alcohol and beer and other
alcoholic drinks and soda and
slurpees and other junk drinks I

types of cheese that can really
compete and be better then the
other ones along with my mustard
line. And some queso as well.

And I can use skills on video games on which games I should pick to promote.

SPY FOX

Oh the video games, well it's been a while since I made a game, but I hear the new Golden station 99 should be coming out soon with new graphics and everything. And I can ask if Monica can help some girls to model for the new foods I guess.

KING KONGLOMERATE

I see Mr. Foxlin.

Konglomerate has a smirk on his face and looks at a computer and looks at a Spy Fox's ID and sees his real name.

KING KONGLOMERATE (CONT'D)

You know for something like you, you would have been wise to maybe work for your parents keep working at minimum wage job instead of getting into fights and deals you can't win. And it's a shame because your boyish energy is what I can really use for my company.

SPY FOX

Well I mean there is always other games and consoles to use as well and E-sticks on TVs are good as well. And...

All of a sudden Russian Blue and some pig thugs come in. And walk towards Spy Fox from behind.

KING KONGLOMERATE

It's too bad, your ideas sound too normal and too childish and too kid and college and teenager friendly...and such a shame but I know everything about you...Spencer Fox...or should I call you...Agent Fox....

SPY FOX

Agent Fox. I don't know what you're talking about.

KING KONGLOMERATE

Oh don't play bull shit with me. I know who you are, your not Spencer Foxlin, and you don't own a beer company and I knew that what you did was too good to be true. And I have been watching you for a long time Spy Fox especially since you killed William the Kid and even when you were in high school, I saw everything you did. And watched your every move everywhere. And it's time that I killed you and pushed out of this building and your spy crop people will not stop me.

SPY FOX

KING KONGLOMERATE (CONT'D)

And then from there, find out where that pretty Bichon frise dog he was with and kill her as well.

SPY FOX

Your plan will never work. And also I tried your mustard and it sucks big time.

Konglomerate punches Spy Fox and kicks him in the stomach.

KING KONGLOMERATE

I have herd enough of you, take him away and kill him!!!!

RUSSIAN BLUE

SPY FOX

Once again I think you will fail.

RUSSIAN BLUE

We won't because I have killer scratching moves to do on you if try to escape Spy Fox. And what happened between us, we loved each other on the SS dead-weight.

SPY FOX
