The Walt Disney logo starts.

And as the logo intro starts, it starts with a lot of magic going around castle.

FADE TO:

EXT. A RANDOM LIBRARY IN LONDON - MORNING

A lot of university students are going in there and they start studying in there. And some students are going to classes.

CUT TO:

Some students are in the classroom and outside doing other things.

As some students are studying and having fun, a random young adult with blonde hair and eye glasses gets off the double decker bus and he is wearing a modern day suit and tie.

The young man gets into the school and he starts heading into his job and he works as Liberian and going on the computer.

And parts of the title starts to show up
"Walt Disney pictures presents"

The young man keeps on working in the backroom and keeps on working paper work and then on the computer.

The young man keeps on working and he all of a sudden sees a medieval style book and he starts looking at it and he closes his eyes and he starts flash backing.

He opens his eyes and he slowly starts putting the book down, he also looks up and he sees all of the paintings of the monarchs of the UK and even sees a painting of Queen Elizabeth and King Charles.

He keeps on looking at the paintings.
"The Sword in the Stone"

The young man keeps on working and he starts putting away a lot of books in the library and he sees a lot of kids studying and going through during his day.

He gets done with some of his task and then he finally goes inside his office and he sees a lot of pictures everywhere and and other big time royal related things.

CUT TO:

A young kid goes to school and he starts going into school and he sits down.

And as he is in school, he gets assigned on a report and the Liberian name comes up. And he sees his professor.

LIONEL JAY

Professor Goalson, do I really have to work with Mr. Wartleson, he is really quite and he does not talk to anybody sir, some people say a lot of things about him.

PROFESSOR KYLE GOALSON

Lionel you must work with him on your report or you will fail my class. And I think you will learn a lot from Wartleson.

Lionel gets frustrated.

LIONEL JAY

Ah christ!!!! Bloody Hell...

The professor leaves and Lionel is really mad.

CUT TO:

Lionel walks out of class as class is over and he starts walking to the library.

Lionel finally gets there and he sees Wartleson working and reading a book. And he walks up to him very slowly.

LIONEL JAY (CONT'D)

Mr. Wartleson?....Mr Wartleson.

The librarian turns around and sees him.

ARTHUR WARTLESON

What the devil?!...Who the bloody hell are you?!...

LIONEL JAY

My name is Lionel Jay, my professor wanted me to do a report on you sir. Is it okay if we can start?

ARTHUR WARTLESON

Well I am really busy right now, but I will meet you by the courtroom and we will head to home in Manchester. Don't be late....

LIONEL JAY

Yes sir.

ARTHUR WARTLESON

Good.

Lionel leaves the library and Arthur goes back to work.

CUT TO:

EXT. OUTSIDE THE CAMPUS - DUSK

Lionel is outside and he starts waiting for Arthur and it's really cold.

As Lionel is waiting, he sees the old stone where the sword use to be.

And all of a sudden a fancy looking car pulls up and Lionel sees the car.

And Arthur pulls down his window and talks to him.

ARTHUR WARTLESON

Are you going to stand there in the cold or are you going to get in?

Lionel walks to the car and rides in shot gun and Arthur drives off.

LIONEL JAY

So where we going sir?

ARTHUR WARTLESON

I already told you we are going to my home in Manchester and I will tell you everything there is no about me both the good and the bad.

LIONEL JAY

Alright okay. Man how old are you sir?

ARTHUR WARTLESON

I'm 35 years old. Well hang on very tightly.

Arthur starts driving around really fast and going on the highway.

LIONEL JAY

Mr. Wartleson slow down...you get in trouble with the police.

ARTHUR WARTLESON

Ah the police...Ah they couldn't catch me if they tried...back in my day I rode horses really fast and I went swimming did a lot of physical exercises and my step brother and my step father were tough...nowdays everyone in this country has no balls and all wimps. And also, when was the last time the laws in this country were taken seriously?!...and also when was the last time we had a serious monarch?!....

LIONEL JAY

Well.....

ARTHUR WARTLESON

Yeah thats what I fucking thought...Jesus Christ this country is going down the fucking tubes under Charles!!!!....

LIONEL JAY

Mr. Wartleson?...do you always have to comment and have an opinion on everything?

ARTHUR WARTLESON

If you have seen everything in this country for as long as I have, you will know everything in this country is not the same and hell even the common wealth right now is shrinking like crazy. My god!!!!!!

ARTHUR WARTLESON (CONT'D)

But anyway, i'll stop and get you some food before we get to my house.

Arthur keeps on driving and he sees a Gregg's and they get some food there.

Arthur gets a normal sandwich and a drink and Lionel gets a sandwich and they both sit down.

LIONEL JAY

So Mr. Wartleson, do you always drive to work?

ARTHUR WARTLESON

No I don't. I always take the bus just because to keep myself fit cause it is getting hard to drive in London especially with the current prime minster. But that's something for another time.

LIONEL JAY

Oh okay. Yeah I have lived here since I was little. And England is not the same country like it once was.

ARTHUR WARTLESON

Ha!!! Once was?...oh you are so mad!!! You grew up during all of this new stuff and new world this and new world that, and Tony Blair smiling in your face and him smiling like a fucking idiot and saying "don't worry I will take care of all of you" or my personal favorite "I want to talk about the working class" what a load of bullocks.

ARTHUR WARTLESON (CONT'D)

In my day we had real leaders not people pretending to be leaders!!!!...anyway lets go.

CUT TO:

Arthur keeps on driving his car and Lionel is riding shot gun.

ARTHUR WARTLESON (CONT'D)

I will tell you everything there is to know about me and everything I tell you is true. And if you write something in your report that is not I will tell you bugger off.

LIONEL JAY

Alright okay Mr. Wartleson.

ARTHUR WARTLESON

Also my name is not really Arthur Wartleson. It's a name I made up and have been Arthur Wartleson since 1920's...

LIONEL JAY
1920's but you don't look old...

ARTHUR WARTLESON
Age wise I'm not old but mentally I
am and brain wise I am. Now lets go
in.

CUT TO:

Arthur and Lionel go inside Arthur's home and it's this really huge house 3 story mansion and it's beautiful and gorgeous.

And they get inside and there is a lot of royal related stuff and statues and artifacts and paintings and other photos.

Lionel keeps on looking around and he sees photos of Arthur in all of this historic events and sees a picture of him with Princess Diana and Queen Elizabeth and one with King George and 6th.

Lionel keeps on looking around and he sees a giant painting of Arthur in his king outfit and wearing his crown and holding his scepter.

LIONEL JAY
Mr. Wartleson I love this painting.
I never knew that you were related
to the royal family. And I have
learned about all the kings and
queens in history but never this
one. Was this king in your grandpa?

Arthur hears Lionel and walks over to him.

ARTHUR WARTLESON
My grandpa...NOOOOO you idiot!!!!
That is not my grandpa that is me
in that painting!!! My grandpa was
not king, I was once a king...all
of these pictures are not of my
grandpa, not my uncle or my
brother, I met and knew all of
these people and I worked in the
royal family and without me there
would be no royal family and I bet
your school never taught you
anything about me.

LIONEL JAY
Oh I'm sorry Mr. Wartleson and I'm
sorry that I insulted you and
offended you sir.

ARTHUR WARTLESON

No it's not your fault, kids these days are brain washed and don't know anything about the real history of this great empire that I started. My goodness the labor party is full of communist and full of lies!!!!

ARTHUR WARTLESON (CONT'D)

Anyway I'll make you some tea and we will get started.

LIONEL JAY

Alright okay sir.

CUT TO:

INT. INSIDE ARTHUR'S STUDY - NIGHT

Arthur and Lionel sit down and Arthur gives Lionel some tea.

LIONEL JAY

Thank you.

ARTHUR WARTLESON

Your welcome. So where did you want to start?

LIONEL JAY

ARTHUR WARTLESON

Well I was born around Portcawl back around the water and I never knew anything about my real parents...other then the 1st war under 1st king and for a while England wasn't ruled by anybody for a long time....

KING LEODEGRANCE

Mim!!!!!!!!!!!!.....

MADAM MIM

Hello your highness!!!! It's a pity
you never choose me to help you or
advice you.

KING LEODEGRANCE

The main reason I didn't choose you
was because of how crazy you are
and you are wicked and evil Mim.

MADAM MIM

Oh I think you should have never said that because now because of your judgement, the whole empire and kingdom is mine and so will your wife and daughter!!!!

KING LEODEGRANCE

You will never get their hands on them you purple haired bitch!!!!

The King kicks mim in the face and throws a lot of sword attacks at her and a lot of punches and kicks at her. Mim over powers him and throws a lot of magic and lighting at him and electrocutes him very badly. And Mim transforms into a bear and she starts attacking and stabbing him and transforms into rhino and stabs him.

And King Leodergrance falls to his death and blood is on the ground.

Mim walks over to him.

MADAM MIM

You have lost and now I am the queen now!!!!

KING LEODEGRANCE

(weak voice)

No...this country will never bow down to you. And god will select an air.

As the king is bleeding really badly he starts holding up his hand.

CUT TO:

All of a sudden out of the sky, a lot of magic comes from the sky and it starts to beam down on a stone that is by Westminster Abby.

And the sword starts getting created and also words start getting carved on the sword.

CUT TO:

Queen Grace and Princess Guinerve keep on trying to escape. And the whole castle begins to shake.

YOUNG PRINCESS GUINEVERE

QUEEN CONSORT GRACE

JUDE
Well hello little pretties...Mim is going to want to have a lot of with you.

CASPIAN
Oh yes I agree Jude. Indeed she will want these lovely ladies especially this little one.

Caspian starts touching the princess. And starts laughing.

CASPIAN (CONT'D)
Ah so sweet and innocent.

QUEEN CONSORT GRACE
Don't touch her!!!!!!

JUDE
(yelling)
SHUT THE FUCK UP!!!!!!!!!!!!

Jude all of a sudden transforms racoon and bites her and knocks her out.

YOUNG PRINCESS GUINEVERE
Grand mother!!!!!!.....

MADAM MIM

Good..well do done Caspian. Now leave us.

JUDE

Yes my lady...

Jude and Caspian leave the room and shut the door. And Mim looks at the queen consort and the princess.

MADAM MIM

Well hello your majesty. Do you two know who I am?....

QUEEN CONSORT GRACE

If anything you are nothing but filth and full of evil and bitterness and my son in law would never want you to advice him. And you were an evil advisor that stole everything under the noise!!!!!!....And I'm not afraid of your spells and your nonsense!!!!!!...

MADAM MIM

Well how rude of you to say all of those things your majesty but I think killing you two would be to easy to do and since I am new queen. I will now re-write everything and make sure know one knows about the reign of King Leodegrace or you or the princess.

QUEEN CONSORT GRACE

You will do none of the sort!!!! And all of that is bunch of bull shit!!!! The world will know the truth!!!! And the princess will never do what you ask!!!!

MADAM MIM

Oh I beg to differ. Guards!!!!!!...

All of a sudden evil looking black knights show up and have the mom.

YOUNG PRINCESS GUINEVERE
Mother....

QUEEN CONSORT GRACE

QUEEN MATILIDA
(weak voice)
Mummy....get out of here with
Guinevere Leo is dead...

QUEEN CONSORT GRACE
You will let go of her at once

MADAM MIM
You see Queen Grace, your daughter
will die very soon because I
poisoned her and very soon in matter

she will be the last queen of
England!!!!!!

QUEEN CONSORT GRACE
No she will not, Guinevere will be
queen of this country and that is a
lie.

MADAM MIM

All of a sudden the guards drop the Queen and she faints to
the ground.

QUEEN CONSORT GRACE
Matilda.

YOUNG PRINCESS GUINEVERE
Mother!!!!....

YOUNG PRINCESS GUINEVERE
(crying)

All of a sudden the evil guards start taking her away. And the other guards start dragging the Queen Consort and the princess to another cart and they are tied up in ropes and taken away and the kingdom continues to burn to the ground.

CUT TO:

The queen consort and princess are taken to another fortress and Mim has her wand and staff. And both of them are breathing really heavily.

YOUNG PRINCESS GUINEVERE (CONT'D)

Grand-mother what is going to happen to us?

QUEEN CONSORT GRACE

I don't know but we have to stay together no matter what happens.

Mim gets very close to them.

MADAM MIM

You know I believe I won't kill you two of you but I think I have something much for the former queen consort and princess. Guards!!!!, strip the queen and princess and remove their clothing and have them in the nude!!!!

EVIL KNIGHT 1

Yes my lady.

All of a sudden the evil knights start stripping the queen consort and princess and burning their dresses and their crowns.

And all of a sudden they are butt naked in front of Mim.

MADAM MIM

And have a good look at yourselves without clothing because...it will be the last time you two will be humans and you two now be squirrels for the remainder of your lives. A Squireinta Romanca!!!!!!!!!!

Mim starts waving the wand and casting her evil spell on the princess and queen consort.

The princess starts getting really scarred and starts crying and all of a sudden there is dark magic everywhere and the princess begins turning into red squirrel and the queen consort starts transforming into a red squirrel.

The queen consort and princess are transformed into squirrels and are put into cages by the knights.

And the people gather around the main house of the village.

THE NEWS PERSON

Oyi!!! Oyi!!!!!! We have sad news

Queen has been murdered and so has
the princess and Queen Consort.

And everyone is really shocked and really sad. And everyone in the village is crying.

THE NEWS PERSON (CONT'D)

And I have herd the news from god
that who ever lifts the sword from
the stone will be the new king and
air to the thorn.

A lot of young men are lifting the sword but with no luck over the years.

And the village gets even more darker.

The red squirrels manage to break out their cages and the queen consort and princess escape and start running out of the fortress.

CUT TO:

The guards and Caspian and Jude see what happen.

JUDE

The Queen and princess have escaped. Find them!!!!...

Jude and Caspian transform into evil looking wolves and they start running into the forest.

The princess and queen keep on running as squirrels and on to the trees and they hear black wolves coming after them and they keep on running and running until they get to the top.

The black wolves keep on barking violently and with a lot of rage.

And the squirrels keep on running and climbing up. And they find a whole to go into in the tree and hide there.

The squirrels start to chip at each other and talk to each other telepathically.

QUEEN CONSORT GRACE

(telepathically)

I don't know when we will ever humans again but we have to stay here as much we can and hope one day we are humans again.

YOUNG PRINCESS GUINEVERE

(telepathically)

I love you grand mother...

QUEEN CONSORT GRACE

(telepathically)

I love you too my love.

There is thunder and lighting in the woods. And it starts to rain.

FADE TO BLACK.

FADE TO:

EXT. IN THE WOODS - MORNING

All of a sudden an older man wearing blue clothing and with white hair starts bringing in some water.

MERLIN

Ah my lord, it's getting harder and harder to find any water for tea and I know I can't rely on my magic for everything.

And Merlin goes into the house and he starts sitting down at his table.

And Merlin starts drinking his tea. And all of a sudden a brown owl starts flying into the house.

ARCHIMEDES

Having a tough time in the well this morning Merlin?

Merlin looks up and sees Archimedes

MERLIN

I believe so Archimedes. I just swear to myself this kingdom and this land is getting worse and worse without a king or queen or a ruler in general. And everywhere I go there is rioting and people fighting and people on the streets.

MERLIN (CONT'D)

Well i guess doing some of magic visions wouldn't hurt.

ARCHIMEDES

Well you can try but I have seen these before sir and they don't always come true.

MERLIN

Well that's because these things will happen in the future and we don't have the technology or the man power yet. And there is no rule of law either and people are not smart in this land too. Anyway here we go.

Merlin starts doing some of his magic and using his wand and some of his magic smoke starts seeing a lot of visions.

All of a sudden there is an evil looking wolf roaming around and looking for food and has evil in his eyes.

Archimedes sees the vision.

ARCHIMEDES

So what's going on sir?

MERLIN

Well so far I see a wolf, but it's a not a normal one and he has evil green and red evils and it looks human in a sense. And then I also see 2 red squirrels that are female jumping and running on top of the trees and they look like they are hiding from that wolf. And squirrels look like they once were humans as well. If was younger I would try to rescue them. But sadly I'm an old man.

ARCHIMEDES

Well you can always find someone to train and find someone who you might pass your magic and your spells on.

MERLIN

Archimedes that's a really great and a really wonderful and a really fantastic idea. But it has to be the right boy and the right young man.

Merlin uses more of his magic and he starts seeing Kay and Arthur.

MERLIN (CONT'D)

Alright maybe not that fellow he looks mean and arrogant and ignorant and he looks like is really full of himself as well.

MERLIN (CONT'D)

But this boy with him...he looks trainable and it looks like he is happy and normal and from his face he is trying to not to disappoint him. Archimedes, we need to go look for that boy. Lets go.

ARCHIMEDES

Merlin, I don't know, he could be anywhere in the woods, how are we going to find him and what makes you believe he will listen to you?

MERLIN

I think he will by the look on his face. Lets go.

FADE TO:

Wart and Kay in the woods and they are walking deeper and deeper in the forest.

KAY

Jesus Christ Wart, hustle the fuck up, Jesus you are slow as shit!!!

ARTHUR/WART

I'm sorry Kay it's just that I don't have the muscles or the speed like you do.

KAY

Well keep up Wart, your lucky father adopted you otherwise you would die in the woods or be dead somewhere and it's a privilege to be my servant and that's all you will ever be Wart. Now hand me a god damn arrow!!!!!!!

ARTHUR

Alright okay Kay.

Arthur hands Kay an hour and kay grabs the arrow and is beginning to aim

KAY

Climb up and let me know if you see anything.

Arthur starts climbing the tree and he starts seeing if there is animals going through.

As Arthur is on the tree, the red squirrel sees him from far way. And the red squirrel closes her eyes.

YOUNG PRINCESS GUINEVERE

(telepathy)

Hello I am princess Guineverve, I am in the woods and please somebody help us....

And the red squirrel sends the message to Arthur and Arthur hears the talking and Arthur turns back.

Arthur ends up falling off the tree and lands on Kay.

KAY

What the fuck?!...What the devil?!... Ah Christ!!!! Now look what you did you small, non muscular, piece of shit and small little bugger you are!!! YOU MADE ME LOOSE MY LAST ARROW!!!! God you are so stupid Wart!!!!

ARTHUR

I'm sorry Kay, I mean I was on the tree and then the next thing I know I herd a voice talking to me and then I turned back and I fell off.

KAY

What voices, we are the only people that are here!!!!

ARTHUR

Well I'll go in the woods and look for it.

KAY

Are you fucking mad!!!!?...you can't go in that dark bloody thing, there are wolves and other dangerous animals there. But suit yourself I won't stop you.

Arthur starts running into the woods and he starts running deeper and deeper.

As Arthur is in the woods, he starts hearing more voices by the princess.

YOUNG PRINCESS GUINEVERE

(telepathy)

Please help me and my grand mother, we are trapped. Please save me...

Arthur keeps on running and as Arthur keeps on running Caspian is also in the woods and he does a soft evil laugh.

CASPIAN

Oh you are as good as dead boy and we will make sure you never save the princess or the queen consort.

All of a sudden Caspian transforms into an evil looking wolf and starts falling Arthur. And Arthur keeps on running.

Arthur stops running and he gets to the edge of the river. And Arthur finds the arrow. And he grabs the arrow.

All of a sudden, Arthur hears a wolf behind and the wolf starts making a lot of names. And Arthur turns back and he is really scarred.

CASPIAN (CONT'D)

(telepathy)

It's time for you to die young
boy!!!!

All of a sudden the wolf runs towards Arthur and attacks him with a lot of Arthur tries to get free and Caspian gives him a lot of bites and cuts and Arthur does some kicks and punches of his own.

As Arthur is getting beat up and almost on the brink of death, Merlin is in the bushes and Merlin uses a spell to transform into a lion.

All of a sudden a blue lion shows up and the blue lion does a mighty roar and Merlin starts fighting Caspian and throwing a lot of lion attacks including some bites and some punches.

Caspian throws some wolf attacks at Merlin and bites him really hard and Merlin does a mighty lion roar and throws more hits and bites at Caspian and Merlin bites and grabs Caspian and throwing him everyone.

Merlin is able to knock out Caspian and throw him against a tree.

Merlin does another lion roar and he starts breaking some tree branches and he starts making a bed with leaves.

Merlin starts transforms into a human and he starts making the ropes and and starts making the bed.

Merlin puts on the ropes and Merlin uses another spell and he transforms back into a lion and Merlin keeps on running in the woods while carrying a knocked out and beat up Wart.

Merlin keeps on running as fast as he could as a lion and Caspian wakes up and sees Merlin and starts chasing him in the woods.

CUT TO:

Merlin keeps on running while carrying Wart and Caspian shows up and does a big time jump and does a wolf sound and wolf hiss.

Merlin gets back to his house. And Merlin transforms into a house and puts Arthur in the house and keeps him safe.

All of a sudden Caspian shows up and does an evil wolf hiss and wolf barks.

CASPIAN (CONT'D)

(telepathy)

It's all over old man!!!! And Mim already rules this whole kingdom and soon everyone will fear her and this whole land will be hers.

MERLIN

(telepathy)

Mim is not the queen of England. And you and Mim will never rule this land and England will soon have a king and true ruler once again!!!!!! And I rather die protecting the old order and now this new radicla underground one run by a bunch of uneducated fools like yourself!!!!!!

CASPIAN

(telepathy)

Well then it's time to die and kill you old man!!!!

Caspian does another wolf sound and runs towards Merlin and Merlin casts a spell and Merlin transforms into a lion and Merlin starts fighting Caspian and throwing a lot of Lion attacks and Merlin throws a lot of bites and and hits at him.

Caspian bites Merlin body slams Merlin against the wall and Merlin gets body slams against Caspian and bites him and throws him. And Merlin does a lion punch and Merlin does another lion roar and body slams Caspian really badly. And Merlin does another lion roar and destroys a tree and a huge tree falls on Caspian falls on him really brutally.

Merlin runs over to Caspian. And Caspian is in a lot of pain.

CASPIAN (CONT'D)

(telepathy)

You might have won Merlin, But Min is superior to you and you need to face the fact that England will never have a king and nobody will ever pull the sword out of the stone and that nobody believes in the old order of the old king.

MERLIN

(telepathy)

I refuse to believe any of that bull shit and your radical and evil thinking of yours. Now Fuck off and get out of my fucking sight!!!!

The evil wolf gets up and he starts running around.

Archimedes catches up to Merlin.

And Merlin turns back into a human again using his magic.

ARCHIMEDES

Jesus Christ sir what happened. Oh bloody hell you are bleeding!!!

MERLIN

I know Archimedes I was attacked by Caspian again.

ARCHIMEDES

Who sir?

MERLIN

One of Mim's evil enforcers and Min still believers with her evil and wicked magic that she is ruler of England and also her and her evil and arrogant men of hers are the reason England is in this fucking mess.

ARCHIMEDES

Isn't she the reason why that Queen Consort and princess disappeared or possibly could be dead sir?

MERLIN

It's not true Archimedes. That's Min wants us and the masses of this country to believe, but we know the princess and the Queen Consort are alive and we will find them and it's all part of the plan. But enough about that, I recused the boy and put him inside and we have to train him very quickly. Because Archimedes I'm getting too old to be fighting men like Caspian and other evil men like him that have a lot of magic.

CUT TO:

INT. MERLIN'S HOME IN THE WOODS - AFTERNOON

Merlin starts making Arthur some tea and also making him some food.

Merlin gets done making him some food and Merlin ends up serving him.

MERLIN

Come on now lad, you need to eat and also wake up.

Arthur begins to wake up. And he sees Merlin.

MERLIN (CONT'D)

Hello boy, it's alright, your safe and nobody here is going to hurt you.

ARTHUR

Who are you? And why am I here?

MERLIN

You were attached by an evil and magical wolf who in reality was an evil enforcer to an evil witch name Madam Mim . And I saved you using my magic. What's your name boy?

ARTHUR

I'm Arthur...but my step father Sir Ector and my step brother sir Kay call me Wart.

MERLIN

That's kind of an odd and a very insulting name. And it sounds like they view you as less and not worthy of anything. Arthur, have you always wanted to know what you wanted to be when you were older?

ARTHUR

Well if I had things my way, I would just be normal knight and just live on my own even if England has no king. And just work in a shop somewhere as well. But sadly...my step father wants me to work as Kay's servant because my step father believes that Kay will worthy to pull the sword from the stone. And so I have to help Kay be ready for a lot of knight related battles. And hopefully I will be one when I'm older.

MERLIN

Well I'm sorry to say this to you Arthur. But I don't know if being a knight or being a normal shop worker is in your future. And I can see you doing a lot more in your life. What if I told you that you would be the one pulling the sword from the stone.

ARTHUR

There is no way that would be possible. Because I'm not athletic or muscular like Kay and I am not charming like he is. Plus everybody in the kingdom always tells him how I'm nothing to tell when they see Kay, they see a future king, when they look at him, people spit at me and make fun of me and think of me as weak and stupid and small.

MERLIN

That's Kay and Sir Ector talking. And also those people are idiots are Arthur.

(MORE)

MERLIN (CONT'D)

I have seen visions of you doing great things even if you don't see it, and even if you don't become king or pull the sword, Arthur, I can train you to be even more powerful and more smart and more bright than your step father and step brother. And with my magic I can make you strong, muscular and smart. And Arthur I can take you to places that Kay and Sir Ector would never take you to. And in time when training is done, I know you will be the one to save the princess and her grand mother who are trapped in the woods by Mim.

ARTHUR

I don't know sir, I have chores and things I have to do for Kay and Ector.

MERLIN

You leave them to me lad. And Arthur, I want to pass my knowledge to you because I'm getting too old to be fighting evil men and I know England will have a ruler or king again and we don't know who it might be. But it could be you under my training and England is covered in shit and I'll tell you right now Kay is not worthy and to be honest, he doesn't know about people like Mim and her evil enforcers ruling this land with fear and evil until it's too late like you and I do. Or that the princess and the queen are alive.

ARTHUR

So that's who was talking to me in my head...it was the princess.

MERLIN

And we will find her and her grand mother...but first I need to train you. What do you say?

Arthur starts thinking about it for a little bit. And Archimedes is in the room too.

And Arthur turns back to Merlin.

ARTHUR

Sure I will learn everything from you. And what ever it takes.

MERLIN

Good.

Merlin also shows Arthur the arrow.

ARTHUR

That's Kay's arrow.

MERLIN

I put it in my pocket after fighting Caspian. Lets get you back to the castle and your training will begin tomorrow.

ARTHUR

Alright okay Merlin.

CUT TO:

INT. ECTOR'S CASTLE - NIGHT

Ector and Kay start eating a cooked chicken and also drinking some wine.

SIR ECTOR

Wart is in the woods?!...Come you never went after him or looked for him. He's going to be your squire very soon. You should have stopped him.

KAY

Look father, He is not my problem. And also I'm not the one who adopted that like boy or that little runt. He is your problem. And I'm not supervising him. And besides, I an always find another Squire.

Kay throws the bones to the who dogs that they have in the castle.

SIR ECTOR

Well I think it was wrong to let him go in the woods by himself even though I don't see him being nothing but your squire once you pull the sword and become king and when the tournaments begin.

KAY

Wart is little and the boy has no muscle or any strength or social skills. And I can find someone who is a lot better father.

The main door of the castle opens and Merlin and Wart enter the castle.

SIR ECTOR

Ah Wart you are here. We never thought you would survive in the woods.

ARTHUR

Well sir, I was in the woods looking for Kay's arrow and we were able to find it.

KAY

Well that was plain stupid of you to do wart, I have plenty of bloody arrows of swords for the tournament and for when I become king you little pest. Now wash the dishes right now!!!!!!...

ARTHUR

Alright Kay.

SIR ECTOR

And while your at it, wash my clothes as well.

ARTHUR

Yes Sir Ector.

Arthur runs along and he starts doing the chores.

ARCHIMEDES

Do you always fucking treat that boy like that?!....Christ!!!!

SIR ECTOR

Who the devil said that?!....

MERLIN

Oh don't mind him, my name is Merlin and I'm a powerful wizard. And My owl Archimedes and I were the ones that said Arthur or Wart as you call him. And I think he can do more then just be a squire for your son. And also I believe your son doesn't know who actually runs this kingdom.

KAY

What the bloody hell are you talking about old man. Nobody runs England right now, that's why the sword is there.

MERLIN

Yes the sword is there, but someone else is running the kingdom behind the dark shadows and underground without anybody or any knight or peasant knowing about it. And I think Arthur needs to be educated and trained in magic so that way he can be a successful squire to you.

SIR ECTOR

Oh that's non sense Merlin, who cares about education, I never got educated I was a knight and worked with last king before he died, and nobody educated me or my boy. Wart does not need training, he is not going to be knight or mound to anything special. And your wasting your time with Arthur.

MERLIN

I think you and your son are really full of yourselves and I don't think or believe you know anything about Arthur or where he came from and he has a lot more potential then all of you would think. But you two just see him as a slave and a servant. And I really believe that is shameful.

SIR ECTOR

Alright, if you are so smart, why don't you prove you are wizard and who you say you are.

MERLIN

Alright I will.

Merlin backs up and Merlin starts waving his wound.

MERLIN (CONT'D)

Higtiguis figitues wind and snow
blow...

All of a sudden a lot of snow and ice start falling on to Kay and kay and Ector start screaming and yelling as the snow begins to fall on them.

SIR ECTOR

Ah Jesus!!!!!! Oh bullocks!!!!!! My
god it is so cold. Stop the snow
fall at once!!!!!!...

KAY

Fucking hell I'm also getting frost
bite!!!!!!

SIR ECTOR

Alright, alright, I believe your
made your point Merlin just make
the snow stop.

Merlin starts waving his wound and he starts making the snow melt.

MERLIN

Now you see I am a wizard and the
only one that is in the kingdom.
And also my magic is only used for
educational purposes and not for
black magic or for destroying or
killing people. And I think that's
why Arthur would be a great
student.

SIR ECTOR

Well I'm not going to allow
this!!!! Arthur will not be
educated and he will be Kay's
Squire for when Kay becomes king
and wins the tournament games and
pulls the sword from the stone
around January.

ARCHIMEDES

Oh that is bull shit!!! What the fucking hell makes you think your boy is going to be able to pull the sword from the stone or win those games?!...Also I don't believe those games won't prepare anybody who participates for the thorn or to be king. And also from flying in the woods, do you think your boy will even be able to save the princess and Queen Consort.

Kay starts laughing.

KAY

The princess and Queen Consort?...The princess, and the queen and queen consort and the princess have been dead for almost 20 years.

ARCHIMEDES

Your wrong, they are alive and Arthur knows that and Merlin and I know that as well. But Mim and her enforcers have spread lies that they are dead.

MERLIN

Archimedes is correct, I fought one of them with my magic and saved the boy from Caspian. But you wouldn't know that unless you actually looked around instead of focusing on the tournament games.

KAY

Father get this stupid old man and his talking owl out of the castle and he is talking a bunch of nonsense!!!!!!!

SIR ECTOR

Yes Get out of here!!!!!! You know nothing about the sword and the old order or about what is best for Wart!!!!!!

MERLIN

His name is Arthur!!!!!! And I will train him weather you two like it or not.

Merlin disappears and Archimedes flies.

CUT TO:

Merlin and Archimedes escaping and taking refuge into one of the abandon rooms in the castle. And Archimedes lands on a book and Merlin transforms back into a human.

ARCHIMEDES

What a dreadful young man that Kay and his father truly are. I don't believe for a matter second that young man will be king. Can't we just kidnap Arthur and have live in the house?

MERLIN

No we can't do that Archimedes, otherwise Sir Ector would send his knights after us. And then we would be locked in his dungeon and then Arthur would not be trained or educated. And England would have no kingdom. And also, I believe the training we will do will prepare Arthur more so then those tournament games Kay is preparing for will ever do.

ARCHIMEDES

And what do we do by then?

MERLIN

You can spy on them and find out what other plans with Wart that they have and then you fly back to me and tell me so that way first thing tomorrow we get the boy.

ARCHIMEDES

Sounds like a plan sir.

All of a sudden Archimedes starts flying out of the room and he starts flying to another room in the castle.

Archimedes lands on the ground and he begins to spy on Kay and Ector.

SIR ECTOR

That Merlin and his owl, training Wart will be a waste of time but if anything it will good to get of Wart and he will get humiliated anyway.

KAY

I agree father, and when I become king it's not like he will get a girlfriend or have a high position to me. He will always be someone doing things for people higher positions of power like myself and you, the boy is completely nothing.

All of a sudden the door opens and it's another older gentlemen.

SIR ECTOR

Ah Pellinore, what brings you to my castle time of night?

SIR PELLINORE

Well Ector I have big news that the kingdom is setting up for the tournament and that Kay passed everything and passed all of the qualifications.

SIR ECTOR

Oh that's wonderful news Pellinore. And I think Kay will do great and will make a great king.

SIR PELLINORE

Ector, winning this tournament and all these challenges will not be that simple and there are other men that are younger than Kay or older than him that also have been training. And also London has proven to be even more un-safe since the king and his family have died.

SIR ECTOR

Well I think with my training. Kay will become king first thing in January and nobody will stop him.

SIR PELLINORE

What about your step son...Arthur.

SIR ECTOR

Why do you care, he is small, he is little, and he is not bright and smart and he is a squire to Kay and he won't do anything serious, he does not even know how to talk a girl or to women. Nobody cares about Arthur.

SIR PELLINORE

But Ector everyone can enter the games, even someone who is small and comes from a village and is a peasant is also competing in the games and going to pull the sword.

SIR ECTOR

Yes and they will loose in a matter of seconds and in a heart beat as well to Kay and Kay will pass them. If anything Arthur is lucky not compete in the tournaments because Kay is more superior.

SIR PELLINORE

Alright what ever you say sir, But I think he can do more then just Kay's squire and I don't believe Kay wouldn't be my first choice to be king, there is a lot of good young men out there that could surprise Kay.

SIR ECTOR

Well Arthur is not worthy to be king and he is not worthy of winning the games or pulling the sword from the stone. And those are facts Pellinore.

SIR ECTOR (CONT'D)

Did you want to stay for a drink?

SIR PELLINORE

Ah no thank you Ector.

SIR ECTOR

Oh non sense. Wart!!!!!!

Arthur comes to Ector.

ARTHUR

Yes sir?

SIR ECTOR

Get us and Pellinore some wine and
get those dishes and clothes done
by tomorrow.

ARTHUR

Yes Sir Ector.

Arthur starts powering the wine into the goblets and brings them to them.

ARTHUR (CONT'D)

Hello Pellinore.

SIR PELLINORE

Hello Arthur. Thank for you for the
wine.

ARTHUR

Your welcome sir.

SIR ECTOR

Run along Arthur, this meeting does
not concern you and you were not
invited now go.

Arthur runs off.

SIR ECTOR (CONT'D)

You see nobody in this kingdom will
never take that boy seriously and
he is just squire and nothing else.

And Pellinore sees Arthur running to his room.

CUT TO:

Arthur runs to his room and his room is not as nice as Kay's
room. And Archimedes shows up.

ARCHIMEDES

Hello Arthur.

ARTHUR

Archimedes what are you doing here?

ARCHIMEDES

I saw the conversation and you will
be trained tomorrow. But you have
to get up very quickly and quietly.

ARTHUR

Alright okay.

Arthur begins to go to sleep and as Arthur is sleeping,

The female red squirrel is climbing across the trees and she jumps and goes into his room. And she starts looking around. And she sees Arthur sleeping.

YOUNG PRINCESS GUINEVERE

(telepathy)

I know that you saw herd me and I will meet you very soon.

The little red squirrel gets out of the room. And she jumps off the window and back into the tree.

A huge female squirrel shows up.

QUEEN CONSORT GRACE

(telepathy)

What are you doing now young lady?

YOUNG PRINCESS GUINEVERE

(telepathy)

I was just looking in a room and I believe I saw a boy who herd my message and he could save us and turn us back into humans grand mother.

QUEEN CONSORT GRACE

(telepathy)

I really hope so young lady. Because we have been in the woods for almost 10 years and I hope one day we do turn back into humans again and hope that boy you saw does help us or see us. And I know we will look very different when we turn back into humans as well.

YOUNG PRINCESS GUINEVERE

(telepathy)

I can't wait to be a human again grand mother, I hope when I do turn into a human again I hope that I am beautiful and strong and athletic and powerful and smart.

QUEEN CONSORT GRACE

(telepathy)

And I know I have grown much older but a male of my junior would wonderful and amazing too. Anyway we have to get some sleep.

The two squirrels start sleeping in a whole and sleeping inside the tree.

QUEEN CONSORT GRACE (CONT'D)
(telepathy)
Good night Guinevere.

YOUNG PRINCESS GUINEVERE
(telepathy)
Good night grand mother.

FADE TO:

INT. ARTHUR'S ROOM IN THE CASTLE - MORNING

Arthur starts to wake up and he begins to start putting his clothes on. And Arthur begins to sneak out of the castle.

Arthur gets out of the castle very peacefully without being seen.

But as Arthur gets out of the castle, Min is in the shadows and she staring at Arthur with her evil eyes.

MADAM MIM
I know that you being trained by
Merlin boy and we will make sure
not only do you not become young
but make sure you die under my
spells.

Mim walks to the water. And Jude shows up.

MADAM MIM (CONT'D)
Jude I want you to be in the river
and find the boy and find Merlin
and kill them in the water.

JUDE
Yes my lady with pleasure.

And with her evil spell turns Jude into an evil looking fish and Mim places Jude in the water. And Jude starts to swim into the water.

And Mim starts to do a soft female evil laugh.

CUT TO:

Arthur ends up going to the front of the castle and Arthur starts looking around.

And Merlin shows up with Archimedes on his right shoulder.

MERLIN

Ah Arthur you are here. Good. I'm glad that you are on time.

ARTHUR

Well I have really nothing to loose and like I said, I'm willing to learn anything you teach me.

MERLIN

Good. Now have you ever wondered about being under-water? Or most importantly...Have you ever sent swimming before?

ARTHUR

No I have not Merlin. Why do you ask?

MERLIN

Well today your listen is about physics and about swimming as fish and how to fight off against the sea-life.

ARTHUR

Sea-life?

MERLIN

Oh yes Arthur, there is a lot of sea-life, some good and some bad, but all lessons will be about using your head and what is around you boy.

MERLIN (CONT'D)

Well anyway it's time to do the spell...Ah bugger I might have forgot the spell. Um...Archimedes do you know the fish spell?

ARCHIMEDES

Um well I don't know. But i'll give it a try. Well..Arkeries Akquias Arkeries Aqua turn en off.

MERLIN

Alright I'll try that. Alright here we go.

Merlin gets out his wound and he starts waving his wound at Wart.

MERLIN (CONT'D)
 Arkeries...Akquiad Aqua en
 off!!!!!!....

Merlin casts the spell and all of a sudden there is a lot of magic around wart and Wart's body begins to vanish. And Arthur's clothes fall on the ground and Arthur jumps out of his clothes as a fish.

ARTHUR
 Merlin I'm a fish and I'm actually
 a fish...

MERLIN
 I know that you are Arthur. Just
 hold still and I'm going to put you
 in the water.

Merlin finally grabs Arthur and put him in the water.

CUT TO:

Arthur is in the water and he starts looking around in the water and he starts see the sea-life around him.

ARTHUR
 Wow!!!!!!! Oh man this is so
 beautiful and gorgeous.

And Arthur sees other fish swim around him and some fish swim past him.

And Merlin finally shows up as a blue fish. And Merlin goes in the water.

MERLIN
 Alright now Arthur. To swim you
 have to move your tail as fast as
 you could but also try to use
 balance. And go left and right and
 up and down.

Arthur tries to do all of those things but he ends up sinking more and more.

MERLIN (CONT'D)
 Just keep moving your tail boy and
 just go left and right. And make
 sure to go up and down as well.

Arthur keeps on swimming and swimming following Merlin as much as he could.

As they keep on swimming, Arthur is amazed at all the sea-life and Arthur counties to swim really well. They keep on swimming and they finally enter the ocean and keep on swimming everywhere around the Atlantic ocean.

And Merlin keeps on teaching Arthur a lot of swimming tricks and going through a lot of objects that have sunked down to the ground.

Arthur starts swimming really fast and Arthur sees a lot of boats that have sunken down and other equipment that is in the water.

As Arthur is in the water, another fish bites on him and Arthur tries to get free.

ARTHUR

Hey let go, let go of me...bugger off.

MERLIN

Now that's just the way it is Arthur. Some fish down here will bother you and will want bug around with you. And it's all about embracing your elements boy.

Arthur and Merlin keep on swimming in the ocean and they finally swim up to the surface and they see view of London.

FADE TO:

Merlin keeps on training Wart in the water and Wart keeps on swimming and getting the hang of everything.

FADE TO:

Arthur and Wart finally get really deep in the water and Arthur keeps on swimming with Merlin.

ARTHUR

Merlin?

MERLIN

Yes boy?

ARTHUR

Do you think I will be a good knight?

MERLIN

I think you will do more then just be a good night or a squire for Kay Arthur.

(MORE)

MERLIN (CONT'D)

And you will be good at whatever you set your mind too boy. And you will make a great impact on this world no matter what you do boy.

ARTHUR

Ah thanks Merlin.

Arthur keep on swimming and they keep on swimming more and more deep and they come across a sunken boat.

And Arthur stops swimming.

MERLIN

What is it boy? You tired of swimming?

ARTHUR

No...I recognize that boat...that's boat my real parents were on during the battle of Leodegrance. And when I was a baby my parents were on that ship...

MERLIN

Did you want to look inside?

ARTHUR

Sure.

Arthur and Merlin start swimming inside the boat and they start looking around.

Arthur keeps looking around and swimming around and sees parts of his father's clothes and his mom's clothes.

ARTHUR (CONT'D)

My mother and father were on this ship...oh...I miss them a lot.

Merlin swims to Arthur and comforts him.

MERLIN

Now, now, it's alright...I know they are up there, and they are very proud of you. Come on lets get out of here.

CUT TO:

All of a sudden Jude is in the water and he is eel fish and he sees Merlin and Arthur inside the boat.

JUDE
 (evil voice)
 Merlin!!!!!!!!!!...

And Jude starts swimming to them and he does an evil angry look as he is swimming in the water.

CUT TO:

Merlin and Arthur begin to swim out and all of a sudden Jude sees them and Arthur gets really scarred. And hides behind Merlin.

JUDE (CONT'D)
 Hello Merlin!!!!!!!!!! I know that I would find you in the boy inside this sunken ship!!!!!!!!!!

MERLIN
 Jude!!!!!!!!!! I knew that you would be here in the water as an eel or what ever bloody thing you are!!!!!!

JUDE
 Hand over the boy and nobody gets eaten or killed!!!!!!!!!!

MERLIN
 It's never going to happen Jude!!! And Mim will never be the queen.

JUDE
 Well I beg to differ on that Merlin and I think you will leave me no choice but you kill you and take the boy!!!!!!!!!!...

All of a sudden Jude does a fish and eel roar in the water and he starts chasing Arthur and Arthur gets really scarred.

MERLIN
 Arthur swim, swim as fast as you can boy and use your head!!!!!!!!!!

Arthur starts swimming out of the ship and Jude starts chasing him and Jude tries to bite Arthur and throws a lot of biting attacks.

Merlin also chases after Jude in the water and Merlin transforms as a great white shark and bites Jude and throws him around and throws him against the broken ship and body slams him against the sand.

Merlin and Jude keep on fighting each other and Jude transforms into an evil looking loch ness monster. And he keeps on bitting Merlin and bites Merlin and starts chomping at him.

And Jude throws Merlin up in the air and into the water and Jude begins to swim really fast and slams Merlin with his head and and Merlin starts to sink in the water.

ARTHUR
Merlin!!!!!!!!!!!!....

Arthur swims to Merlin and Merlin is bleeding really bad in the water.

MERLIN
It's all up to you boy and you need to defeat him.

Jude sees Arthur. And Jude does an evil look and starts chasing Arthur.

JUDE
Here I come boy and it's time for you to die in the water an die under my bites!!!!!!
MUAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA!!!!
!!!!!!!!!!!!

Arthur keeps on swimming and Jude is gaining on Arthur and Arthur keeps on swimming more and more down.

And Arthur keeps on swimming and Arthur sees a random looking wound in the water and Arthur grabs the wound starts moving the wound and Arthur transforms into a Sea-dragon

And Arthur does a dragon roar and Arthur starts fighting Jude and throwing a lot of bites and attacks towards Jude.

Jude attacks Arthur really hard and throws more attacks and bites and roars at Arthur and hits Arthur really hard.

Arthur does another dragon roar and is able to grab Jude and slam him against a mountain and slam really hard and bite him and slam him again.

Jude transforms into a sea-dragon and begins to fight Arthur using the same type of attacks. And there is a huge battle that happens.

CUT TO:

Some people in the villages by the ocean see what is going on and they start getting scarred and frighten.

CUT TO:

Kay and Ector see what is happening.

SIR ECTOR

Kay look there are dragons in the water fighting each other.

KAY

What?!...it can't be!!!!

CUT TO:

Arthur and Jude keep on fighting each other and throwing more bites and attacks at each other.

JUDE

(telepathy)

You are brave boy!!!! But you won't kill or defeat me!!!!!! And your master is good as gone!!!!!! And prepare to die!!!!!!

Jude does another dragon roar and keeps on fighting Arthur and Arthur does another dragon roar and does some attacks towards Jude and Jude bites Arthur and body slams him in the water and shoves him against a moving boat.

And the boat begins to sink with people on it.

ARTHUR

(telepathy)

Don't do this!!!!!! They are just normal people!!!!!!

JUDE

(telepathy)

I will force my authority on this kingdom because Mim is my queen!!!!!!

Arthur does another dragon roar and Arthur starts breathing a lot of fire and parts of the ocean catches on fire and Arthur body slams into Jude and starts going really fast and stabs him on to a mountain. And Arthur is able to kill Jude and Jude roars in pain as a dragon.

And Jude slowly starts dying as a dragon and he turns back into a human and Jude's body starts sinking in the ocean and Arthur turns back into a human and Arthur is butt naked.

Arthur starts swimming in the Atlantic ocean and he starts swimming really fast and tries to move.

Arthur sees Merlin sinking in the water.

ARTHUR
Merlin!!!!!!.....

Arthur dives into the water and he starts swimming down and down and Arthur grabs Merlin and brings him to the surface.

Arthur gets to the surface and he starts breathing very heavily and panting and starts feeling cold.

MERLIN
(weak voice)
Am I dead?

ARTHUR
It's okay just hang in there
Merlin. I got you.

Arthur keeps on swimming as fast he could and he starts feeling the cold of ocean.

Arthur sees more evil creatures attacking them and Arthur grabs Merlin's wound and starts transforming into himself into a shark and attacking other eels coming at him and fighting them.

Arthur keeps on fighting them and he is able to kill them and do a lot of other sharp attacks and kills them.

Arthur uses the wound and transforms into a dolphin and Arthur keeps on swimming on the surface and swimming as fast as he could.

Arthur gets closer and closer to shore and Arthur transforms back into a human and Arthur and Merlin are butt naked.

Arthur lands on the shore and Arthur is panting and breathing really heavily. And Arthur runs to Merlin.

Arthur does CPR on Merlin and trying to give him some air.

ARTHUR (CONT'D)
Come on wake up Merlin. Merlin wake
up!!!!!!...Please wake up
Merlin!!!!.....

Arthur tries pressing on Merlin's chest and Arthur keeps on doing CPR.

ARTHUR (CONT'D)
 Merlin!!!!!!!,
 Merlin!!!!!!...Merlin!!!!!!

Arthur starts getting scarred and really sad and breathing really heavily.

And Archimedes shows up and sees what is going on and flies down.

ARCHIMEDES
 What's going on?!...What happen to
 Merlin boy?!...

ARTHUR
 He was training me on being a fish
 and we were in the ocean and then
 we got attacked Jude. And then I
 used Merlin's wound and started
 fighting Jude and there was a huge
 battle that took place and I was
 able to defeat him in the water.
 And then I saw Merlin sinking and
 then transformed into a dolphin and
 swam to shore as much as I can.

ARTHUR (CONT'D)
 Is he going to be okay
 Archimedes?...

ARCHIMEDES
 It's okay boy...Merlin will be
 okay. Merlin is really strong. He
 is not going to die boy. You did
 the right thing Arthur.

All of a sudden, Merlin starts coughing out a lot of blood.
 And a lot of water.

ARTHUR
 Merlin? Are you okay?

MERLIN
 (weak voice)
 I'm alright boy...and...you saved
 me...in the ocean...Why?....

ARTHUR
 Because I feel like it was the
 right thing to do, I knew that you
 were in danger and so I used to
 your wound to fight to sea dragon.

MERLIN
 (weak voice)
 Is Jude dead?...

ARTHUR
 Yeah Jude is dead Merlin and I was
 able to defeat him. I don't know
 how but by some sort of way I was
 able to kill him.

Merlin begins to get up and get back on his feet.

And Merlin begins to cough out more water.

MERLIN
 And also you have changed
 physically from all the swimming
 and from all the fighting. Look
 Arthur.

Merlin sees a shiny rock and hands the rock to Arthur.

Arthur starts look at his naked body in his reflection and he
 starts to notice that he has gained a lot of muscles and he
 is starting to get taller and his legs have muscles.

ARTHUR
 Oh wow!!!! Oh my god!!!! I have
 muscles and I'm getting bigger. And
 I'm starting to get taller.

MERLIN
 Yes I knew that you would Wart. And
 this is just the beginning Arthur,
 the more training I do and you will
 do under me, you will get stronger
 and more handsome and soon, you can
 do more then just be a squire. Come
 lets get come clothes on and I'll
 take you home.

ARTHUR
 Alright okay Merlin.

Merlin and Arthur start walking away from the shore and
 Archimedes fallows them.

CUT TO:

EXT. AROUND LONDON - AFTERNOON

Everyone sees what happened and they see the sunset going
 down.

The princess and queen consort are in the trees as squirrels.

The princess goes on the ground and she finds some nuts and starts bringing some to the trees and gives them to the queen.

QUEEN CONSORT GRACE
(telepathy)
Did you see what happen on the
ocean?

YOUNG PRINCESS GUINEVERE
(telepathy)
I believe I did grand mother.

QUEEN CONSORT GRACE
(telepathy)
I believe what happened on the
water is a sign that someone in the
water was fighting a dragon and
that he is coming and he might pull
the sword from the stone. And we
have to find him so that he can be
the new king.

YOUNG PRINCESS GUINEVERE
(telepathy)
But how can we find him grand-
mother what if I don't like him?
And what if he is not a nice
person?

QUEEN CONSORT GRACE
(telepathy)
I think you will Guinevere. Come on
lets get back to the woods before
someone hunts us.

As they are about to head back to the woods, the princess
sees Arthur and Merlin with clothes on.

YOUNG PRINCESS GUINEVERE
Please find me my love...I'll be
waiting for you...in the woods. I
want you to kiss me...

Guinevere as red squirrel keeps on following her grand mother
and they start climbing up a tree and Guinevere gets to the
top and looks at the view of London with a sad look on her
face.

And it starts to rain.

CUT TO:

INT. INSIDE ECTOR'S CASTLE - NIGHT

Kay on a wooden sword and it's moving and Kay is doing a lot of training for the tournament.

And Ector shows up.

SIR ECTOR

No kay you can't attack like that, you have to be more aggressive. How are you going to do well in battle if you can't make those attacks.

KAY

I'm trying father...It's just Wart is no here and pulling the wooden horse that I made earlier today. Where the bloody hell is he?!....

SIR ECTOR

I don't know. He better have not have went anywhere otherwise he will have more chores and more things to do and have less time for himself.

Merlin and Arthur open the door to the castle and walk up to Ector and Kay.

And Ector sees Arthur and Merlin and kay gets off the wooden horse.

KAY

(angry tone of voice)

Where the hell were you Wart?!...you were suppose to clean my clothes and my armor and my sword and do the dishes. And so far you have failed to do either of those. You better be here everyday if you want to be my squire when I become king.

ARTHUR

I'm sorry Kay it's just that Merlin was training me and I was being educated by him today.

MERLIN

Young man, your step brother was involved in a great battle that was on the ocean with my magic he battled against an evil sea dragon and an evil eel and pike fish that was none other then Jude one of Min's enforcers and he saved me from drowning in the water as well. And you want to talk about being productive!!!!!!...And he saved London from being destroyed by Jude as well!!!!!!!!!!...

SIR ECTOR

Oh that's right we saw that earlier but there is no way one of the dragons was you Wart. It just can't be because you are so little.

ARTHUR

But it was me sir, and Merlin helped me through out the whole thing.

KAY

I don't believe you, I just can't if anything you fighting a dragon of any kind is laughable. And there is no way he would win.

ARTHUR

But I really did Kay...

SIR ECTOR

Wart don't be ridiculous, you won't be a knight, your just a squire and that's all your going to be. Now your punishment for not being here will be to do wash dishes and wash clothes knight equipment for 4 years!!!!!!!!!!.....

ARTHUR

What?!.....that's bull shit!!!!

SIR ECTOR

Then 10 years then!!!! Get out!!!!
Get to work!!!!

Arthur is really sad and he runs away.

SIR ECTOR (CONT'D)

Dumb child!!!!!! Your wasting your time Merlin, he won't be king and he didn't fight that monster on the ocean.

MERLIN

Yes he did Ector, and also you are an awful step father to him. And Mark my words, your son will never be king because of how he acts and behaves. And even if Wart does not pull the sword from the stone, he behaves like a true king then you or your son will be.

Merlin leaves and he vanishes.

FADE TO:

INT. THE KITCHEN INSIDE ECTOR'S CASTLE - MORNING

Arthur begins to start washing a lot of dishes and a lot of plates and a lot of armor.

As Arthur is doing chores, the female red squirrel is in the tree and she sees Arthur doing chores and she smiles at him.

And the red squirrel goes off and goes into the trees and Arthur smiles. And Merlin shows up.

ARTHUR

Merlin your here, I don't know if you should be here. Ector and Kay are going to have the place surrounded with a lot of knights and guards everywhere and making sure we never see each other.

MERLIN

I'm not too worried about that Wart. Besides I know Ector and Kay are complete idiots and all the guards and knights in the world couldn't catch me, But I wanted to talk to you about your next lesson.

ARTHUR

Oh I wish I could come with you this time Merlin, but Ector and kay are making me do even more dishes and I don't believe I'll be able to escape it.

MERLIN

Jesus Christ, what a god damn mess
this all is, I will take of this.

Merlin starts waving his wand and all of a sudden a lot of the dishes and knight equipment starts going up in the air and the magic starts washing all of the dishes one by one and mopping everywhere in the kitchen and also in the dining room and in the great hall.

ARTHUR

Merlin are you sure doing your
magic is a good idea?

MERLIN

Sure it is Wart, Ector and Kay will
never the difference. Anyway as I
was saying, have you always thought
about squirrel?

ARTHUR

Well I mean we all see them all the
time and they are in the woods and
they wild and they make a lot of
sounds and they always play with
each other and touch and spin
around.

MERLIN

And most importantly they are free
boy and they have no responsibility
and most male ones find a mate very
quickly and I think this lesson
will help with your social skills
as well. Lets go.

Arthur and Merlin run out of the kitchen as the magic is
washing all of the dishes like crazy.

CUT TO:

EXT. THE WOODS AROUND ENGLAND - AFTERNOON

Arthur and Merlin escape the castle and they start heading
into the woods. And as they enter the woods, the princess and
Queen Consort as Squirrels.

YOUNG PRINCESS GUINEVERE

(telepathy)

Grand mother that's the boy that I
saw and he is with a wizard...What
should I do.

QUEEN CONSORT GRACE

(telepathy)

We should get to know them and play with them princess and be wild with them and touch the boy and I'll touch the old man...And I think this should be a lot of fun.

YOUNG PRINCESS GUINEVERE

(telepathy)

Oh yes I agree grand-mother, I can't wait to play with him and touch him and kiss him and get to know him.

QUEEN CONSORT GRACE

(telepathy)

Come on lets hide and wait for them.

CUT TO:

Arthur and Merlin get to the middle of the woods. And Arthur begins to start looking around.

MERLIN

Alright boy, now in order to transform into a mammal like a squirrel, we have to take off our clothes.

ARTHUR

I don't know Merlin, I'm really nervous...

MERLIN

There is nothing to be nervous about Wart, when this world was created long ago, we started out being naked and all animals don't wear clothes at all. Now come on take them off Wart.

ARTHUR

Alright okay...

Arthur begins to start taking off his clothes and Arthur is butt naked and so is Merlin and Merlin starts flickering his wound and starts transforming them into Squirrels.

As Arthur and Merlin become squirrels themselves, Caspian is in the shadows and he sees them and he starts transforming into a wolf again.

CASPIAN

This time you won't destroy me and
this time boy, the old man won't be
able to save
you...MUAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA

ARTHUR

Wow the view up here is so beautiful and so stunning and that castle is really beautiful.

MERLIN

That's Westminster abby and it's a really famous church. Someday you will go there and same with Buckingham palace, it has been vacant for 20 years with no king or queen to rule this land.

MERLIN (CONT'D)

Come on wart I'll race you to that other tree.

Arthur and Merlin start running as squirrels and jumping from tree to tree and running on the branches really fast.

Arthur does a really huge leap and a really huge jump and lands on a really weak branch and the branch breaks off and Arthur falls off the branch and Arthur grabs on to another branch.

MERLIN (CONT'D)

Wart!!!!!! Are you alright?!....

ARTHUR

I think so Merlin.

MERLIN

Now even though being a squirrel is really fun you have to look before you leap and you can't trust anything to luck or pure athleticism even when you are human and you have to be aware of gravity as well which also causes you to fall.

MERLIN (CONT'D)

Now come on lets keep going.

Merlin and Arthur keep on going.

CUT TO:

The princess is also is also running on the tree and she sees Arthur and she smiles.

YOUNG PRINCESS GUINEVERE

And the princess starts making a lot of squirrel noises. And she smiles at Arthur.

ARTHUR

Merlin she acts really funny and really weird.

MERLIN

She is not Wart, she likes you, and that's how Squirrels communicate and I think she really wants you to be her mate.

ARTHUR

MERLIN

I'm sorry Wart, there is nothing that I can do, she really likes you and it's nature that she wants to be with you boy.

Arthur tries to get free but Princess Guinevere uses her red squirrel tail to grab Arthur and Arthur starts murdering as Guinevere covers Arthur's mouth.

MERLIN (CONT'D)

Your on your own boy and I don't think my magic is going to save you this time Arthur

Merlin starts laughing.

And Guinevere smiles at Arthur and kisses him.

ARTHUR

Look I know this is really hard for you to understand but I'm not a squirrel I'm a boy and I'm a human boy.

Guinevere makes happy squirrel sounds and keeps on playing with Arthur and touching him and keeps wrapping her tail around Arthur.

ARTHUR (CONT'D)

Look just leave me alone...

Arthur pushes Guinevere's tail away and puts her tail on her head.

Guinevere keeps on making noises and she is really happy.

Arthur goes up to Merlin.

ARTHUR (CONT'D)

Merlin what do I do, she is not leaving me alone and she is not listening me.

Guinevere continues to get really hyper and really happy and she pushes Arthur on the branch.

MERLIN

Well I think you might be stuck Wart, Cause i think she has choose a mate and I think when squirrels choose a mate, you are together forever and that's how the animal kingdom works in general. And it's for life as well.

ARTHUR

But I'm not going to be squirrel tomorrow or for the rest of my life.

MERLIN

She doesn't know that Arthur she just knows that you are a male and she is a female. And it's the way the world has worked, male and females make babies and it's circle of life lad.

Arthur hides behind Merlin's tail and Merlin points to under his tail and Guinevere lifts up Merlin's tail and sees Arthur.

And Guinevere finds Arthur and pulls his tail and she keeps on kissing him and touching with him and playing with him. And Arthur begins to run and Guinevere starts chasing around the tree and Arthur keeps on jumping from tree to tree. ARTHUR

Go away!!! Leave me alone, I'm not
a real squirrel!!!!!!

(MORE)

ARCHIMEDES (CONT'D)

Arthur walks backwards and he accidentally gets attacked by a red robin and the robin starts picking at him like and Arthur keeps on running and running away from the robin and jumping on to another branch. And Arthur runs in whole where the tree is and robin pulls on him.

I don't know how to say this to you princess but your father and your mother are dead...they have been dead for almost 10 years. And England now has no king or queen to rule. And Mim is still around with her enforcers and her knights and her army as well.

ARTHUR

So what we do Merlin?

MERLIN

Well we have to protect the Queen Consort and the princess as much as we have and we have to make sure nobody in England knows that they are alive and are human form since people believe they are dead.

QUEEN CONSORT GRACE

So what you suggest Merlin?

And I believe I know somewhere as well.

CUT TO:

Merlin, Arthur, the Queen and the princess are in London and the Queen and the princess have normal clothes on.

Merlin finds something and Merlin opens the door and he uses his magic and makes the place really nice.

MERLIN (CONT'D)

It's a little small but I think it will do and you two can stay here. And blend in and tell people you own something or so.

QUEEN CONSORT GRACE

Oh that's rubbish...We can do more
then just do that...

MERLIN

Well madam, you have stay here and
not go out because Mim's knights
everywhere and if they know your
here, they will kidnap you again.
Just as maids for people in the
tournament.

QUEEN CONSORT GRACE

Fine!!!!!!....

CUT TO:

Arthur is with Princess Guinevere in the cottage.

PRINCESS GUINEVERE

So Arthur...you must be a knight or
something and how did you use that
magic to save me back in that cave?
And are you connected with the
royal family?

ARTHUR

No Guinevere I'm not connected to
anything special. I just live with
my step father who has a title and
my step brother is competing in the
knight tournaments so that he can
pull the sword from the stone and
be the next king.

PRINCESS GUINEVERE

The sword from the stone?

ARTHUR

Yes...It was sword sent from God
and from the sky and some say the
sword came from God when your
father passed away and only god
will choose will be King and who is
worthy to pull the sword from the
stone.

PRINCESS GUINEVERE

You think you are worthy to pull
the sword from the stone?

ARTHUR

Me? No. Because I'm just a squire for my step brother and I'm just a normal person who is being trained by Merlin and Merlin is educating me so that way I'm a successful person who may not be king or be connected to the royal family, but someone who is just well off and knows how to defend himself.

PRINCESS GUINEVERE

Well I really like you a lot...And I think your my prince...and If ever become a real princess again...in this kingdom and I want to be with you and be by your side cause even though I have known you for one day, I feel safe, secure, and I feel love when I'm around you and I can never stop thinking about you as well. And I just loved playing with you and touching you when both of us were Squirrels and I knew when you were running from me, I knew that you had something to give...

Arthur lays down on a rusty bed and the princess looks down at Arthur's face and they smile at each other.

And Merlin walks into the door.

MERLIN

Alright Wart lets get you back home.

ARTHUR

Alright okay Merlin.

ARTHUR (CONT'D)

Well I have to go.

As Arthur leaves, the princess touches his hand and pulls him.

PRINCESS GUINEVERE

I don't want you to go...

The princess starts to cry and tears come out of her eyes and she does a puppy dog face.

PRINCESS GUINEVERE (CONT'D)

Please Arthur...

And the princess cries on Arthur.

PRINCESS GUINEVERE (CONT'D)

(crying)

I really want to come with you and
be with you...

ARTHUR

I know that you do. But I have to
go home...Listen...you will see me
again...I promise...

Arthur leaves the house with Merlin and Arthur sees the sad
look on the princess's face. And Arthur and Merlin keep
walking back to the castle.

FADE TO:

Merlin and Arthur in the woods as they are walking back.

ARTHUR (CONT'D)

Merlin?

MERLIN

Yes wart?

ARTHUR

You think the princess and the
Queen will be safe in that house
that you made with your magic?

MERLIN

I think they will Wart, And also I
can tell the princess really likes
you and likes even more as human
then she did as Squirrel.

ARTHUR

I always wonder how she was able to
speak when she turned back into a
human.

MERLIN

Well it's because animals have
their own speaking langues and
sometimes animals are much smarter
then us and they convert their
sounds into speaking English but
not all of them are like that.

(MORE)

MERLIN (CONT'D)

I mean the Queen and the princess are an exceptions because they use to be humans. And Don't worry we will check on them very often.

CUT TO:

EXT. OUTSIDE OF ECTOR'S CASTLE - AFTERNOON

Merlin and Wart get to the castle and they walk into the castle and get back to the kitchen and everything is all cleaned up.

ARTHUR

Oh wow!!!!!! Everything is all cleaned up and everything is washed even Kay's equipment is washed. Wow thank you Merlin for helping me.

MERLIN

Oh your welcome Wart. And I know very soon you won't be living here any longer. And I know from back in the woods when we were squirrel I can see inside her eyes those red squirrels were the princess and the Queen Consort. But they were too busy playing with the both of us.

As they are talking Kay and Sir Ector walk into the kitchen.

SIR ECTOR

What the devil?!...It's all clean!!!!!!...

KAY

It is clean father. There is no way one person would be able to clean all of the dishes in one day.

MERLIN

Well that's because I helped him with my magic and by himself, it didn't look like all of them were going to clean and with all the dishes and equipment it looked it was going to take a lot of months and possibly years to wash everything.

SIR ECTOR

What?!...you used your magic to wash all of my dishes and then you took Wart once again?!....

Ector turns to Arthur.

SIR ECTOR (CONT'D)

Wart you in big trouble once again!!!! And for some reason I knew that Merlin had something with do with the kitchen being clean and I don't want you anywhere near Wart or near my castle and or teaching Wart any of your magic nonsense ever again. And Wart is going to be a squire for Kay and that's how it's going to be.

ARTHUR

No!!! I am not going to be Kay's squire and I'm not going to live here anymore. You two don't even give a flying fuck about me. And all of you treat me like I'm nothing!!!!!! And your not my fucking father!!!!!!!!!!

KAY

Oh really Wart?!...where are you going to live then. You have no money of your own!!!!!!

MERLIN

He will either live with me or live with the Queen Consrt or the princess.

SIR ECTOR

What the hell are you talking about?!...there you go with your nonsense again Merlin!!!!!!...

ARTHUR

Just leave him the fuck alone!!! Just because he does a different way of teaching me stuff does not mean it's awful or bad. You and Kay just lack understanding for people!!!

(MORE)

ARTHUR (CONT'D)

And also Merlin teaching me stuff
has accomplished a lot and princess
and the Queen Consort are alive and
we saved both in the woods and
turned them back into humans
because they were squirrels in the
woods for almost 10 years by Mim
and her enforcers. But you and
Ector wouldn't know because you
guys are too focused on the
tournament. And even though I'm
nothing to you two...there is more
then just tournament games and
sword fighting to be king...and I
don't know what the fuck that
is...but Merlin cares about me and
is more of a father then
anything...you care about
yourself!!!!!!

Arthur starts leaving the castle and running.

SIR ECTOR

Where are you going?!...Come back
here boy!!!!!! You don't leave my
house!!!!!!...

Arthur keeps on walking away and Kay grabs him by the arm and
tries to stop him.

Arthur brutally turns back and Arthur is in big time rage and
Arthur grabs Kay's sword and gives kay a really huge cut on
the face and gives a huge cut on the shoulder and Arthur
grunts his teeth and punches Kay in face and kicks in the
stomach really brutally and knocks him to the ground.

KAY

(angry tone of voice)
Why you little shit!!!! How dare
you dis obey me!!!!!!...

Kay tries to punch Arthur in the face but Arthur defends
himself and Arthur grabs another weapon and whacks Kay in the
face and cuts him in the stomach and Kay is bleeding on the
ground.

ARTHUR

(yelling in anger)
FUCK YOU!!!! FUCK YOU!!! FUCK
YOU...JUST FUCK ALL OF
YOU!!!!!!...

Arthur leaves the castle in complete rage and is just angry
in a very bat-shit way.

Arthur turns back.

ARTHUR (CONT'D)
 (yelling)
 I'LL SHOW ALL OF YOU!!!!!!! AND GO
 LOOK FOR ANOTHER SQUIRE YOU READ
 HEADED UGLY
 WANKER!!!!!!!...FUCKING
 CUNT!!!!!!!...

Arthur ends up running and he ends up around London and he
 hides in Arthur is really mad and really upset.

FADE TO:

EXT. AROUND LONDON - MORNING

Arthur wakes up in an ally somewhere and Merlin shows up.

MERLIN
 Rough night boy?

ARTHUR
 I ran away from them!!! They were
 treating you like dog shit!!!! And
 treating you very badly. Merlin,
 you were right about them all long,
 I just didn't do anything about
 until I met you.

MERLIN
 I know Wart. But you don't need
 them. You never did boy...And also
 to be honest with you, I never say
 Kay as being a king, And I will
 tell you right now that he is so
 far behind from pulling the sword.

ARTHUR
 But how do you know that Merlin?

MERLIN
 Because he never did any of the
 teachings or the lessons that I put
 on you, also I don't believe Kay
 would have survived in the ocean or
 in the woods like you have boy.

MERLIN (CONT'D)

Come on Wart, I'll take you to my house and you will see Archimedes as well and you will also the princess. I know she wants to see you again Wart.

Arthur finally gets up on his feet and they start walking out of London.

CUT TO:

Arthur starts getting taught and tutored and knowing about Math and letters.

And Merlin starts reading to Arthur about science and history.

CUT TO:

Arthur is outside with Merlin and Merlin starts showing him the stars.

The Queen and princess start wearing peasant clothes and they start living in the cottage and in the day time, the Queen and the princess start picking out berries and fruit and they start selling veggies and fruit from the cottage.

The Queen and the princess would go on walks together in London and just look at other stores.

The princess sees a lot of necklaces and other jewelry around her.

The princess looks back and she sees the sword in the stone.

CUT TO:

The Queen and the princess start making a lot of armor for the contestants competing in the tournament.

FADE TO:

INT. GUINEVERE'S BED ROOM - AFTERNOON

Guinevere would be laying on her bed and she would be really tired from working with her grand mother.

Guinevere gets out of her bed and she starts looking at the window and she sees the view of the village.

CUT TO:

Arthur sneaks out of Merlin's house at night and he starts running to London.

Arthur keeps on running and he gets to downtown and Arthur keeps on looking around and he remembers the cottage and he starts running to the back of the cottage.

CUT TO:

Guinevere's hears Arthur fall down.

PRINCESS GUINEVERE

Arthur?

Guinevere races downstairs and she opens the door and she goes outside and looks for him.

PRINCESS GUINEVERE (CONT'D)

Arthur?

Guinevere runs to the other side of the cottage and she sees him.

And Arthur is in a lot of pain.

PRINCESS GUINEVERE (CONT'D)

Arthur are you alright?

ARTHUR

I think so. I just sneaked out of Merlin's house to see you.

PRINCESS GUINEVERE

Awwwwwwwe you are so sweet. Come on lets get out of here. Come up on your feet...

The princess gets Arthur up and they start running out of London.

As they are running Arthur, Arthur gets on a horse and Arthur pulls Guinevere on the horse.

ARTHUR

Hyi, Hyi.

Arthur starts riding on the horse and they start heading to the ocean and the princess puts her head on Arthur's shoulder.

And Arthur keeps on going.

CUT TO:

Arthur and Guinevere start sitting on the shore and around the water.

And they start laughing. And they both smiling at each other.

PRINCESS GUINEVERE

So when you saved my grand mother and I and turned us back to humans, did you end up going back to your parents?

ARTHUR

Sadly my parents died when I was younger and when I was a baby, and I never got to know them. And then I was adopted by Ector who is my step father...but I don't want to talk about him or my step brother...Cause they treated me like I was nothing to them and I ran away from them. And they never took me seriously at all.

PRINCESS GUINEVERE

Oh I'm sorry to hear that. yeah my grand mother can be a hand-full as well. Especially since she is teaching me how to be a queen and a proper lady since I'm a human and not a squirrel anymore and teaching me how to speak proper English.

ARTHUR

But you speak English and you speak really well and also Guinevere do you even like that name?

PRINCESS GUINEVERE

Not really. My parents named me that but i never really liked it. That was one part that I did like when I was a squirrel. Was that you didn't have to wear clothes or be called Guinevere and I can just touch and kiss and play with anything or another animal.

ARTHUR

Ooooh so thats why you were playful and making all the squirrel noises when I first met you in the tree. And also chasing me on the branches. You were really lonely and that's how you were taught to communicate. And you were a squirrel for almost most of your life.

PRINCESS GUINEVERE

Yes I was.

ARTHUR

Well is there another name that you want me to call you by instead of Princess or Princess Guinevere or royal highness or your majesty or my lady?

PRINCESS GUINEVERE

Oh come on now...I am not your majesty or my lady or highness...but...I think I have always liked the color of Hazel just because of the shinning brown and because even when I an official princess, I always loved looking in the woods and being in nature.

ARTHUR

Alright then...I'll call you Hazel then and it's fun name. I mean my fun name is Wart...well at least that's what my step father and Kay and Merlin call me.

Hazel starts laughing and she slowly stops laughing as she stairs in Arthur's eyes. And Hazel and Arthur begin kissing and smooching each other. And kissing each other very passionately.

And hazel begins to feel and touch Arthur and she keeps on kissing him on the lips and everywhere on the face.

PRINCESS GUINEVERE

I love you Arthur...

ARTHUR

I love you too Hazel...

PRINCESS GUINEVERE

Come on I want to go swimming and I want to take off my peasant clothes and I want you to see me...

All of a sudden Hazel starts taking off her clothes and she is butt naked in front of Arthur and Hazel does a girly laugh.

PRINCESS GUINEVERE (CONT'D)

I need to catch me and swim after me...

Hazel does a girly laugh and she goes into the ocean and she goes skinny dipping and runs into the ocean and Arthur takes off his clothes and goes in the water with her.

Arthur goes into the ocean and Hazel and Arthur go skinny dipping and swim in the ocean together and start laughing and splashing each other.

Arthur and Hazel are swimming under water and touching each other and kissing each other underwater.

Arthur and Hazel get to the surface and Arthur hugs hazel and Arthur and Hazel make out in the water and smooch each other for a long time.

Arthur and Hazel walk out of the water butt naked. And Hazel puts her head on Arthur's shoulder.

PRINCESS GUINEVERE (CONT'D)

Oh Arthur...

Hazel gets her energy again.

PRINCESS GUINEVERE (CONT'D)

Come on lets race each other and run around the woods naked...try to catch me.

Hazel keeps on laughing and Hazel starts streaking and running around the woods butt naked and Arthur chases after her.

And they start running around the woods and running around London butt naked.

PRINCESS GUINEVERE (CONT'D)
Wahooooooooooooo!!!!!!

Hazel keeps on laughing and Arthur keeps on running and running for a long time and go back into the forest and some people even see them naked.

PRINCESS GUINEVERE (CONT'D)
Ooooooh running around the woods
and around London with no clothes
on was a lot of fun and I'm glad to
be with you...

ARTHUR
Oh yes it sure was Hazel.

Hazel gets very close to Arthur and she begins to kiss his chest and belly and his army and hands.

PRINCESS GUINEVERE
I just wanted one night to be with
you and forget about working and
royal teachings and I just care
about being with you and loving
you...And it would be wonderful if
we got married you and I and have a
lot of children...

ARTHUR

I don't know Hazel...I would have to get your blessing from your grand mother though and I would have to prove I'm royalty as well and become a prince or a knight which I know are things Kay said I would never be.

PRINCESS GUINEVERE

But you are to me Arthur. And we love each other.

The princess kisses Arthur on the lips.

And Arthur starts kissing the princess a lot and the princess begins to lay on top of Arthur and they start to have sex in the cave for the remainder of the night and they keep on making out.

And Arthur turns out the light.

FADE TO:

INT INSIDE THE CAVE - LATE AT NIGHT

And hazel is on top of Arthur and Hazel keeps on smooching and kissing Arthur.

And Hazel starts moaning and she is on top of Arthur.

PRINCESS GUINEVERE

Arthur?...

ARTHUR

Yes Hazel...

PRINCESS GUINEVERE

What do you think will happen to us? And you think we will be lovers forever just like we were when we were both Squirrels in the tree.

ARTHUR

Well...I'm your mate and according to the animal kingdom...we are lovers for life and I love you Hazel...And I always...

Arthur and Hazel and having sex in the cave for through out the whole night.

FADE TO:

INT INSIDE THE CAVE - MORNING

Arthur wakes up and he starts breathing heavily. And Hazel wakes up and she stands up and she looks at the water.

Arthur goes up to her and starts touching her shoulders and touching her back and her bottom and touching her breathes.

PRINCESS GUINEVERE

Mmmmmmmmmmm all of that feels so good...

The princess starts touching Arthur and touching his penis really hard.

PRINCESS GUINEVERE (CONT'D)

And I can feel that your body is really strong and really tight and I also love touching and feeling you as well my love...

The princess turns back and she keeps on smooching Arthur on the lips in the cave.

ARTHUR

Should we get out of here soon.

PRINCESS GUINEVERE

I don't want to get out of this cave and go back and put on clothes. I want to be in this cave with you and be naked with you...

ARTHUR

But your grand mother could worry about you though...

PRINCESS GUINEVERE

It's alright...I can take care of myself and so can you...

Arthur and Hazel keep on laughing and kissing each other in the cave and have sex for the rest of the day.

CUT TO:

Arthur and Hazel swim back up to shore and are naked in public on the sand.

ARTHUR

Oh shit!!!!1!!...are clothes got destroyed really badly. I guess we will have to back to our homes very carefully. And we have no magic either to turn into animals. Come on.

CUT TO:

Arthur and Hazel are in the woods and running through the woods naked and making sure they are not seen by anybody.

ARTHUR (CONT'D)

Come on!!!!...

Arthur and Hazel keep on streaking and finally get to London and hide behind the houses.

PRINCESS GUINEVERE

Mmmmmmmmm...this is so much fun...

ARTHUR

Hazel pip down...Keep your voice down...

Arthur keeps on looking around and turning his head and they get through more houses and sneak through more people.

Arthur and Hazel finally get back to the cottage.

PRINCESS GUINEVERE

Thanks for everything Arthur and I had a lot of fun...

ARTHUR

I did too. And you better get in.

Hazel smiles at Arthur and Hazel gives Arthur a big time kiss on the lips and Hazel gives Arthur a really hug naked hug. And without them knowing Kay sees him.

PRINCESS GUINEVERE

Good bye my love...good bye darling...

The princess goes into the cottage and she sneaks into her bedroom butt naked and the Queen comes back.

QUEEN CONSORT GRACE

Guinevere where are you?!...Where are you young lady?!...

PRINCESS GUINEVERE

I'm upstairs grand mother...I'll be down very soon.

QUEEN CONSORT GRACE

Well I'm coming and you better have a good explanation on where you were last night!!!!...

The Queen gets up to her room and sees princess butt naked in her bedroom and she gasps and she is complete shock.

PRINCESS GUINEVERE

Hello grand mother...

QUEEN CONSORT GRACE

Guinevere...you are nude and you are completely naked...And why are you naked?...

PRINCESS GUINEVERE

I was with him last night...

QUEEN CONSORT GRACE

Who?...

PRINCESS GUINEVERE

I was with Arthur...and that's why I'm naked...and we ran around and went swimming with no clothes on and ran around London naked....

QUEEN CONSORT GRACE

My goodness...this is not very lady like...Guinevere we are not squirrels anymore and we are humans and you are a young woman and a proper lady does not run around and swim in lakes or swims in oceans butt naked. And my god I am very disappointed in you my dear.

PRINCESS GUINEVERE

But I had a lot of fun grand mother and I love him a lot.

QUEEN CONSORT GRACE

You need to forget about him and I need to find you a more proper man for you...

PRINCESS GUINEVERE

Grand mother I don't want another man...I want Arthur and I love Arthur a lot...And we are not royalty anymore grand mother unless someone pulls the sword from the stone and so far no man in England has been able to do it.

QUEEN CONSORT GRACE

But we are royalty Guinevere and we behave like proper ladies in this house and we don't go around running around London naked and being naked in the woods and being naked in public.

PRINCESS GUINEVERE

But how come Arthur can do those things and I can't?!...

QUEEN CONSORT GRACE

Because he is not royalty and we are!!! And he he will not be the next king.

PRINCESS GUINEVERE

You don't know that grand mother!!!!!! He has a chance just like any other man in England. And he is nice and strong and compassionate and sweet. And Merlin is training him really well. You just can't see it.

QUEEN CONSORT GRACE

We will talk about this tonight at dinner...

CUT TO:

INT. MERLIN'S HOME IN THE WOODS - AFTERNOON

Arthur goes into the house and Archimedes sees him.

ARCHIMEDES

What the?!...what the devil?!...you have no clothes on boy!!!!....

ARTHUR

It's a very long story and it's very complicated.

MERLIN
Not complicated to me...

Merlin shows up. And sees Arthur butt naked.

MERLIN (CONT'D)
Oh wart...you are naked...How long
have you bee naked for?

ARTHUR
Almost the entire day...

MERLIN
You saw the princess didn't you?

ARTHUR
I did Merlin...and we had a lot of
fun and she is very beautiful and
gorgeous and really stunning and
she is a very powerful girl as well
especially when she has no clothes
on and she loves being athletic as
well.

MERLIN
I can see that boy. And you better
snatch her up before another finds
her.

ARTHUR
Well I mean I will try. I mean a
lot of people saw her and I last
night...And I'm sure she is in
trouble with the Queen.

MERLIN
Well just keep being with her Wart
and I think deep down you will get
get her and she will be your wife
as well.

CUT TO:

INT. THE COTTAGE IN LONDON - MORNING

The princess is working in the cottage and selling things
with her grand mother.

And the princess is cleaning some things and kay walks into
the store.

PRINCESS GUINEVERE
Hello...

KAY

Hello I saw you last night with
someone that I know...

PRINCESS GUINEVERE

I don't know what you are talking
about I'm a just peasant girl that
works her.

KAY

Really then how come you are so
beautiful and so gorgeous and you
are a read head as well. You know I
have working on my craft for the
tournament and maybe you will be
queen. What do you say that offer?

PRINCESS GUINEVERE

I'm already in love with someone
else and I don't love you in that
way...

KAY

That's nonsense. Who are you seeing
he can't be good as me!!!!!!....

PRINCESS GUINEVERE

I'm in love with Arthur....

KAY

Arthur?...oooooh I see you love the
Wart as I call him.

PRINCESS GUINEVERE

Don't call him that?!...And he is a
lot more stronger and more
compassionate then you ever will
be. And I'm in love with him and
there is nothing you can about it.

KAY

Well I know that you are not like
most girls or most women here in
London...and you will be mine
weather you want to or not. And
your grand mother will agree with
me!!!

Kay walks out of the cottage feeling really angry and really
pissed off.

Kay gets in big time rage that he knocks over a stand of
fruit and screams and yells and is breathing in anger.

KAY (CONT'D)
I'm going to kill that little
shit!!!!!!...

CUT TO:

Arthur and Merlin go into another store in town and Kay sees
Arthur with Merlin.

KAY (CONT'D)
Hey!!!!!! Oy!!!!!! Oy!!!!!! Look at me
when I'm talking to you
Wart!!!!!!...

All of a sudden Kay throws a rock at Arthur's head and knocks
Arthur to the ground

Arthur feels the pain of the rock and Kay walks over to him.

KAY (CONT'D)
It's all come down to me and
you!!!! Brother VS brother right
here and right now!!!! And I need
you to tell me the truth about the
girl you were last night!!!!!!

ARTHUR
What do you want Kay?!...I don't
live with you anymore or your sir
ector!!!!!!...

KAY
It's too bad because with you
working for me as my squire you are
not consider royalty or have a shot
at finding a fine woman like the
one you saw!!!!!!

ARTHUR
The fuck is that suppose to
mean?!...I was never royalty when I
was living with you and sir Ector.
I really don't give a fucking
flying damn about you and your god
damn tournament and I'm at a better
place with Merlin and also she has
name and it's princess
Guinevere...it's Hazel!!!!!!...And
if you spent time her you would
know that!!!!!!...

KAY

Well she does not like you and she won't be yours...she will be my women and you of all people should know that.

ARTHUR

Says who?!...the King!!!!...the royal family!?!...The fuck are you talking about we haven't a king for a long fucking time Kay!!!! And we are being ruled by someone under the shadows but you are too stupid to realize that!!!!!!...

KAY

Well stay away from her!!! She is mine and she will be mine and you will be always be nothing to me Wart and you still are nothing to me and you will be royalty in the eyes of her grand mother!!!!!!...

Arthur turns back in big time rage and huge fight breaks out in town and Arthur punches Kay in the face and tackles him and throws a lot of punches. And Kay punches Arthur in the face throws him against another stand.

KAY (CONT'D)

How do you like Wart!!!!!! You give up!!!!!!

Arthur is in big time rage and Arthur tackles Kay again and throws more punches and Arthur grabs kay with all his might and throws him against the wall.

Arthur grabs another knight weapon and knight staff and starts hitting Kay like crazy and he is angry beyond belief.

ARTHUR

I'm not dumb I'm smarter then you!!!!!! And you made life a living hell in that castle you fucking cunt!!!!!!...

Kay throws a watermelon at Arthur and Arthur gets hit really hard. And Arthur falls to ground and starts spitting blood.

KAY

Ha!!!! I know you would feel that!!!!!!...

Kay goes up to Arthur and shoves him against puddle of water.

ARTHUR

Let go of me Kay I swear to fucking
god!!!!

Arthur out muscles Kay and Arthur punches Kay 66 times and
kicks him in the stomach and Arthur grabs a random sword from
a random person and Arthur gives Kay around 66 cuts on his
body and Kay starts bleeding blood.

KAY

Ahhhhhhhhh Fucker!!!! Ah bugger
that hurts like crazy.

ARTHUR

I really am enjoying this and I'm
going to enjoy killing you and
fucking stabbing you!!!!!!

Merlin sees what is going on and pulls Arthur back.

MERLIN

Wart stop!!!! Stop it boy!!!!

Merlin pulls Arthur back. And Arthur has a really angry look
on his face.

KAY

This fight between us does not
change anything. I will be royalty
and you never will Wart and the
princess will be fine and I can see
you just living here alone with
nobody which is worse than when you
lived in the castle with father and
I and we took you in!!!!!!

ARTHUR

Well I don't want anything from you
or your father and if I see you
again and I will kill you with
every blood in my body. And also
you know nothing about her or her
grand mother!!!!

KAY

I know more than you ever will and
you know what Wart!!!!....

Arthur begins to lose his mind and lose his cool and all of
a sudden Arthur gets angry and pissed off and he suddenly
throws a battle axe at Kay.

ARTHUR
 (yelling and angry tone of
 voice)
 MY FUCKING NAME IS NOT WART AND MY
 NAME IS ARTHUR AND
 SHUT...THE...FUCK...UP!!!!!!.....

Arthur throws the axe at kay and stabs him and gives him a cut on his arm and Kay starts screaming and yelling as he is bleeding to the death...

Arthur just walks away and walks out of town with a pissed off look on his face.

Kay gets up and he is still bleeding. And he sees Arthur walking away.

CUT TO:

Arthur gets back to Merlin's and Arthur is really angry.

And Archimedes flies over and sees him.

ARCHIMEDES
 Are you alright lad?

ARTHUR
 Sadly no...I wish I was.

Arthur gets into the house and sits down and Merlin walks into the house.

MERLIN
 Wow what a fight that was
 boy...and...oh...I'm sorry about
 that!!!!...you don't need him...and
 everything will be alright. Can I
 get you anything...Arthur?

ARTHUR
 Maybe some tea would be nice...

MERLIN
 Alright I'll get you some tea lad.

Merlin starts making Arthur some tea and Arthur starts drinking tea and he begins to clam down.

ARTHUR
 Merlin I'm really sorry for the way
 I acted when I was in town.

MERLIN

Oh it's okay Arthur...you had every right to be mad and angry at Kay. Kay causes nothing but trouble for you and he always did. And he is not a nice person and thinks he is god and thinks he is the next king but in reality he is full of himself and is very arrogant like his father. But you know a lot better then both of them do. And you are a nice person Arthur and I always stand with you and so will princess Guinevere as well.

ARTHUR

I'm just worried about her grand mother and how she sees me though.

MERLIN

Oh don't worry about her lad, she is a woman full of royalty and stuck up like I am but...she will come around to you lad.

ARTHUR

You really think so Merlin?

MERLIN

I know she will lad. Come lets talk about you next lesson

CUT TO:

INT. MIM'S CAVE IN THE WOODS - NIGHT

Mim is sitting on her thrown and she is really angry.

MADAM MIM

(yelling)

Why are all my men dying!!!!!!...He can't be that strong!!!!!!...

MADAM MIM (CONT'D)

(yelling)

I swear if he succeeds again I will kill someone!!!!!!

All of a sudden a strong looking evil knight comes to the cave.

And he is charming and strong.

SIR GRAYSON THE WICKED

Hello Mim...I am sir Grayson and I think I will be able to help you and I was part of old royal family but I think I would love to work for you and hope become your enforcer and in time when you are gone by your air to your thorn.

MADAM MIM

I like the proposal. But what can you offer to me?

SIR GRAYSON THE WICKED

I can kidnap and bring princess Guinevere to your fortress and kill Merlin and kill Arthur.

MADAM MIM

....if you can kill them all...that would be splendid and then after my rule is over, you will be next in line as the supreme ruler of the land and king of England as well.

SIR GRAYSON THE WICKED

I accept that my lady!!!!!!...

MADAM MIM

Do you object to being turned into animals or so.

SIR GRAYSON THE WICKED

I don't object at all my lady.

Mim does an evil smile and she starts laughing.

MADAM MIM

FADE TO:

INT. MERLIN'S HOME IN THE WOODS - MORNING

Arthur wakes up and he gets up and he sees the sun going up. And Arthur goes into the kitchen and he starts eating some breakfast. And Merlin gets up.

MERLIN

Ah Wart, you are up. I'm glad you are up because I believe today will be your final lesson and when all of this training and teaching is over, you can move out of my house and live your life the way you want.

ARTHUR

But Merlin I don't have any money to build a cottage like you or live in London.

MERLIN

Well I think boy you will start to feel some transition and the princess will always be with you. And I tell she really loves you a lot. And I don't want to hold you back boy.

MERLIN (CONT'D)

So Archimedes is going to teach the final lessons and it will have something to do with flying and being a bird.

Merlin all of a sudden starts walking to cabinet and he hands Arthur a wand and dumps some of liquid spells on to the wound.

ARTHUR

Merlin what are you doing?

MERLIN

I have handing you wounds and putting liquid magic on them, and you will need to turn into animal that comes to your mind because swords and weapons will not always protect you against evil. And this spell you have to drink. Now open wide...

ARTHUR

I don't know Merlin. I don't know if it's safe.

MERLIN

Course it is Wart, And don't worry if anything bad starts to happen I'm here.

ARTHUR

Alright okay Merlin.

All of a sudden Arthur drinks the potion and after a couple of seconds Arthur's body starts consuming all of the spells and Arthur's brain starts to remember every single spell. And Arthur's eyes begin to change color and the magic starts dragging Arthur on his feet.

ARTHUR (CONT'D)

Merlin what happened?

MERLIN

You are stronger boy. And you have all my spells and all my magic inside of your body. And you will need it as well. Now stand back.

All of a sudden Merlin causes his spell and he starts turning Arthur into a European robin.

And Arthur starts flying around.

ARCHIMEDES

Alright okay, I see that you are now a bird, but it's time to fly. Now remember when you fly, make sure you have tilt your tail and always spread your wings. Alright now lets go.

Archimedes and Arthur begin to start flying and all of a sudden they start flying in the air.

CUT TO:

Arthur and Archimedes keep on flying but Arthur is start to loose his balance as a bird and he starts to fall down.

ARCHIMEDES (CONT'D)

Just make sure to keep flapping boy. And keep flapping and keep soaring.

ARTHUR

Alright okay Archimedes.

They keep on flying in the air and Mim gets up and sees Arthur and Archimedes flying in the air.

MADAM MIM

Perfect, that is the perfect time to strike at them. Sir Grayson.

Grayson comes to Mim.

SIR GRAYSON THE WICKED
Yes my lady.

MADAM MIM
I will transform you into a Hawk
and kill them!!!!!!...

All of a sudden Mim uses her evil powers and transforms Grayson into an evil looking Hawk.

And the Hawk makes an evil Hawk sound and he starts flying off.

Mim does an evil laugh.

CUT TO:

Archimedes and Arthur keep on flying in the sky and Arthur starts to get the hang of flying.

ARCHIMEDES
There you go, that's it, that's it
boy, your doing a great job. And...

As Archimedes is flying. He hears a hawk in the air and flying really high.

And the Hawk starts making some noises. And Archimedes looks up and see the Hawk.

ARCHIMEDES (CONT'D)
Hawk!!!!!! Jesus!!!! Wart you need
to fly faster, we are being chased
by an evil Hawk.

The Hawk in the sky starts chasing Archimedes and Arthur in the sky and tries to attack both of them with his claws. And makes a lot of hawk noises.

Archimedes defends himself by doing swoop attack and grabs the Hawk and throws the hawk against a tree.

Archimedes starts fighting the Hawk through a lot of attacks and the Hawk does more sounds.

ARCHIMEDES (CONT'D)
You are not a real hawk. Who the
fuck are you?!....

SIR GRAYSON THE WICKED

(telepathy)

MUAHAHAHAHAHAHAHAHAHAHA I am one of
Min's enforcers and rightful heir
to the throne and you will not stand
in my way.

ARCHIMEDES

Wart fly, fly as fast as you can
from this land...

Arthur begins to fly away and the Hawk overpowers Archimedes
and the Hawk begins to chase Arthur.

The Hawk does more attacks towards Arthur and attacks him.
And Arthur starts flying closer and closer into the woods and
ends up accidentally going into Mim's fortress.

Arthur falls through the roof and he lands on the ground and
gets bruised up really bad.

And Arthur turns back into a human and Arthur is butt naked.
And Arthur starts breathing heavily and feeling the pain a
lot.

Arthur starts walking around and he starts to hear Mim's
voice in the fortress.

And Arthur keeps on walking and he gets closer and closer and
he sees a lot of different colored lava. And Arthur keeps on
looking around.

MADAM MIM

Hello Arthur...

ARTHUR

Who are you? And where am I?

MADAM MIM

Ah I know that you would fall into
my place eventually. I am Madam Mim
and I am the queen of all this
land.

all of a sudden Arthur turns back and the same Hawk shows up
and turns back into Sir Grayson.

MADAM MIM (CONT'D)

And I believe you have met Sir
Grayson already.

SIR GRAYSON THE WICKED
Hello boy!!! I know that you would
be in the skies at some point or
another.

ARTHUR
What do you people want with
me?!...

MADAM MIM
Well Arthur, I have been watching
you and we have been watching you.
And I know that Merlin is training
you for the outside world and how
dangerous and cruel the world truly
is. And I know you know something
about sword in the stone.

ARTHUR
Well yes I have seen the sword in
the stone many times in London
growing up and how it's sitting
there but...I have no idea what you
are talking about.

MADAM MIM
Oh I knew that you would say that.
Well I think I know why Merlin is
training you and giving you all
those magical lesions because even
though he would never say this to
you but...he knows that you are
worthy of pulling the sword out.
And I can't let you do
that!!!!.....And I'm afraid I'm
going to have to kill you and
execute you!!!!!!....

ARTHUR
So your the one that killed the
king and your the own who turned
the princess and the Queen Consort
into Squirrels and have them
trapped in the forest for almost 10
years.

MADAM MIM
You are correct Arthur. And soon I
will you kill you!!!! And stab
you!!!! And you will never see the
princess ever again!!!!

Grayson walks over to Arthur and he takes out a knight sword.

SIR GRAYSON THE WICKED

The sword in the stone is
mine!!!!...And you are going to get
it for me and I will be king of
England!!!!!!...

ARTHUR

Well I don't know about the sword
in the stone, I'm just someone who
Merlin is teaching...

MADAM MIM

Well I don't believe you and you
are lying. And if you were so
normal. How you have some
connection with the princess and
the queen?

ARTHUR

Because Merlin and I found them and
we changed them back into humans
and I have known her ever since
then.

MADAM MIM

Well I am the queen and the supreme
ruler and if you don't stop
training with Merlin, My men will
go to London and fine the princess
and kill the queen consort and lock
the princess in my fortress killing
you. And there will be nothing you
can do about it!!!!!!...

ARTHUR

I don't care what you do, even I
never become king, I will always
protect the ones that I love.

MADAM MIM

You know something Wart...I know
that you would say that...

All of a sudden Mim uses her magic and she transforms into a dragon and she starts attacking Arthur and Arthur starts running and taking cover and Arthur finds some rocks and starts throwing some rocks at Mim like crazy and Mim transforms into tiger and does a mighty roar and tries to attack Arthur and Arthur grabs Mim with all his strength and Arthur gets angry transforms into a lion and Arthur does a mighty roar and fights mim and over powers her and shoves her against the wall.

And Mim tackles Arthur really badly and she tries to bite him and all of a sudden Merlin shows up.

ARTHUR
Merlin!!!!!!

And Mim changes back into her human form .

MADAM MIM
Hello Merlin!!!!!!...

MERLIN
Mim!!!!!!....

MADAM MIM
I knew that you would show up at some point and I know about your little project and saving and finding the princess and the queen consort. You really believe you can make England a better place!!!!!!

MERLIN
Well I am tired of living under the thumb of your terror and evilness and you have made living here unbearable and you are an awful ruler!!! And England needs a monarch.

MADAM MIM
Well it's never going to happen Merlin, and very soon you two will be killed and destroyed and England will be under my rule and I terrorize everyone and make sure nobody pulls the sword from the stone and I rule forever!!!!!!...but as far as I'm concerned it is you fools that need to be killed and destroyed.

Mim does angry yell and she starts throwing a lot of magic at Arthur and Merlin. And Merlin does a couple of spells at her and is able to knock Mim out and knock out Sir Grayson with his wound.

And Merlin and Arthur escape and they land around London and fall to the ground.

Arthur gets up and helps Merlin up.

ARTHUR
Are you okay Merlin?

MERLIN
I believe so boy.

ARTHUR
Merlin how did you do that?

MERLIN
It's simple spell that I use to
dodge my enemies. But I believe at
this point we have to find the
princess and the queen consort as
fast we could. And we don't have
much time. Come on Wart.

Arthur and Merlin start running.

CUT TO:

EXT. AROUND LONDON - AFTERNOON

Merlin and Wart get to the Queen's cottage and Merlin knocks
on the door.

QUEEN CONSORT GRACE
Who the bloody hell is it?!...

MERLIN
Your majesty it's Merlin and
Wart...we have important news to
tell you and the princess. Please
open the door.

The queen opens the door.

QUEEN CONSORT GRACE
Oh it's you two!!!!....

MERLIN
Look madam...I mean your royal
highness. You and the princess are
in big time danger because Mim
knows that you two are alive and
she is going to send an army to
London and hunt you two down and
kill you two. And you will need the
both of us to protect you.

The queen starts to let her guard down and her anger starts
cool down and she lets them in.

And Merlin and Arthur come in. And the princess sees Arthur.

PRINCESS GUINEVERE
Arthur!!!!!!....

Hazel comes down and she hugs him really tight.

ARTHUR
Hello Hazel...

QUEEN CONSORT GRACE
Hazel...that is not your name...

PRINCESS GUINEVERE
It's my fun name grand mother.

QUEEN CONSORT GRACE
Well then...Just protect us as much
as you two can.

FADE TO:

INT. THE QUEEN'S COTTAGE IN LONDON - NIGHT

Everyone is in the cottage and having tea and some food.

PRINCESS GUINEVERE
So what do we have to do Merlin?

MERLIN
Well we will have to split up
around London so that no one gets
captured by Min and her enforcers
or by Sir Grayson.

QUEEN CONSORT GRACE
Sir Grayson!!!!!!?....

MERLIN
Yes!!!!!!?....

QUEEN CONSORT GRACE
That man is a monster and he is a
traitor to the kingdom and he
betrayed your father and now he is
working for Mim!!!!!!?....This is
really awful.

MERLIN
It is madam...but we have to stay
hidden as much as possible. I will
defend your grand mother and then
you will be with Wart.

QUEEN CONSORT GRACE

She will do no such thing. You will not be with this peasant.

MERLIN

He is not a peasant and he is capable of protecting her. Right Wart.

ARTHUR

Yes Merlin.

MERLIN

Good. Now we leave this cottage first thing tomorrow.

CUT TO:

Arthur is sleeping on his bed and he is tossing and turning.

And all of a sudden the door opens up and Arthur opens his eyes and the princess is above him.

ARTHUR

Hazel...What are you doing up?

PRINCESS GUINEVERE

I couldn't sleep and I wanted go out with you again?

ARTHUR

Hazel we can't leave the cottage I can get in trouble with your grand mother and then Merlin will also get in trouble as well.

PRINCESS GUINEVERE

It's alright don't worry about her. I'll talk with her. Come on lets go.

CUT TO:

Arthur and Hazel are walking around London and they start seeing everything.

PRINCESS GUINEVERE (CONT'D)

Look there is the sword.

Arthur turns around and sees the sword again.

ARTHUR

It sure looks really beautiful and really stunning.

(MORE)

ARTHUR (CONT'D)

Who ever lifts that thing will be a very happy man.

Arthur and Hazel run up to the sword and Arthur starts heading the words on the sword.

ARTHUR (CONT'D)

It's funny...I don't think nobody believes those things that the sword says. Everyone wants to govern or rule through their own way and not what god and the church want. Hell not even Kay would know what that means. And it's more then just being strong and fast or smart, it's about who will actually listen to the people and listen to our creator and the church and the bible. And who will rule with an open heart and with kindness as well.

PRINCESS GUINEVERE

That was really something my father believed in when he was king and so did my mother as well.

ARTHUR

And of course your grand mother as well.

As Arthur and Hazel are around the sword, they start to hear a lot of noise and fires around and people asking for help.

And a lot of horses coming and other animals terrorizing the town.

CUT TO:

Mim's enforcers start attacking everyone in the town and causing a lot of terror. And everybody is screaming and yelling in fear.

Some of them are turning other people into animals and trapping them.

And some of them are also killing other people and setting other houses and cottages on fire destroying more carriages and horses are scarred and making noises and running around everywhere.

Other evil knights are kidnapping children.

ENFORCER 1

Where is the princess and the Queen
Consort?!...We want them
alive!!!!!!...

CUT TO:

More evil knights break into the Queen's cottage and break in and Merlin starts using his magic and attacking them and turning into big time animals and attacking them and killing them.

The Queen hides and she grabs an axe and attacks the evil knights with her axe but the knights over power her very badly and grab her.

Merlin gets over powered by the knights and they give him some cuts and punch him in the face.

CUT TO:

Arthur and Hazel hide behind a wall and they start looking for Merlin and the Queen consort.

But as they do so they get caught by other evil knights and enforcers.

And Sir Grayson shows up.

SIR GRAYSON THE WICKED

Don't move!!! Take them away!!!!!!
And tell Mim we have the wart and
the princess!!!!!!

CUT TO:

The knights have the queen and Merlin and Mim breaks into the cottage.

QUEEN CONSORT GRACE

Mim!!!!!!!!!!!!...I should have
known!!!!!!!!!!

MADAM MIM

Hello Your highness....I am
surprised that you and the princess
survived being squirrels in the
forest. And now I am the queen now
and soon Sir Grayson will be my air
as well.

QUEEN CONSORT GRACE

Well it's total madness and this is
just ridiculous as well!!!

(MORE)

QUEEN CONSORT GRACE (CONT'D)

And you are not the true ruler of
England!!!!

MADAM MIM

Well I am your majesty and have
been for a while and I really
thought turning you and the
princess into Squirrels would be
kill you two and you two would die
in the woods. But it turns out I
was wrong.

MERLIN

You will never be the true Queen
and someone will pull the sword
from the stone!!!!!!

MADAM MIM

Oh don't be silly Merlin, nobody
will ever pull that sword or king
of this land, it will never happen
and I will always be there to make
sure of it.

Sir grayson shows up and the knights have Arthur and Hazel.

MADAM MIM (CONT'D)

Ah Sir Grayson you found them. Good
work!!!!...

Mim goes up to the princess. And Hazel is really scarred.

MADAM MIM (CONT'D)

And the last time I saw you was
when I turned you into a squirrel
when you were a little girl. And I
can see you really love Arthur a
lot as well.

MADAM MIM (CONT'D)

Get her in the carriage and take
her to the fortress!!!!!!!

PRINCESS GUINEVERE

(crying)

No please...please...no....

QUEEN CONSORT GRACE

Let go of her right now!!!!

MADAM MIM

As you wish...your majesty!!!!!!....

All of a sudden Mim gets out a wound and whacks the Queen in the face and stabs her in the stomach and kills her. And Mim punches Merlin in the face and stabs him in the stomach and kills him.

PRINCESS GUINEVERE
(crying)
Grand mother!!!!!!.....

ARTHUR
Merlin!!!!!!!

Arthur walks up to them.

ARTHUR (CONT'D)
Merlin!?!?....

Merlin starts coughing out blood and starts coughing in pain.

ARTHUR (CONT'D)
(crying)
Merlin please don't die. I need
you...

MERLIN
(weak voice)
Wart...I can't help you...this
time...I knew the moment I met
you...that I knew that from knowing
you and teaching you...I believe
you are the king Wart...And you
must save the princess and restore
England...Become our king...

Merlin gets really weak from the stabbing and Merlin dies...

ARTHUR
(crying)
No, no!!!!!!! Merlin!!!!!!...

Arthur starts crying and he hugs Merlin really tight in his arms. And Arthur starts breathing really hard.

And Arthur's mood begins to change and he starts running away.

CUT TO:

As England is in big time chos Arthur starts running away from the chos and Arthur hides behind the wall and Arthur goes into a broken shops and he finds 2 medevil staffs and snatches them and finds a sword holder and grabs a couple of other weapons.

Arthur grabs the weapons and Arthur finds a random black horse and Arthur gets on the horse and starts riding it.

ARTHUR (CONT'D)
Hyi Hyi!!!!!!

The horse makes a couple of sounds and the horse starts running with Arthur on it.

As Arthur is riding on the horse, he sees the sword in the stone and Arthur gets off the horse and looks around and sees nobody.

And all of a sudden sees the sun beaming down on him.

ARTHUR (CONT'D)
Please god, and dear lord...I don't know if I'm worthy to be king of this land...but I do hope that you give me the courage and protect me in battle and please help me save Hazel and that's all I ask...

Arthur after making the prayer pulls the sword from the stone and pulls it easily and the sword disappears and magically shrinks down into a pocket knife.

Arthur runs to the horse and Arthur taps the horse and starts running out of town and the horse starts making noises.

CUT TO:

Arthur runs out of the courtyard and a lot of Min's enforcers begin to start chasing Arthur and throw a lot of attacks at him such as bow in arrows and Arthur dodges the arrows coming at him.

Arthur while riding on the horse, Arthur pulls one of the staffs out and he hits the evil knights in the face and he attacks around 4 of them coming at him.

And Arthur is able to punch some of them in the face and throw some kicks at them.

And more knights are coming at him and Arthur throws more staff attacks and keeps on going faster and faster on his horse.

CUT TO:

INT. INSIDE MIM'S FORTRESS - NIGHT

Mim and Sir Grayson come into the fortress and they bring her to the middle of the room.

MADAM MIM

It was really easy to capture him princess. And England now belongs to me that that I have now killed your parents and now have killed your grand mother!!!!!! And now you will have no choice to marry Sir Grayson.

Hazel gets really scarred and frighten.

SIR GRAYSON THE WICKED

And you will not have a choice because soon I will command you as king to marry me.

PRINCESS GUINEVERE

I will not marry you and I will not obey, And I only have one true love and this Arthur...

MADAM MIM

Very well then...take her into the potion room...and have her brain-washed!!!!!!...

SIR GRAYSON THE WICKED

Absolutely my lady...

PRINCESS GUINEVERE

(crying)

No No please....someone help me!!!!!!...Arthur!!!!!!...Arthur!!!!!!

CUT TO:

Arthur keeps on riding the horse and Arthur sees hazel being grabbed by Sir Grayson.

CUT TO:

Grayson is grabbing Hazel and forcing her to drink the deadly potion.

SIR GRAYSON THE WICKED

Take the fucking potion and bow down to your king!!!!!!...

PRINCESS GUINEVERE

(crying)
No I will not.

SIR GRAYSON THE WICKED

(screaming)
BOW DOWN TO ME YOU DUMB WORTHLESS
LITTLE GIRL!!!!!!....

Grayson ends grabbing her by the neck.

CUT TO:

Arthur comes into the force with full force and jumps over a huge river and Arthur jumps on the rope and breaks the window.

ARTHUR

(yelling)

Alright Lionel you are next.

LIONEL JAY

Thank you sir.

Lionel clears his thought and he starts presenting.

LIONEL JAY (CONT'D)

Anyway my report was on Arthur Warleson who works in the libray here on campus but what people don't know about is that not only did he use to work for the royal family, he was once royal himself and he was King Arthur I, but his reign is often discredited because his reign took place before Christ and during that time, he was given powers of not aging and the ability to transform into animals. And he was king when England not a big time nation. And he was really close with princess Diana and served in all world wars after his reign as king...

Lionel keeps on talking and the camera starts zooming out of the classroom and to a lot of squirrels playing in the trees. And Arthur is walking on to the bus and sees Lionel presenting and Arthur does a huge smile and Arthur gets out his old crown from his backpack and then puts it away and the bus leaves.
