FADE TO:

INT. A LAB IN NEW YORK CITY - NIGHT

A young man in his 30's starts working on a chemical potion that can be used as a medicine. The man keeps on pouring more chemicals and testing it on little animals. The young man keeps on writing down notes on a piece of paper.

The young man keeps on working on the chemicals. And see the little animals acting very aggressive and the young man keeps on writing down more notes.

CUT TO:

The young man is in his office with another people.

NEW YORK CITY SPACE CENTER CEO
Mr. Possible this chemical that you created it's really fantastic and hopefully going into the next decade it can be used to cure a lot of things.

DR. JAMES POSSIBLE
Thank you so much sir. Yeah I have been looking at the cerium a couple of times. But to me sir, it really looks very unstable and needs more test to be done in order for it to be on the open market.

NEW YORK CITY SPACE CENTER CEO
That's why I have another person going to help you.

All of a sudden, Drew comes into the room.

DREW THEODORE P. LIPSKY
It's a huge pleasure to meet you Dr. Possible I have heard so much about your work.

(MORE)

DREW THEODORE P. LIPSKY (CONT'D)
And I believe what you have found
is really going to change the
world.

DREW THEODORE P. LIPSKY (CONT'D)
Oh where are my manners, I am Dr.
Lipsky I will be helping you on
this other phase of this lab
research.

DR. JAMES POSSIBLE
It's a pleasure to meet you as Dr.
Lipsky. I am really glad that you
are helping me with this new
discovery.

DREW THEODORE P. LIPSKY
Me too. And very soon we are going
to be really rich.

James and Drew shake each other's hand. And Drew smiles at
James.

CUT TO:

INT. JAMES'S LAB - NIGHT

James and Drew start working on more chemicals using other
liquids.

DR. JAMES POSSIBLE
Is the Vitamin 67 E ready to go
Dr. Lipsky?

DREW THEODORE P. LIPSKY
It's all set Dr. Possible.

Drew puts the chemicals into more containers and put it's
in on a stove and they start heating it up.

The chemicals start heating up and the blue inside of the
chemical starts bubbling up like crazy.

James then takes out a shot needle and takes it a pit of it
and gives a small rat a shot with it.

The rat starts crawling around and it starts to turn blue
and it also starts to get really smart.

DREW THEODORE P. LIPSKY (CONT'D)
Look at the little thing go.

DR. JAMES POSSIBLE
Yeah I'll say. But we just have to
watch out for anything that could
be negative though however.

The rat starts discovering more things around the cage. But
all of a sudden, it becomes more aggressive and it starts
making hiss sounds at Drew and Dr. Possible.

Drew and James freak out really bad and the rat starts
breaking out of it's cage really bad and it starts trying
to attack Drew and James.

DR. JAMES POSSIBLE (CONT'D)
Drew get a weapon right now. This
thing is going to try to kill
us!!!!!!....

Drew starts running to get a weapon of some kind and gets
pair of knives and through the knives at the rat and kills
it.

DREW THEODORE P. LIPSKY
Wow that really was a close one.
If not for those knives we really
would of been dead.

DR. JAMES POSSIBLE
Yeah no kidding Drew. We just have
to report this to the CEO really
soon.

CUT TO:

INT. THE SCIENCE LAB OFFICE - NIGHT

James goes into the office and he meets with the CEO.

NEW YORK CITY SPACE CENTER CEO
Dr. Possible, You are in my office
so soon. How did the experiment go
with Dr. Lipsky?

DR. JAMES POSSIBLE
Well sir, It sadly really didn't
go really well and I think we
might need to hide the Vitamin 67
E chemical from the public.

NEW YORK CITY SPACE CENTER CEO
Oh okay. Well I really need you to
give me the reports on it tomorrow
if you can Dr. Possible. By the
way where is Dr. Lipsky?

DR. JAMES POSSIBLE
Last I checked he was in my lab I
believe and...

All of a sudden the alarm at the space center starts going
off like crazy.

CUT TO:

A lot of people start running out of the lab and they
screaming and yelling like crazy. And a lot of explosions
are happening around the building.

CUT TO:

There is a huge explosion in the office and the building
starts shaking like crazy.

NEW YORK CITY SPACE CENTER CEO
James what the hell is going
on?!...

DR. JAMES POSSIBLE
I don't know but we have to get
everybody out of here. The
building is going to blow.

James runs out of the office and he starts running to his
office and sees more people running.

James keeps on running and he gets to his office and
notices the chemical is gone.

DR. JAMES POSSIBLE (CONT'D)
What in the hell?!...

DR. DRAKEN
Hello Dr. Possible!!!!

James turns back and he sees Drew's skin is turned blue and
he is now muscular and his hair is longer.

DR. JAMES POSSIBLE
Drew what have you done?...

DR. DRAKEN
I have now tested the chemicals on
myself and now I have become a
really muscular threat. And your
vitamin liquid is going to make me
really rich.

DR. JAMES POSSIBLE

I will not help you get the rest
of it Drew. You have become a
really huge monster.

Dr. Draken gets really angry and he starts yelling and he starts throwing punches and kicks. James avoids the punches and kicks Drew in the face and punches him in the stomach.

Drew tries to punch James in the face and James starts running. James jumps up in the air and slams Drew from behind and slams him to the ground.

James runs to his lab table and he grabs the last container of the Vitamin liquid and he puts in his pocket.

James starts running out of his lab as there are more explosions everywhere around him.

James starts running out of the building and he finds another door and James starts running down the stairs.

James gets to the first floor and heads out of the building and the building explodes into flames.

James sees the burning New York City Space Center and the fire department and police department start showing up.

James starts walking away from the burning and he starts heading back to his apartment.

CUT TO:

INT. JAMES'S APARTMENT - NIGHT

James walks into his apartment feeling really tired.

ANN POSSIBLE

Hey James how was your day at
work?

DR. JAMES POSSIBLE

Oh it was really great honey. I am
just really glad to be home.

James and Ann kiss each other on the lips.

As James and Ann are kissing, a little girl starts walking to them.

DR. JAMES POSSIBLE (CONT'D)

Hey Kim. How is my big girl doing?

YOUNG KIM POSSIBLE
I'm doing good Dad.

Dr. Possible picks up his daughter and gives her a kiss on the cheek.

CUT TO:

The possible family is eating dinner at their apartment and they hear a knock at the door.

ANN POSSIBLE
Who can that be at the door?

DR. JAMES POSSIBLE
I really don't know Ann. But I will get it though.

James gets up and he walks to the door and answers the door. As James answers the door, It's the CEO of New York Space Center and he is really beaten up really badly.

NEW YORK CITY SPACE CENTER CEO
(beaten up voice)
Dr. Possible...Please I need help right now...Dr. Lipsky he stole everything from the lab.

ANN POSSIBLE
James what's going on?

Ann starts walking to the door.

NEW YORK CITY SPACE CENTER CEO
(beaten up voice)
James, I need you to take this suitcase of 45 million dollars and go as far away as you can from New York as possible because Dr. Lipsky will come after you and your family and build your own space center.

DR. JAMES POSSIBLE
Yes sir. I will do that.

All of a sudden, The CEO of the space center dies around the entrance and Ann is very shocked and scarred.

DR. JAMES POSSIBLE (CONT'D)
Ann call 911 right now. Get an ambulance.

CUT TO:

The ambulance shows up and over tight, The Possible family start moving up towards the North East.

YOUNG KIM POSSIBLE
Why are we moving daddy?

DR. JAMES POSSIBLE
Something happened at my work
honey that was really awful and I
really want to keep your mother
and you really safe. But don't
worry You will like your new life
a lot I promise.

James keeps on driving the car.

CUT TO:

James and the family get to an empty piece of land and the James starts hires construction workers with the money that he makes and they start building the Possible home Maine.

KIM POSSIBLE
Alright okay, I'll be ready very
soon.

KIM POSSIBLE (CONT'D)
Oh god it's the first day of high

Kim goes into the bathroom and she turns the shower on.

Ann walks into the kitchen and she gets herself a cup of coffee. And James also walks into kitchen and he gets himself some coffee.

KIM POSSIBLE

Morning dad.

DR. JAMES POSSIBLE

Morning Sweety. Are you ready for the first day of school?

KIM POSSIBLE

Sadly I really don't believe I am dad. It's just going to be the same just like all other grades. With no new friends, boring classes, and also a lot of my teachers end up hating on me as well.

DR. JAMES POSSIBLE

Well you still have to go Kim. And plus maybe this year will be a lot different.

KIM POSSIBLE

I doubt that dad.

KIM POSSIBLE (CONT'D)

I just really wish it could be summer again and so we can go on vacation like we did this year and also last year as well.

ANN POSSIBLE

Keep dreaming Kimmy. Now get to school...

KIM POSSIBLE

Oh okay mom.

Kim starts running to the bathroom and she brushes her teeth and she starts going out the door.

CUT TO:

Kim starts heading to the bus stop and she starts walking down the street. Kim gets to the bus stop and the bus arrives and Kim gets on the bus.

CUT TO:

EXT. OUTSIDE OF THE HIGH SCHOOL - MORNING

The bus gets to the high school and the kids get off the bus and Kim is the last person to get off the bus.

Kim walks in the school and she starts heading to her first class.

Kim gets into her first class and she sits down at one of the desks.

As the time gets really close, a lot of other students start heading into the classroom and they are a lot of talking going on between a lot of clicks.

As more people are coming a girl with brown hair comes into the room.

BONNIE ROCKWALLER

Well first day of high school and so far I can't wait to take over this place.

JESSICA TYLER

Oh yeah you said it Bonnie. I just can't wait.

BONNIE ROCKWALLER

Do you know when the cheer tryouts are?

JESSICA TYLER

I think they are later today after school.

BONNIE ROCKWALLER
 Perfect, It will good chance for
 me to rule this place and then
 also have the stars of the
 football team and basketball be
 watching me.

As they are walking in class, Jessica and Bonnie see Kim by herself.

BONNIE ROCKWALLER (CONT'D)
 Who is that girl?!...

JESSICA TYLER
 Oh that girl is nobody. She is
 always in class very early and
 nobody else talks to her. And her
 dad use to be like this big time
 scientist in New York city as
 well.

BONNIE ROCKWALLER
 I'm going to see if I can get her
 attention.

Bonnie starts walking to Kim and Kim turns to Bonnie as she is coming towards her.

BONNIE ROCKWALLER (CONT'D)
 Hey red head, Aren't you suppose
 to be sitting in front like all
 the other weirdos and freaks. I
 bet they would really enjoy your
 company.

KIM POSSIBLE
 Well I don't know I really like
 this seat a lot. And it's by the
 window.

BONNIE ROCKWALLER
 Well I'm going to make sure you
 never ever have any friends while
 going to this school and I will
 make your life a living hell as
 well.

KIM POSSIBLE
 Oh okay what ever you say.

BONNIE ROCKWALLER
 That means I really want you to
 move.

KIM POSSIBLE

Oh okay.

Kim gets up and Kim starts walking to the front desks and without anybody knowing, Bonnie rudely trips Kim.

BONNIE ROCKWALLER

Loser!!!!

Kim just shakes her head.

KIM POSSIBLE

(talking to herself)

Already high school hates me.

Kim sits down and all of a sudden, a boy with blonde hair runs into the classroom.

RON STOPPABLE

oh good think god I am not late.

JESSICA TYLER

Nobody freaking cares if you are late or not dummie!!!!

RON STOPPABLE

Oh well that's not true, I'm sure our teacher of this new school will also care and then also my parents as well.

JESSICA TYLER

Well do you have friends that live in other places and do have any major talent to get out of this dumb town?

RON STOPPABLE

Oh okay...Sadly...no...

JESSICA TYLER

Exactly now do not talk me and shut up!!!! You stupid loser!!!!...

Ron starts walking to his desk and he walks to the 2nd front row of the classroom.

Ron sits down and she notices Kim.

RON STOPPABLE

Well it sure is nice to finally be here am I right?

Kim does not say anything.

RON STOPPABLE (CONT'D)

Well I mean I am sure you really had no problem getting here. I'm Ron by the way, What's your name?

KIM POSSIBLE

I'm Kim. And I just want to get through this class and my other classes and go home.

RON STOPPABLE

Oh you don't really mean that, School is fun, you have the football games, basketball games, Then I saw the buneo nacho here which looks really cool. And then also there is forest here and a mall as well.

KIM POSSIBLE

Ron, I am sure you really nice and all but you really don't want to be friends with me.

RON STOPPABLE

Oh Kimmy poo, I am sure we are going to have a lot of fun.

KIM POSSIBLE

Yeah I freaking doubt that...

RON STOPPABLE

Why is that?

KIM POSSIBLE

Well because A, I don't have a driver's license. B, I don't have a car, and C I don't have any money of my own, and D, You are better off hanging out with other people then hanging out with me.

RON STOPPABLE

But I don't have any other friends though Kim.

KIM POSSIBLE

Look I'm sure it's easy for you because you are new and fresh, I have freaking lived her since I was a little girl, and nobody in this town likes me.

RON STOPPABLE

Why is that?

KIM POSSIBLE

It's reasons I will never know but
that's just the way it's always
been that way for me.

CUT TO:

INT. THE LUNCH ROOM - AFTERNOON

Kim starts walking to the lunch room and she starts going
in line and waiting for her food.

As Kim is waiting in line, Kim gets her food and pays her
food and she starts looking for a place to sit.

RON STOPPABLE

Hey K.P.

KIM POSSIBLE

Oh dear lord!!!!....

Ron keeps on running and finally catches up to her.

RON STOPPABLE

I am glad I finally caught up to
you. Hopefully we can find a seat
to sit in or so.

KIM POSSIBLE

I don't know if you have noticed
but all the tables are taken.

RON STOPPABLE

Oh okay we can just sit on the
floor then.

Kim sits down with Ron on the floor and they start eating
their lunch.

RON STOPPABLE (CONT'D)

So tell me about yourself. I'll
start, I'm Ron I really love to
watch wrestling, I love to watch
TV. Oh and I also have a naked
mole rat as well.

KIM POSSIBLE

You do?

RON STOPPABLE

He is just at my house in his
cage.

KIM POSSIBLE

Oh okay. Well there is nothing really to know about me but I just go to class, I like to hangout with my mom and dad and go on trips with them. And then I also like sports as well and I have always had dreams of being a professional cheerleader as well.

RON STOPPABLE

See we are gaining something, I am learning things about you, I Ron, you Kim, we friends....

Kim looks at Ron with a concerned look on her face.

RON STOPPABLE (CONT'D)

Just a saying. But yeah I really like talking to you a lot K.P. and see you are very nice and you are very fun when you open up and tell me things.

KIM POSSIBLE

Well I guess I am. A lot of people say I'm a really huge loser.

RON STOPPABLE

Says who?

KIM POSSIBLE

A lot of people including the girl who with brown hair and thinks she has the morale high ground in almost everything apparently.

RON STOPPABLE

Well you can't let her get to you K.P. Look if you want to make the cheer team, I can help you practice maybe Friday or this weekend or so.

KIM POSSIBLE

They are this afternoon.

RON STOPPABLE

Oh dang, maybe next year or so. We will have a lot of time by then.

As Kim and Ron are sitting down they hear a noise up in the ceiling and they hear someone laughing.

RON STOPPABLE (CONT'D)
What the?!...

KIM POSSIBLE
It looks like someone is inside
the ceiling. Come on.

Kim and Ron start running and they get into one of the closets and they climb up the walls and they get into one of the air vents and start crawling.

RON STOPPABLE
Wow the inside of the inside of
the school is not pretty.

KIM POSSIBLE
Just keep going.

Kim and Ron keep on crawling and they drop into another special room that is part of the upstairs building.

Kim and Ron land on the ground and they hear a lot of random party music playing and they hear the boy laughing.

WADE LOAD
Oh my god this is really funny...

Wade keeps on laughing.

KIM POSSIBLE
Excuse me.

Wade turns back and he has a lot of a gray jumpsuit on while watching a show on comedy central.

WADE LOAD
Hi can I help you guys out? Are
you here to watch a TV show with
me?

KIM POSSIBLE
Well no we just herd you laughing
and my new friend and I sneaked up
here and wanted to know who you
were.

WADE LOAD
Oh okay well my name is Wade Load
and I am really good with gadgets
and the way how I was able to get
inside this part of the building
is really amazing. And i use a
spring shoe and fire burner gun in
my pocket as well.

RON STOPPABLE

Sweet lord that sounds dangerous
and really scary. You are really
nuts man!!!!!!...

WADE LOAD

Well it's just a talent Blondie
boy. Do you guys want to have some
chips or crackers or anything?

KIM POSSIBLE

That would be really wonderful.
The food here in this school
already sucks!!!

Wade hands Kim and Ron some cheese it crackers and they
start eating the crackers.

Wade also hands Kim and Ron some soda as well.

Kim, Ron, and Wade start watching a lot of random Youtube
videos all day and they skip their classes.

Ron, and Kim and Wade start laughing at the videos.

CUT TO:

All the school buses leave and Kim and Ron and Wade leave.

KIM POSSIBLE (CONT'D)

Oh no dang it the buses are
leaving. How am I going to get to
home?!...

WADE LOAD

Not to worry pretty lady I have
something that might work. Follow
me.

The three of them start walking to the back of the school
and they see Wade's bike.

KIM POSSIBLE

I'm sorry Wade but I don't think
your little bike is really not
going to work in terms of taking
all of us home.

WADE LOAD

No, no, this is not just a bike...

Wade presses a button and the bike starts transforms into a
futuristic car.

RON STOPPABLE

Holy bananas!!!!!! How in the world did you build that thing?!...

WADE LOAD

Well it's very complicated on how I built it but it's really my bike and I put a lot of very small expanding metals in there that connect to each other and they start forming into another vehicle and then my bike tires do the same as well.

KIM POSSIBLE

Wow Wade your are genius!!!

They all start going into the car and Kim goes into compartment and Ron goes into the next one.

WADE LOAD

Alright hold my new friends.

Wade starts turning on the car and all of sudden the car starts going really fast and it starts going really fast on the highway.

Everybody in the car starts screaming and yelling in excitement.

Wade's car starts going through a lot of parts of Middleton.

Kim is really amazed at her world around her that she does not see.

Kim slowly starts to smile as she sees the lights in front of her eyes.

Wade keeps on driving and he sees Google maps on one screen and the other screen for looking forward as he is driving.

RON STOPPABLE

Wade I think we are going really fast buddy!!!!...

WADE LOAD

Don't worry I use a lighting technology that disguise this thing as my bike so they can't really see this car on the road.

RON STOPPABLE

But what happens if you run out of that stuff?

WADE LOAD

It's really easy to make.

Wade keeps on driving and Wade takes another left turn to enter Kim's neighborhood. Wade ejects Kim out of her compartment and Kim lands on the ground really softly.

WADE LOAD (CONT'D)

Well baby girl, we are here at your place.

KIM POSSIBLE

How did you know where to go?

WADE LOAD

Well it's easy I have the list of address of people that go to our school.

RON STOPPABLE

Oh okay that really just seems really wrong.

KIM POSSIBLE

Well either way, I just want to thank you for taking me home Wade.

WADE LOAD

Your welcome Wade, and if you want I can pick you up tomorrow as well. Since I'm new here.

KIM POSSIBLE

Wade that would be really wonderful.

WADE LOAD

Well I gotta go. I'll see you tomorrow Kim.

Wade gets back on his bike and bike turns back into his futuristic car and Wade starts taking Ron home.

Kim slowly starts walking into her house and she sneaks into her home without her parents seeing her.

Kim walks into her bedroom and she starts going to bed.

CUT TO:

INT. KIM'S BEDROOM - MORNING

KIM POSSIBLE

Oh well I was hanging out with my new friends I met.

KIM POSSIBLE

Well their names are Ron and Wade and they even drove me back from school as well.

DR. JAMES POSSIBLE

See I told you high school was not going to be bad after all.

KIM POSSIBLE

It was just only the first day, I still have to get through this week and get some homework done as well as always.

DR. JAMES POSSIBLE

Oh yeah definatly because homework is always really important.

KIM POSSIBLE

Anyway I gotta go. Bye dad.

DR. JAMES POSSIBLE

Bye sweetie.

Kim starts running out the door and she starts waiting for Wade to pick her up.

Kim starts hearing Wade's car show up and the car shows up and Kim jumps in the car. Wade puts the pedal to the metal and he starts going through the roads.

CUT TO:

Wade's car starts passing through some cars and Wade presses button and the car goes up in the air and hoops over student's cars.

Other students are really shocked at the vehicle up in the air and make a lot of crazy remarks. Wade's car lands on the ground and keeps on moving.

RON STOPPABLE

I really didn't know your moving crazy thing can do that Wade.

WADE LOAD

There are many things that this bad boy can do.

The car keeps on going on the road and the car takes another turn and goes into the parking lot. Wade parks the car, Ron and Wade get softly ejected out the car and the car turns back into Wade's bike.

WADE LOAD (CONT'D)

And we are here.

KIM POSSIBLE

Yeah Wade your vehicle is incredible. I don't think I can even call it car either.

WADE LOAD

Thanks Kim.

RON STOPPABLE

Yeah espcailly when it's up in the air.

WADE LOAD

Yeah it is really fun.

Wade, Ron, and Kim start walking into the school and as they walk in, they start heading a lot of people in the school talking about the car.

WADE LOAD (CONT'D)

Don't worry you guys nobody will know anything about it by the end of the day.

RON STOPPABLE
How can you be so sure?

WADE LOAD
Well because nobody would ever believe someone like me that owns something like that.

KIM POSSIBLE
Well hopefully just going to class will just ease a lot of things.

CUT TO:

GYM TEACHER

KIM POSSIBLE
That sounds really good I will be there.

GYM TEACHER

Kim goes into the car and the car starts driving off.

CUT TO:

EXT. KIM'S HOUSE - LATE AFTERNOON

Wade's car stops in front of Kim's house.

WADE LOAD

Well You better get going and get
some rest and...

Kim's house lights turn on.

KIM POSSIBLE

Oh no it's my dad...

RON STOPPABLE

What do we do?

KIM POSSIBLE

Just act normal.

James sees Kim outside and walks to her.

KIM POSSIBLE (CONT'D)

Hey dad, I'm sorry that I'm late
again and I won't be late coming
home ever again and...

James smiles and he starts looking at the car.

DR. JAMES POSSIBLE

Wow this car looks really awesome
Kim. I can only guess this is one
of your friend's cars.

WADE LOAD

It sure is. Sorry I'm Wade and I'm
a friend of your daughter's.

RON STOPPABLE

And I'm Ron.

DR. JAMES POSSIBLE

It's a pleasure to meet you boys.
How did you build this car if you
don't mind me asking?

WADE LOAD

Well sir I use this mirco steel
that expands the tiny pieces that
build on the car and is able to
build it in a short amount of time
as well. I also use it for the
tires as well sir.

DR. JAMES POSSIBLE

What brand do you use?

WADE LOAD

Well I usually get the steel from a company called "The New York City science center"

DR. JAMES POSSIBLE

Wow that used to be the company I worked when I was a younger man back in the day. Would you boys like to stay for dinner?

RON STOPPABLE

That would be really wonderful Mr. Possible.

CUT TO:

INT. THE DINNING ROOM - NIGHT

Kim and her family start eating dinner and Wade and Ron are also eating dinner as well with them.

ANN POSSIBLE

So Kim I really didn't know you had any friends and this is really wonderful that you have friends.

KIM POSSIBLE

Well mom I mean my friendship with Ron and Wade is still really new. But so far they are really fun to hang out with.

JIM POSSIBLE

So does that mean you will have a boyfriend?

KIM POSSIBLE

No Jim.

TIM POSSIBLE

Well I don't know you can always do something new, we never freaking see you with anybody. Like you should get wild and go to crazy parties.

ANN POSSIBLE

Boys that is very inappropriate. Kim can do what ever she wants while she is going to high school.

DR. JAMES POSSIBLE

And what do you guys know, you guys are not even old enough to know what high school is like or what it is.

TIM POSSIBLE

I don't know dad. I know we will be very popular when we get there.

RON STOPPABLE

Well I am very sure you boys will. And definatly have to work really hard on that and always have to back it up.

WADE LOAD

And also being that is a very huge responsibility as well.

DR. JAMES POSSIBLE

Yes just like what Wade said.

ANN POSSIBLE

So Wade, where do you live?

WADE LOAD

Oh well I live with my parents in the Johnston estate.

ANN POSSIBLE

Oh wow nice. I bet your parents are super proud of you. I mean when I came in through the door, you just have an amazing car.

WADE LOAD

Well Mrs. Possible it's not really car it's more a mutant car in a sense because I'm using expanding little metals and connecting them.

DR. JAMES POSSIBLE

It's kind like what I use to work on back in New York City.

ANN POSSIBLE

Oh wow that's really wonderful. Is there a story on how you got that stuff?

WADE LOAD

Well no actually. I mean remember when I use to live in Philly I remember working on it with a certain green chemical and a man with black hair and glasses gave the metals to me.

DR. JAMES POSSIBLE

That's really interesting because I knew somebody that looked like that in the past.

KIM POSSIBLE

Do you think he is still alive dad?

DR. JAMES POSSIBLE

I don't know. But I just I never see him again because I know he was really not a good person.

ANN POSSIBLE

So what about you Ron? Is there anything you would like to share and what do you like to do when you are not at school?

RON STOPPABLE

Well I really like to watch wrestling and then I also like to watch TV. And then I love to eat at the Bueno nacho a lot since I moved here.

DR. JAMES POSSIBLE

That's really interesting Ron. So what do you kids plan on doing this weekend?

WADE LOAD

Well so far we have no plans. But Kim made the cheer team today.

ANN POSSIBLE

You did?!.....Honey that is fantastic. We are so proud of you.

KIM POSSIBLE

Thanks mom. Yeah I start tomorrow and it should be really interesting.

DR. JAMES POSSIBLE
Well I think your going to do
really well Kimmy. I can't wait to
see you cheer at the football and
basketball games.

KIM POSSIBLE
Oh yeah I just can't wait.

CUT TO:

INT. THE HIGH SCHOOL - AFTERNOON

Kim walks out of her last class and she starts heading to cheer practice with her bag in her hand. And wearing her uniform.

Kim gets into the gym and she starts waiting for her other cheer members to show up.

The gym teacher shows up early.

GYM TEACHER
As always you are on time.

KIM POSSIBLE
Thank you.

Members of the cheer team including Bonnie show up and she is outraged that Kim is there.

BONNIE ROCKWALLER
What is she doing here?!...I
freaking told you not to come here
or try to tryout.

GYM TEACHER
Bonnie!!!! I gave Kim a tryout and
she passed just give her a chance.

BONNIE ROCKWALLER
Well I'm going to make sure I go
really hard on you.

Bonnie sets her bag down and other members start showing up, All of a sudden, another girl with black hair shows up and she is very quite.

Kim sees the other girl as she is goes to her.

KIM POSSIBLE
Hi I'm Kim.

The girl simply ignores her.

CUT TO:

The girls start practicing and doing a lot of different cheers.

CUT TO:

The team also starts doing a lot of dance moves.

The team also starts doing a lot of tricks and jumping up in the air.

As Kim is cheering and really trying her hardest, Bonnie keeps on pushing Kim out of the way. Kim just gets up and gets back on her feet.

Kim keeps on cheering and the other girl with black hair also slaps Kim in the face with Pam pams.

Kim gets forced to the ground as well.

KIM POSSIBLE (CONT'D)
So far things are looking good...

Kim gets back on her feet and she keeps on dancing and Bonnie trips over Kim. The teacher blows her whistle.

GYM TEACHER
Bonnie!!!!!!!

Bonnie shrugs her shoulders and gives Kim a tongue out sign.

Kim gets up again and she sees the teacher talking to Bonnie.

KIM POSSIBLE
Man this year I'm a much bigger
loser then I was ever before...

Kim feels really sad deep inside.

FADE TO:

The practice is over and the girls are walking out of the gym.

Kim walks out of the gym by herself feeling really sad and depressed.

As Kim is walking out of the school, she sees the girl with black hair and Kim starts running to her.

KIM POSSIBLE (CONT'D)
Hey you with the black hair.

The girl turns back and sees Kim.

KIM POSSIBLE (CONT'D)

I am really glad I caught up to you. I just really wanted to get to know you and see what your like.

SHELBY GONESLEMEN

There is really nothing there is to no about me. I am.

KIM POSSIBLE

That's not true, I mean I know your quite and all but You seem like a person that's been on the team for a long time.

SHELBY GONESLEMEN

Nobody cares if your senior, it just depends on your personality. Why are you even talking to me anyway?

KIM POSSIBLE

I don't know I mean I just wanted to get to know you and you seemed approachable and I thought because of that, you would want to meet me and I thought you are nice.

SHELBY GONESLEMEN

Nobody is nice in this world. And there is more to life then just going to school red. Now I have to go home.

Shelby walks away and she starts walking home from school.

Kim sees Shelby walk and all of a sudden Kim starts running to her.

KIM POSSIBLE

I don't think you should be walking by yourself!!!...

Kim keeps on running and she ends up on the street and it's really dark outside.

Kim keeps on walking and as Kim is walking a strange fancy looking car starts flashing the car lights at her.

Kim turns back and Kim gets really scarred and she starts running and the car starts chasing her.

Kim starts running in the forest and car starts following her.

Kim jumps up in the air. and she hides in one of the trees.

A man in a suit and tie gets out of the car.

Kim slowly climbs down the tree and sees the man face to face.

DREW THEODORE P. LIPSKY
 Sorry about that, Sometimes my car
 can be scary at times. I noticed
 you were walking by yourself.

Kim really does not say a word.

DREW THEODORE P. LIPSKY (CONT'D)
 Ah I can see you are really shy.
 Come on I will get you out of
 here.

KIM POSSIBLE
 No thanks. My dad told me never to
 get in the car with strangers...

DREW THEODORE P. LIPSKY
 Well if you stay in the cold
 chances are you are going to catch
 a cold and be late for school the
 next day.

KIM POSSIBLE
 Oh okay fine.

Kim goes into the car and Drew starts driving off.

KIM POSSIBLE (CONT'D)
 You don't by any chance know where
 a girl with black hair went. Do
 you?

DREW THEODORE P. LIPSKY
 Kid, I see a lot of crazy high
 schoolers walking on the road all
 the time.

KIM POSSIBLE
 But then what is so special about
 me then?

DREW THEODORE P. LIPSKY
 Nothing but I saw you going in the
 forest and I noticed your hair
 color from a scientist that I used
 to know back when I was younger.
 Oh dear lord, where I my manners?
 I'm Dr. Drew Lipsky Scientist at
 New York Science building.

KIM POSSIBLE
 Kim Possible.

DREW THEODORE P. LIPSKY
 Possible? Oh Your James's daughter
 Now I know why that name rings a
 bell to me.

KIM POSSIBLE
 You knew my father?

DREW THEODORE P. LIPSKY
 Oh yes my dear. Your father and I
 go back years ago when I was
 working on a cerium with him. And
 when it went wrong, he moved over
 here to this state.

KIM POSSIBLE
 Sadly I don't know anything about
 science though sir.

DREW THEODORE P. LIPSKY
 Oh I'm sure you don't kid. But if
 you ever need a ride home just
 call me.

KIM POSSIBLE
 Oh okay that's offley very kind of
 you sir.

Lipsky keeps on driving his car and she drops off Kim
 around her neighborhood.

Lipsky starts driving off into the darkness.

Kim feels really confused and she just starts walking home
 as she enters her neighborhood.

CUT TO:

Lipsky's car starts going into a secret passage way.

Lipsky parks his car and Lipsky gets out of his car and his
 skin starts turning blue and his suit jacket starts turning
 light blue.

Lipsky starts walking into his secret lair and he starts turning everything on in the room.

DR. DRAKEN

Soon, I will be able to destroy the world and also destroy The Possible Family and also kidnap my moral enemy Dr. James Possible. And it's too bad his dumb little daughter does not anything about me and I'm going to screw and kill everyone that stands in my way.

Draken feels more rage and anger going through him and he starts growling.

DR. DRAKEN (CONT'D)

.....KILL THEM ALL!!!!!!.....

Draken starts turning on more machines and they are more weapons being built. Draken does a very creepy smile.

CUT TO:

Kim gets so fed up that she slams Bonnie against a locker room.

BONNIE ROCKWALLER (CONT'D)

KIM POSSIBLE

Well from your tone, I would certainly would love to knock you out...But I'm not going to do that because it's not right.

Kim slowly clams down and controls herself.

BONNIE ROCKWALLER

Yeah just what I thought...See you around little thing...

Kim takes a breath and just gets on to what she is doing.

MONIQUE

Oh my god. Damn girl you almost knocked the girl out. Man I really didn't know you had it in you.

KIM POSSIBLE

It's just a part of myself that I do not revel and kind of another reason why I do not have a lot of friends.

MONIQUE

Well I really like you a lot and we should do something sometime just you and me.

Where this place will give me
nothing.

KIM POSSIBLE
