Professor Steel Skull gets off of his chair and walks over to the cylinders.

PROFESSOR STEEL SKULL

It's simple really, all of this time I have a thought that if I can't defeat the Koalas, let other Koalas defeat them.

MUSCLE MASS

So you made clones of the Koalas?

PROFESSOR STEEL SKULL

Yes I have...but with the clones that I made they have complete opposites of the Koalas but they have one thing in comen with the Koalas martial arts skills.

PROFESSOR STEEL SKULL
(explain)
Simple really the Creepy Koalas shall defeat the Koalas once and for all and once they are defeated the Creepy Koalas shall find Rose and bring her to me and that is how the plan shall work, all we need now is to lore them in.
