No, but if you are talking about
our school mascot, we have a Spider
for our mascot.

HELGA GUMMER

Which is pretty creepy.

CONNER REDCORN

The Principal does say that it will
spread fear into our rivals.

They run up the staircase. And the Zombie T-Rex chases after
them.

CUT TO

INT. DESERTED CITY HIGH SCHOOL UPSTAIRS, HALLWAY

They run up to the upstairs hallway, and run down the

Vinnie is surprised about the film strips coming out from his back.

VINNIE DEO

Did I just do that?

JOSE REVANO

Dude you totally did that.

VINNIE DEO

I did do that.

The Zombie T-Rex ROARS and FIRES ACID out of it mouth. The FILM STRIPS COVER VINNIE in a sphere, causing the ACID to SPLASH off of the sphere. The Sphere UNCOVERS Vinnie, and he smiles in relief.

JOSE REVANO
(to Vinnie)
Vinnie? Are you alright?

VINNIE DEO
Totally, I absorbed the Zombie
T-Rex into the film strips.

ELIZABETH MORNINGSUN
What you just did is truly. Did you
absorb the other dinosaurs?

VINNIE DEO
(being confused)
What other dinosaurs?

Suddenly a ZOMBIE TRICERATOPS, a ZOMBIE STEGOSAURUS, a
ZOMBIE PTERODACTYL, and a ZOMBIE RAPTOR comes charging down

JOSE REVANO
Totally, you defeated all of them.

CONNER REDCORN
How did you do that?

VINNIE DEO
(explains)

(MORE)

(CONTINUED)

VINNIE DEO (cont'd)
Apparently, all of the Zombie
Dinosaurs get absorbed into my film
strips.

ELIZABETH MORNINGSUN
Did that work?

VINNIE DEO
It did.

POLICE OFFICER (O.S)
Hello, are there any students still
in the building?

CUT TO

EXT. DESERTED CITY HIGH SCHOOL PARKING LOT LATER

Later in the parking lot, all of the students and staff are
in shock regarding the events at the school.

Vinnie lifts up the back of his shirt revealing the golden
video tape on his back.

RANDY RUSSO
How did you get that stuck on your
back?

VINNIE DEO
Must have started last night at
Videotopia.

HELGA GUNNER
We need to find answers. We need to
get back to Videotopia.

PIO OWERS (O.S)
Or have Videotopia come to you.

Then PIO OWERS in his late 40's handsome, smart,
free-spirited, with a 70's hippie accent, has short long
shaggy light brown hair and a light brown beard, wearing
glasses run up towards them.

ELIZABETH MORNINGSUN
Who are you?

PIO OWERS
My name is Pio Owers, but you can
call me Power.

(CONTINUED)

VINNIE DEO

Hey there Power. So what brings you here?

PIO OWERS

The golden video tape, Man.

CONNER REDCORN

You mean the 1 on Vinnie's back?

Vinnie lifts up the back of his shirt to reveal the Golden Video tape on his back.

PIO OWERS

Oh man!!!

HELGA GUNNER

What's wrong?

PIO OWERS

This is totally serious. We should go back to Videotopia asap, I will explain everything.

CUT TO

INT. VIDEOTOPIA MAIN STORE LATER

They arrive at Videotopia. Pio has a worried look on his face worried about Vinnie.

PIO OWERS

Alright, you know that golden video tape you have on your back? Well that video tape is cursed man.

JOSE REVANO

Why is it cursed?

RANDY RUSSO

(scared)

Is the whole store cursed?

PIO OWERS

(answers)

No way man.

(explains)

But I will tell you this. So you know that everything is now on demand, and people don't need video rental stores anymore?

(CONTINUED)

JOSE REVANO

Well there is 1 video rental store that is still open for business.

PIO OWERS

I know that too. So I paid this lady who is a magic gypsy to make my store attract more customers, but that back fired. I offer her free movies, but she had to sign up to a monthly membership first, but she didn't like that, so she spread an entire curse on the store, which goes into effect when someone moves the golden video tape, which is you.

ELIZABETH MORNINGSUN

Which is you Vinnie.

PIO OWERS

Totally, and there is another catch to this curse. The first video you touch a character from that video come out from that movie which causes a chain reaction, causing all the other characters from all of the other videos in this store to come out into the real world and have their own free will.

RANDY RUSSO

That explains why Elizabeth Morningsun came out of her movie.

ELIZABETH MORNINGSUN

So now I have free will?

PIO OWERS

Totally, and every other movie character also does

VINNIE DEO

And that explains the attack at the school. But I sucked some of the zombie dinosaurs back into the tape.

PIO OWERS

That's great, now we need to find the other movie characters, from all 1000 videos, which also includes the movies in the back.

(CONTINUED)

JOSE REVANO

How many are there in the back?

PIO OWERS

Over 4000.

CONNER REDCORN

So we need to find all of the characters from all 5000 movies and bring the back into their own videos before something even worse happens.

HELGA GUMMER

If we are working together, we need to make Videotopia our base of operation.

PIO OWERS

Good, and that leaves us with You.
(To Vinnie)

Will you put your left hand onto this...

Pio picks up the Videotopia Employee's manual.

PIO OWERS (CONT'D)

....employee manual.

Vinnie puts his left hand onto the employee's manual and raises his right hand in the air.

PIO OWERS (CONT'D)

Will you um....

VINNIE DEO

Vinnie Deo.

PIO OWERS (CONT'D)

Vinnie Deo. But could I nickname you Video because it sounds cooler. Like combining Vi and Deo together to get Video.

VINNIE DEO

I'm OK with that.

PIO OWERS (CONT'D)

Good...Vinnie Deo vow to capture all of the escaped movie characters and bring them back into their videos?

(CONTINUED)

VINNIE DEO

I do.

PIO OWERS

By the powers vested in me by the
state of Nevada, the City of
Deserted City and the store of
Videotopia, I declare you to be the
capturer of all movie characters.

VINNIE DEO

In that case...Let's get started.

They all smile and their adventure just begins.
