a ninja. The thug dodges all of the attacks and kicks Ace in the face and grabs him by the neck and slams him on the ground.

The thug gets even more angry and really mad and runs up to Ace and Ace is about to tackle him.

Ace jumps up in the air lands on the ground and Ace kicks the thug from behind and grabs him with two hands and Ace punches the thug in the face.

The thug throws more punches and kicks at Ace and Ace dodges the attack and Ace does a big time kick to the face to the thug. And the thug gets out another knife and tries to stab Ace in the chest. And Ace gets tackled to the ground.

And the thug is trying really hard to stab Ace in the forehead.

And as the thug is about to stab Ace. Ace grunts his teeth and does a tiger sound and Ace gets up and Ace kicks the thug in the face and the thug gets really angry and really mad and takes out a grenade and throws the grenade.

Ace does a cartwheel backflip and Ace grabs the grenade and Ace throws grenade and grenade starts beeping and all of a sudden start beeping really fast.

The thug starts yelling and screaming as the grenade is coming towards him.

And a huge explosion happens and the Miami bridge sets on the fire.

CUT TO:

All of a sudden, a lot of Miami police department cars come to the bridge and a lot of fire department comes to put out the fires.

CUT TO:

Emilo and Agado get out of the police cars and see what happen.

EMILO

What in the hell happened my man. I saw the whole chase.

ACE VENTURA

I think we might in a really big trouble very soon Emilo. And also the thugs and their leader were creating a Ray Gun inside of a good-will here in Miami while Melissa and I were driving Marina to school.

EMILO

Do you have a photo of the ray gun?

ACE VENTURA

Sadly I do not Emilo but I know who their leader is. It's a scientist name Dr. Euegne Warmelt.

All of a sudden Aguado comes.

AGUADO

Oh my god!!!! Jesus Christ Ventura!!!! That is like the 40th road you have destroyed in the last 5 weeks. What the hell were you doing now?!....Chasing a racoon because it was missing it's mom and then you chased through the city and then threw one of your animal related gadgets at it. And then all of a sudden, you wanted to throw a bomb to go underground be like a Prairie dog.

ACE VENTURA

Well as much as I would love to do that Aguado, I actually saw some thugs create a really dangerous ray gun and their boss Eugene Warmelt, wants to capture guinea pigs all over the United States and even wants to kidnap the President's Guinea pig as well.

Aguado starts laughing at Ace and he begins to start cracking up.

AGUADO

That is like the stupidest and most dumbest and the most unintelligent thing I have herd out of all my years I have been on the force. I really do believe you need to retire from being a so called Pet detective.

(MORE)

AGUADO (CONT'D)

And let the police handle actual cases. You are nothing but a joke.

ACE VENTURA

Yeah and you and your force were never able to stop Frank Tingles all those years ago because the son of a bitch was paying you off and you and your men were sucking on his big and gigantic gold dick and kissing his golden, shinny big ass as well.

Aguado gets really mad and angry at Ace and tries to tackle Ace and Ace all of a sudden punches Aguado in the face and hangs him from the balcony.

AGUADO

Oh god put me down animal boy.

ACE VENTURA

Are you sure because from what I hear, you really like to swim with the dolphins and the fishes. Especially because you love your pet gold fish so much.

AGUADO

Alright, Alright, I get your point.

Ace rolls Aguado back up to the bridge.

AGUADO (CONT'D)

One of these days Ventura, You will be thrown in jail and you will never a real detective.

ACE VENTURA

Well I never did humans, I always do pets and I always do animals. And also I help a lot of people here in Miami then you and your force does on an average day. And also at least I'm not working for the goverment and at least I don't have goverment pulling my strings. And you know that I'm right as well.

Aguado walks away from him.

ACE VENTURA (CONT'D)

What a gigantic asshole and a loser!!!!!!.....

EMILO

Don't worry about him, believe it or not, I don't like working for that piece of shit.

EMILO (CONT'D)

What else do you know?

ACE VENTURA

Nothing really much after that, but I will keep on looking. And if I have learned anything in the past 5 years as a pet detective, it's that the people that kidnap pets often are not only evil people, their evil plans ends up being more then just kidnapping pets and always involve people in the long run of the case well.

EMILO

I agree with you on that, what ever happen with your 2nd case back in New York?

ACE VENTURA

Oh that case got solved, and I took down a crazy fashion person that wanted to kidnap cats. And I was able to take down a huge giant cat robot as well.

EMILO

Oh that wounds really intense man. Man I don't care what Aguado says, you are one hell of a detective and one hell of a private investigator Ace.

ACE VENTURA

Thanks Ace. Well, I bet get going it's almost 12PM and oh shit, Marina is going to be late for school again. Ah dear.

CUT TO:

INT. MIAMI ELEMENTARY SCHOOL - LATE AFTERNOON

THE MIAMI ELEMENTARY SCHOOL BUILDING

CUT TO:

Ace and Melissa walk into the school. And Ace begins to look around.

MELISSA ROBINSON VENTURA
So other than Marina being late.
What should we say to her teacher?

ACE VENTURA
Well it depends. If it's a female teacher I can try to hit on her and flirt with her, if it's a male teacher I can try to ask him if he wants to a beer or an alcoholic drink or go to a sports game or something that is masculine or manly related.

MELISSA ROBINSON VENTURA
That sounds like a good idea Ace. But I don't know just from looking around, I see a lot of anti America propaganda everywhere and anti male and anti family and anti everything in this place. So i think we might have to be tough with these teachers.

ACE VENTURA
I agree Melissa.

Ace and Melissa get into the teacher's classroom and also the principal is there. And Marina is wearing normal clothes in the classroom and has normal looking hair.

MARINA VENTURA CAMPBELL
Hi mom, hi dad,

ACE VENTURA
Marina sweet-heart, Oh my little female tiger cub.

MELISSA ROBINSON VENTURA
So this is your classroom and everything.

Melissa begins notice more and more of the anti America and woke crap in the classroom.

PRINCIPAL PICKLE
Thank you for coming Mr. And Mrs. Ventura. And I believe there is a lot we need to talk about with your daughter.

Marina gets really sad and really nervous.

ACE VENTURA

So what's wrong here sir. I mean I know Marina is a really smart girl and loves to learn a lot and is very social and if anything at home, she loves being her and loves being very fit and very athletic and most of all loves Miami just like me. And hopefully when she is older she can be a party girl just like her mom.

MELISSA ROBINSON VENTURA

Oh yes I agree, I was a cheerleader for Miami Dolphins before I met my husband and even was a Miami Dolphins executive at one point as well. And I also use to be a female nude model as well.

ACE VENTURA

Oh I love the sound of that honey.

Ace and Melissa get turned on and start kissing each other.

MR. WALTER BONDA

Enough!!!! Mr. And Mrs. Ventura, Marina is not a really normal girl, she does not talk to other kids because of lack of social skills, she has been always late every day for almost the entire school year!!! And everyday she does not wear any clothes to school!!!!!! And even the nurse does give her extra clothes, she always to give them back and wait while covering herself with a blanket. And then she always sneaks out of class to go swimming in the swimming pool by the school. And most importantly she has not worked in or completed the homework for most of the year.

ACE VENTURA

Ah yeah no kidding I can understand why, there is so much social justice and so much anti male, anti America, and very PC and very pro Black Lives Matter and pro antifa and climate change and things that are just not really normal and really awful things, no wonder she doesn't want to do the homework, you guys are trying to brain-wash. What the hell kind of school is this?!...

PRINCIPAL PICKLE

This is a public school Mr. Ventura, and we need to think about what the options are going to be for Marina, and from what I hear you guys as parents don't encourage good academic or social behavior and also the fact that you treat her and say every mammal animal and say the word cub is very alarming. And I think at this point, Marina might need to go a school for kids with social disabilities and go to a special school and also maybe be taken away from you people and be taken away by social services.

MELISSA ROBINSON VENTURA

Oh my god!!!! Oh hell no!!!! That is not happening buddy!!!! And also how dare you insult my husband and I, also listen Mr. Soy boy pickle shit!!!!!!! My daughter is NOT going to be placed in special ed and also sir!!!!, our environment at home is perfect to raise a kid in. And also we promote learning about freedom and about America and why America is a great country and not an awful country. And so Pickle, if that's even your real name from what my husband and I have seen, this place is not a good place for our daughter to be in, and also you are demonizing and de-humanizing what makes her special.

(MORE)

MELISSA ROBINSON VENTURA (CONT'D)

And also on the naked part, i have read some many things that being naked is not a bad thing, and also kids who are raised and act like animals end up being fun and very vibrant and very free spirited and very strong alpha adults and also very loving adults which will help when she is an adult and is 18. Also we my husband and I are teaching her to love animals and love freedom and most of love the United states of America promote body positivity be fit and wild and be silly and be goody and most of all be an alpha adult.

ACE VENTURA

Also if I may add on to what my wife said, Marina is a very special and very sweet and very smart and very intelligent and a very bright and very fun and very magical little girl, And I believe all these things we do is not to raise to be like a nudist or a stripper or prostitute or a sex worker or nothing like that. It's just so she can be a very healthy, smart, and America loving, and fun and very vibrant young lady. And also very dissapointed that you people are trying to brain wash our daughter and teach her that goverment is good when it's not teach her all these gender studies and all these government movement bull shit classes such feminism, globalism, multi cultural, and pro BLM and pro Antifa and pro climate change. And as Marina's parents we are not going to put up with anymore of this bull shit anymore!!!! And for special ed, that makes me as her father very angry and very upset and saying my daughter is not normal and is weird and is a freak makes me want to kick you in the ball sack!!!!

(MORE)

ACE VENTURA (CONT'D)

You useless, stupid, awful,
horrible, anti America, Pro SJW and
pro PC and pro 3rd wave feminism
and pro all these awful movements
that are going to destroy America
soy boy piece of shit!!!!!!!!!!!!!!

ACE VENTURA (CONT'D)

And also, I am very proud of our
daughter for not turning in your
anti America homework because
consider this girl out of your
classroom. And I think as her
parents, Marina will no longer be
going to this school and we will
home-school her and make her the
most smartest and intelligent and
more beautiful and vibrant and very
grovey woman ever. Come guys lets
get out of here.

MR. WALTER BONDA

Hey!!!!!! You crazy family, you
leave this classroom, the feds will
be after you, and your kid will
never to go to public school,
otherwise she will be an outcast
and a freak and will be a loser and
have no job and have no social
skills!!!!!!!!!!

PRINCIPAL PICKLE

And also you animal loving people
and America loving people like you
is what's wrong with our country!!!
And we will call the feds and
social services on you people!!!
And make sure your kid is educated
and learned not to be trailer trash
and be uncivilized people.

Ace gets really mad and turns back.

ACE VENTURA

Oh is that right?!...Because last I
checked kids in public education
both normal kids and kids with
special needs end up being
indoctrinated and brain washed and
being turned into a vegetable.

(MORE)

ACE VENTURA (CONT'D)

And there no proof that public education makes kids smarter and also doesn't actually prepare kids for the actual real world and also doesn't prepare them for the jobs that are out there today. And the same goes for colleges all of over the country. And also kids in public education don't end up being successful in the long run like you elite people like to believe on things like CNN, NBC, ABC, and CBS, and all the other networks. You guys are not teachers, you guys are anti America people that hate our country and American kids get the fuck out of here with all that bull shit!!!

Ace turns back and tries to walk away, but the Princepal and teacher begin to attack Ace and they start fighting Melissa and Ace.

And as the fight begins, the song the score of epic rap battles of history of "Blackbeard VS Al Capone"

The princepal and the teacher start fighting Ace and Melissa and they throw a lot of punches and kicks at them. And they also throw punches and kicks.

Ace fights the principal in the classroom and the principal takes out a pirate sword and he also presses a button. And as the principal presses a button and it alerts a lot of antifa looking people and BLM people.

CUT TO:

All of a sudden, a lot of Black lives Matter and antifa people looking people start marching in the streets in Miami.

And a lot of the people start chanting "Black Lives Matter" 90 times to the top of their lungs like crazy. And they start destroying a lot of property and cars and setting things on fire.

And some of the locations in Miami start setting on fire.

CUT TO:

Ace and Melissa keep fighting on the principal and the teacher and they are fighting them with a lot of deadly weapons in their hands.

PRINCIPAL PICKLE

You people are what is wrong with this country and you two need to be cancelled from society and not obeying our agenda!!!!!! And it's time for you people die and get stabbed!!!!!!!!!!

The principal throws a lot of sword attacks at Ace and Ace defends himself from the attack and all of a sudden, Ace grabs Pickle by the neck tie and Ace punches and whacks Pickle in the face and Ace and Ace kicks Pickle in the face forces him to the ground.

The principal takes a riffle gun from out of nowhere and the principal starts shooting the riffle gun at Ace and he starts firing 900 bullets at Ace.

PRINCIPAL PICKLE (CONT'D)

Die Animal and America and USA people Die!!!!!!!!!!!!!!

And Pickle starts screaming and yelling like crazy.

Ace and Melissa grab Marina and they behind a desk. And they try to avoid the bullets.

MR. WALTER BONDA

We are going to make sure the goverment pushes our new world order and brain-wash your children and use Big tech as our new soldiers Venturas!!!!

Bonda starts throw a lot of weapons and starts throwing a lot of bombs at Ace, Melissa, and Marina.

ACE VENTURA

Man these guys are like ninjas. And we have to get out of here.

MELISSA ROBINSON VENTURA

I believe I have an idea. I can use my spy watch to fire some jaguar perfume at them.

ACE VENTURA

That's a good idea Melissa.

Melissa gets up and she jumps up in the air. And Melissa starts screaming and starts a lot of fire string at the principal and teacher and a huge explosion.

Both of them scream as the explosions happen.

ACE VENTURA (CONT'D)
Come on!!!!!!!!!!!!....

They all start running out of the room.

CUT TO:

They run out of the classroom and they see all of the social justice warriors protestors with guns and weapons.

BLM PROTESTOR
Get the animal family, they are the
enemy of our agenda!!!!!! Kill
Them!!!!!!

The protestors get into the classroom and they fight Ace and Melissa with weapons.

Ace and Melissa start fighting the protestors with punches and kicks.

CUT TO:

Ace throws a lot of punches and kicks at the protestors and beats up around 6 of them and knocks out some of them. Some of the protestors tackle Ace from behind and smack his head to the ground.

Ace kicks the protestor in the face and knocks some of them.

CUT TO:

Melissa starts fighting some of the protestors and throwing a lot of punches and kicks at them and beats up some of them and throws animal related gadgets.

And they keep fighting the protestors and some of the building starts catching on fire.

Ace also uses some of his animal related gadgets on some of the protestors and keeps on throwing punches and kicks.

CUT TO:

Marina hides under a desk and sees Ace and Melissa fighting the protestors.

Ace and Melissa beat up the last remaining the protestors and they run to Marina.

Melissa lifts up Marina in her arms and they run with Ace and they jump through a window. Marina starts screaming. Ace presses a button his belt and out of his boots, Ace has some para-shoots come out of his shoes.

They land on the ground and they start heading to the car. They get into the car and Ace starts the car and they start driving off.

CUT TO:

Ace and Melissa in the car.

MELISSA ROBINSON VENTURA
 Something is not right Ace, Someone is controlling our country in a really bad way. And we have to find out who it is.

ACE VENTURA
 Oh I know, Something is not right, and this scientist is really evil and is really awful and really bad news. We have to find Max and fast.

CUT TO:

EXT. THE CAPITOL BUILDING IN WASHINGTON DC - MORNING

CUT TO:

A senate hearing going on.

SENATOR DEL RIO
 Now Dr. Warmelt, we have herd in the past 20 years you have been using a lot of guniea pigs to fund your research using companies like Google and Facebook and control people as much as possible and also have 900 guniea pigs in your lab in Miami, Florida. Yes or no?!...

Warmelt is sitting down.

DR. EUGENE WARMELT
 Now Senator, I am sure we are doing none of the sorts, also guniea pigs are not very classy animals in the animal kingdom. And people that guinea pigs are people that are losers, such as nerds, um gothic people, farm kids, ah people that don't live in high levels of our society and weird people and people with disabilities. And also not very clean people as well.

SENATOR DEL RIO

Now I really hope for your sake you are right because we all know you are one of the best scientists in our country and we would hate for you to go to jail. And also continue your work as well.

DR. EUGENE WARMELT

Thank you senator.

SENATOR DEL RIO

Also Dr. Warmelt, is it true you are meeting all of the quota in your lab at your company.

DR. EUGENE WARMELT

Yes senator.

CUT TO:

Dr. Warmelt starts walking to his lab building in Washington DC. And he goes into the building.

CUT TO:

As Warmelt goes into the building, there is a lot of guniea pigs being tested like crazy.

DR. EUGENE WARMELT (CONT'D)

Ah good my little rodnets, and in time, I will use all of you and then people all over the country will go crazy and be destroyed and crushed under guniea pigs. But I want the most golden guniea pig of all, I want President Springs's guniea pig and it's a gold and brown and it's sample will be prefect to use on people. And to brain-wash every American. And soon once I do that, and united States of America once I create guniea pigs will be no more!!!!!!!

Warmelt walks over to his computers and he starts talking to some people over a face time call.

DR. EUGENE WARMELT (CONT'D)

Pickle, Bonda, I expect the big technology is going well.

PRINCIPAL PICKLE

Um sir we ran into some problems,
we wanted to brain wash a lot of
children and then kidnap the best
ones and send them to your lab to
be tested on. But we ran into some
problems.

MR. WALTER BONDA

Yes we did, Ace Ventura Pet
Detective and his wife Melissa
Robinson destroyed my classroom and
destroyed the antifa and black
lives matter protestors and killed
them sir.

DR. EUGENE WARMELT

WHAT?.....You fucking idiots!!!!!!
I want their to be guniea pigs here
and more kids and I want my plan to
succeed and if I have another fail
from you guys again!!!! I will send
my thugs and throw you guys off the
empire state building or the
Lincoln memorial. Do I make myself
clear.

They both get really scarred.

MR. WALTER BONDA

Yes Dr. Warmelt.

DR. EUGENE WARMELT

And also TAKE CARE OF ACE VENTURA
PET DETECTIVE AND KILL HIM!!!!!!

PRINCIPAL PICKLE

Yes Dr. Warmelt.

Warmelt turns off the TV. And all of a sudden he starts
looking a lot of guinea pigs in cages and in other areas.

DR. EUGENE WARMELT

Little Guniea Pigs!!!!?...Not
anymore!!!!!! Everything is going
just as a plan, Soon the entire the
country and world will experience
how smart and intelligent my drug
tested little smart guinea pigs
are. And once I kidnap a lot of
smart people and trap them in my
lab, I will use their sample and
their IQ levels and transfer all of
them to the guinea pigs.

(MORE)

ACE VENTURA (CONT'D)

And do you know anybody who wants to use a gun and do you know anything about a scientist name Dr. Warmelt?

MAX WOODSTOCK VANDINGA

Yeah I'm sure I can find some things my man.

Max goes up to Melissa and Marina and hugs both of them.

MELISSA ROBINSON VENTURA

Hi Max.

MAX WOODSTOCK VANDINGA

And you are getting to be a such a big girl.

YOUNG MARINA VENTURA

Hi Uncle Max.

MAX WOODSTOCK VANDINGA

Sounds like you are going to go on mom and dad's animal cases. You will get the chance to be 3rd wheel.

ACE VENTURA

Not exactly. We pulled Marina out of school because the school wanted to hear to learn a lot of anti America and pro SJW and pro BLM and pro Antifa and pro 3rd wave feminism crap and other awful things as well. And she is perfect the way she is.

MAX WOODSTOCK VANDINGA

Accept she is naked though. Probably has been for 40 years now.

MAX WOODSTOCK VANDINGA (CONT'D)

That's okay, but I will get you some clothes to wear.

YOUNG MARINA VENTURA

Thanks uncle Max.

CUT TO:

Marina starts putting clothes for the first time and sits down on a couch in the lab.

CUT TO:

Ace and Melissa and Max are looking at the computer.

MAX WOODSTOCK VANDINGA

Alright you guys, I got some dirt on this Dr. Warmelt guy, he is a scientist and he is one of the best ones in the country as well. But this guy's work is very sketchy. One of his projects involve rats, hamsters, guinea pigs, squirrels, chipmunks, and so on. Back in 1992, he wanted to make body energy drinks using squirrel and chipmunk milk and he wanted to test it on children in PE classes in every elementary school in the country including the red/conservative states.

ACE VENTURA

And I'm pretty sure it back-fired right?

MAX WOODSTOCK VANDINGA

Yes it did my man. One year later in 1993, the drink was tested on kids, but sadly they got so much energy they all they got naked and ran around every elementary school naked and even went outside and acted like...wait for it...Guinea pigs, squirrels and chipmunks and some of them went into the trees and climbed up the trees. This resulted in 500 naked children dying from the drink, ah 300 million dollars property damage, and a lot of parents getting very angry at Warmelt, Warmelt was sentenced to prison but the European Union and United Nations bailed him out of prison back in 2001. And he still works in Washington DC as a scientist regardless of all the evil and sketchy and fucked up drugs and drinks he has made. And he also has a history building ray guns as well but lost government funding once Obama came into office in 2008.

MELISSA ROBINSON VENTURA

Oh my god what a very awful and horrible and very evil man he is.

MAX WOODSTOCK VANDINGA

Oh but that's not all, there a lot of news sources that say he is still working on his project and according to info wars and news mark, they found reports of him doing this crap but the mainstream media oppressed the story. No one has tried to get Warmelt in trouble ever since.

ACE VENTURA

Jesus Christ!!!!!!

MAX WOODSTOCK VANDINGA

And then I guess my thought on stopping him, just maybe go to Washington DC. And don't worry about Marina, I will watch her man.

ACE VENTURA

Thanks Max your awesome man.

MAX WOODSTOCK VANDINGA

Anything for you Ace.

CUT TO:

EXT. RONALD REAGAN AIRPORT - MORNING

Ace and Melissa get outside and Ace gets out his cell phone and he requests an Uber ride.

The uber driver gets to where Ace and Melissa are. And picks them up.

UBER DRIVER

Ace Ventura?

ACE VENTURA

Yes that's me.

UBER DRIVER

You too hope in.

Ace and Melissa get into the car.

UBER DRIVER (CONT'D)

Sounds like you too are going to be staying at the Capitol Hilton. What brings you guys to our nation's capital?

ACE VENTURA
I'm actually on a case.

UBER DRIVER
Do you work for goverment.

ACE VENTURA
No actually. I'm a pet detective
and private investigator. And I'm
here investigating Dr. Warmelt.

UBER DRIVER
Oh shit that guy. That guy is all
over the news man. He is tough guy
to take down. I think you maybe
talk to your senator on that.

ACE VENTURA
Sounds like a really good idea.

The driver gets to the hotel.

UBER DRIVER
Alright here it is.

ACE VENTURA
Thank you.

Ace and Melissa get out of the car. And they go into the
hotel.

CUT TO:

Ace and Melissa in the hotel room.

MELISSA ROBINSON VENTURA
You think Marina will be alright
Ace with Max?

ACE VENTURA
Course she will. Max is smart and
Max is really good with kids.

MELISSA ROBINSON VENTURA
I know...I just really worry about
her Ace. I worry that she is may be
like us and she will buy into all
of this crazy stuff. And become
very anti everything and like
freedom like we do.

ACE VENTURA
Look Melissa, I'm sure Marina is
going to be just fine.

CUT TO:

INT. THE CAPITOL BUILDING - MORNING

A senator is walking through the building halls and he gets
to his office.

As he gets there, his secretary walks up to him.

LAUREN CANDICE
Ah Mr. Ventura might be coming to
see very soon sir.

SENATOR DEL RIO
Oh thank you Lauren.

Del Rio goes into his office. And Ace already in the office.

ACE VENTURA
I saw your hearing that your did on
Dr. Warmelt?

SENATOR DEL RIO
Mr. Ventura, what brings you in my
office.

ACE VENTURA
I don't believe you might not be
doing enough on Warmelt. And I
think he is planning something that
is a lot bigger.

SENATOR DEL RIO
Mr. Ventura I'm sure there is not a
lot of dirt on him like there was
in the 90's.

ACE VENTURA
But I don't know he has control of
a lot of crazy anti-america
organizations and other places
within the goverment.

SENATOR DEL RIO
Look Ventura, I appreciate this
little visit but I'm sure
everything is under control.

ACE VENTURA

I'm telling you sir, this guy could end up controlling people. And he also has an evil lab.

SENATOR DEL RIO

Sure he does.

CUT TO:

Ace gets escorted out of the office by security guards.

Ace walks out of the building and he takes out his cell phone.

MELISSA ROBINSON VENTURA

(on the phone)

What happened?

ACE VENTURA

The son of a bitch didn't end up believing me. And he has no idea what is about to happen to this country.

MELISSA ROBINSON VENTURA

(on the phone)

Well anyway I will meet up with you very soon.

ACE VENTURA

Where are you right now?

CUT TO:

Melissa is a pet store in Virginia.

MELISSA ROBINSON VENTURA

Right now I'm a pet co in Virginia and seeing why people would want guinea pigs.

ACE VENTURA

(on the phone)

Alright okay sounds good. I will see you in a little bit.

Ace hangs up the phone. And he starts wondering around Washington DC.

CUT TO:

Ace heads to the Lincoln memorial and he hangs out around there.

Ace looks at the Lincoln statue.

DR. EUGENE WARMELT

I heard that you went to go visit
Senator Del Rio in his office and I
herd that things didn't go very
well.

Ace turns back and he sees him and he is wearing a golden
suit and tie and a walking with a cane.

ACE VENTURA

What in the hell is with the suit?

DR. EUGENE WARMELT

Oh it's a new suit that I bought.
It's one of the many perks and
benefits that I have as a
government work and getting paid
through tax payer dollars. And
having a salary of 7 billion
dollars as a top doctor. And it's
also the color of that I want with
getting golden guinea pigs.

ACE VENTURA

You know just because you are a
good doctor. That doesn't make you
a good person especially for all
the crazy stuff that you did in the
90's.

Warmelt starts laughing.

DR. EUGENE WARMELT

Oh that is really hilarious Ace.
But I'm afraid since I know a lot
of your secrets about you and since
you are getting in the way of my
plans, I think it's time to put you
and your wife in a cage with all my
other patients.

Warmelt snaps his fingers and a lot of animal doctors with
electric guns show up.

DR. EUGENE WARMELT (CONT'D)

It's time people like to be trapped
in a cage and it's time to be obey
your smart and intelligent owners
Mr. Ventura.

ACE VENTURA

Intelligent and smart owners and lock people up in cages. What the hell?!...you are insane!!!! And you are a really awful person!!!!

DR. EUGENE WARMELT

Oh don't be so childish Mr. Ventura. After all, crazy and not so smart and very wild people like yourself need to be treated like animals be kept as pets. Well I must be off on more science projects and there will be no escape for you Animal boy.

Ace tries to tackle Warmelt but Warmelt dodges the tackle and he presses a button and he disappears into smoke.

EVIL DOCTOR 1

It's time for you and your wife and your little girl to be sentenced to the pond Ventura!!!!

The evil doctors with the guns start laughing. And Ace begins to fight them.

The thugs run towards Ace and they throw a lot punches and kicks at Ace.

Ace dodges all of the kicks and punches and Ace throws a lot of punches and kicks and attacks of his own.

Ace does a lot of backflips and dodges more attacks from the evil doctors.

Ace throws more punches and kicks and punches some of the evil doctors in the stomach and kicks some of them in the balls.

Ace starts running and Ace jumps over the evil doctors and some start shooting electric guns and trying to electrocute Ace.

Ace dodges more punches and kicks and Ace does a big time kick and kicks the gun out of the doctor's hands and Ace grabs the gun and electrocutes the evil doctors.

Ace keeps on fighting more bad guys coming at him and throwing more kicks and punches at them.

But as he keeps on fighting them, some of the evil doctors punches Ace in the face and they shove Ace against the wall and one of them gets out of a poison knife and they try to stab Ace very badly.

Ace gets free of the evil doctors and head butts both of them.

Ace looks around and more evil doctors keep on coming at him and Ace keeps on fighting more evil doctors and throwing punches and kicks and other combat moves at them.

Ace jumps up in the air does some crazy kicks and knocks some of them out.

Ace runs out the Lincoln memorial and he sees more evil doctors surrounding the area with some advanced guns in their hands.

Ace starts running and some evil doctors are chasing him. And some of the evil doctors have gold lights flashing at Ace.

Ace starts running and he sees a 3 wheeled motorcycle that is really fancy.

Ace starts running to vehicle really fast. Ace gets to the driver's seat and Ace sees the keys And Ace starts turning on the engine with all his might.

Ace turns on the Campagna T-Rex 3 wheeler scooter car. And Ace starts riding really fast on the road in Washington DC and going around 99 miles per hour. And the Ash Ketchum VS Charles Darwin musical score starts to play in the background.

Ace is driving the car and riding on the streets really fast. And all of a sudden a lot of evil doctors are chasing at Ace in SUV cars in purple with yellow flames on them.

And they start shooting a lot of gun bullets and firing rocket launchers at Ace like crazy. Ace does a lot of crazy left and right turns around DC.

Ace drives around the white house and around the china town area of DC.

And Ace drives around Nationals park. And Ace starts looking around the car and he finds a couple of grenades and he throws a couple grenades at the evil doctors that are chasing him.

Ace keeps on driving the vehicle and he starts driving around crystal city and drives through the city and more evil doctors are chasing him and firing more gun bullets at him.

Ace dodges the bullets and makes more left and right turns and screeches the car with full power and full might.

Ace keeps on driving the car and going really fast on the road. And Ace starts driving through a lot of parking garages really fast.

Ace keeps on going really fast that he drives the car off the cliff and lands on the ground and Ace drives and finds a parking spot and Ace starts running and he goes down the stairs and goes to the underground city of crystal city.

CUT TO:

Ace gets to the underground mall and he goes into a store and he hides from the evil doctors.

As Ace is in the store, one of the evil doctors goes into the stores and starts looking for him.

And the bad guy starts asking if they have seen him. As the evil doctor gets out Ace tackles the evil doctor and tackles him to the ground.

Ace and the evil doctor get into a really huge fight and people in the mall start going nuts.

Ace throws a lot of punches and kicks at the thug and dodges a lot of kicks. The evil doctor thug does more punches and kicks and punches Ace in the face and slams him to the ground.

A lot of people see what happen and Ace starts running out of the underground city.

CUT TO:

Ace gets back to the surface and he heads back to the 3 wheel T-rex car and Ace starts calling Melissa on his cell phone.

ACE VENTURA

Melissa it's Ace. Are you still in
Pet co.

MELISSA ROBINSON VENTURA

(on the phone)

Yes I am. Where are you Ace?

ACE VENTURA

I'm in Crystal City and I was in DC
but Warmelt ambushed me and I ended
up getting chased by his evil
doctor thugs with electricity guns.

MELISSA ROBINSON VENTURA

(on the phone)

Uh oh that doesn't sound good. Are
you on your way now?

ACE VENTURA

Yes I am. I'll try to be there very
soon.

Ace starts up the 3 wheel T-Rex car and he begins to drive to
Virginia.

CUT TO:

Ace gets to Virginia and he gets to a local pet co and Ace
walks into the pet co and he starts looking for Melissa.

ACE VENTURA (CONT'D)

Melissa.

Melissa runs to Ace.

MELISSA ROBINSON VENTURA

Ace are you okay?

ACE VENTURA

Yeah I'm alright. So you find out
anything about Guinea pigs?

MELISSA ROBINSON VENTURA

I did actually. And there is a girl
that will explain everything.

They start walking to the guinea pig section and there is pet
co employee waiting for them.

CARROLL FRICKLESON

Alright Mr. And Mrs. Ventura. So
why did you guys come to this pet
co all the way from Miami?

ACE VENTURA

Well we just want to know more about guinea pigs. And why someone who is very rich and really successful would want one.

CARROLL FRICKLESON

Well it's simple. They are very loving little creatures. You feed them, they love you, and then if you play with them a lot, they will make sounds to you. And that's all there is.

ACE VENTURA

But do you think some people are going to use their DNA for something that is really awful.

CARROLL FRICKLESON

Well people in South America eat them all the time. But thankfully we don't allow that in the United States.

MELISSA ROBINSON VENTURA

Ms. Frickleson, While you have worked here. Have you seen any strange people in suits and ties and other fancy clothes come here and ask you questions. And if so, Did they look like people who work for the government.

CARROLL FRICKLESON

No I have not Mrs. Ventura.

ACE VENTURA

Alright okay. Thank you.

CARROLL FRICKLESON

Your welcome.

CUT TO:

Ace and Melissa get outside and head back to the car.

MELISSA ROBINSON VENTURA

Well that was no help. Where to?

ACE VENTURA

We have to find out where Dr. Warmelt is going to next.

(MORE)

ACE VENTURA (CONT'D)
And I think we should go to South
America.

CUT TO:

EXT. AROUND BRAZIL - DAY

There is Brazilian style music playing in the background and
also showing the Jesus statue.

CUT TO:

Ace and Melissa are around the city and exploring around.

MELISSA ROBINSON VENTURA
So you really think Warmelt is here
is in Brazil?

ACE VENTURA
Well it's the only country I can
think of that might guinea pigs
roaming around. I think legend says
there is a Guinea pig temple called
the temple of cavy. And I think if
we get the diamond of the cavy
before Warmelt does. We might have
a chance to stop him.

MELISSA ROBINSON VENTURA
But Ace your not a treasure hunter.

ACE VENTURA
I know that I'm not honey. But we
have to beat Warmelt at his own
game.

Ace and Melissa go into some jeeps and they start driving
into the jungles.

They get really far and park the car on dirt road.

MELISSA ROBINSON VENTURA
So this must be the temple.

ACE VENTURA
Oh yeah. And we know what we have
to do.

Ace and Melissa start walking up to the temple and on dirt
trails. And jungle music is playing in the background.

They get to the entrance and they see statues of Guinea pigs. And other hiro drawings on the rocks of Guinea pigs becoming giant and roaming all over the jungle of Brazil.

ACE VENTURA (CONT'D)
 Sounds like we have had giant
 guinea pigs before at least 7
 billion years ago legend says.

Ace gets to the entrance they see a face of a guinea pig. And there is temple sounds.

MELISSA ROBINSON VENTURA
 What now?

ACE VENTURA
 I think in some ways the door wants
 us to make Guinea pig sounds and
 that will be the only way it will
 let us in. I guess I will give it
 ago.

Ace begins to make a lot of different guinea pig sounds and does so around 30 times.

MELISSA ROBINSON VENTURA
 I don't know honey. I don't know if
 making Guinea pig sounds is going
 to work.

All of a sudden, the temple door opens and Ace and Melissa slowly go inside the temple.

And they keep moving forward.

ACE VENTURA
 Just be-careful, there could be a
 lot of traps in here.

Ace and Melissa keep on walking and Melissa slips and she falls into quicksand.

MELISSA ROBINSON VENTURA
 Ace help me!!!!

ACE VENTURA
 Melissa!!!!!!

Ace grabs hold of Melissa.

ACE VENTURA (CONT'D)
 Melissa don't move, if you move it
 will try to suck you in. Just don't
 let go of my hand.

Ace slowly starts pulling Melissa up and back on her feet.

And they keep on going.

ACE VENTURA (CONT'D)

I really wish we had a journal to
get through this place better.

Ace and Melissa keep on looking around and they see ancient drawings. And on the drawings, they see Guinea pigs becoming evil and turning into rats.

ACE VENTURA (CONT'D)

I think this next trap is going to
be even worse, and on the drawings
it says that Guinea pigs were not
kind to the masters, ended up going
to hell and turning in rats and
being sealed in the temple. And
then their masters also turned into
monsters and turned into zombies.

MELISSA ROBINSON VENTURA

I don't like that sound of that.

All of a sudden a lot of rats and evil looking creatures show up and they make a lot of awful and evil animal noises.

Melissa is really scarred and Ace and Melissa start running and trying to escape from them and Melissa starts screaming.

Ace gets out a lighter and he creates a torch and sees a lot of rats and evil creatures coming towards them and Melissa gets even more scarred.

Ace starts taking out a lot of grenades and lights the grenades and causes around 15 explosions inside the temple.

And some of the parts of the temple catches on fire and burns some of the rats and the evil creatures and kills them.

And as Ace does this, he sees a platform and Ace starts running to the platform.

ACE VENTURA

Come on up this way.

Melissa and Ace get to the platform and Ace throws a rock and the platform begins to go up.

MELISSA ROBINSON VENTURA

Oh that close.

ACE VENTURA

Yeah tell me about. And the bad part is that there are more of them coming as well.

MELISSA ROBINSON VENTURA

We have to find that artifact and fast.

The platform gets to the top. And Ace and Melissa get off the top of the platform and they are on the 2nd floor.

Ace and Melissa get to the 2nd floor. And they start looking around and Ace has a torch in his hand.

ACE VENTURA

I think we lost them which is good.

MELISSA ROBINSON VENTURA

Are we close?

ACE VENTURA

Man I really hope we are.

As they are both looking around, Melissa all of a sudden hears a lot of village people making tribe noises.

MELISSA ROBINSON VENTURA

Um Ace I think we really have a huge problem.

ACE VENTURA

What do you mean Melissa?

Ace turns back and they see a lot of tribe people with weapons and making tribe people noises.

And all of a sudden, the tribe people start running towards them. And Ace begins to attack.

The tribe people start throwing a lot of weapons at Ace and Melissa.

And the song "in the bible by Drake" plays in the background.

Ace throws a lot of punches and kicks at them. And Ace does more fighting moves and more fighting attacks at them.

CUT TO:

Melissa is also fighting some of them and she starts throwing a lot of kicks and punches at them.

One of the tackles Melissa from behind. And Melissa gets tackled to the ground and Melissa punches one of them in the face.

CUT TO:

Ace keeps on fighting more of them and throws more punches and kicks at them. And some of over-power Ace and force against the wall.

And they end up punching Ace in the face and Ace jumps in the air kicks them in the face. Ace dodges more attacks from the tribal people and Ace kicks another one in the face and Ace jacks one of their weapons and Ace uses a staff and he throws a lot of staff attacks at them and whacks 6 of them in the face.

And Ace keeps on fighting them and throwing more punches and kicks at them.

CUT TO:

Melissa fights more tribal people coming at them. And she runs to Ace.

MELISSA ROBINSON VENTURA

Ace there is too many of them.

ACE VENTURA

I'm starting to develop a theory that these people are not real village people.

MELISSA ROBINSON VENTURA

How do you know?

ACE VENTURA

The main reason I say that is because real village people don't attack people from the west.

They keep on fighting the fake village people.

ACE VENTURA (CONT'D)

And I'm sure someone told them to come here. And I believe I know who.

Ace and Melissa keep on fighting them a lot more. And they start running and a temple door opens.

CUT TO:

All of a sudden the temple begins to break down and rocks start falling down. And Ace and Melissa start running out of the temple as fast as they could.

Ace and Melissa keep on running and Ace jumps up in the air and Ace starts swing on the veins and Ace keeps on swinging as the ground keeps on breaking down and some of the temple starts to catch on fire.

And they keep on going faster and faster and they finally get to the entrance and out of the temple.

And temple explodes in flames.

MELISSA ROBINSON VENTURA

Oh wow that was a really huge close one.

ACE VENTURA

Yeah we have to get out of Brazil and fast and take this artifact somewhere no one is going to use it for evil.

All of a sudden there is a lot of army tanks and Brazilian police cars coming towards them.

ACE VENTURA (CONT'D)

Uh oh that really can't be good.

CUT TO:

The army tanks and police cars getting closer and closer to Ace and Melissa. They park the cars and get out of the cars and a lot of police have rifles in their hand and they point the riffles at Melissa and Ace.

BRAZILIAN POLICE 1

(in portuguese)

Hands up. You two Americans are under-arrest for trespassing!!!!!!

And all of a sudden Warmelt comes out of the army tank and in explorer clothes.

ACE VENTURA

Warmelt!!!!!!!!!!!!.....

DR. EUGENE WARMELT

Didn't I tell you that I would everywhere Mr. Ventura. And back when my evil doctor thugs attacked you in Washington DC.

ACE VENTURA

Yeah and they also tried to kill me in Crystal City Especially after I was done talking to Senator Del Rio.

DR. EUGENE WARMELT

Oh that's right Senator Del Rio. I knew that guy wouldn't listen to you. And yeah that guy is never able to find dirt on me because I hid everything from politicians so well. And pretty soon, I will use the statue to create a drug using Guinea pig blood and then from there everyone will loose their brain IQ and then I will also put Guinea pigs inside robot heads and they will be used to attack people and lock the whole country up on lockdown. And then from there, I will also use more Guinea pigs to turn them giant and have them trample on the major cities and at the same time I will kidnap the president's guinea pig and use the DNA from the president's guinea pig and turn everyone in the United States into Guinea pig with the new liquid drug that I will create. And there will be nothing you and your wife can do about it Mr. Ventura.

ACE VENTURA

You are one insane person Warmelt. And you will never get away this!!!!!!! And there is no way your plan is going to work.

DR. EUGENE WARMELT

Oh I think it will work Mr. Ventura. But it's too bad that you won't be there to see it. Now hand over the statue of cavy.

ACE VENTURA

NO!!!!!!!!!!!!!!

DR. EUGENE WARMELT

Very well then....

All of a sudden Warmelt takes out a electricity gun and he electrocutes Ace and knocks him out. And Ace passes out.

MELISSA ROBINSON VENTURA
Ace!!!!!!!!!!!!

The police grab Melissa and they take Melissa.

DR. EUGENE WARMELT
Good we have the wife. And soon, we
will have more people from his
cricule. Throw him in the ocean!!!!

CUT TO:

A fancy boat is around the ocean by Brazil and brazilian
police grab Ace's body and throw Ace's body into the ocean
and Ace's body starts sinking.

DR. EUGENE WARMELT (CONT'D)
So long Mr. Ventura

Warmelt walks over to a fancy cell phone and he picks up the
phone.

DR. EUGENE WARMELT (CONT'D)
Prepare my private jet back to
Washington DC and round up as many
guinea pigs in Brazil and in South
America and in the rest of the
country and it's time to destroy
the world and it's time to weaken
America with guinea pig drugs.
MUAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA

HAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA

CUT TO:

All of a sudden all of Warmelt's thugs start kidnapping and
rounding up a lot of guinea bigs all over south America and
also around the United States.

The same men even break into the pet co in Virginia and
kidnap a lot of them.

CARROLL FRICKLESON
What in the world?!....

Carroll starts to escape and she gets caught by Warmelt.

DR. EUGENE WARMELT
Well hello sweet-heart.

Carroll gets really shocked and warmelt grabs her and
electrocutes her and puts her in the car.

DR. EUGENE WARMELT (CONT'D)
 Perfect I just kidnapped a
 beautiful young lady that will be
 used for more of my experiment. But
 I need more people for all these
 experiments. And I just need two
 more people.

Warmelt gets into the car and his car and other cars drive
 off.

CUT TO:

Max and Marina are in the house and Max and her are watching
 TV in Max's house.

Max hears the door bell. And he gets up.

MAX WOODSTOCK VANDINGA
 I'll get it sweet-heart.

Max goes up to the door and he opens the door. And Max sees a
 lot of strange looking robot people at the door.

MAX WOODSTOCK VANDINGA (CONT'D)
 What the hell?!.....

And Warmelt comes to the door.

DR. EUGENE WARMELT
 Hello Mr. Vandinga. I'm afraid you
 and Mr. Ventura daughter are under-
 arrest for trying to expose a big
 time scientist.

MAX WOODSTOCK VANDINGA
 Well your not going anywhere near
 my best friend's daughter and if
 you do, I will use my panda bear
 attacks on you.

DR. EUGENE WARMELT
 Oh really is that so Max.

Max starts throwing a lot of punches and kicks at the robot
 people and Max starts roaring like a panda bear and Max
 throws more kicks and punches. And the robots themselves
 throw kicks and punches of their own.

MAX WOODSTOCK VANDINGA
 Run Marina run!!!!!!!!!!!!

Marina starts running out of the house and she sees a bike and she starts riding a bike out of Max's neighborhood in Miami.

Some of the evil robots see Marina and they start chasing her.

ROBOT 1

There she is!!!!!! Don't let her escape out of the neighborhood.

Marina starts getting really scared and she starts pettling.

Marina finally gets to a bus station and Marina goes on a bus that is headed West and it's a travel bus that is headed to San Diego.

Marina is on the bus and she sees more people on the road passing out and more robots showing up and kidnapping them. Marina gets really scarred.

All of a sudden there is a flying Guinea pig ship and it starts blasting a lot of lasers at the bus and all of a sudden, people on the bus start turning into guinea pig.

Marina ducks and she goes under the seat and some evil robots get on the bus and they round up people that have been turned into guinea pigs.

And Warmelt and his evil men go on the bus and they see Marina. And one of the men blasts a pausing gun at Marina and Warmelt comes to her.

DR. EUGENE WARMELT

Well hello little Marina...Oh I think your blood and your DNA will be perfect for my evil plan.

DR. EUGENE WARMELT (CONT'D)

Grab her!!!!!!

YOUNG MARINA VENTURA

Help!!!! Somebody help me!!!!!!

CUT TO:

Warmelt gets out of the bus with more robots.

ROBOT 2

DR. EUGENE WARMELT

Good-evening ladies and gentlemen.
You know...All of you fancy people that don't work for the government and work in the private sector didn't invite me whatsoever. So I decided to not only crash the party, but i ended up turning President Donaldson and the first lady into Guinea pigs and I have their clothes to prove it right here.

Warmelt does an evil chuckle and shows the rest of the fancy guest the clothes.

All of a sudden, a lot of people in galla get scarred and terrified and start screaming and yelling in fear. And are pancing like crazy.

ACE VENTURA (CONT'D)

Alright big boy, see that white house right there. I want you to run to that little house as fast as you can pretend there is a lot carrots and lettuce and broccoli over there.

The Guinea pig gets really excited and keeps on going really fast.

ACE VENTURA (CONT'D)
Don't worry Marina, Daddy is coming
to save you.
