CHEF ATTILIO

You like it? I made it with my special secret ingredient, it transforms you into a pizza monster just like my customers.

MASTER MOUNTIE

(mouth full of pizza)

So you're behind all this, you're turning people into pizza monsters?

CHEF ATTILIO

Of course I did.

HARVEY STONE

(mouth full of pizza)

But why?

CHEF ATTILIO

I used to work for Pizza Utopia for my father. Someday I will take over the family business, but everything changed when I ate the pizza.

CARLA STONE

(mouth full of pizza)

What do you mean by that, you get free pizza?

CHEF ATTILIO

Not anymore, 1 day I was hungry during a delivery, and so I ate the pizza that I was suppose to delivery. My father fired me, and Pizza Utopia went out of business.

IAN LASTIC

(mouth full of pizza)

OLIVIA MARTIN
(mouth full of pizza)
You re-open Pizza Utopia?

once people eat my pizza, they will
craze more for it, and soon
transform into pizza monsters, and
I will use them for my revenge.

HARVEY STONE
(mouth full of pizza)
Revenge on what?

CHEF ATTILIO
Pizza, I shall unleash my army of
pizza monsters onto the world, and
destroy every pizza restaurant in
the world, so there will be no more
pizza.

Harvey FIRES ELECTRICITY SNOWBALLS RAPIDLY at the Pizza monsters hitting them and making them fall to the floor. He then uses his ICE POWERS to create an ICE CLUB out of his hands and swings it at the other Pizza monsters.

CHEF ATTILIO

You miss sucker.

HARVEY STONE

Guess again Chef Loco

MASTER MOUNTIE
There. That will stop him.

HARVEY STONE
That will show him.

Suddenly FLAMES come BURSTING out into the force field hitting Chef Attilio, causing him to SCREAM in pain. Harvey, Master Mountie, and Carla are confuse by the flames.

CARLA STONE
Did you do that?

HARVEY STONE
I didn't do that. I thought Master Mountie did it.

MASTER MOUNTIE
It was me neither, but we will figure that out later.

Chef Attilio BANGS on the inside of the force field, and BREAKS free from it. He ROARS and GROWS BIGGER. He then throws a stomp down onto Harvey, Master Mountie and Carla.

Harvey PROJECTS an ELECTRIC FORCE FIELD out of his hands around, him and the others. Chef Attilio stomps onto the force field, and causing him to get ELECTROCUTED by the force field.

Harvey makes the electric force field DISAPPEAR and he throws an uppercut punch at Chef Attilio hitting him and making him stumble backwards.

CHEF ATTILIO

I shall show you what I am made out.

HARVEY STONE

You're made out of pizza.

CHEF ATTILIO

Yes, it is sure.
