VINCE LANCELER

This is so amazing. I am officially
a S.O.E agent.

Vince jumps up and down with excitement. Apple, Cherry, and Peaches watch while Vince is jumping up and down.

CHERRY CHASER

Don't get too excited about this,
you still need to go through
training.

PEACHES PITTERS

And training is very intense.

APPLE MILES

Peaches is right because this is no
ordinary spy training, you are
training with D.I.P chips. So let's
get started with...

Vince looks in the distance with a smile on his face.

VINCE LANCELER

He circles around the girls with his jet pack on, while the girls have serious looks on their faces.

(CONTINUED)

CHERRY CHASER

OK either this kid is stupid or he is just too hyperactive.

PEACHES PITTERS

I'm going to say both. Besides it's his first day here what could go wrong.

Suddenly Vince bumps into Harry causing him and Harry to fall to the floor. Vince HOVERS up off of the floor with the help of his jet pack. BORING TUBA MUSIC IN THE BACKGROUND.

HARRY JOPER

Rule number 19 of S.O.E is that you cannot use jet packs for your amusement. They are only for S.O.E agents who don't use D.I.P chip abilities.

Vince lands on the ground and TURNS OFF his jet pack. Then Chilly and Tammy pock their heads out of Vince's backpack.

HARRY JOPER

And why did you brought those creatures here?

Vince takes off his jet pack. Chilly and Tammy hop out of Vince's backpack and run up to Vince.

VINCE LANCELER

I thought they could be great mascots for our team.

HARRY JOPER

Fine. Just make sure that they had their shots.

Harry then walks away from Vince and the girls.

APPLE MILES

What you see here is a D.I.P chip.

CHERRY CHASER

Which stands for Deserving Incredible Power chips.

PEACHES PITTERS

We don't know where these chips come from, but like the chip said they give the users powers.

Vince has a smile on his face while learning about the D.I.P chips with his body shaking with excitement.

Apple uses a remote to change the projector to another image. The other image of a D.I.P chip shows the list of powers of the D.I.P

(CONTINUED)

APPLE MILES

The D.I.P chip gives the user 1 power from 1 of the 6 categories of the D.I.P chip.

CHERRY CHASER

The 6 categories of the D.I.P chips are creation which means you have the power to create anything you want. Manipulation which you have the power to control the elements or anything else.

PEACHES PITTERS

Physical increase which you can increase your or anyone else's physical abilities. Psionic which you gain the ability to have psionic powers.

Apple TAPS her pointing stick onto the projection screen at the bottom.

APPLE MILES

Magical means you get magical powers, and transformation which you can transform yourself or any part of your body into anything or anyone.

Vince's eyes SPARKLE from learning about the cool powers of the D.I.P chips. Apple places a D.I.P chip onto the desk where Vince is sitting at. Vince smiles as he looks at his D.I.P chip.

APPLE MILES

Now a D.I.P chip can only be inserted by eating it. Once you eat the D.I.P chip 1 of the 6 categories of powers will be activate once activated you will...

CHERRY CHASER

(interrupts)

Yeah Vince ate the whole thing.

Vince has the D.I.P chip in his mouth. Vince swallows the whole thing with a big GULP. Apple, Cherry, and Peaches are surprised that Vince did that.

PEACHES PITTERS

Wow, that's amazing. No one eats a D.I.P by swallowing the whole thing before.

(CONTINUED)

APPLE MILES

Now let's activate your D.I.P. You
can only activate it by exercising.

Vince leaps out of his chair with a big time on his face.

APPLE MILES

Now that the epic work out is done it's time to tell you your power level.

VINCE LANCELER

Power level?

PEACHES PITTERS

Yes, with each S.O.E agent they have a certain power level.

APPLE MILES

For example, my power level is 5,550. Peaches' power level is 6,123, and Cherry's power level is 4,903.

CHERRY CHASER

New S.O.E agents like you start off with a power level of 100 and through each mission your power level increases by the D.I.P chip in your body.

Apple MAKES a power level scanner MAGICALLY APPEAR in the air and catches it.

APPLE MILES

(smiles)

Now let's see what power level you have.

Apple ACTIVATES the power level scanner. The scanner SCANS Vince's body to check his power level. Apple looks at the screen of the scanner and is in surprise to see what Vince's power level is.

APPLE MILES

(surprise)

Oh my goodness.

Cherry and Peaches are surprise also when they look at the scan of the power level scanner.

What is it?

APPLE MILES

Well...You will be amazed by your
power level. It's over 9000.

Apple shows Vince's power level on the scanner.

Vince raises his hand in the air and tries to fire out
energy.

PEACHES PITTERS

Now activate your D.I.P chip powers
from your D.I.P by focusing your
energy on your D.I.P in your body.

Vince's hand GLOWS YELLOW and FIRES an ENERGY BEAM out of
his hand and hits the target at the end of the shooting
range causing it to EXPLODE.

Then a RED LIGHT comes out from Vince's left hand. Vince
looks at his left hand and he PROJECTS a PSIONIC SWORD out
of his hand.

VINCE LANCELER

(amazed)

Wow.

(CONTINUED)

CHERRY CHASER
I don't know. Maybe he ate too much
sugar?

PEACHES PITTERS
That's impossible he has 2 powers?

Suddenly the ALARM RINGS. THRILLING ACTION CLASSICAL MUSIC

MIGHTY MAT

It's workout time everyone. Time to hit the weights. Or in this case let the weights hit you!!!

Mighty Mat throws more weights at the S.O.E Agents. All of the agents run away from the incoming weights and run for their lives.

Suddenly a giant weight comes directly towards Vince and the girls. Vince FIRES an ENERGY BLAST out of his hands at the weight hitting it and causing it to EXPLODE.

PEACHES PITTERS

Nice shot Vince.

Suddenly more weights CRASH down onto the floor near Vince and the girls. Vince runs for cover behind a flowerbed.

CHERRY CHASER

Could this guy do more yoga instead of weightlifting?

APPLE MILES

It must be the rogue virus infecting his personality.

(CONTINUED)

VINCE LANCELER

Like what it did to Grey Gary?

APPLE MILES

Exactly.

VINCE LANCELER

How does the rogue virus work anyway?

PEACHES PITTERS

All we are figuring out at the moment is, how you got 2 powers from your D.I.P chip?

Chilly and Tammy poke out of Vince's backpack. They both SCREAM and put their heads back into his backpack.

Suddenly a giant weight heads towards Vince and the girls. Vince PROJECTS a FORCE FIELD out of his hands and causing the giant weight to BREAK into pieces on the impact of the force field.

Apple, Cherry and Peaches are surprise that Vince has force field manipulation.

PEACHES PITTERS

FORCE FIELD MANIPULATION?!!!

CHERRY CHASER

What is with this kid?

APPLE MILES

We will figure that out later, right now, we have to stop Mighty Mat.

Vince and the girls leap over the flowerbed. Cherry MAKES 2 GIANT STONY DRUMB STICKS to APPEAR in midair. She catches them and swings them at Mighty Mat. Mighty Mat uses a weight to block the attack and throws a punch at Cherry, hitting her and LAUNCHES her down towards the floor.

Peaches catch Cherry before she lands on the floor. Peaches place Cherry on the floor and her body GLOWS with YELLOW AURA to increase her strength. Peaches leap through the air and dives down towards Mighty Mat. She throws a downward punch down to Mighty Mat. Mighty Mat blocks the attack with his weight, causing the punch to DING on impact.

Peaches lands onto the floor and throws a leg sweep onto Mighty Mat, but she couldn't trip him over because of his massive leg strength.

(CONTINUED)

MIGHTY MAT

Good thing it was leg day.

Mighty Mat throws a kick at Peaches, hitting her in the face and makes her SKID onto the floor and hits the wall behind her.

Apple uses her CREATION POWERS to make a power reader device to MAGICALLY APPEAR in the air. She grabs it and puts it onto her left eye.

VINCE LANCELER

If my power level is 9000, what is his power level?

Apple GASP in shock to see what Mighty Mat's Power level is.

APPLE MILES

It's over 10,000

VINCE LANCELER

What 10,000?!!!

Cherry makes ELECTRICITY to APPEAR out of her hands. Cherry then makes an ELECTRIC GUITAR made out of electricity to come out of her hands.

CHERRY CHASER

I think I heard that same line before somewhere.

Cherry FIRES ELECTRICITY out of her electric guitar at Mighty Mat. Mighty Mat gets hit by the electricity and is SHOCKED by it, causing him to kneel to the floor.

Cherry MAKES METAL CHAINS to wrap onto Mighty Mat. Mighty Mat BREAKS free from the chains and his body GLOWS LIGHT GREEN.

VINCE LANCELER

I didn't knew he can glow green like that?

CHERRY CHASER

All S.O.E agents can do that. It's called Geal, also known as glowing healing.

APPLE MILES

Geal can help you heal your injuries or someone else's. And it also gives you a boost of energy.

(CONTINUED)

Mighty Mat throws a punch down onto the ground causing a BIG CRACK to appear on the floor and the crack RUSHES towards Vince and the girls.

Vince and the girls leap out of the way from the crack and run to somewhere safe.

They run down the hallway. Suddenly a weight CRASHES through the wall and Vince and the girls stop in their tracks.

MIGHTY MAT

You guys aren't going anywhere,
until you sweat so much your body
becomes a skeleton.

VINCE LANCELER

That's scientifically impossible.

MIGHTY MAT

It will when I'm done with you.

Apple uses her D.I.P POWERS to make GREEN ROPE APPEAR out of the ground. The green rope wraps around Mighty Mat's body and pulls him onto the ground.

APPLE MILES

That won't hold him for long. Let's
go to find somewhere to hide.

Vince and the girls run down the hall to get away from Mighty Mat.

CUT TO

INT. S.O.E TRAINING FACILITY CONTINUOUS

Vince and the girls enter into the training facility. Peaches presses a button on the wall. Steel doors SLAM shut on the door, and a LASER FENCE APPEARS on the door also.

PEACHES PITTERS

We will be safe here.

CHERRY CHASER

Now we are safe, let's talk about
how you activate your super powers.

APPLE MILES

I agree.

Apple uses her powers to make a SCANNING TABLET to APPEAR in her hands.

(CONTINUED)

APPLE MILES

Alright sweetie hold still while I scan you for your D.I.P chip.

VINCE LANCELER

Didn't you already scanned me?

CHERRY CHASER

Apple scanned for your power level. Now we are going to scan you for your D.I.P chip.

MYSTERY THRILLING SPY CLASSICAL MUSIC IN THE BACKGROUND. Apple activates the scanner tablet and SCANS Vince's body. The tablet BEEPS to analyze the results.

Apple, Cherry, and Peaches look at the tablet results and they GASP in surprise.

CHERRY CHASER

This is odd.

PEACHES PITTERS

I know why does this kid have 2 D.I.P cells?

VINCE LANCELER

D.I.P cells...I thought I have a D.I.P chip in me?

APPLE MILES

Yes you do...

Apple presses on the tablet and shows a video to Vince about the D.I.P cell.

APPLE MILES (CONT'D)

You see when you eat a D.I.P chip, it transforms into a D.I.P cell. The D.I.P cell becomes a permanent part of your body.

CHERRY CHASER

When the D.I.P chip transforms into a D.I.P cell, it automatically activates your powers.

VINCE LANCELER

So the D.I.P chip transforms into a cell, and that makes it an additional cell in my body?

(CONTINUED)

PEACHES PITTERS

Yes.

ACTION THRILLING ROCK AND ROLL MUSIC IN THE BACKGROUND.
Suddenly LOUD BANGING comes out from the door. Vince and the girls turn around.

The door RIPS OPEN and Mighty Mat walks into the training facility.

MIGHTY MAT

Alright agents, time for a workout
for your life!!!

Mighty Mat smiles while he CRACKS his knuckles. Suddenly his nose starts to ITCH and then he SNEEZES. Vince and the girls look confuse.

VINCE LANCELER

Um...Is sneezing a side effect of
having a D.I.P cell?

APPLE MILES

No...He might be allergic to
something.

Chilly and Tammy pock their heads out of Vince's backpack.

CHERRY CHASER

That's right, Mighty Mat is
allergic to animal fur.

VINCE LANCELER

How do you know that?

PEACHES PITTERS

All S.O.E agents have to memorize
all of the other S.O.E profiles.

VINCE LANCELER

So that means, I get a profile?

CHERRY CHASER

Let's just focus on taking down
Mighty Mat.

Mighty Mat gets angry and charges at Vince and the girls.
Vince takes Chilly and Tammy out of his backpack.

VINCE LANCELER

(to Chilly and Tammy)

Chilly, Tammy time for you guys to

VINCE LANCELER

They are not ordinary critters,
they are a Chinchilla and Tamandua

Vince MAKES 4 PSIONIC LONG ARMS and uses them to take Chilly and Tammy off of Mighty Mat's face. Vince then uses the arms to throw punches at Mighty Mat.

Mighty Mat gets hit by the punches. He throws a stomp onto the floor, making the floor SHAKE and Vince falls onto the floor by the shaking floor.

APPLE MILES

Now we got a hand of you, it's time
for you to go to the containment
facility.

Mighty Mat BREAKS free from the arm and CLAPS his hands together causing a SHOCKWAVE to come out from his hands and hits Vince and the girls, sending them FLYING backward.

CHERRY CHASER

How about we put this guy on ice.

Cherry SLAPS her hands onto the floor, causing them to TURN BLUE. ICE covers Mighty Mat's legs, trapping him in the ice.

(CONTINUED)

Mighty Mat throws a punch down onto the ice and BREAKS it. Mighty Mat picks up a treadmill and throws it at Cherry. Cherry FIRES GREEN BEAMS out from her hands at the treadmill, hitting it and causing it to EXPLODE. Cherry's fist GLOW GREEN and she throws a punch down onto the ground.

GIANT ROOTS BREAK out of the ground and wraps them onto Mighty Mat. Mighty Mat GRUNTS while trying to break out of the roots.

MIGHTY MAT

Talk about having a green thumb.
It's more like a green hand!!!

Mighty Mat BREAKS out of the giant roots and throws them at Cherry. Cherry gets hit by the giant roots and falls onto the ground. Peaches gets mad and her body GLOWS YELLOW with AURA. Her muscles GROW, and Peaches herself through the air and tackles Mighty Mat, and they both CRASH into the wall.

VINCE LANCELER

Look out!!!

Vince PROJECTS FORCE FIELDS out of his hands and block the falling debris. The Debris slides off of the force field and fall onto the floor.

Mighty Mat throws a kick at Peaches, and kicks her through the air and CRASHES onto the floor. Mighty Mat picks himself off of the floor and CRACKS his fists.

VINCE LANCELER (O.S)

STOP THIS NOW!!!

Mighty Mat turns around and Vince is behind him. Mighty Mat smiles, and then his nose starts to itch. He then SNEEZES LOUDLY and his eyes WATER UP.

MIGHTY MAT

What's going on?!!!

Tammy and Chilly climb up onto Mighty Mat and climb up onto his shoulders. Mighty Mat SNEEZES again. Tammy and Chilly leap off of his shoulders and climb into Vince's backpack.

(CONTINUED)

Vince goes into his fighting stances. RED AURA APPEARS on Vince's body. Vince MAKES a PSIONIC CANNON BLASTER to APPEAR. YELLOW ENERGY FLOWS from Vince's hands and into the psionic cannon blaster. It CHARGES up, and Vince FIRES an ENERGY BLAST out from the psionic cannon blaster.

Mighty Mat gets hit by the energy blast. Mighty Mat FLIES through the air and CRASHES into some exercising equipment. Mighty Mat gets up off of the floor and throws the broken pieces of the exercising equipment at Vince.

MIGHTY MAT
KID...STAY IN SCHOOL!!!

Mighty Mat throws Vince away from him. Apple MAKES a mattress to appear and Vince falls onto it.

MIGHTY MAT
You can't defeat me.

Vince stands up off of the mattress with a serious look on his face.

VINCE LANCELER
I came here to do 1 thing and 1
thing only. To find my mom. To make
new friends, and to fight rogue
spies like you.

Mighty Mat STOMPS onto the floor and GIANT DEBRIS falls from the ceiling. Mighty Mat catches the giant debris and throws it at Vince. Vince FIRES YELLOW ENERGY BEAMS out of his hands at the debris hitting it and makes it EXPLODE.

CHERRY CHASER
Vince let us help you.

VINCE LANCELER

OK, with us working together we can stop Mighty Mat quicker.

MIGHTY MAT

Let's find out shall we.

PEACHES PITTERS

And I thought my muscles are tough.

VINCE LANCELER

But we are stronger when we fight as 1.

APPLE MILES

Vince is right about that. Let's attack together.

Mighty Mat CLAPS his hands together causing a BIG GUST OF WIND to BLOW out and heads towards Vince and the girls. Apple CREATES a REFLECTING SHIELD in her hands. She uses the shield to REFLECT the wind back at Mighty Mat. Mighty Mat gets hit by his own attack and SKIDS backwards on the floor.

(CONTINUED)

VINCE LANCELER
You think so? That will be great.

HARRY JOPER
Now back to business. Your D.I.P
cells.

Apple takes out the tablet and shows it to Harry.

APPLE MILES
The tablet shows us that Vince has
2 D.I.P cells in his body.

Harry is shocked by the results.

HARRY JOPER
That's impossible.

CHERRY CHASER
We know right.

VINCE LANCELER
What's that suppose to mean?

HARRY JOPER
It means 1 of your D.I.P cells is
organic, which means you are born
with 1 of them.

VINCE LANCELER
That means the other D.I.P cell,
and that means my mom has 1. And
speaking of my mom...Do you know
what happened to her?

HARRY JOPER
She is missing in action. We will
notify you with some more
information.

VINCE LANCELER
That will be very helpful sir.

Harry walks away from Vince and the girls.

VINCE LANCELER
Now that the mission is over, could
celebrate.

CHERRY CHASER
Celebrate? How?

VINCE LANCELER

By eating some burgers. What my dad
and I celebrate with burgers each
time I bring home a good grade.

The girls all smile about Vince's idea.

FADE TO

EXT. BARRYVILL ABANDON GAS STATION SUNSET EVENING

Vince, and the girls are outside of the abandon gas station,
Vince is on his bike and was about to head home.

APPLE MILES

All and all that was 1 heck of a
first day for you Vince.

CHERRY CHASER

Yeah, you totally took down a
complete rogue agent.

PEACHES PITTERS

And there is plenty of more rogue
agents in the days ahead.

VINCE LANCELER

I know right. Well see you girls
soon.

Vince rides his bike down the road back home. Apple, Cherry
and Peaches wave goodbye to Vince while he is riding back
home. Tammy and Chilly poke themselves out of Vince's backpack
and waves goodbye to the girls.

CUT TO

INT. S.O.E HARRY'S OFFICE

SERIOUS THRILLING CLASSICAL MUSIC IN THE BACKGROUND. In
Harry's office, he is up at his desk TYPING down on his
computer.

On his computer screen APPEARS out Vince's mother's
information. On her information it says "first agent
infected by the rogue virus".

HARRY JOPER

We cannot let Vince know about what
happened to his mother...No Matter
what.
