STUDIO INTRO

The 20th century Fox logo and intro begins but there is no sound or the theme music and really there are sound of a basketball dripping and as the logo ends, a basketball horn goes off like crazy.

And then all of a sudden you hear chants that start with "John Tucker"

FADE TO:

INT. HIGH SCHOOL GYM IN BELLEVUE HIGH SCHOOL - NIGHT

Bellevue High School is playing Issaquah High School.

Bellevue is trying to come back and they are trying to make critical but Issaquah is playing really good and making critical steels and getting to the line.

All of a sudden a woman with blonde her is in the crowd.

KATE SPENCER
Come on Nolan, lets go
Bellevue!!!!!!!

CUT TO:

The head coach does a deep breath and calls time out.

And the time huddles for time out.

HEAD COACH FOR BELLEVUE HIGH
Alright guys bring it in, if we can
be more aggressive and push up the
court, we can win this game and go
to state. Spencer you will get the
ball and try to shoot a 3 and if
there is no wide open shot, then
pass the ball. Alright lets go
Bellevue on 3, 1, 2, 3.

And the players yell Bellevue.

The basketball game keeps on going and the game gets more intense. And Nolan is playing his heart out and trying to get open.

Nolan gets the ball and is dripping like crazy

Nolan gets physical and Nolan does a monster dunk on the basketball and Nolan goes up to the line.

Nolan goes up to the line and he takes a couple of deep breathes and Kate is cheering like crazy and Nolan is hearing people cheer like crazy.

And Nolan concerts and makes his 1st free throw and people are cheering like crazy. Nolan dribbles the basketball and concerts again and makes the 2nd free throw.

CUT TO:

Issaquah is trying to come back and Bellevue is playing really good defense and keeping the pressure on them. Nolan does monster block and blocks a shot and gets the basketball and Nolan grunts and does a huge dunk at the buzzer.

THE BELLEVUE HIGH BROADCASTER

It's over, It's over, Bellevue is going to state and Bellevue wins, Bellevue, Bellevue wins!!!!!!

And everyone is going crazy.

And everyone runs on to the court and Kate runs on to the court. And Kate runs to Nolan.

KATE SPENCER

Honey you played so good. Your going to state. I'm so proud of you sweet-heart.

NOLAN SPENCER

Thanks mom. I couldn't have not done with you.

KATE SPENCER

Oh I love you sweet-heart.

NOLAN SPENCER

I love you mom.

FADE TO:

EXT. AROUND THE TACOMA DOME - NIGHT

And the kids walk out of the gym dissapointed.

And a subtitle says "1 month later"

Nolan walks out of the Tacoma Dome really dissapointed.

And Kate walks up to him and hugs him.

KATE SPENCER

Oh honey, I'm sorry, you played really hard. And I think you played really good and you played like Superman out there. Come on grandma is coming over.

As they are about to walk to the car a random NBA scout sees them.

RANDOM NBA SCOUT

Hi are you Nolan Spencer.

NOLAN SPENCER

I am, who are you?

RANDOM NBA SCOUT

Nolan, my name is Michael Sunriver, I'm an NBA scout I have been watching you play for 2 months and I believe we can see you playing in the National basketball Association very soon.

NOLAN SPENCER

Oh man that's great, I also had other scouts come and watch me play weeks ago.

RANDOM NBA SCOUT

Oh I know Nolan but I think there is big news that NBA is coming to Seattle and the Seattle Supersonics might be coming next year to the NBA and our owner really likes you a lot and reminds him of how he played back in the 2000s.

KATE SPENCER

Oh my god that's great, who's the owner of the Sonics?

RANDOM NBA SCOUT

I'm sorry ma'am but I can't give you that information it's private but he did go to high school near Portland in the 2000's. Anyway, I have to get going but we will be in touch.

NOLAN SPENCER

Alright okay, that's great thank you.

And Michael ends up leaving.

KATE SPENCER

Oh my god, my baby is going pro. Oh that's fantastic.

Kate ends up going crazy and hugs Nolan.

CUT TO:

And Lori is really excited.

LORI SPENCER

NOLAN SPENCER

Hi grandma.

Lori hugs Spencer really hard and gives him a lot of kisses.

And Lori turns on the TV and starts watching TV.

LORI SPENCER

So Kate did you hear the NBA is coming back to Seattle.

KATE SPENCER

Yeah mom we just got approached by someone who is with the new Sonic but the whole front office is not revealed it. Which is kinda fishy to me. And the owner is private too, sounds very weird.

LORI SPENCER

Oh Kate it's no big deal, pro sports owners are always private and out of the spot-light like crazy. Well unless they are old guys I guess.

CUT TO:

Everyone is eating dinner at the dinner table.

KATE SPENCER

But yeah Nolan that is huge that your getting scouted by the pros, did you get a text or email on when your next workout is.

NOLAN SPENCER

Yeah mom I think my workout is next week on a Monday and they want me to workout with them for a couple months at least until the NBA draft or so.

KATE SPENCER

Oh okay, well I will drive to the workouts Nolan.

NOLAN SPENCER

Oh okay, that's mom but I can just take the bus to the workouts, I think he said the workouts are at Seattle U I believe.

KATE SPENCER

Just be very careful Nolan, this guy could be a scammer and can take advantage of you and hurt you. And I just don't want nothing bad happening to you. And also this area is getting fucking crazy as well.

NOLAN SPENCER

Yeah, I know mom.

LORI SPENCER

So just in case things don't workout, where do you think you will want to play college ball at?

NOLAN SPENCER

I don't know grandma either UW-Texas A&M. But mom really wants us to move to Houston.

LORI SPENCER

Houston, Kate you never talked about this before.

KATE SPENCER

Well mom it's because I am thinking about quitting Microsoft and I just can't work there anymore and plus I have a lot of money saved up so I can finally retire from my job and be with Nolan and spend time with him as much as I can.

LORI SPENCER

But I thought you liked Microsoft honey?

KATE SPENCER

Well I don't anymore Mom, and it's just a toxic place to work at.

LORI SPENCER

What about your friends back in Portland?

KATE SPENCER

They don't live in the Seattle area mom. But I'll contact them.

LORI SPENCER

Oh okay Kate. Well if that's what you want, I'm not going to stop you. So Nolan what did you want to study?

NOLAN SPENCER

Oh well grandma I want to study gadgets and create smart phones and also create resorts as well and go into business.

KATE SPENCER

Do you have a plan by like getting a job somewhere either by UW or College station?

NOLAN SPENCER

I think maybe just a gym somewhere in those areas. But only if basketball does not work out.

KATE SPENCER
 Walter, we have been over this like 5 years now and no I don't want to date you, and I don't see myself with you, and if you hit on me one more time you will get fired.

WALTER NICHOLSON
 Oh Kate you don't have to be like like that. You know you really want to.

Kate gets her papperwork and she begins to clock out of work.

KATE SPENCER

I don't go clubbing Catia.

CATIA JOHNSON

What about Whine tasting or shopping?

KATE SPENCER

Catia your nice and everything but I just don't see you as someone who I shouldn't be friends with. And I have to get home to my son.

CATIA JOHNSON

You know Kate, you can't baby him forever, he's going to grow up and go out into the world and do fun things and be on his own.

KATE SPENCER

I don't baby him, I have been in his life forever and never missed a basketball game and will always be there for him.

CATIA JOHNSON

You should focus on you Kate. You never focus on yourself and you need to have some Kate time. And Be in a bikni somewhere or be butt naked somewhere and attract a guy as well.

KATE SPENCER

And I will do those things but very soon.

Kate walks into the office and goes to her boss.

CUT TO:

Kate drops in her quieting papers and her boss sees them.

PHILLIP TREESON

Um...what the hell is this?...

KATE SPENCER

I'm quieting my job Mr. Treeson. I have worked here for a long time and I think it's time that I had some family time of my own. And I have worked here since 2007. And it's time that I re-tired.

PHILLIP TREESON

Kate you can't retire, your our best worker and this floor would be nothing without you here. And your co workers look up to you.

KATE SPENCER

No my co workers don't up to me. Everyone gets on my fucking nerves and I don't like anybody here and I never have liked anybody here and everyone here is a loser who still lives with parents and I'm done with his stupid culture as well. So I'm done.

PHILLIP TREESON

Well I'm sorry Kate I can't let you quit this job because you don't fit the retire check boxes and...

All of a sudden Kate gets really angry and slaps her boss in the face and dumps coffee on him.

KATE SPENCER

I quit get someone else.

Kate keeps on watching TV and she all of a sudden has a scarred look on her face.

LORI SPENCER
What's wrong Kate?

CUT TO:

Nolan is talking with John at his desk. And more media are around them and covering everything.

HEATHER MONTGOMERY

OH MY FUCKING GOD!!!! THIS CAN'T BE REAL!!!!!!...WHAT THE FUCK!!!!!!...NOOOO.

CUT TO:

Carrie is in Paris France and she is in her apartment and she sees John Tucker on Twitter. And watching his interviews.

JOHN TUCKER

I make a lot of cake and I make a lot of good food and sports drinks.

FOX NEWS REPORTER 1

And you own the Sonics now. What is that like John?

JOHN TUCKER

Oh it's wild, but I love it and I hope to be an NBA owner and I'm living the American dream and I hope to lead the Sonics to the NBA finals and we become an NBA dynasty like the Golden State Warriors and like the Bulls in the 90's.

Carrie sees the interview.

CARRIE SCHAEFLER

Oh my fucking god this really bad and really horrible. This guy is fucking evil.

CUT TO:

Beth is in Washington DC and she also sees the news and Beth works as a senator from Oregon. And she sees the same interview.

BETH MCINTYRE

No you fucking won't. Your team is going to struggle. Go Blazers. Fuck the Sonics!!!!!!...

CUT TO:

John Tucker is everywhere in Seattle and getting interviewed everywhere.

CUT TO:

John finally gets out of the interview. And meets up with Tommy.

TOMMY

Dude...Bruh!!!!!!! Your 1st NBA training camp is like fucking next week man, you need to stop with these crazy interviews.

JOHN TUCKER

It's okay Tommy, these interviews are great and women still love me.

TOMMY

Yeah your going to create people in the NBA that hate you man including people in the NBA like Adam Sliver and other owners man. Owning an NBA is not a fucking toy bruh.

JOHN TUCKER

Tommy, Tommy, Tommy, everything is going to be okay, we are going to have a great 1st season in the league and everything will be just fine.

TOMMY

Look man, I know I'm just the general manger but don't make a fool out of yourself man. There is all this social media bull shit and everything, people can record man.

JOHN TUCKER

Tommy everything will be fine, just fine talent and I'll take care of everything man.

TOMMY

Ooooooh noooooo!!!!!!...We are so going to get kicked out of this league. Oh Jesus Christ!!!!

CUT TO:

EXT. BELLEVUE SQUARE MALL - DAY

Kate is shopping at the mall and looking around and she is in the pro shop and she sees Nolan's jersey number on a Sonics jersey.

The store clerk looks at Kate.

STORE CLERK

Looking for something.

KATE SPENCER

No I'm just looking.

STORE CLERK

Oh okay ma'am.

As Kate is looking around, Heather also sees Kate.

HEATHER MONTGOMERY

I never thought I would see you here.

Kate turns and sees Kate and is really excited.

KATE SPENCER

Heather!!! Oh my god, what are you doing in Washington?

HEATHER MONTGOMERY

I just came to see you and we need to catch up.

KATE SPENCER

Are Beth and Carrie here?

HEATHER MONTGOMERY

They are. Come on lets get out of here.

CUT TO:

Kate is sitting down with Heather, Beth, and Carrie.

And Katie is really flustered.

KATE SPENCER

I just can't fucking believe he's back and what's worse is that I thought he learned his lesson about women and everything but it turns out he is still the same. And not only that, he's the fucking owner of the Sonics as well and my son has to play for him.
UGH!!!!!!!!!!!!.....

HEATHER MONTGOMERY

Kate everything is going to be okay. Plus you haven't even seen him in person yet.

CARRIE SCHAEFLER

It's John Tucker Heather, he has never changed. Even when we tried to kill him in high school and ruin him, he's like that monster that comes back is a lot more stronger.

BETH MCINTYRE

Who the fuck cares, his antiques will blow up in his face. Plus the team itself is not even going to be that good. No offense Kate.

KATE SPENCER

Well no I want Nolan to succeed and I want him to prosper in his life and play in the pros but I just wish that John Tucker wasn't the owner of the Sonics. And why does it have to be him, why him?!.....

BETH MCINTYRE

Well John did make money in the erotic cake industry and making sports drinks and other food and he did make billions from all that and that's how he was able to buy an NBA expansion team and turn them into the new Sonics.

HEATHER MONTGOMERY

Girl please, there needs to be more African American owners in the NBA.
(MORE)

HEATHER MONTGOMERY (CONT'D)

Plus there has always been crazy and bad owners in the NBA such as the great Dr. Bus, Donald Fucking Sterling, Howard Schultz, Jack Kent Cook the old Lakers owner before Dr. Bus. Um...there are so many of them.

KATE SPENCER

Guys we are getting off track, I don't want Nolan to end up like John Tucker because we lived through this crap before and his presence and I think we can take him down again.

BETH MCINTYRE

Kate you don't need to do anything, the team is going to suck, and everything he will do will bite him in the ass.

HEATHER MONTGOMERY

Your team is not any better, Blazers haven't done anything.

CARRIE SCHAEFLER

I don't watch sports, I have more fancy things to do with my time.

CARRIE SCHAEFLER (CONT'D)

Look Kate, just watch over Nolan and he will be okay. And just meet him.

KATE SPENCER

Alright okay Carrie.

CUT TO:

EXT. AROUND BELLEVUE SQUARE MALL - NIGHT

Kate starts walking out of the mall. And limo drivers find her.

BODYGUARD 1

Kate Spencer?

KATE SPENCER

Yes, who wants to know?

BODYGUARD 1

Ma'am your going to have to come with us?

KATE SPENCER

I don't have to fucking do anything, and if you don't leave me along I'm going to have to call the police.

BODYGUARD 1

Ma'am it's really important that you come with us and...

All of a sudden Kate punches one of the body guards and the body guards start chasing her around Bellevue.

All of a sudden the song "sugar by Flo-rida" plays in the background as the bodyguard are chasing Kate around Bellevue.

Kate keeps on running for her life and running through people and people are going crazy.

BODYGUARD 1 (CONT'D)

Yo man we have to get that girl.

Kate keeps on running and more body guards are chasing her like crazy and Kate starts hiding.

And Kate ends up hiding in the apple and Microsoft store.

And more body guards keep on chasing her and Kate runs into the Nordstorm.

Kate keeps on running and running through people, Kate finds some erotic candles and through erotic bottom candles at the body guards chasing her.

And more body guards gain up on her Kate does a really scarred scream.

BODYGUARD 1 (CONT'D)

We don't want to hurt you woman, our boss just wants to see you and talk to you.

KATE SPENCER

Just leave me the hell alone.

Kate keeps on running and all of a sudden Kate finally loses them and she walks into a Nordstorm bar and she goes to get a drink.

But there is poison in the drink and Kate ends up getting knocked out and the body guards finally catch up to her.

FADE TO:

EXT. JOHN TUCKER'S PEN HOUSE

And Kate is sleeping and she finally wakes up.

And wakes up and she sees the Seattle Skyline and she also sees someone walk up to her very slowly.

KATE SPENCER
(tired voice)
Oh god where the fuck am
I?!...Jesus!!!!

John finally sees Kate.

JOHN TUCKER
Hello? You awake?...

Kate finally gets up and she sees John Tucker in person for the first time.

Kate starts scream and yell and she gets really scarred.

KATE SPENCER
Oh my fucking god it's you!!!!I
thought I was done with you all
those years ago!!!!!! And your
fucking back.

JOHN TUCKER
Hello Kate. It's really good to see
you again. God I haven't seen you
like almost 20 years.

KATE SPENCER
Yeah there is a good reason why.
Look you need to get this through
that funny little face of yours
that I don't like even if you have
billions of dollars and now live in
penhouse in downtown Seattle and
that my son plays for you and you
own the god damn Sonics and are an
NBA owner.

KATE SPENCER (CONT'D)
Just please take me home.

JOHN TUCKER

Alright yeah sure, Kate very soon. I'm sorry that my body guards had to kidnap you, with all the press about the sonics and being the owner and everything I can't always go out in public. I also just made some sea-food, do you want some dinner Kate?

KATE SPENCER

I'm not hungry John. I just need some water.

JOHN TUCKER

Oh okay Kate. Man, you haven't changed all that much since I last saw you. You still have that fire and that cute and beautiful voice. If anything you are a lot more beautiful.

KATE SPENCER

Look pal, I don't want you to hit on me or make advances on me, we are done and we have been over for almost 2 decades and also I'm going to say this and be very blunt, I want you to stay the hell away from my son and do not ever teach him how to be like you. Because I know what you were like in high school and I don't want my son to be anything like you John!!!!

JOHN TUCKER

Oh that hurts Kate, I think he's going to be a star on the new Sonics team and I think with the right pieces around him, we can be like the Las Vegas Golden knights and go the finals our 1st year. And then your son could be the next Larry Bird and best of all be the next Michael Jordan and Jerry West. Actually if I think about it he reminds me of myself when I played all those years ago.

KATE SPENCER

I swear you hurt Nolan, I will have to fucking sue you and expose you for who you are and also ruin you very badly and also make your life a living hell as well and destroy your reputation as well.

JOHN TUCKER

Oh kate you don't want to do that. Believe me, so far the Sonics since owning the new Sonics are worth 999 billion dollars and more so then the Lakers and Celtics, you make me sell the team, the value goes down like crazy. You wouldn't want that would you?

KATE SPENCER

I don't fucking give a shit about those numbers, just don't hit on me, and don't make any advances or any sexual pranks or sexual gifts or get me naked or nothing, and most of all, do not hurt Nolan and do not ruin his career.

JOHN TUCKER

Oh okay Kate, you know I don't think the problem is me, maybe the problem is you. And I never did anything bad to you and you make me out to be the bad guy when I'm not. Just something to think about that. Anyway I'll get you an Uber or a lyft back. It was nice to see you Kate.

CUT TO:

The uber drops Kate at her apartment in Bellevue.

And Kate gets out of the car and runs into her apartment.

CUT TO:

Kate goes into her apartment and runs into her room.

KATE SPENCER

Hey mom.

LORI SPENCER

Hey pumpkin, where have you been? I thought you were at the mall?

KATE SPENCER

I was at the mall mom but sadly I got kidnapped by John Tucker...

LORI SPENCER

Oh John Tucker, your old friend from Oregon and high school. How is he?

KATE SPENCER

Yeah and he fucking owns the Seattle Supersonics mom, and Nolan has to play for him and the visit was not great and I didn't want to see him at all, and he hasn't change that much, he's still that crazy and wild and silly and girl hitting jack ass but with billions of dollars and worst is that nobody can stop him.

LORI SPENCER

Oh honey, that's harsh, I have seen new pictures of him and he looks handsome and looks great he can't be that bad.

KATE SPENCER

He is bad mom and there is a reason why I never dated him. And I don't want Nolan to be around and be like him.

Nolan shows up.

NOLAN SPENCER

Be like that mom?

Kate and Lori turn back.

KATE SPENCER

Ooooooh hi sweety, how was your workout?

NOLAN SPENCER

Oh it was great mom, tomorrow I'm having dinner with Mr. Tucker and we are going out for Fish and then working out with him.

KATE SPENCER

WHAT?!...NOOOOOOOOO!!!! BABY
NOOOOOOOOOOO!!!!...I mean..oh okay
Nolan, just be careful.

NOLAN SPENCER

Mom are you okay? You look like you are stressed out and having a breakdown.

KATE SPENCER

Oh I'm fine just worry about you.

LORI SPENCER

Don't worry about your mother, she kinda has a grudge towards the owner of the Sonics and John Tucker.

KATE SPENCER

Mom!!!!!!.....

NOLAN SPENCER

What really? You actually know him mom, I didn't know that.

KATE SPENCER

I unfortunately went to high school with him. Look sweetie, just be careful around him, I lived through his craziness and what he did in the 2000's and all the girls he hitted on, the crazy stuff pranks and parties and him wearing a thong and him lying. I don' want you to be like Nolan, I want you to be a nice young man and don't cause trouble and just focus on basketball and I don't want you to get brain-washed by John Tucker.

NOLAN SPENCER

Mom I'm sure everything is going to be just fine, and I have been around Mr. Tucker and he's a good guy, and he looks like an amazing owner and someone I want to play for. And I love my coach as well. Mom everything will fine, If I have problems, I'll deal with it or call you and grandma and I will never abandon you at all. I promise. I mean is she anything I can do so that way you guys can get along?

KATE SPENCER

No honey there is nothing you can do, I don't like John and that's final and I want to call me every day after each game especially on the road this season. You got that.

NOLAN SPENCER

Yeah sure mom. I'll try.

KATE SPENCER

Well good luck with everything and I love you Nolan.

NOLAN SPENCER

I love you too mom.

CUT TO:

Nolan is the by the new Sonics headquarters and the equipment guy lets him in and Nolan walks in and he starts to get on his practice uniform and all of a sudden a lot of veterans show up. And Nolan over hears the conversations happening around him and Nolan starts to get nervous.

Nolan gets dressed and goes on to the court.

CUT TO:

Peyton and Tommy walk on to the court.

TOMMY

Yeah so far we got some talent Pay, I think we just need to have good weeks of training camp and will be okay.

PEYTON BEAUREGARD

God I sure hope so because if anything I want to push discipline on these players and we need us to play good, hard core, fundamental and tough basketball. Alright I'll talk to you later.

Peyton goes up to everyone.

PEYTON BEAUREGARD (CONT'D)
 (yelling)
 Alright listen up!!!!, jumping jack
 and some push ups and I want all of
 you to run laps until we get to
 100.

Peyton blows his whistle.

PEYTON BEAUREGARD (CONT'D)
 Lets go!!!!!!!

CUT TO:

Peyton around the team.

PEYTON BEAUREGARD (CONT'D)
 Gentlemen...welcome to the
 NBA!!!!!! This is a fucking grown
 mans league, and even though we are
 an expansion team, I will preach
 discipline and hard work. And I
 don't care who you are, veteran or
 rookie or in-between, you will get
 the same treatment, and I will be
 on every single person's ass and
 run your ass as well. And expect
 everyone to bring passion and ass
 and energy in this gym. And anybody
 who screws up owes me 200 sit ups
 and 300 push ups and 500 jumping
 jacks and up downs as well. Is that
 understood!!!!!!!

THE REST OF THE PLAYERS
 YES COACH!!!!!!!

PEYTON BEAUREGARD
 Good, alright, lets get work.

CUT TO:

Peyton blows the whistle and every player on the sonics
 starts doing to agility workouts

And players are running laps and running up and down the
 court.

More players are doing dribbling practice and doing one on
 one.

Some players are doing really good. And some are not showing
 energy.

Nolan is struggling in practice. And Nolan gets pushed down.

NBA VETERAN PLAYER
Stay down faggot white boy!!!!

Nolan gets up and keeps on working and showing skill and aggression.

Nolan bumps the player hard and does a dunk.

NBA VETERAN PLAYER 1
This ain't a game, this just
fucking practice!!!! Jesus!!!

PEYTON BEAUREGARD
Hey just made you look bad. You are
on the list.

NBA VETERAN PLAYER 1
Fuck!!!!!!

CUT TO:

Practice keeps on going and Nolan keeps on dribbling and gets schooled in practice and falls on on the court.

NOLAN SPENCER
God fucking damn!!!!!!

Nolan gets up and keeps on going.

CUT TO:

Nolan keeps on practicing but he is getting owned by NBA players and veterans other rookies are not taking him seriously.

And some are laughing at him in practice.

Nolan just shakes his head.

NOLAN SPENCER (CONT'D)
Asshole!!!!!!....

CUT TO:

The final part of practice and doing full scrummages. And Nolan is on the bench.

And Peyton is watching everything and the team defense is doing really bad.

Peyton blows the whistle.

PEYTON BEAUREGARD

That is the most weak defense I have ever seen. That's not going to fucking work against teams like the Lakers and Celtics guys. Run that fucking play again.

Peyton blows his whistle.

Peyton keeps watching some players are fighting.

PEYTON BEAUREGARD (CONT'D)

Alright that's it. 2nd string on the floor.

Nolan finally gets in the game.

And Nolan is running around and trying to get open and they try to do a lot of different plays on the court. Nolan gets open and Nolan is dribbling the basketball and one player is bumping on him.

NBA VETERAN PLAYER

You ain't getting past me white boy, time to see if you will actually make the team shit-head!!!!

Nolan keeps on dribbling and goes to the paint and does a sky hook and misses and get pushed on the floor. And another whistle happens.

NOLAN SPENCER

Jesus christ!!!!!!

Nolan is on defense and guarding players and playing really hard defense.

NBA VETERAN PLAYER

Oh I got you all day white boy, I got you all day, Im going to go 900 on your dumb rookie ass!!!!!!...

The random NBA player tries to shoot and Nolan loses it and blocks the shot and lays the guy on the floor.

NBA VETERAN PLAYER (CONT'D)

Fuck!!!!!!

NOLAN SPENCER

Well game on!!!!!!...

Practice keeps on going and Nolan is playing guys really hard and gets a couple of steels and does a couple of lay-ups.

PEYTON BEAUREGARD
 Alright good job, good job 33.
 That's how you do it.

Practice keeps on going and Nolan is practicing his heart out and keeps on being aggressive.

NBA VETERAN PLAYER 1
 Oh I'm not going soft on you, I'm
 going to kick you little
 ass!!!!!!...

Nolan plays hard defense and goes for a block and the other player shoots the ball and Nolan gets the re-bounce and Nolan does a big time pass and Nolan keeps on running and trying to get open.

PEYTON BEAUREGARD
 Shoot!!!! Shoot!!!!!!

Nolan finds a way to get open and Nolan is going up and down and back and forth while dribbling the ball.

Nolan grunts and does a big time dunk and dunks on the veterans making fun of him.

PEYTON BEAUREGARD (CONT'D)
 Good job, good job.

CUT TO:

Nolan is playing defense and playing guys really hard and playing one on one.

NBA VETERAN PLAYER
 You aint going to do shit!!!!!!
 Boy!!!!!! Why don't you go back
 home to your white mommy!!!!!!

Nolan just ignores him and just does another block.

The NBA veteran player gets really heated.

NBA VETERAN PLAYER (CONT'D)
 The fuck is wrong with you man, you
 know that I'm right, you ain't
 going to make this team. Fuck
 you!!!!!!

Nolan ignores him and all of a sudden the veteran pushes him on the floor and Nolan gets really angry.

NOLAN SPENCER
 (angry and pissed off)
 OH YEAH GIVE ME YOUR BEST SHOT
 FUCKER!!!!!!!!!!

And a huge practice brawl breaks out and Nolan throws a lot of punches and kicks and the NBA vet throws some of his own. And everyone sees the fight.

ISAIAH CAMPBELL
 Holy shit!!!!!!

The fight gets recorded and put on social media.

And Kate and Lori see the fight.

KATE SPENCER
 Oh my god!!!!!!!!!!....

CUT TO:

The fight keeps on going on and both players are fighting each other very brutally and Nolan just kicks his veteran team mate in the face and punches him in the face.

NBA VETERAN PLAYER 1
 You racist piece of shit!!!!!!!!!!....

Nolan just gets even more angry and throws a metal water bottle at him and knocks him out very badly.

NOLAN SPENCER
 I'm doing my absolute best I can.
 Fuck you!!!!!!!!!!

Peyton blows the whistle and breaks up the fight.

PEYTON BEAUREGARD
 Alright okay, break it up you two,
 break it up!!!!!!!!!!...in my office
 now!!!!!!!!!!.....

FADE TO:

INT. PEYTON'S OFFICE - NIGHT

Nolan is really mad and the other player gets there. And the same NBA player gives Nolan the middle finger.

NOLAN SPENCER
 Do I look like I give a shit about
 what you have to say?!...

Peyton gets into the office.

PEYTON BEAUREGARD

Guys!!!!!! I am very dissapointed in two especially you. You are suppose to led by example but instead you are using the race card and and making fun of other rookies. And I would think you would show more gratitude for us signing you.

NBA VETERAN PLAYER

Rather play with Lebron then play on this piece of shit team.

NOLAN SPENCER

Lebron is like 40 years old and almost going to retire.

NBA VETERAN PLAYER

Bitch I wasn't talking to you!!! And also your game needs work and you are not good enough to play in the NBA and you should of went to college!!!!!!...

NOLAN SPENCER

Well at least I actually tried.

PEYTON BEAUREGARD

(angry)

ALRIGHT THAT'S ENOUGH!!!!!! You are off the team, you will stay after practice, on the court now!!!!

NOLAN SPENCER

Alright okay.

Nolan walks out of office and starts doing his workout quota and doing sit ups and push ups and running like crazy.

And Peyton goes on the court and watches him.

PEYTON BEAUREGARD

Again!!!!!!....

Nolan keeps on working and Peyton blows his whistle 30 times.

PEYTON BEAUREGARD (CONT'D)

Again!!!!!!....

Nolan keeps on working out and finally gets done and is really tired beyond belief.

And Peyton walks up to Nolan with a stern look on his face.

PEYTON BEAUREGARD (CONT'D)

If you do anything like that again, you would off an NBA roster and be working in a minimum wage job somewhere and you need to learn self control cause if you don't, you will not play at this level. I expect you to conduct yourself better tomorrow. And thankfully your a rookie but years from now...I will be more harder on your ass!!!!!!...I'll see you in practice tomorrow.

Peyton walks away really made and flustered.

And Nolan is still really mad and angry.

CUT TO:

Nolan walks out of the Sonics headquarters and Issiah sees him.

ISAIAH CAMPBELL

Hey man, I saw what you did man, dude you got hoops man, your a fighter and man you showed that guy what's up. I'm sorry I'm Isaiah, shooting guard and went to Long Island University.

NOLAN SPENCER

Nolan Spencer, Bellevue High School.

ISAIAH CAMPBELL

Yeah well anyway, we have to go out and catch some tail man. Come on I'll drive.

NOLAN SPENCER

Don't we have practice tomorrow though.

ISAIAH CAMPBELL

We do, but it's 10AM or so. Don't worry I'll get you back and everything.

Isaiah and Nolan go into Issiah's car and start driving around Seattle.

CUT TO:

INT. A CLUB IN SEATTLE - NIGHT

Isaiah and Nolan walk into the club and the whole club is rocking and going crazy and going crazy.

Nolan is blown away at the whole club. And the Song Hold on by Soul P starts playing in the club.

NOLAN SPENCER

Oh my god holy shit, this rocking man.

ISAIAH CAMPBELL

Oh yeah man, since you are playing in the NBA and you going to be going to clubs like this.

ISAIAH CAMPBELL (CONT'D)

And best of all, you can get any girl you want.

NOLAN SPENCER

I just hope I don't become a bust in the league.

ISAIAH CAMPBELL

Dude man you won't, I have seen you practice and you are the man out there, and even though coach made you stay after, you do what he says and dude you are going to be a star in this league.

NOLAN SPENCER

What about you man?

ISAIAH CAMPBELL

Me. Nah bruh, I have been in this league for only 3 years, And I have never made any NBA roster, and I was like you, pushed around and veterans hating on me, and so I'm just a role player and just help you man bruh. And if I get some, great, but I know my place in this league, and yeah.

NOLAN SPENCER

But I can help you though on your game, and maybe you can make an all star team or a dunk contest.

ISAIAH CAMPBELL

Dude please, I don't give a shit about those things, I want to win a championship and get a ring and play on a winning team. And I hope we can do that here. You and me. And I know you will get us there.

NOLAN SPENCER

Dude basketball is a team game.

ISAIAH CAMPBELL

I know it's a team game, but you are our leader man, you got this man, and I know we are going to play really well. But for now, lets just have some fun.

CUT TO:

Nolan and Isaiah are dancing in the night club and a couple of girls are dancing with him.

As Nolan is dancing with a couple of girls, one girl with brown hair and she looks a little normal. And she catches Nolan's eyes.

Nolan just ignores them and Nolan just starts walking to her and fallowing her.

As Nolan is fallowing her, he sees her fall down.

NOLAN SPENCER

Oh shit!!!!!!....

Nolan helps her up.

NOLAN SPENCER (CONT'D)

Oh my god are you okay?

DAKOTA LEAVSON

Oh god I think, these heels can be really hard to wear. Jesus, I'm so fucking sorry, I have a potty mouth and I'm not very lady like, I'm Dakota.

NOLAN SPENCER

I'm Nolan. You want to get out of here.

DAKOTA LEAVSON

Absolutely I do.

CUT TO:

Nolan and Dakota are on the grass somewhere and are around Seattle Center.

DAKOTA LEAVSON (CONT'D)

Oh god, I really needed to get out of there. And just get out of those heels.

NOLAN SPENCER

Oh yeah for sure.

DAKOTA LEAVSON

So what do you do Nolan?

NOLAN SPENCER

Well...I am a rookie power forward for the Supersonics.

DAKOTA LEAVSON

Oh wow. That's amazing. Wait I second I know you were a little younger, and you were not 21.

NOLAN SPENCER

Yeah I went to that club with a team mater and he got me in there.

DAKOTA LEAVSON

Holy shit, that's a lot of pressure though, and you came right out of high school. What about your mom?

NOLAN SPENCER

Well my mom use to work at Microsoft in Overlake, Washington. And I think she either quit her job or she retired. And my grandma lives with us as well.

DAKOTA LEAVSON

What about your dad?

NOLAN SPENCER

Sadly I never met my father. And my mom never talks about him.

DAKOTA LEAVSON

I'm sorry to hear that.

NOLAN SPENCER

But I really loved meeting you and you are really chill to hang out with as well. What about you Dakota.

DAKOTA LEAVSON

Well there is not much to me, I study science and biology and study jewelry at the University of Washington and I play college basketball on the side and I play small forward.

NOLAN SPENCER

Oh that's cool. So we can play sometime when we are both free.

DAKOTA LEAVSON

Yeah but I don't see much value in playing in the WNBA, I want to be a fashion designer or do something bigger.

NOLAN SPENCER

But basketball is huge.

DAKOTA LEAVSON

Yeah for you it is, not for us ladies, the pay in the WNBA sucks major ass and have to play overseas.

NOLAN SPENCER

What's so bad about that?

DAKOTA LEAVSON

You can't speak English and nobody knows english and people can take advantage of you. Hello!!!!!! I just don't see myself traveling overseas.

NOLAN SPENCER

Come on, you gotta take chances and let go and feel free and light, and world wants to get to know how beautiful and nice you are inside and out and you need to share yourself with the rest of world.

DAKOTA LEAVSON

Awwwwwe your so sweet, sharing is not what's cracked up to be.

NOLAN SPENCER

Look, if you are around me, and get to know me, I can take you to a lot of places. And I'll make sure you are always okay and I can take care of you as well Dakota.

DAKOTA LEAVSON

Um okay Nolan. Well I gotta go.

Dakota gets up and she starts heading home.

DAKOTA LEAVSON (CONT'D)

Good night.

NOLAN SPENCER

Good night Dakota.

And Nolan sleeps on the grass.

CUT TO:

INT. NBC STUDIO - MORNING

Heahter is walking into the studio and she has coffee with her.

KOBE SAMSON

KOBE SAMSON

Oh yeah I agree girl, oh yeah I agree Bo bo. And also the Sonics are back in the league as well.

HEATHER MONTGOMERY

Along with Vegas and Lebron owning the Las Vegas Venom as well.

KOBE SAMSON

Oh yeah but we don't give a shit about that.

(MORE)

KOBE SAMSON (CONT'D)

It's all about the Sonics and also
the teams who could be a dynasty
and win all the rings and get a lot
of the pussy and boobies.

All of a sudden a grumpy old African American NBA reporter
walks into the room.

KEYSHAUN RUSSELL JORDAN

(annoyed & angry)

OH MY FUCKING GOD!!!! JESUS
CHRIST!!!! WHO THE FUCKING HELL
DESTROYED THE COFFEE MACHINE AND
DESTROYED ALL OF THE DOUGHNUTS IN
THE BREAK ROOM!!!!!!

HEATHER MONTGOMERY

Hey Mr. Rusell-Jordan.

KEYSHAUN RUSSELL JORDAN

Oh god another season in this
shitter of a league. Back in my
day, the NBA actually meant
something and players like Lebron
James have ruined and destroyed the
NBA, king James my ass one of these
fucking days I'm going to tackle
and put my big, old elphant foot up
Lebron James's asshole. Back in my
day, I saw Bill Russell play for
the Celtics, and I also saw Dr. J
take the NBA to new heights and
then saw the show-time Lakers. And
Adam Sliver is destroying this
league. This league is full of
stupid and immature and non
intelligent black clowns that are
crying for the baby mamas!!!!!!...

Everyone in the room is scarred of him.

HEATHER MONTGOMERY

Oh okay. Well I'm sure today will
be a good day.

KEYSHAUN RUSSELL JORDAN

Yeah, yeah, I hope so baby girl,
Heather you are so beautiful and
gorgeous and really stunning and
really powerful and you smell like
flowers and perfume and have a very
beautiful black body as well.

HEATHER MONTGOMERY

Oh thank you Mr. Russell Jordan.

KOBE SAMSON

And also man, you are wrong, the NBA is doing really well, we just signed a new media rights deal, the NBA is more global and the game is exciting. And we have the sonics back and king James made the game really good and...

KEYSHAUN RUSSELL JORDAN

Kobe, shut the fuck up!!!! And shut the hell up!!!! You are stupid and not smart and every time you sound excited you sound like a fucking idiot and you sound like a little pussy. And your lucky I don't tell your mama how much of a clown you are at this studio.

KOBE SAMSON

Yes Mr. Russell-Jordan.

KEYSHAUN RUSSELL JORDAN

Good, now get my cheeseburger from in and out and get my huge chocolate milkshake and some fries and some onion rings. Get the fuck out of here mother fucker!!!!!!...

Kobe gets scarred and leaves the studio.

KEYSHAUN RUSSELL JORDAN (CONT'D)

Seriously what a dumb stupid mother fucker that man is, I bet he is a very tiny and small black penis and he can't fuck a black woman either. What a disgrace.

NBC CAMERA GUY 1

Alright we are going to be live in 5, 4, 3, 2, and 1 and go!!!!!!...

Keyshaun starts to become more professional.

KEYSHAUN RUSSELL JORDAN

Good morning ladies and gentlemen. And Boys and girls out there, welcome to the NBA on NBC and the NBA on Amazon and I am Keyshaun Russell-Jordan and yes that is my real name and I am 97 years old and still going strong. Today, it has been since 2008 since we last saw the Seattle Supersonics name and brand since the original club moved to Oklahoma City. But now as the 2024-2025 NBA season we have 2 new franchises the Seattle Supersonics and the Las Vegas Venom. Later today, I will be in Seattle interviewing the owner of the Seattle Supersonics John Tucker and the front office for the Sonics as well. And my co host the beautiful and gorgeous Heather will be interviewing the rookie Power Forward Nolan Spencer later today.

HEATHER MONTGOMERY

That's Keyshaun, I will be interviewing Nolan Spencer and Isaiah Campbell later today. And that's one that you don't want to miss.

CUT TO:

INT. SONICS HEADQUARTERS - AFTERNOON

Kate gets tickets and walks into the gym and she sits down.

Kate sits down and she starts watching the Sonics and sees Nolan practicing.

CUT TO:

John Tucker is also in the stands watching the team with Tommy.

TOMMY

I think so far we are looking good, Nolan has been playing good and Isaiah can be a starter as well boss.

JOHN TUCKER

I agree Tommy, we are getting the last pieces of the puzzle.

TOMMY

I also saw that Kate is here as well man. Have you thought about getting on the ass man.

JOHN TUCKER

Nah Tommy, I can't, her son plays for me, it would be just be bad and really awful.

CUT TO:

Lori gets to the facility. And she sits down.

LORI SPENCER

Hey pumpkin.

KATE SPENCER

Hey mom.

LORI SPENCER

How's Nolan doing?

KATE SPENCER

He's doing alright, I herd his 1st practice didn't really go well. And he had to stay after practice.

LORI SPENCER

That sounds very fimlar to you in some ways. Especially when you got detention.

KATE SPENCER

Oh yeah I know mom.

LORI SPENCER

And that was the day you met everyone as well.

KATE SPENCER

Yeah that day was really special.

As Kate and Lori are talking, Keyshaun and Heather are at the facility and Kate sees them.

KATE SPENCER (CONT'D)

Oh my god that's Heather. What she is she doing here?

LORI SPENCER

I guess she works with the NBA I
guess.

CUT TO:

The practice gets over and Nolan walks into the locker room.
And Heather tries to catch him.

And the camera goes on.

HEATHER MONTGOMERY

Good afternoon, I'm Heather
Montgomery for the NBA on NBC,
today I'm in Elliot Bay in Seattle,
Washington and I'm here with rookie
Power Forward Nolan Spencer. Nolan
thank you for your time.

NOLAN SPENCER

My pleasure Ms. Montgomery.

HEATHER MONTGOMERY

Oh your so sweet, you can just call
me Heather.

They sit down.

HEATHER MONTGOMERY (CONT'D)

Now the 1st question I want to ask
you Nolan. What is like playing for
John Tucker and playing for him.

NOLAN SPENCER

Well you know Heather, even though
I was 1st overall pick, I am glad
that Mr. Tucker gave me a chance to
play in the NBA because I think if
I didn't get drafted I would have
probably went to school and go to
either U-dub or Texas A&M and just
work as a gym trainer or something
like that, but I'm just glad that
I'm here and I'm playing for my
home city and everyone is happy.

HEATHER MONTGOMERY

I also understand you got into a
fight in 1st practice.

NOLAN SPENCER

Well there is not much to that, I got into a fight with a player, I don't really his name but that's just how the competition is like, people in this league will embarrass you and especially me since I'm a white guy and the NBA is a black pro league and people want to see me fail and fall on my ass, but I just want to tell you that I will work as hard as I can to bring the Sonics a championship. And also make sure my team-mates and coach get the credit as well.

HEATHER MONTGOMERY

I love that answer Nolan. I want to ask you about home life, what was Nolan like a kid.

NOLAN SPENCER

Well I was born in Bellevue, WA and my mom Kate use to work at Microsoft and I don't know what she was like when she was younger, but living with my mom and grandma, they mean the world to me, and I love them a lot and I wouldn't be the man I am without them.

As Nolan keeps on talking, Heather starts to flash back to her high school days and hanging out with Kate.

NOLAN SPENCER (CONT'D)

And not only that, I think the sky is truly the limit if we can work and play as a team.

HEATHER MONTGOMERY

Again great stuff, we are here with Nolan Spencer, the power forward for the Seattle Supersonics and later on we will interview head coach Peyton Beaugard very soon. This Heather Montgomery for the NBA on NBC.

And the camera turns off.

NBC CAMERA GUY 1

And we are off the air.

NOLAN SPENCER

Thank you so much for interviewing me.

HEATHER MONTGOMERY

Oh your welcome, your so sweet and gentle and nice, your just like your mom.

NOLAN SPENCER

You knew my mom.

HEATHER MONTGOMERY

Of course I did, I went to high school with her and she is one of my best friends.

NOLAN SPENCER

It's crazy she never mentions anything about you on her life before I was born.

HEATHER MONTGOMERY

She is a busy woman, have her call me sometime.

NOLAN SPENCER

Alright okay. Well I gotta go, it was nice to meet you.

Nolan runs away and catches up with Isaiah.

ISAIAH CAMPBELL

Dude, bruh, what was that man, even black girls like you man.

NOLAN SPENCER

It was nothing Isiah, just Heather Montgomery from NBA on NBC. And she knew my mom and they go way back.

ISAIAH CAMPBELL

Oh yeah I can see that. But man. Mmmmmmm. Mmmmmmm. She is fine man. You need to hook me up with that woman.

NOLAN SPENCER

Dude I'm not doing that, plus I don't even know her and I just met her IC.

ISAIAH CAMPBELL

Come on man. You got to help a brother out, I need some black pussy and I need a black woman like her man.

NOLAN SPENCER

Dude she is like fucking 40 years old.

ISAIAH CAMPBELL

I don't mind having sex with an older black woman.

Nolan just starts laughing.

FADE TO:

EXT. KING COUNTY AIRPORT - MORNING

The players are getting on the airplane and Nolan and Issiah get on the plane. And airplane takes off and they head to Washington DC.

CUT TO:

EXT. CAPITAL ONE ARENA - NIGHT

CUT TO:

Nolan walks in and he starts getting changed and another rookie comes in.

MARVIN JOHNSON

Hey man, I don't know how you have been in practice but I fallow anywhere buddy.

NOLAN SPENCER

Thanks man. Where did you go to school?

MARVIN JOHNSON

Ah fuck man, I went to school here at George Washington, wasn't good enough to get a big time D-1 scholarship so had to play at George Washington. Marvin Johnson.

NOLAN SPENCER

Nolan Spencer.

More players start to show up. And Peyton shows up.

PEYTON BEAUREGARD

Alright guys listen up!!!!, I know the media does not think highly of us at all, and the NBA world is against us and me and our owner as well. And remember it's us against the world men, and I want all of you to play like lions and play like a fucking jaguar and play with aggression and speed and play as a unit and play as a team and most of all, play team basketball and share the ball and make offensive plays and all of you need to attack your pray and strike at everyone who is going to shoot the basketball and get the steels and blocks and we play on every court so pissed off that we take it on everyone who plays us. What do you say boys?!.....

The players start buying in.

ISAIAH CAMPBELL

YEAH!!!! FUCK YEAH!!!! WE ARE
FUCKING GORILLAS!!!! Lets go!!!!
Lets go!!!!!! Lets go baby!!!!!!

NOLAN SPENCER

Yeah!!!!!!

And the team starts to huddle.

NOLAN SPENCER (CONT'D)

(big time voice)

ALRIGHT HERE WE GO, ALRIGHT WE
GO!!!! LETS PLAY AS A TEAM AND FUCK
THESE GUYS, LETS GO OUT THERE AND
KICK THEIR FUCKING ASS!!!!!! SONICS
ON 3. 1, 2, 3.

THE REST OF THE PLAYERS

SONICS!!!!!!!!!!

PEYTON BEAUREGARD

Alright lets go, get out there
boys!!!!!!

CUT TO:

INT. CAPITAL ONE ARENA - NIGHT

KEVIN CALABRO

Alright here we go on NBC Seattle, I never thought we would ever be back but the Sonics are back and the Sonics are in the NBA and once again I am Kevin Calabro as the voice of the Sonics, this has to be the most exciting team I have covered, but no team has an owner like John Tucker, no team has rookie like we do, and no team has the head coach we do, and this Sonics team can be really special and can go all the way. Along side me is former Sonics player Nick Collison, now Nick this team has been in the news a lot with Nolan Spencer and our owner John Tucker. But do the Sonics need to do to win this 1st game against the Washington Wizards?

NICK COLLISON

Yeah Kevin I think what the Sonics need to do is they have to push the tempo, they have to play defense, they have play strong, and they have to play team basketball and build around Nolan Spencer and he has to pass the ball and make plays and just play defense. And we have to make our free throws when we can and if we can do those, Sonics win 30 or 20 points.

KEVIN CALABRO

Alright good stuff Nick, and very soon tip off will be very soon and the Sonics are back and Seattle is back in the NBA, tip off next.

CUT TO:

All the players go on to the court for the tip off.

And the ref put throws the ball in the area and the game is under way.

And the Wizards have the ball and have the tempo and Nolan is being aggressive on the court.

Issiah is guarding one of the players and Issiah gets the steel and goes in for a layup.

KEVIN CALABRO (CONT'D)
Oh look at the steel by Issiah Campbell, and the Sonics strike first on defense.

And everyone in the stands is going crazy.

CUT TO:

Tommy's reaction and Tommy goes crazy.

CUT TO:

Kate is also really excited.

KATE SPENCER
Come on Sonics!!!!!!...

CUT TO:

Another part in the game.

Marvin has the ball and is dribbling the ball like crazy.

And Marvin passes the ball to Nolan and Nolan is sizing up his man and Nolan using court vision and Nolan gets through his man and Nolan goes in the dunk and the foul.

Nolan goes up to the line and takes a couple of deep breaths and Nolan carefully makes his free throws.

CUT TO:

The Sonics are playing defense and Nolan is playing defense and doing a lot of defensive moves and Washington is able to score and get through the Sonics.

CUT TO:

The Sonics are on offense and Marvin is at point guard and but he gets sized up very badly and the Wizards get a steel and a foul.

The wizards make the free throw points and Wizards lead 60-55.

Sonics are on defense again and Nolan is able to do a monster block and steel and Nolan goes down the court and Nolan does a big time dunk.

KEVIN CALABRO

Oh wow there he goes, there goes Nolan Spencer and with the dunk. And the Supersonics are battling here in Washington DC.

Sonics are on defense and Marvin gets a big time steel and Sonics take the lead.

Sonics have the ball and pushing up the court and miss a jump shot and Washington gets the ball back and does a loop pass. And the Wizards are able to score.

And the game keeps going back and fourth with a lot of plays on both teams.

CUT TO:

KEVIN CALABRO (CONT'D)
 Alright it is now half time, score

 2nd half and so far Sonics are
 playing with a lot of fight.

CUT TO:

INT. VISTING LOCKER ROOM - NIGHT

And the players are in the locker room.

PEYTON BEAUREGARD
 Alright bring in guys,

All the players come around Peyton.

PEYTON BEAUREGARD (CONT'D)
 Now that was really good
 basketball, I think we just need to
 limit the turnovers and we just
 need to get more offensive rebounds
 and take advantage of our 2nd
 chances, Nolan, good job at the
 line, Issiah, good steels, and most
 of all we have to keep fighting and
 taking it to them and show them no
 fucking mercy. And weather we win
 or loose tonight, this game will
 define who we are as a team right
 fucking now. And that's all I got.

PEYTON BEAUREGARD (CONT'D)
 Alright bring it in guys. Sonics on
 3. 1, 2, 3,

THE REST OF THE PLAYERS

PEYTON BEAUREGARD (CONT'D)

 game.

NBA REF
 One more and your out of the game.

PEYTON BEAUREGARD
 You have been screwing us all

KEVIN CALABRO

 block them like a steel wall. Can
 we do that.

THE REST OF THE PLAYERS
YES COACH!!!!!!!

PEYTON BEAUREGARD
Good, great, lets go, go out there
and destroy them.

CUT TO:

The Soncis go back on the court.

KEVIN CALABRO
The Sonics are fired up and my lord
this team even though they are
expansion but right away this team
looks intense and Beauregard looks
a like an angry and intense

And the Buzzer goes off.

The ball slowly goes into the hoop and the Sonics score and
win in the last remaining seconds of the game.

KEVIN CALABRO (CONT'D)
It's good, it's good, and it's in
the hoop, Sonics Win, Sonics Win,
Sonics from the national jaws of
defeat and Sonics win their 1st
game being back in the NBA. And

NOLAN SPENCER
Thanks mom.

NOLAN SPENCER (CONT'D)
So is grandma with you?

KATE SPENCER
No grandma stayed behind and I'm going to be meeting some friends here.

NOLAN SPENCER
Oh that's great mom. Anyway I have to go, but I'll call you later.

KATE SPENCER
I love you Nolan.

NOLAN SPENCER
I love you too mom.

CUT TO:

INT. INDOOR SWIMMING POOL - MORNING

Kate is swimming some laps and she does around 20 and is waiting for Beth and Carrie.

Carrie gets into the swimming pool.

CARRIE SCHAEFLER
Hey Kate.

KATE SPENCER
Carrie what's up? I'm glad that you made it.

CARRIE SCHAEFLER

Yeah, Nolan played really last night. I just wish he wasn't playing for John Tucker.

KATE SPENCER

Yeah I know same here. But there is nothing that I can do Carrie.

CARRIE SCHAEFLER

You can expose to the media and with social media nowadays, it would be perfect to final cancel that clown.

KATE SPENCER

It's not that simple Carrie. Plus Nolan likes playing for him and he's the heart of the team even as a rookie and their head coach is really good as well. If I did that, their season would be in chaos and Nolan would get really mad.

Beth finally arrives at the pool.

BETH MCINTYRE

Don't even try, their an expansion team, there not going to go that far and it does not matter if John Tucker is the owner or not, Expansion teams especially in the NBA always finish last and the Sonics just won't be a playoff team in their 1st year.

KATE SPENCER

Well not with Nolan on the team. Nolan is different, he's stronger, more assertive and more powerful and he is everything that I never was when I was younger.

CARRIE SCHAEFLER

And please Beth, your Blazers have not even reached the finals in like forever.

BETH MCINTYRE

Well at lease I actually cheer and represent something, what about you Carrie, how long have you lived in France for, still missing the states?!....

CARRIE SCHAEFLER

My life in France is really good.

KATE SPENCER

Guys!!!!!!...this fighting is not helping, look I don't like John, but I don't want to ruin my relationship with Nolan and I love Nolan and Nolan is my world. And I don't know.

CARRIE SCHAEFLER

What about Heather? What does Heather think?

KATE SPENCER

Heather won't do anything, and who would listen to me on what I have to say. Come on lets get out of here.

CUT TO:

The Sonics are playing really well on the road and finish their road trip with an undefeated record. And the players are celebrating like crazy.

CUT TO:

The Sonics land in Seattle and Fans are storming the airport like crazy. And there is a lot of security.

CUT TO:

The Sonics get back to their headquarters and Nolan gets off the bus and Dakota sees him.

DAKOTA LEAVSON

Wow those really wonderful games.

NOLAN SPENCER

Dakota?

Nolan runs up to her and hugs her.

NOLAN SPENCER (CONT'D)

What's up? How are you doing? How did you know where the team was going to be?

DAKOTA LEAVSON

The Sonics headquarters is in Elliot Bay, everyone knows this.

(MORE)

DAKOTA LEAVSON (CONT'D)
 And I was wondering if you wanted
 to have dinner with my dad and I.

NOLAN SPENCER
 Yeah I would love to Dakota. When?

DAKOTA LEAVSON
 Like right now. I'll drive.

Nolan goes in the car with Dakota and they start driving to
 Auburn.

NOLAN SPENCER
 Where are we going?

DAKOTA LEAVSON
 Auburn.

They finally get to Auburn and Dakota gets out of the car.
 And all of a sudden Scott gets out of the house.

SCOTT TUCKER
 Hi sweetie.

DAKOTA LEAVSON
 Hi daddy.

Dakota goes up to Scott and hugs him.

And Nolan walks into the house.

DAKOTA LEAVSON (CONT'D)
 Dad I want you to meet someone. Dad
 this is Nolan Spencer.

Scott turns back and Scott meets Nolan for the first time.

NOLAN SPENCER
 Hi sir.

SCOTT TUCKER
 Spencer. I think we got a lot to
 talk about.

CUT TO:

Everyone is eating dinner.

SCOTT TUCKER (CONT'D)
 So I never really thought we would
 ever meet Nolan.

DAKOTA LEAVSON

Dad do you know Nolan?

SCOTT TUCKER

I don't but Dakota. But I knew his mom in high school.

NOLAN SPENCER

Did you end up dating my mom?

SCOTT TUCKER

I sadly didn't. But your mom was very beautiful and very stunning and really nice. And the most kind person I have ever known. But she was really busy trying to take down my brother who owns the Sonics. Yeah John has always been famous even in high school and everything always works for him.

NOLAN SPENCER

Oh wow so your Mr. Tucker's brother.

SCOTT TUCKER

I am Nolan. But I am not as famous as he is and around 2011, we stopped talking cause he was busy with his other things and yeah, he is lost in his own little fancy and rich world. But he's not a bad guy just needs to work on himself. Other wise, he's going to get himself into a lot of trouble.

NOLAN SPENCER

Well I mean I know my mom currently does not like him. And she really hates him a lot.

SCOTT TUCKER

Well I'm sorry to say this to you Nolan but your mom is not any better and she is not a complete angel either. She just goes off and hangs out with really dumb people in her Microsoft circles and she has trouble with relationships with people. She also tried to destroy my brother in high school as well.

NOLAN SPENCER

Oh geez I had no idea.

SCOTT TUCKER

Look Nolan, I would be careful around your mom, I know she says that she loves you and wants the best for you, but at the end of the day, it's all about what Kate and her friends want. And you have to look out for yourself at the end of the day.

NOLAN SPENCER

Oh okay Mr. Tucker.

SCOTT TUCKER

You can call me Scott.

NOLAN SPENCER

Alright okay Scott.

NOLAN SPENCER (CONT'D)

So what do you Scott?

SCOTT TUCKER

Well I'm not rich like my brother is but I just work as a science teacher at Auburn High School. And yeah Dakota does not have my last name just because my wife passed away when she was a little girl.

NOLAN SPENCER

Oh I'm sorry to hear that.

DAKOTA LEAVSON

Oh it's okay Nolan.

CUT TO:

Nolan and Dakota going up stairs and they start going into her old room.

DAKOTA LEAVSON (CONT'D)

Oh man it's been a long time since I have been up here. And god what a nerd I was back in those days.

NOLAN SPENCER

But you turned out so well though and you turned out so beautiful as well.

Nolan looks very deeply into Dakota and he starts kissing her on the lips.

CUT TO:

Nolan comes into practice and Nolan and his team-mates are practicing and practicing is going really well. And Nolan is hanging out with his team-mates.

Peyton continues to coach the team really hard and keeps blowing his whistle.

PEYTON BEAUREGARD
Keep going. Sprint!!!! Keep
moving!!!!

Peyton blows his whistle again.

CUT TO:

Nolan does a lot of jump shots and does a lot lay-ups and plays really good defense. And Issiah also practices really good.

ISAIAH CAMPBELL
YEAH!!!!!!!!!!

CUT TO:

The season keeps on going on and the Sonics are winning their games with a lot of dominance and with a lot physical basketball play.

Kate is also watching the game with her mom and sees Nolan having a lot of fun and people at the CPA going crazy.

KEVIN CALABRO
(broadcasting)
Here we go, Campbell passes to
Spencer. Oh my godness what a dunk
by Spencer!!!! And the Sonics win
their 14th game and the Sonics are
on a huge winning streak.

CUT TO:

John is in his owner's suite and John is going really crazy and wild and raising his champagne glass. John is laughing in big time happiness.

JOHN TUCKER
Good job boys!!!!!!!!!! That's how you
do it!!! Great Job!!!!

Hechter is also covering the games and the Sonics are everywhere in the mainstream sports media and on ESPN and Fox Sports.

And the Sonics continue to play really good and go into the All star phase being 2nd in the west.

KEVIN CALABRO

I can't believe it, the Sonics have the 2nd best record in the NBA and I haven't anything like this before maybe since 1996. What a good job Head coach Peyton Beauregard with this team.

FADE TO:

INT. THE SONICS LOCKER ROOM - AFTERNOON

The players come and really excited from all of the wins. And Payton walks in.

PEYTON BEAUREGARD

Alright listen up guys!!!! I know we are in the all star phase of the season, and I know some of you haven't made the all star team, but the ultimate prize is to win a championship men. And don't fall into all the temptations and distractions. And for those who haven't been chosen, I encourage all of you to workout, take care yourselves the right away and do not sit on your ass doing nothing and do not be cocky or complacent. Alright lets break a huddle now.

The players huddle together.

PEYTON BEAUREGARD (CONT'D)

Alright here we go. Sonics on 3. 1, 2, 3!!!

THE REST OF THE PLAYERS

CUT TO:

All of the players leave and Peyton is in his office. And John walks in.

JOHN TUCKER

PEYTON BEAUREGARD

John sit down.

John sits down.

PEYTON BEAUREGARD (CONT'D)

I have to say I am really proud of this team, Nolan looks like he could be rookie of the year and we could in a short amount time get to the western conference finals. And I just wanted to thank you for giving me a chance to be the head coach of this team.

JOHN TUCKER

Your welcome Payton. I just we can build something special with this team back in Seattle. And even if we don't win, I think our fans are happy with just the Sonics back.

PEYTON BEAUREGARD

You going to the all star game?

JOHN TUCKER

Probably coach. But when the season is over regardless of out-come we should get a beer at some point.

PEYTON BEAUREGARD

That would be wonderful John.

JOHN TUCKER

I think that's all I got and I hope you have a good night Peyton.

PEYTON BEAUREGARD

Like-wise John. And if you need anything, your welcome to call me anytime. We are all in this together.

CUT TO:

And Nolan walks into the hotel and meets up with the rest of the all stars.

CUT TO:

Nolan is practicing with the rest of the all stars game. But having a hard time against the other stars.

Nolan lands on the court and gets up.

NOLAN SPENCER

Fuck!!!!

Nolan gets up and he keeps on going on practicing.

CUT TO:

Nolan goes back to his hotel room and Nolan seconds later hears a knock at the door.

Nolan gets the door and it's Issiah.

ISAIAH CAMPBELL

Hey bruh,

NOLAN SPENCER

Issiah what are you doing here?

ISAIAH CAMPBELL

I came to see you, I mean I didn't make an all star like you did, but we need to party and go to some night clubs man. I need some naked ladies and some boobies.

NOLAN SPENCER

Alright sure, we will do that man. I know finding a nudist place is going to be hard.

ISAIAH CAMPBELL

Not really my brother, there is a huge building that opened and it's a nude resort skyline building and it's called the Shaft.

NOLAN SPENCER

Sounds good man, lets go.

Nolan and Issiah go into the car and Issiah starts driving really fast and going fast on the strip.

Hello?

CUT TO:

Kate in the airport.

KATE SPENCER

Hey John.

JOHN TUCKER

Kate what's up? I thought you said you didn't want to talk or see me?

KATE SPENCER

Well I'm in Vegas because Nolan made the all star team here. And I'm with my mom.

JOHN TUCKER

Oh okay, well your welcome to see me and all. It would be nice to see you again or so.

KATE SPENCER

JOHN TUCKER

Kate, I'm sure Nolan is fine. Come on you need a little bit of you time. Come we can go upstairs and play around and maybe go out to dinner or so. And...

KATE SPENCER

John listen to me. Where not in high school anymore, you can't just ask anybody out and think nobody knows you or what you did. Also what makes you fucking thing I'm going to sleep with you.

JOHN TUCKER

I wasn't really going to get to that.

KATE SPENCER

I just want my son to succeed in the league. And I want him to have a long career so I can have money to retire and not work anymore or so. And I don't need your charity or what ever the hell your net worth is nowadays.

JOHN TUCKER

It's around I think 87 billion or so.

KATE SPENCER

Whatever I don't really care at the end of the day.

JOHN TUCKER

Can I at least help you get a hotel room?

KATE SPENCER

I can do that myself, I'm a big girl John, and I don't need your money to do so.

JOHN TUCKER

Oh okay Kate. Well it was nice to see you.

Kate just walks away.

CUT TO:

Kate gets a hotel room of her own but it's not as fancy as John's.

KATE SPENCER

like Vegas.

Kate hears a knock at the door.

KATE SPENCER (CONT'D)
Go away John. If you knock one more
time, I will call the police.

Kate gets up and she answers the door and it's Carrie.

KATE SPENCER (CONT'D)
Carrie what's up?

CARRIE SCHAEFLER

KATE SPENCER

Oh my god everyone is naked.

CARRIE SCHAEFLER

Yeah that's the point why I took
you, you need to share your body
with someone and meet a hot naked
guy with a huge dick.

Carrie eyes someone and she gets lost in the nude resort.

KATE SPENCER

But...Carrie?

KATE SPENCER (CONT'D)

Oh jesus!!!!....

Kate is in the water and she starts looking around and a random person catches Kate and turns around.

LINK VALGERSON

Hi, I believe I just saw you and I wanted to introduce myself, I'm Link by the way.

KATE SPENCER

Kate.

LINK VALGERSON

Well it's a pleasure to meet you Kate.

KATE SPENCER

It's a huge pleasure to meet you as well. So what do you do Link?

LINK VALGERSON

Well I work as the CEO of the New York Times.

KATE SPENCER

Oh wow that's really exciting.

LINK VALGERSON

So what makes you come to Vegas?

KATE SPENCER

My son is playing in the NBA all star game.

head!!!!!!

NOLAN SPENCER

Dude I was just talking to them and
they liked what I had to say.

DESHAUN GALLOWAY

Oh really, you really think you are
a star and your hot shit just
because of your ghostliness. Stay
away from fancy places!!! Otherwise
I will have Lebron James's
entourage kick your little white
ass mother fucker!!!!!!

NOLAN SPENCER

Come on man, your taking this to

DESHAUN GALLOWAY

also I should be rookie of the year
not you!!!!!! Your only getting it
because your a white boy!!!!!!....

NOLAN SPENCER

Dude I just try to play the best
basketball that I can.

DESHAUN GALLOWAY

Ah well you say that, but heres the
deal high school valley white boy,
I am going to be the next super-
star of this league since I was
drafted by UCLA and you came from
Bellevue high school. You don't
have the same level like I do. So
why don't you go back to your mamma
and go back to your white suburbs.

NOLAN SPENCER

Well I don't think that's going to
happen and I'm an NBA player and I
will play in this league weather
you like it or not!!!!

Nolan just walks away and all of a sudden Deshaun tackles
Nolan in the resort and a huge fight breaks out between and
Nolan throws a lot of punches and kicks Deshaun in the face.

Nolan pushes Deshaun and pushes him against a fence and then Nolan gets pushed into the pool. And the song "intro by Jay Z" plays during the fight

And Issiah sees the fight going on and he gets into the fight and he fights the other players that are on Deshaun's side.

And the brawl gets out of control that the Las Vegas police department comes.

LVPD OFFICER 1

department, who ever started this
fight is under-arrest.

The police find Deshaun and Nolan on the ground and they both get arrested.

And Nolan ends up in a jail cell.

NOLAN SPENCER
Fucking hell!!!!!!!!!!!!....

CUT TO:

The other resort begins to get out of control and Link starts to get really drunk.

LINK VALGERSON
I really love being around you
Kate. And maybe at some point you
will want to come to New York and
see me.

KATE SPENCER
I'll give it some thought.

LINK VALGERSON
What's there to think about it.
Don't you want someone who is
stable especially for that boy of
yours.

Link begins to touch Kate without her consent.

KATE SPENCER
I don't want you to touch me.

LINK VALGERSON
Come on you know you want to Kate.

KATE SPENCER
I think I should get going.

Kate gets out of the pool and tries to look for her clothes and her clothes got stolen.

KATE SPENCER (CONT'D)
Oh fuck where are my god damn clothes.

LINK VALGERSON
Come on baby. You know that you want to.

KATE SPENCER
Just leave me alone Link.

Link has his underwear and grabs Kate.

LINK VALGERSON
Look here lady, no girl leaves me.

John sees what is going on. And John right away runs up to him.

JOHN TUCKER
Hey leave her alone!!!!!!....

LINK VALGERSON
Oh what are you going to do Cake boy, throw cake boobs at me.

John all of a sudden punches Link in the face and a huge fight breaks out and John all of a sudden starts fighting Link in the resort and it's just bad as Nolan's fight with Deshaun.

And People are recording the whole thing on social media and on instgram and snapchat and other social media platforms.

And John is able to knock him out very badly.

JOHN TUCKER
I think you had too much to drink jack-ass!!!!!!

John turns to Kate.

JOHN TUCKER (CONT'D)
Kate are you alright?

KATE SPENCER
I'm fine. Just leave me alone.

CUT TO:

Kate gets back to her hotel room and she is really flustered at what just happened.

Kate hears a knock at the door.

KATE SPENCER

What?!...

Kate opens the door and sees John again.

JOHN TUCKER

I just thought I would bring you some clothes since that jack ass might have stolen them.

KATE SPENCER

Why are you here?!...shouldn't you be at a party somewhere?!...

JOHN TUCKER

Yeah but I care about you Kate. And I care about you and your son. But mostly you.

KATE SPENCER

Well I never liked you back then and I don't care that you were popular and you got every girl and woman out there. I live in the real world John where I'm not rich like you are and people protecting me.

JOHN TUCKER

I just want to make sure your safe Kate. And I know that we won't ever be together just because we both made different life choices but I just care about you a lot as a friend. And I don't want to see you get hurt.

KATE SPENCER

Well I could have took care of that guy just fine.

JOHN TUCKER

Well if you could, how come Carrie wasn't with you, and what about Beth and Heather. Do they value you like you think they do?

KATE SPENCER

Well they have been my friends forever and you just hitted on me and wanted to sleep with me.

John does a sigh and takes a deep breath.

JOHN TUCKER

Kate are you even listening to yourself, Beth, Heather, and Carrie have moved on from you, and they don't care about you like I do. They have used to you for a lot of things and still in some way do.

KATE SPENCER

You never knew anything about me.

JOHN TUCKER

Your just like your mom.

KATE SPENCER

What the hell is that suppose to mean?!...

JOHN TUCKER

It's means unless you get out of your own way and just being stubborn and hating on everyone like me. You will never be happy Kate, and you just want your son to be famous so that way you can just leach off of him.

KATE SPENCER

That's not fucking true.

JOHN TUCKER

It is true Kate. I know you would be happy if he wasn't playing for me and if he was playing for somebody else or not playing for me and playing for one of those dumb legacy teams, you would be extremely happy. But deep down your not Kate.

(MORE)

JOHN TUCKER (CONT'D)

And also your lucky that as an owner that I hired the right people and yeah I know what my flaws are but at least I make sure people can succeed in spite of my character. I'm leaving I'm out.

John starts to leave the hotel.

KATE SPENCER

I don't need you and I never have.

JOHN TUCKER

Good bye Kate.

CUT TO:

John walks back to his suite and does not feel very good about himself.

John starts to go swimming and all of a sudden Heather sneaks into the penhouse and she takes her clothes off.

John looks around and sees Heather. And she dives in the pool with him.

JOHN TUCKER (CONT'D)

Hi.

HEATHER MONTGOMERY

Hey I loved your speech and even after all these years you sound even more sexy.

And John and Heather start making out in the pool. And later that night, John and Heather have sex in the pen house for the remainder of the night.

CUT TO:

John gets up and he is butt naked and he sees the view of Las Vegas.

John walks to Heather.

JOHN TUCKER

Can I get you any coffee?

HEATHER MONTGOMERY

Oh coffee would be really nice right now.

CUT TO:

John and Heather are naked in the pool and making out.

HEATHER MONTGOMERY (CONT'D)

Yeah I know I have to interview you later today at the all star game. And yeah but you can have any woman you want.

JOHN TUCKER

I just can never find the right one after all these years. And I'm good at playing around but never sealing the deal.

HEATHER MONTGOMERY

Hey there is nothing wrong with sleeping with a lot of women, enjoy it while you can and soon you will settle down.

JOHN TUCKER

Yeah. It was good to see you Heather.

CUT TO:

INT. JAIL CELL - MORNING

Nolan is in jail and all of a sudden Tommy comes.

TOMMY

He man, your bail has been paid lets get you out of here bruh.

NOLAN SPENCER

You really mean that. Does John know.

TOMMY

He doesn't but i'm still dissapointed and your lucky Peyton is not here. Lets go.

Nolan gets out of jail with Tommy.

CUT TO:

EXT. OUTSIDE THE LAS VEGAS POLICE STATION - MORNING

Nolan and Tommy walk in the car and Tommy starts the car.

TOMMY

Dude I'm very dissapointed in you, you are an all star and you got god given ability to play the beautiful game of basketball and you do bull shit like this. And play in the NBA mind you.

NOLAN SPENCER

I didn't start the fight another player on the all star team or what ever got into a pissy ass mood because I was hitting girls at a nudist resort and then he got jealous and then tackled me and then that's when the fight started. Look Tommy I'm sorry I got into a fight. It won't happen again I promise.

TOMMY

It's okay man, I can't stay mad at you. I know you have a good heart and you are a fighter as well and god we have to get to the T-Moblle center really soon.

NOLAN SPENCER

I thought the all all star game was tomorrow.

TOMMY

It is but...they also picked you to be in the dunk contest as well.

NOLAN SPENCER

What?!...Ah shit!!!!!! My dunking is not the best. Fuck!!!!

TOMMY

Don't worry we will practice together. You can do it man, you have the god given ability. Come on lets go.

CUT TO:

John is getting ready to go to the dunk contest and puts on a button up shirt and some jeans and dress shoes.

John gets out his cell phone and he starts waiting for his uber ride.

As he is waiting Beth sees John waiting.

BETH MCINTYRE

Going to the game.

JOHN TUCKER

Yeah I am why?

BETH MCINTYRE

I see things haven't changed with you. Still sleeping with tons of women even though you are now the owner of the Seattle Supersonics. I will ruin you very badly.

JOHN TUCKER

I don't really care what you do, I just wanted to make sure Kate was safe.

BETH MCINTYRE

Oh really is that so, now that I'm older and successful, I despise men like you thinking you can do what ever the hell you want and there would be no consequences.

JOHN TUCKER

What is your point Beth?

BETH MCINTYRE

I would be very careful with how you are because with my running for president, I can end your career and I have a lot of dirt on you as well.

JOHN TUCKER

Beth don't do this, it's not a good way to bring people together.

BETH MCINTYRE

Oh but I will, cause I want see you and your team and your net-worth and everything go crashing down and it will be sooner rather then later.

JOHN TUCKER

Your jealous because as an NBA owner, I brought the Sonics brand back and the Sonics are relevant. Your Blazers can't even get out of their own way. Get over yourself Beth.

BETH MCINTYRE

Oh I won't. And you should be more careful.

John's uber comes and John gets in the car and he starts heading to the dunk contest.

CUT TO:

INT. T MOBILE CENTER - NIGHT

ERNIE JOHNSON

And here we go everyone from the T Moblie center in Vegas it is the dunk contest and we have a huge surpise as rookie Nolan Spencer is in the dunk contest. And also Deshaun Galloway rookie from UCLA also in this contest as well.

KENNY THE JET SMITH

Yeah Ernie this is really huge, we have never seen anything like this before 2 rookies in the dunk contest and I wouldn't be surprised if one of these young men win the contest tonight.

CUT TO:

Nolan gets ready for the dunk contest and starts fidgeting with the basketball.

CUT TO:

The buzzer goes off and the dunk contest starts as Nolan tries to do as many dunks that he can as possible.

And Deshaun does some really big time dunks as well and he is not having much luck either.

Both players keep on doing more radical and crazy dunks and doing everything to one up the other.

CUT TO:

John gets to the game he sits court-side and watches the whole dunk contest. And Kate arrives too.

CUT TO:

Kate sitting down. And Heather is covering the dunk contest.

KATE SPENCER

Come on Nolan you can do it baby.

CUT TO:

The contest keeps on going and the final rounds come and Nolan is giving it his all but just comes up short very badly.

ERNIE JOHNSON

Oh no and Nolan Spencer has came up with special dunks but loses to Deshaun Galloway, and boy, this was sad to see this end because both rookies are really good.

Deshaun wins the dunk contest and he starts acting arrogant and cockney and ignorant and Deshaun does a cocky smirk on his face.

Nolan is really tired and Deshaun comes up to Nolan.

DESHAUN GALLOWAY

You like those dunks. Too bad you suck!!! Dumb white bitch!!!!

Nolan just snaps and loses his cool and all of a sudden Nolan just punches Deshaun in the face.

ERNIE JOHNSON

Oh my lord!!!! Oh my a fight has broken out at the dunk contest between Deshaun Galloway and Nolan Spencer. Oh my goodness!!!!!!

CUT TO:

Nolan and Deshaun keep on fighting and throwing punches at each other and Nolan gets the upper hand and just whacks Deshaun very badly.

DESHAUN GALLOWAY

You suck!!! You suck!!! Your lucky!!!! You can't play ball. You stupid mother fucker!!!!!! You dumb ass jive turkey!!!!

NOLAN SPENCER

YOU TALK OUT OF YOUR ASS!!!! AND YOU TRY TO IMPRESS TOO MANY PEOPLE!!!!!!!!!!!!!! Get over yourself!!!!!!!!

And the fighting keeps on going.

And the ref pushes them back.

THE REF
Alright break it up!!!!

DESHAUN GALLOWAY
That's right I won you bitch!!!!

NOLAN SPENCER
FUCK YOU!!!!!!

Both of them are out of gas and Nolan is really angry and really mad.

CUT TO:

Nolan plays in the all star game and is playing really well and playing really good defense but the Western Conference loses really bad. And Deshaun keeps rubbing it in his face.

FADE TO:

Nolan is in a private airport and is really disappointed on everything went during the all star break and is waiting for his flight back to Seattle.

Nolan finally gets on the private jet and is really disappointed.

NOLAN SPENCER (CONT'D)
Jesus mother fucking Christ!!!!

CUT TO:

John is also going back through a private jet and all of a sudden, John looks at a couple of his emails. And he starts getting a lot of hate messages and footage of everyone sharing the news.

They are sharing the news of what he did about him punching Link and at the nude-resort. And ESPN and Fox Sports are reporting everything. And there is a lot of talking heads everywhere.

CUT TO:

The ESPN Channel.

ADRIAN WONNAROWSKI

Breaking news out of the NBA, Sonics owner John Tucker might be in big trouble as he was involved in a fight New York Nets owner Link Valgerson, according to police Tucker was one of the hotels in Vegas during the all star game and was with Kate Spencer the mother of Sonics rookie Nolan Spencer. And there is footage all over social media. And joining me now is Stephan A Smith. Stephan A what is your reaction all this news.

Stephan A comes on ESPN.

STEPHAN A SMITH

Well Adrian, I think before I came on this show today, I believe did some research on Mr. Tucker and yes this man was very popular high school and popularity did translate into him becoming the owner of his bakerys and his airline companies. But I really think in a lot of ways I did more research on this man and I think it is safe to say Mr. Tucker does have skeletons in his closet especially because has been involved with a lot of women and he has slept with least 300 women most of his adult life. And I think I know he was doing the right thing but I think with the news he really needs to sell the Seattle Supersonics and led a new owner take over and that is just my take Adrian.

CUT TO:

People on Fox Sports 1 and talking like crazy.

SKIP BAYLESS

This man has the most controversial NBA owner since Donald Sterling and I am horrified by this man and NBA board of governors needs to vote this man off the Sonics ownership right away.

(MORE)

SKIP BAYLESS (CONT'D)
 And also Nolan Spencer starting
 fights all the all star game, this
 team is going to self-district
 really bad and really soon.

CUT TO:

Everyone is seeing all of the news that is happening right
 now and more sports talking heads are going crazy.

And the media is going crazy every single day.

CUT TO:

Nolan gets back to Seattle and there is coverage everywhere
 on John Tucker.

Nolan tries to call Issiah.

ISAIAH CAMPBELL

Hello?

NOLAN SPENCER

Issiah are you fucking seeing this
 right now, the media is attacking
 everyone on the team and our boss
 as well.

ISAIAH CAMPBELL

I haven't looked at my phone yet
 man. And...oooooh Jesus!!!!!! What
 that can't be true. I'm going to
 have to call you back man.

Issiah hangs up the phone. And Nolan starts heading back to
 Kate's apartment.

CUT TO:

Nolan gets into the house.

NOLAN SPENCER

Mom?!.....Mom are you home?
 Hello?!.....

Nolan gets out of the apartment and heads back to his house.

And there is just so much coverage on John Tucker. And
 everyone is saying that he needs to sell the team on ESPN and
 Fox Sports 1.

CUT TO:

Peyton is at his house with his family and turns on the TV and sees the news of John Tucker's scandal going on right now. And Peyton is really furious.

CUT TO:

John Tucker is in his pen house apartment and he sees every newspaper and hit piece on him. And John is feeling very overwhelmed at everything.

FADE TO:

INT. CLIMATE PLEDGE ARENA - NIGHT

All of the players walk into the locker room and no one is saying a word.

And Tommy and Peyton arrive and park there car and there is so much media asking them questions.

PEYTON BEAUREGARD

I don't have fucking time to answer
these stupid I just want to coach
this team, out of my fucking
way!!!!

Peyton gets into his office and he just starts working on his plays and game plan for the game.

And Tommy meets with Peyton.

TOMMY

Dude Peyton, there is much media
out there, it's fucking crazy. What
do we do?!....

PEYTON BEAUREGARD

We do nothing Tommy, we just keep
doing our jobs and what we are good
at it.

John runs down to the locker room and meets up with Peyton and Tommy.

And the two of them turn to John.

JOHN TUCKER

Can I talk to both of you for a
second?

PEYTON BEAUREGARD

Yeah sure John. Sit down.

John sits down. John does a deep breath.

JOHN TUCKER

Look...Peyton!!!! I don't know if you herd the news...I didn't do any of those things that the media has been saying it's just all fake. And look what really happened is that I was at the resort, and I did run into Nolan's mom because I knew her from high school, but nothing happened, I didn't do anything to her. and then I did go up to her apartment to see her and that's it. I just wanted to tell you guys the truth it's the same thing I'm going to tell the media later tonight.

Peyton looks at Tommy.

PEYTON BEAUREGARD

Well good, I'm glad you are coming clean John. And look, I know your a good guy and your a great boss John and a great owner, and I'm glad to be coaching this team. And I can see through these lies as well, they want us to fail and fail badly and the NBA media and the main-stream media in general does not like us at all. And think we don't know what it takes. I'll talk to the team John.

JOHN TUCKER

And Payton, I would never sell this team and this franchise, and I want you to know as owner, I am very deeply committed to making this team a contender. And just tell me what you need and I'll provide it, I promise. Anything.

PEYTON BEAUREGARD

Well just the basketball people do their job and just stay out of the way, and I'll handle everything John.

CUT TO:

Peyton gets out his office and he hasn't put on his neck tie yet.

PEYTON BEAUREGARD (CONT'D)
Alright everyone listen up!!!!!!

The rest of the players turn around and start to listen.

PEYTON BEAUREGARD (CONT'D)
Ah geez. Look...I know there has been a lot of news and media about what Mr. Tucker has done, and regardless of what you think of him and what his actions and character. I'm telling you guys right now that everything you are hearing on the news about our owner is a fucking lie by ESPN and Fox Sports 1. And really it's all just a plot for Mr. Tucker to cave into all the shit-fucks on social media that know nothing about basketball and know nothing about sports. And they just want Mr. Tucker to sell the team, and then a new owner will come in and fire and release everyone and make the team a failure.

MARVIN JOHNSON
What the fuck coach even me?!...

PEYTON BEAUREGARD
Yes even you Marvin. And I need to tell you guys that as of now, the Sports media and NBA media hate us...and guess what?!...they should hate us!!!! Because we are building something special men, and everyone is just jealous of right now, and it's another reason why Nolan didn't do well during the all star game and dunk contest. But I'm telling you guys right now that none of that bull shit matters, and we win and win as a team and we must be close and tight as a team, and we are not just players were are fucking wolves!!!!!!!

Peyton gets really intense and make a tight fist.

PEYTON BEAUREGARD (CONT'D)
And we don't give a fucking shit what they say about us!!! About me, About Tommy, and about Mr. Tucker!!!!!!

(MORE)

PEYTON BEAUREGARD (CONT'D)

It's us against the world and they want to stop us from getting the NBA championship and I fucking want us to get and kill every opponent like a fucking wolf and we are a wolf family and we are wolves and we will kill our pray and smash every team into the ground with no mercury!!!!!!

Everyone in the locker room starts getting really excited and bumped.

ISAIAH CAMPBELL

KEVIN CALABRO
 Alright here come the Supersonics

John goes into the locker room and the players turn to them

PEYTON BEAUREGARD (CONT'D)

MIKE BREEN

And the Sonics for the first since coming back to the NBA and returning to Seattle and first since the 2005 season, the Supersonics will be going back to the playoffs. And this is very different Sonics team, they are like bad boy pistons of the 90's with a modern sprinkle to them.

The game keeps on going on and on and goes down to the wire. And it's still tied. And with a couple of seconds left in the game.

KEVIN CALABRO (CONT'D)

PEYTON BEAUREGARD (CONT'D)

Alright all of you guys in this room did a fucking amazing job. All of you, all of you guys worked your asses off during training camp, during practice and when everyone in the basketball world and in the media was against us and against our owner and me, all of you guys came together and you guys won as a team and have a brotherhood that is very special men. And you know this a special moment because we are now going to finals and...listen...as a player myself I have been to the finals and teams like the Lakers, Celtics, and Warriors and bulls know what a championship is. But it's our time now and even as a 1st year in the NBA all I have to say is....HOW ABOUT THEM SONICS?!...

And everyone started going crazy and roar and yelling in excitement.

CUT TO:

Nolan walks out of the arena and starts going to his car and people are celebrating around him.

Nolan starts driving back to Kate's apartment.

CUT TO:

Nolan gets into the apartment.

NOLAN SPENCER

Mom we did!!!! We are going to finals!!!!!!...Mom are you home?

Nolan just starts looking around and Lori comes in.

Lori runs to Nolan and gives a him a huge.

LORI SPENCER

Oh my grand baby is a superstar and going to the championship.

NOLAN SPENCER

Thanks grandma. Grandma, where's mom?

LORI SPENCER

Oh that's a good question. I haven't seen Kate at all.

NOLAN SPENCER

Was she at at game grandma?

LORI SPENCER

Oh I don't believe she was kiddo. But she will be here though.

CUT TO:

Kate is also trying to get home and she finally gets home to her apartment.

And Kate gets into her home.

And Nolan turns around.

NOLAN SPENCER

Mom we did!!! We are going to the finals!!! and I'm really excited and I couldn't have done without you.

Kate just looks at Nolan with no re-action.

NOLAN SPENCER (CONT'D)

Mom you don't seem really happy for me.

KATE SPENCER

Well...that's perfect...congrats...I wanted you to look for a job...and go to college...what do you do? You play for the guy I truly hate the most and that I can't stand!!!!!!!!!!...and also I herd about what you did in Vegas and went to fucking jail as well!!!!!!!!!!!!!!...

NOLAN SPENCER

Mom i'm passed that and Tommy was able to help out.

KATE SPENCER

Parts of me is really dissapointed in you, I thought you would be better then John. But really son, your just a clone of him and your partying, sneaking off, not calling me where you were and who you were with!?......

NOLAN SPENCER

Mom please I just want you to be happy.

KATE SPENCER

Well I'm not happy Nolan, I'm dissapointed in you that you play for John Tucker and you act like a jack ass every day and you sneak with that one girl that I haven't met at all.

NOLAN SPENCER

Mom!!!.....

Nolan does a sigh.

KATE SPENCER

Not only that, you just ignore me all the time just to be with John.

NOLAN SPENCER

You know what?!...what do you have against John anyway Mom?!...Ever since I was drafted by the Sonics and by John, you have just been bitter, angry and pissed off and you are never happy anything. And John is a nice guy regardless of what people say about him. And I have been around him, people are spreading lies about him.

KATE SPENCER

And he chases and bothers women and wants to sleep with every women in the world, and he should have been cancelled a long time ago.

NOLAN SPENCER

Wait a fucking second?!...it you that went to the media and told them those lies, it was you that was trying to destroy him and everything and why everyone hates him.

KATE SPENCER

And rightfully so, I want you to stay the hell away from him and that girl your with.

NOLAN SPENCER

You know what mom?!...I'm not a fucking child anymore, you can't tell me what to do and who I can see and you know what mom?!...I'm fucking leaving and I'm not seeing you ever again!!!!

Nolan gets really mad and Lori tires to comfort him.

LORI SPENCER

Nolan, sweaty...honey...

Nolan gets really mad and slams the door and runs away.

Lori looks at Kate.

LORI SPENCER (CONT'D)

Kate, what did was really hurtful and you broke his little heart, and you should apologize to him. This season has meant a lot to him.

KATE SPENCER

Dumb child, does not know anything about the real world and he acts like an idiot and hangs out with John all the time.

LORI SPENCER

You know Kate, I let you do what ever you wanted in the 2000's when you were his age, and I think your own worst enemy and I think your own friends are the problem. And you try to hard and you just need to let him be a kid and make his own choices

KATE SPENCER

No they are not. I know the truth about John and that's what matters. He won't make it on his own.

LORI SPENCER

Well I think there is a lot of things wrong with you and I think you need to forgive John and you need to be more loving to Nolan.

KATE SPENCER

I will never forgive John. Nolan is just an embarrassment.

Lori begins to get some air. And does a sigh.

LORI SPENCER

Kate you are so ridiculous sometimes, you truly are.

Lori leaves and Kate is all alone in her pen house apartment.

CUT TO:

Nolan goes into the car and he starts looking for Dakota. And driving really fast.

And Nolan really remembers where she lives and he lives around the University of Washington.

And the song love story by Mariah Carey plays in the background.

Nolan finds a parking spot and knocks on the door.

NOLAN SPENCER

Dakota are you home?!...Dakota?!....

Dakota answers the door.

DAKOTA LEAVSON

Nolan. Nolan whats wrong?

NOLAN SPENCER

I just needed to see you and talk to you and I just got into a huge argument with my mom as well.

DAKOTA LEAVSON

Oh Nolan I'm really sorry.

NOLAN SPENCER

And even though I won tonight and my team is going to the finals, I just really happy with you.

Dakota really hugs Nolan really tight.

DAKOTA LEAVSON

Baby I'm really sorry, come on I'll make you something.

CUT TO:

Dakota makes him some juice and Nolan starts drinking some juice.

DAKOTA LEAVSON (CONT'D)

So your mom was not happy about you winning?

NOLAN SPENCER

No she was not. I thought she would be but she really does not like John though and I sadly learned that she was behind the whole media attack on him. And learning that, I just feel really awful. And I just don't know why people would do such a thing.

DAKOTA LEAVSON

Well that's how society is, people want to tear down people that are successful and attack their flaws and their character and how they are not PC and things like that. Look, Nolan I think your mom has a lot of problems and look, even if you didn't get drafted by the Sonics and didn't go the NBA, our mom was going to do something like this sooner rather than later. And Because you got drafted by John, it was just like pouring gasoline on the fire.

NOLAN SPENCER

Dang. Well I do have practice and we got to ready for the finals. Mind if I stay with you for a couple of days?

DAKOTA LEAVSON
Sure thing Nolan.

CUT TO:

INT. THE SONICS PRACTICE FACILITY - MORNING

Nolan is the facility practicing and going at a lot of speed.
And his team-mates are practicing with him.

And John is watching him go.

FADE TO:

Nolan gets done with practice and John meets up with him.

JOHN TUCKER
Good job at there young man.

NOLAN SPENCER
Thanks Mr. Tucker.

JOHN TUCKER
Why don't we get some treats and
hangout for a bit.

NOLAN SPENCER
Sure that would be awesome.

CUT TO:

John drives Nolan to his penhouse apartment in Seattle.

CUT TO:

John and Nolan are hanging out and having some smoothies.

JOHN TUCKER
Nolan I'm sorry that you are having
problems with Kate young fella.

NOLAN SPENCER
It's okay sir. I just can't believe
she would do that to you. And it
just makes so angry how people go
into outrage over little stuff and
then want to use social media
cancel people like you and god it
really makes me fucking angry.

JOHN TUCKER

Well you know that is just the way it is Nolan, it's part of being in my position and owning the team, there is always going to be haters out there. And your mom has been trying to get me for a long time. And you know I really liked her when I was high school and tried to make her my girlfriend and I did everything for your mom back then but you know, she just took advantage of everything and exposed me for my flaws and goofy-ness and my social skills, hell she even got me in trouble for wearing a thong in the PE teacher's hotel room.

NOLAN SPENCER

What?!...are you fucking serious?!...I need to hear this story. Tell me everything.

JOHN TUCKER

Well you know I don't remember everything but you know I was really hitting on your mom a lot back then and then your mom and talked through just a web-cam cause thats what we had back in those days and your mom was in very sexy lingerie and she started showing me stuff and then I remember I got so excited that I put on that thong and climbed up thinking she was up there only to get caught by the PE teacher and my team-mates saw everything even Tommy.

NOLAN SPENCER

Wait Tommy. You mean the same Tommy who is the GM of the team? You guys went to high school together?

JOHN TUCKER

That's correct Nolan. Back then Tommy was not popular like I was and he was the team mascot but god he was fun to hangout and geez years later, he always had my back, and still does even as adults. And he knows basketball and building a team as well.

NOLAN SPENCER

Geez I had no idea. What else did my mom do back then?

John begins to tell Nolan everything and there is no dialogue.

FADE TO:

Nolan on the couch as he has learned everything.

NOLAN SPENCER (CONT'D)

Wow!!!! Just wow!!! So my mom and her friends almost ruined your life all because they didn't like you being the man and hitting on other girls and just being yourself, and you wanted to date my mom, but she never liked you back. Wow!!! I'm sorry. And my mom is not that good of a person like she thinks she is. And her hating you just bring the worst out of her.

JOHN TUCKER

Yep, that's right big fella.

NOLAN SPENCER

Are you close with your brother or no?

JOHN TUCKER

I haven't spoken to Scott in almost 20 years. We stopped talking after he graduated and you know he stopped protecting me my senior year and I got into a lot of trouble and got expelled from school and kicked off my basketball team. And I never graduated high school because of your mom and her friends. And so from there I had to work in cake factory in Portland and then saved up and invested and then went to community college to learn about airplanes and became a pilot and got my license and then when I had a lot of money I started my own cake and sweets factory and my own airline company as well. And that's how I was able to buy the Sonics and bring them back.

NOLAN SPENCER

Wow that's amazing sir. And I bet you went through a lot of hell all those years.

JOHN TUCKER

Oh you have no idea kid. And people will never the sacrifices i had to make and when I got expelled I had to leave everyone including Tommy. And Haven't seen my mom and dad either or my brother.

NOLAN SPENCER

Wow!!!!

JOHN TUCKER

But you know that's how life is man. But I have a new family, owning this team and getting to know you and you guys are my family to an extent.

NOLAN SPENCER

Man..that is really hard stuff.

JOHN TUCKER

Yeah. But come on lets practice, i'll guard you.

John takes off his shirt and he is still ripped and looks great.

All of a sudden Nolan starts practicing with John and they start practicing for a lot of hours.

CUT TO:

And John and Nolan are playing 1 on 1 basketball and playing.

JOHN TUCKER (CONT'D)

Come on it's game 7 now, you got to get through me Nolan.

Nolan plays with a lot of intensity and making a lot of jump shots and John gets some steels and the game keeps on going.

Nolan starts to get the better of John and John is playing really hard defense and Nolan gets through him like crazy.

They both keep playing more and more basketball and Nolan is practicing and playing with John for a lot of hours.

Nolan makes a 3 pointer.

JOHN TUCKER (CONT'D)
And Nolan Spencer from downtown and
is like downtown Freddie Brown.

And the song Players Anthem by UGK and outkast plays during
this scene.

CUT TO:

EXT. DOWNTOWN SEATTLE - MORNING

And a lot of NBA media and ESPN and Fox Sports 1 and a lot of
reporters and media are there setting everything.

And overall there is a lot of Sonics maina all around the
Sonics.

And Fans are at the rallies for the team. And everyone is at
the rallies.

CUT TO:

INT. THE SONICS LOCKER ROOM - AFTERNOON

All of the noise begins to die down and Nolan gets into the locker room and Issiah walks in.

And they start getting dressed.

ISAIAH CAMPBELL
 Where's the rest of the team dog?

NOLAN SPENCER
 They'll be here.

Marvin and the rest of the team gets to the locker room.

MARVIN JOHNSON
 Hey bruh sorry about what happened
 with your mom.

ISAIAH CAMPBELL
 It's okay Marvin.

FADE TO:

Every player is suited up and Peyton gets into the locker room.

PEYTON BEAUREGARD
 Alright everyone listen up. I don't
 need to say much, and I know
 everyone wants us to loose because
 an expansion never gets to the NBA
 finals, but today, we have proved
 all of them wrong and no matter
 what happens, I'm proud of all of
 you guys and all of you should be
 proud of how far we have come.

PEYTON BEAUREGARD (CONT'D)
 And that's it. All of you know what
 we have to do.

Peyton does not talk anymore and players get it.

ISAIAH CAMPBELL

That's right, lets go, lets go,
lets go!!!!!!

ISAIAH CAMPBELL (CONT'D)

Alright men!!!!, just what coach
says, play smart, play with heart,
and play like you mean it, and we
have the rest of our lives on this
court today, go after ball, get
every rebound and score and play
defense.....WHO ARE WE?!.....

THE REST OF THE PLAYERS
SUPERSONICS!!!!!!!!!!

ISAIAH CAMPBELL

Alright Sonics on 3. 1,2, 3.

THE REST OF THE PLAYERS
SONICS!!!!!!!!!!

MARVIN JOHNSON

Alright lets go, lets go, it's game
time!!!!!!

And the players walk on to the court.

MIKE BREEN

(broadcasting)

And here we go!!!!!! It's the Nets
and the Supersonics and it's game 1
of the NBA finals.

And both players are both introduced run on to the court.

And the NBA finals theme from NBA on ESPN theme plays in the
background.

MIKE BREEN (CONT'D)

And in all my years of covering of the NBA, this Sonics team has been fired up and intense since after the all star break when their owner John Tucker had that scandal that happened to him back in Las Vegas which has made him the most controversial and most crazy owner in NBA history in this day and age, but the response from the players has been very special and you can tell these players and coaches are playing really hard for him and defending him by playing with emotion and with intensity and they have this us against the world mentality that we have not seen in a long time in this game.

The camera goes to Doris Burke.

DORIS BURKE

Yes Mike, I have talked to the players on this Sonics team they have really used coverage on their owner John Tucker as motivation and they are really rallying behind him as well.

MIKE BREEN

Thank you Doris.

CUT TO:

Game 1 is about to begin and everything is slow motion and the ref throws the ball up in the air and the buzzer goes off.

And all of a sudden New York has the ball.

MIKE BREEN (CONT'D)

And we are underway from Climate pledge arena and NBA finals have begun.

The starts and the Sonics and the Nets are battling it out with a lot of tempo on both sides.

Nets make a lot of plays and Deshaun scores some buckets and is able to get through the Sonics and get a couple of dunks.

Sonics also end up scoring and Marvin shoots a 3 pointer and the Sonics make key stops and Deshaun tries to shoot a basketball and Nolan makes a big time block on Deshaun and gets the ball back and dunks the basketball.

Nolan ends up getting the foul and is able to make his free throws.

The Nets have the ball and Deshaun is going up the court and makes a lot spin moves and makes a pass to his teammate and his team-mate was able to score a 3 pointer.

The Nets lead the game around 80-76. And both teams are just playing really hard on both offense and defense.

Sonics get the ball and Issiah is drubbing the ball and trying to go up the floor but Nets are playing tough defense.

Issiah passes to Johnson and Johnson and Nolan is just running around just trying to get open.

Marvin makes a huge pass and Nolan gets wide open and scores a 3 pointer.

More game play goes by more and more and the it ends up being tied around the 4th quarter.

Peyton blows his whistle.

PEYTON BEAUREGARD
Time out, time out!!!!

MIKE BREEN
And time out taken by Peyton
Beauregard.

CUT TO:

Peyton getting the players together.

PEYTON BEAUREGARD
Alright good jobs guys, this game
is tied and we have them right
where we want them. Just keep
playing as a team, and keep playing
good defense I think if we do that,
I think we have a catch to win men.
Alright now go out there and make
something, lets go.

Sonics get out of the time out and they continue to play well. But New York just gets the best of them and the Nets end up winning game 1.

And the Deshaun and the nets end up celebrating Deshaun does a lot of cocky and arrogant and ignorant celebrations. And Nolan just stairs at him with a pissed off.

And Issiah tries to clam him down.

ISAIAH CAMPBELL

Hey, it's okay, fuck that guy. We got more games to play buddy.

Issiah just comforts him and they just walk to the locker room and Issiah has his hand over Issiah.

CUT TO:

Sonics in game 2 end up losing but it's really close and Nolan scores a lot of points and plays good defense. And it ends up being 2-0 Nets led the series.

CUT TO:

Sonics play at Barcalys center in Brooklyn and end up winning 2 more games and Sonics and Nets end up wining one of each tying the series. And it's 3-3 tied up.

And sets up game 7 in Brooklyn.

FADE TO:

EXT. A SHOPPING MALL IN NEW YORK - AFTERNOON

And Kate is just in New York and shopping for things and Kate sees jerseys of Nolan's number at the NBA store.

And Kate does a really sigh.

Kate goes back to her hotel room and she looks at the view of New York City.

And Kate starts to look at old photos of her and Nolan. And also starts looking at old family videos of her playing with Nolan.

And Kate is doing this, the song "you're all I need to make it by Johnson, Hawkins, Tatum & durr"

And Kate starts getting really sad and Kate closes her eyes and flash back to moments from the 1st movie and also remembering how happy she was with John Tucker and going camping. And with Heather, Carrie, and Beth.

Kate goes to the phone and she begins to call John and John does not answer. And she gets his voice mail.

KATE SPENCER

Hi John it's Kate....Look I know was really awful and really rude and really mean to you and John...I have been thinking and your right about everything, I haven't been treating really nicely. And I'm sorry for everything that I did to you and I was wondering if I can see you just tell how much I feel and how I'm sorry that I have just been a real bitch to you. And now, I'm just all alone now, and Nolan is doing god knows what and John please don't sell the team, Nolan really likes playing for you a lot, and you selling the team would break his little heart and thank you for everything and If so please tell Nolan that I love him and I'm sorry for what I did to him as well. And I realized I was being mean to my son just like I was to you back in high school. And I'm sorry for everything John and I hope your okay. Bye. Bye.

Kate makes another phone call and to Nolan. And Nolan does not pick and gets voice mail.

KATE SPENCER (CONT'D)

(sad voice)

.....hi sweet-heart. Nolan please listen to me and...Nolan I'm really sorry for how I acted back in Bellevue and I'm proud of you sweet-heart and if you want to play basketball and play for John...you can...and you know I was just so wrapped everything about John that I just took it out on you, and I'm really sorry Nolan. And just I miss you...And I love you so much...Honey please come home and if you come home, I promise to just love you no matter what you do and I miss your hugs and smiles and your my son and I love you and you will always be my little teddy bear and I love you....

Kate just can't speak anymore and Kate just starts crying and tears coming out of her eyes and the message is still going on.

And Kate hangs up the phone.

CUT TO:

Kate is walking around New York and the song keeps going on and Kate is central park all by herself.

And all of a sudden John finds her alone. And John walks up to Kate.

JOHN TUCKER

Kate?

Kate turns around.

JOHN TUCKER (CONT'D)

Kate do you mind if I sit with you?

KATE SPENCER

Yes please do.

John sits down with her.

JOHN TUCKER

Jesus the last time we sat down together was when I took you to the beach. That was a wonderful night.

KATE SPENCER

It sure was.

Kate starts to feel really sad.

KATE SPENCER (CONT'D)

(sad voice)

I'm such an awful mother.

JOHN TUCKER

No your not Kate....Kate to be honest, I think your an amazing mother and you raised a really good boy. And all by yourself and with your mom as well. Kate, when I was expelled, I thought of you a lot regardless of what we are together, I will always value you. And your still that smart and pretty and silly new cheerleader that I saw...even if you did break the glass on the fire-alarm...

Kate starts to laugh a little bit.

KATE SPENCER

God that was so stupid of me.

JOHN TUCKER

And you know Kate. Nolan wouldn't be the man he is without, in someways personality reminds me a lot of you. But he's just a guy version of you. And Kate as long as I own this team, I will always look after him no matter what.

KATE SPENCER

But what about you John? You haven't found that special someone ever.

JOHN TUCKER

I'll find someone, it just might not be today though but in future yes. Hey I might be old but I'm still good looking.

KATE SPENCER

Oh we are not old, just more smarter and wiser.

JOHN TUCKER

But yeah overall why I came here is that i got your voice mail and you never needed to apologize to me Kate. I knew eventually you would come around and you know I didn't hit on women because I was what ever, but I just overall try to love everyone no matter what. Even if I have flaws and my character is not that great.

JOHN TUCKER (CONT'D)

And also are you going to game 7 tomorrow.

KATE SPENCER

Well...yeah I want to, it's my son, of course I will go and want the Sonics to win, of course I would love to go...but all the tickets are sold out.

JOHN TUCKER

Not all of them...

John hands Kate a owner's box ticket.

Kate gets really shocked and completely wow-ed.

KATE SPENCER

Oh my god, John are you sure. I don't want to take advantage of you John.

JOHN TUCKER

Your not Kate, plus, with all the bull shit happening to me, I'm not going to sell the team and you deserve it, and come on, you need watch your son and see him regardless if we win or not. And I want you by my side watching the game as well.

Kate just over-joyed and Kate just has happy tears and hugs John.

KATE SPENCER

Oh my god...John thank you...

JOHN TUCKER

You don't have to thank me.

CUT TO:

EXT. AROUND BARCLAYS CENTER - LATE AFTERNOON

the pre game starts around and people are going into the arena.

And the Sonics players come and Nolan gets there late and Nolan is really beat up.

And the players start getting dressed. And there is dead silence.

And Peyton comes in and he checks up on Nolan.

PEYTON BEAUREGARD

How are you holding up son?

NOLAN SPENCER

I'm doing alright coach.

PEYTON BEAUREGARD

Look listen to me, no matter what happens tonight, I'm proud of you and just happy you and the rest of the team got us this far and in our year back in the league.

(MORE)

PEYTON BEAUREGARD (CONT'D)

That's not easy to accomplish. You have a heart of gold Spencer. You really do big guy.

NOLAN SPENCER

Thanks coach.

Peyton walks away and walks into an office.

CUT TO:

Nolan and the rest of the players lined up. And Deshaun shows up.

Deshaun starts laughing and very cocky and arrogant way and the rest of the Nets team-mates fall in behind him.

DESHAUN GALLOWAY

Well well. Look who it is, white cracker and his green pilots that can't fly an airplane, and you guys are about to crash and loose.

Nolan looks at Deshaun in a very angry look.

DESHAUN GALLOWAY (CONT'D)

Just give up white boy...and get ready to loose and loose big, because face it, I'm going to be the next face of the NBA and I'm going to take over for Lebron James as the global star, you will only be in the league for 2 more years and work at some gym somewhere...lets say YMCA....

Issiah looks at Deshaun.

ISAIAH CAMPBELL

Leave him alone Deshaun!!!!!! Your only getting noticed because you play in big market. And also from what I read, your awful to everyone in the league. Next Lebron my big old black ass!!!!!!....

DESHAUN GALLOWAY

You really going to stick up for this little white guy...we are professionals here in New York, very soon, I'm going to block every shot you make, spit on you, talk trash and throw some out of that stuff Lebron uses in your face...And it will great ride. Oh, and I know about that other girl and your mom, I do feel bad but at the same time I don't, she hot though and I can myself banging her and owning you very badly in life.

NOLAN SPENCER

Leave my mom and Dakota out of this...it's between you and me!!!!!! So you if know what's good for you, I suggest you get the fuck out of my face before I punch you and kick you in the fucking nuts. And also being a good team-mate is better then chasing stardom and being famous. And I'm a Supersonic for as long as I'm in the league.

DESHAUN GALLOWAY

Oh good luck with that, cause eventually teams like Seattle will always loose stars and New York and Boston and will always gain them. I'll see you on the court loser.

Deshaun keep on laughing at him.

ISAIAH CAMPBELL

Don't fucking listen to that guy, you are our leader, and we are behind you.

CUT TO:

John about to go into the arena and John sees Link.

LINK VALGERSON

Hello John...

John turns around.

JOHN TUCKER

Link!!!!!!....

LINK VALGERSON

I am really wondering when you are going to sell the team since the NBA board of governors wants you to sell the team. And overall I want you to loose and loose badly.

JOHN TUCKER

That's never going to happen and I can't do that, me being the owner means a lot to the guys. And also I know it was you behind that story as well.

LINK VALGERSON

Well suit yourself Mr. Tucker but the longer you own the Sonics because of your reputation and what you were like in high school in Oregon in the 2000's the more the league will fine you millions and billions of dollars. I just want you to know thing.

JOHN TUCKER

You know Link, your just jealous because my players like playing for me and I'm actually good boss to them. And I'm not an east coast asshole like you are. And my players actually respect me and I take charge, and difference between you and me, I was once a player, and I know what being a basketball player is all about and you don't. Good luck tonight.

John walks away from Link.

LINK VALGERSON

The league will ban you from the NBA. And you will be just like Donald Sterling

JOHN TUCKER

Screw you and the board of governors and the rest of you asshole owners and screw your god damn team!!!!!!

CUT TO:

Peyton is the locker room and he goes out to gets some extra pens and all of a sudden the Nets head coach shows up. And it's fancy looking guy in a blue suit.

MATT GARDNERSON

Hello Peyton...

Peyton turns around.

PEYTON BEAUREGARD

Matt?

MATT GARDNERSON

Haven't you noticed me on the sidelines coaching my team?

PEYTON BEAUREGARD

I have kinda lost track and focused me and my team.

MATT GARDNERSON

I'm really surprised that you even got a head coaching job and with the expansion Seattle Supersonics of all team. I didn't think that team was ever going to come back.

PEYTON BEAUREGARD

Well Mr. Tucker hired me and so far everything has worked out good.

MATT GARDNERSON

Really you say. It's odd because John Tucker is really odd NBA owner.

PEYTON BEAUREGARD

What the fuck your is point Matt. Where not in college anymore and I get it that you were the star player at Texas A&M and your NBA career was better then mine. I fucking get it. What the hell do you want?!...and you were a star player and I was bench-warmer.

MATT GARDNERSON

Well Peyton, all i have to say is good luck and just in cause the league makes John Tucker sell the Seattle Supersonics and you get fired...I always be better then you in ever category in the game of basketball. Just remember that Peyton.

Matt leaves. And Peyton gets really mad and really angry.

CUT TO:

INT. VISTING LOCKER ROOM - NIGHT

Peyton walks in and the players turn around and gather around him.

PEYTON BEAUREGARD

Alright everyone listen up and listen really good!!!!!!...

Peyton struggles to put his speech together in his head.

MARVIN JOHNSON

Yeah coach?

PEYTON BEAUREGARD

.....I know in the NBA and in the sports media and in the mainstream media in general everyone wants us to lose and even the Nets organization and their players, owner, and head coach even though they are not taking us seriously and I can tell they are really cocky and really arrogant and most importantly really ignorant and they focus on the past and their glory and their accomplishments and they think they are the best when they really not. But men, I want to tell you the best NBA team is right here in this locker-room.
