EXT. PATO GAME PATO FIELD DAYTIME THE NEXT DAY

The next day at the pato game Olivia is out on the field riding her horse with the other pato players. She steers her horse towards the pato ball on the ground and picks it up by the rope on it, and throws it into the opponent team's net.

The people in the stands CHEER for Olivia scoring the goal. Harvey and friends and Darcy's parents are CHEERING for her and her team.

Olivia BLUSHES and waves back to Harvey and friends.

OLIVIA MOHO (V.O)

Wow Harvey's here...At my game. I don't care that his friends are here too, but he's cheering me on.

Olivia then turns her attention back to the game and tosses the ball at another team member of her's and GALLOPS down the field. HEART WARMING CLASSICAL MUSIC IN THE BACKGROUND.
