TUCKER XANDER  
NO wonder you are part Russian.

TRUDY XANDER

TUESDAY XANDER

Well, I was voted most stealthy

MR. A

We were also amazed by Truman's  
technology expertise skills,  
becoming a technology prodigy at  
the age of 5.

TUCKER XANDER

He did fix the microwave on his 8th  
birthday.

TRUMAN XANDER

But you're the one who broke it.

TUCKER XANDER

How did I know that I leaf my spoon  
in my soup?

MR. A

And speaking of your father. Due to  
his struggle with him becoming part  
of the CIA, he considers making him  
and the rest of you part of our  
organization, lust making him your  
leader.

Tucker smiles with excitement.

TUCKER XANDER

Wow. This is great.

TRUDY XANDER

But there is another question. Did  
you leave the TV for us?

MR.A

Yes we did. It's the only way to  
contact with you.

TUESDAY XANDER

Could you just at least give us a  
phone call?

MR. A

No, that requires us to blow up  
your phone.

TRUMAN XANDER

TUCKER XANDER  
(shouts across the river to  
Head Agent)  
It was too tight on me. At least we  
got the bomb.

They look at the bomb and the COUNTDOWN is still going. They are freaked out by the countdown. Tucker picks up the bomb and throws it into the air.

The bomb lands down onto Head Agent's boat. Head Agent and the other 4 agents leap off of the boat and SPLASH into the water. The bomb EXPLODES and causing the boat to sink.

MR.A

You guys mastered everything, from the physical to the mental parts of the training, now it's time to give your family a codename.

TUCKER XANDER

Do you mean individual codenames or a codename for all of us?

MR.A

I mean that the name Xanders is too dangerous for a spy mission, you might get exposed to the public. I'm thinking of the X's...Does that sound great to you?

Tucker feels uncomfortable about that.

TUCKER XANDER

It does. But it's a little...off

TRUMAN XANDER

Sounds awesome

MR. A

Don't worry. It will protect your true identities. And it sounds cool.

TUESDAY XANDER

Cool, but with all of this going on, how could we balance out normal lives with our spy life?

MR. A

We will call you just in case there is a mission.

TRUDY XANDER

Like a phone call or something?

MR. A

not exactly.

Mr. A presses a button, causing his drawer to OPEN. He takes out 4 pairs of smart watches out of his drawer and gives them to the Xanders.
