DARCY DILLAINS
I think it's the phrase monkey see

copy it.

JAMES "JIM" JAYSON
(smiles)
Now that's taking Monkey see Monkey
do to a whole new level.

Addison FIRES ELECTRICITY out from her body at the animals, causing them to get electrocuted and collapse to the ground.

According to my tracker that I made, the source of these animals are all coming from...The Toronto Zoo?

HARVEY STONE

Why are all of these crazy animals coming from the zoo?

ADDISON "ADDY" MONK

(excited)

Maybe some crazy animal lover who wants to use all of the animals to create an army, or some evil professor who uses some type of chemical to turn all of the animals wild...Or BOTH!!!

The name's Mr.Monkey, and I'm in charge of this whole thing.

DARCY DILLAINS

MR.MONKEY

JAMES "JIM" JAYSON

(freaked out)

Did your arm just turned into a snake?

ADDISON "ADDY" MONK

You think that's something, just wait until I pop out octopus tentacles out of my back.

DARCY DILLIANS

I don't want to see that.

JAMES "JIM" JAYSON

I don't get it the animals have to turn back to normal by now, but they aren't.

HARVEY STONE
