(CONTINUED)

Ian comes into Sweet Smoothies and the customers CHEER for him. Harvey, Darcy and James walk up to Ian with smiles on their faces.

HARVEY STONE

It's so good that you came out from
Detroit alive.

IAN LASTIC

(smiles)

You got that right eh.

DARCY DILLIANS

Did you have to use your fire
powers to get out?

IAN LASTIC

No I didn't. I didn't use my
powers.

JAMES "JIM" JAYSON

I wish I have super powers like you
guys, so I can use them to bring my
imaginary friends to life.

DARCY DILLIANS

(smiles)

You had an imaginary friend eh?

JAMES "JIM" JAYSON

I was a very shy as a child, so I
make some imaginary friends to keep
me company. Like Mr. Sniffer, he
can find anyone with his big
nose. Or Rideo the fastest rhino
ever, Sciency the Science Guy who
has magical scientific powers,
Sparkly the Sprite who is a
mistress of magic and finally
Captain Cuddles, part panda bear,
part grizzly bear, part Polar Bear
and part Koala Bear. And I still
have them today.

Suddenly Rupert comes up to them LAUGHING at James.

RUPERT SKYLAR

(laughing)

You still have imaginary friends?
That's so stupid.

(CONTINUED)

HARVEY STONE

Hey do you ever heard the
expression a friend of his is a
friend of mine.?

RUPERT SKYLAR

(smiles)

If you guys want to be friends with
somethings that don't exist? That's
stupid.

JAMES "JIM" JAYSON

Don't you say that. They are real.
Look I draw pictures of them.

James takes out his phone to show the drawings of his
imaginary friends to Rupert. The drawings of MR. SNIFFER
goofy, smelly, clumsy, has green slimy fur and a big nose,
RIDEO THE RINO, fast talking, friendly, hyperactive, has red
skin and has a orange horn, SCIENCY THE SCIENCE GUY in his
50's wise, smart, nice, creative, polite and caring, short,
has brown eyes and wears glasses, SPARKLY THE SPRITE cute,
friendly, nice, active, magical, has pointy ears, has
butterfly wings, orange hair, a unicorn and wears a pink
dress, and CAPTAIN CUDDLES, hyperactive, friendly, nice,
strong, has a body of a panda bear, arms of a grizzly bear,
legs of a polar bear and ears of a koala bear.

JAMES "JIM" JAYSON

(smiles)

You will see eh. 1 day I shall make
my imaginary friends to come to
life.

RUPERT SKYLAR

(smiles and laughs)

In your dreams loser!!!

Rupert POORS his smoothie onto James's head. Rupert then
walks out of Sweet Smoothies. James uses the napkins to wipe
the smoothie off of his head.

DARCY DILLIANS

I can't believe I'm saying this,
but I think your imaginary friends
are cool.

JAMES "JIM" JAYSON

You're saying that to make me feel
better?

(CONTINUED)

DARCY DILLIANS

As if. I was being sarcastic.

Suddenly Harvey's phone VIBRATES from his pocket. He takes it out from his pocket and looks at it.

Glad you 3 are here. We need all of the Mounties we can for this mission.

Master Mountie presses a button on his keyboard. The Projection screen comes down from the ceiling. The projector from the ceiling PROJECTS multiple videos of chaos around the world.

MASTER MOUNTIE

What you are seeing here are videos taken all over the world, where chaos is happening.

HARVEY STONE

And there is 1 from Detroit.

Harvey points to the middle video on the projection screen

MASTER MOUNTIE

Yes indeed. I heard that Ian and his father both escape unharmed.

DARCY DILLIANS

Now with this chaos and mayhem going on, what are we suppose to do about it?

MASTER MOUNTIE

Yes. Now before you go, this is going to be a tough mission, so I took this Power Up Energy drink out from the archives.

(CONTINUED)

Master Mountie presses a button on his desk, causing a Power Up energy drink can to come out from his desk.

MASTER MOUNTIE

This energy drink will give 1 of you the power to summon anything imaginary out of your mind, into reality.

JAMES "JIM" JAYSON

So anything into reality? Like imaginary friends?

MASTER MOUNTIE

Indeed.

James grabs the energy drink and OPENS it up. James chugs down the energy drink can, and then BURPS.

JAMES "JIM" JAYSON

(smiles)

This is so exciting. When will they kick in?

MASTER MOUNTIE

Soon, but right now you should go ahead to go on the mission.

HARVEY STONE

In that case, time to put these rioters on ice.

Harvey stomps on the ground, causing ICE to cover the ground, and head straight towards the rioters and FREEZES them in ice.

JAMES "JIM" JAYSON

That will stop them.

Suddenly helicopters come HOVERING over the streets of downtown. Darcy looks up at the helicopter's acronym.

DARCY DILLIANS
So someone is using robots to turn
people into rioters, and spread
crime.

Harvey FIRES ICE BEAMS out from his hands at some of the C.A.N Robot Agents, freezing them in solid ice.

HARVEY STONE
At least it won't get any worse eh.

Darcy looks at her phone and is in shock.

(CONTINUED)

DARCY DILLIANS

I think it just got worst.

Darcy shows news footage from her phone. On the news footage on Darcy's phone, it shows rioters spreading chaos and riots all over the province.

HARVEY STONE

We need to get some reinforcements over here.

DARCY DILLIANS

Jim summon your imaginary friends already.

JAMES "JIM" JAYSON

(worried)

But I don't know if the powers from the energy drink kick in yet.

FIRE APPEARS on Ian's foot. He throws a jump kick at an incoming rioter, kicking him away from him.

IAN LASTIC

Well there is nothing like the present. Get a move on.

Ian then throws a punch down onto the ground, causing a FIREWALL to APPEAR out from the ground and causing the rioters to stop in their tracks.

JAMES "JIM" JAYSON

OK here I go eh.

James puts his 2 index fingers onto his head and then closes his eyes. Darcy has a odd look on her face on what James is doing.

HARVEY STONE
(worried)
Any time now Jim.

JAMES "JIM" JAYSON
I'm trying, I'm trying!!!

Harvey FIRES the SOLID ICE off of his hands at some of the
rioters, hitting them and causing them to trip and fall to
the ground.

HARVEY STONE
Well try faster!!!

Harvey makes a LIGHTNING BOLT to APPEAR out from his hand

Sciency the Science Guy walks up to Ian, who is wrapped around the rioters, who are struggling to break free from him.

SCIENCY THE SCIENCE GUY
Interesting. Had you did something to your body that gave you elasticity and fire generation?

IAN LASTIC
(smiles)
Actually I inherited them from my dad.

SCIENCY THE SCIENCE GUY
Fascinating. How did he do that?

IAN LASTIC
He drank an energy drink that gave him powers of fire and elasticity. Then my siblings and I got them from our father.

SCIENCY THE SCIENCE GUY
That's amazing.

Sparkly the Spire FLIES down from the sky and then SPRINKLES SPARKLES out from her hands down onto the rioters.

SPARKLY THE SPRITE
Here you go you crazy whack jobs, some positivity powder.

someone and then they magically
appear.

CAPTAIN CUDDLES
(smiles)
And here we are in real life.

SCIENCY THE SCIENCE GUY
Now that we are all here, could
someone please tell us what's going
on?

HARVEY STONE
We are on a mission to stop an
organization who wants to turn
people into rioters.

IAN LASTIC
And that's what's going on.

DARCY DILLIANS
Speaking of that, I want to know
where they are.

MR. SNIFFER
Leave that to me. I can sniff out
anyone anywhere anytime.

Suddenly the C.A.N helicopters fly away from Vancouver.

HARVEY STONE

Anytime now eh

JAMES "JIM" JAYSON
We are working as fast as we can
eh.

SCIENCY THE SCIENCE GUY
It appears that the factory is continuously making robot agents at a rapid pace that we can't keep up with. The only way to shut this down is with an electromagnetic pulse.

MR. SNIFFER
How can we make that happen?

Harvey throws a jump back kick at the Robot C.A.N Agent, knocking it down to the floor.

HARVEY STONE

finishing touches on my superhero
suit...What, I need to look good
for the dabue of Canman, Earth's
greatest superhero.

IVAN LASTIC
(into his phone)
You're superhero debue will be
postpue for a while. Our plains for
world domination will just have to
wait.

CANDA DRINKSON (V.O)
(Ivan's phone)
What you can't do this to me. I
thought we had a deal? You said
that C.A.N will be under my
control, and people will think
people will go bersek and I shall
come on out as Canman and save the
day.

IVAN LASTIC
(into his phone)
Perhaps Canman can wait a little
bit longer. Because ours
partnership will be postpone for
the time being. I shall call you
when I need you.

Ivan presses on his cellphone causing it to BEEP and puts it
back into his pocket. Ivan stands up from his chair and
stands up and looks out the window with his arms behind his
back.

IVAN LASTIC (V.O)
Soon...Sooner or later I shall rule
a world...full of superpowered
humans.
