Duke uses his SHADOWY ENERGY POWERS to CREATE a BIG SHADOWY ENERGY BALL in his hands.

DUKE GRAVESTONE

I used to be friends with the guy and I hate his guts.

Duke throws the big shadowy energy ball at Harvey. Harvey uses his ELECTRICITY POWERS to CREATE a FORCE FIELD around him bouncing the big shadowy energy ball back at Duke. Duke dodges the shadowy energy ball as it CRASHES through the wall.

Harvey uses his ICE POWERS on his feet to make ICE SKATES to APPEAR on his feet. He skates towards Duke and throws an ELECTRIC punch at him. Duke blocks Harvey's punch and CREATES a GIANT SHADOWY HAND to appear from behind his back. The Giant Shadowy Hand hits Harvey knocking him to the ground.

Harvey SLAPS his hand on the ground and LIGHTNING BOLTS come out of the ground and ELECTROCUTE Duke. Duke GRUNTS from getting electrocuted and FIRES SHADOWY ENERGY ARROWS at Harvey. Suddenly Darcy and James come in front of Harvey and PROJECT their FORCE FIELDS out of their badges, causing the shadowy energy arrows to BOUNCE off of the force fields and go upward into the air.

HARVEY STONE

(to James and Darcy)

Jim, Darcy you take my mom and get out of here, I can take care of Duke.

JAMES "JIM" JAYSON

We want to help you fight this freak. Even if we have to get hurt in the process.

DARCY DILLIANS

Hello we have G.M.F gadgets here.

JAMES "JIM" JAYSON

But you only got 2.

DARCY DILLIANS

Whatever, we can still help you fight.

(CONTINUED)

DUKE GRAVESTONE

You 2 want to help your super powered friend. Don't make me laugh eh.

DARLA STONE (O.S)

Don't you dare insult my son's new friends.

Duke turn his attention to Darla who has a mad serious look on her face.

DARLA STONE

(serious)

I'm glad that my son drank that drink years ago. He's been training 10 years with his super powers of his to walk in his father's footsteps to join the G.M.F so he can stop bad guys like you.

Duke smirks and then laughs. Darla is speechless and Harvey has a mad look on his face.

DUKE GRAVESTONE

As if eh. He won't even make it.

HARVEY STONE

Of course I will, and the G.M.F has a code that they live by, is that " a Mountie serves and protect to their very best". And what I'm going to do to you.

DARLA STONE

You said it Harvey be like your father.

DUKE GRAVESTONE

Zip it lady.

Duke FIRES a SHADOWY ENERGY BEAM out of his hands at Darla.

HARVEY STONE

(shouts to Darla)

Look out!!!

Harvey uses his ELECTRICITY POWERS to ZOOM at Darla and tackles her away from the incoming shadowy energy beam as it hits the wall.

(CONTINUED)

HARVEY STONE

(mad at Duke)

Alright you Shadow handed freak.
Time to face the mighty fist of
justice of the Mounties.

Harvey gets mad and he ZOOMS at Harvey and COVERS his body in HARD ICE and tackles Duke and SLAMS him to the ground. Duke CREATES a SHADOWY ENERGY HAND over Harvey and the hand grabs Harvey and throw him off of Duke and slam him to the ground.

DUKE GRAVESTONE

It's my turn kid.

Duke leaps off of the ground and FIRES SHADOWY ENERGY BEAMS out of his hands at Harvey. Harvey FIRES LIGHTNING BOLTS out of his hands at the incoming shadowy energy beams causing them to hit each other and EXPLODE making a CLOUD of SMOKE to APPEAR.

Duke leaps through the smoke and throws a punch down towards Harvey, with SHADOWY ENERGY around Duke's fist. Harvey smirks and use his ICE POWERS to make an ICE WALL to APPEAR causing Duke to slam into the ice wall.

Duke stands up from the ground with SHADOWY ENERGY GLOWING around his fist. Harvey pushes the ice wall out of the way and use his ICE POWERS to CREATE a ICE HAMMER and swings it at Duke, hitting him and make him FLY through the air.

Duke CRASHES through the wall of the warehouse. Darla, Darcy and James run up to Harvey.

JAMES "JIM" JAYSON

(worried)

Is it over? Is Duke knocked out?

DARCY DILLIANS

Looks like it. Could we go home
now?

DUKE GRAVESTONE (O.S)

(grunting)

Ohhh...It's not over yet Mountie
Boy.

TENSE EVIL CLASSICAL MUSIC IN THE BACKGROUND. Harvey, Darla, Darcy and James turn their attention to Duke who is comes back into the warehouse.

(CONTINUED)

DARCY DILLIANS

(to Harvey)

Did he just call you Mountie Boy?
We are here too.

JAMES "JIM" JAYSON

Yeah but we did least of the
fighting.

DUKE GRAVESTONE

Prepare to be engulfed into
darkness.

Duke goes into his fighting stances and SHADOWY ENERGY GLOWS on his fists. Suddenly Duke gets hit in the back by an ENERGY BLAST and collapse to the ground.

DARLA STONE

(smiles)

Harvey you did it. You defeated
Duke.

HARVEY STONE

I didn't.

JAMES "JIM" JAYSON

If you didn't then...Who did?

DRAMATIC MYSTERIOUS CLASSICAL MUSIC IN THE BACKGROUND. Through the hole in the wall, a TALL HOODED MAN wearing a long black cloak and has red glowing eyes is on top of the hill.

Harvey and the others have confuse looks on their faces wondering if that tall hooded man defeated Duke. Suddenly the Tall Hooded Man TELEPORTS away as G.M.F vehicles arrive on the scene.

11 INT. G.M.F MASTER MOUNTIE'S OFFICE

Later back at the G.M.F Master Mountie is sitting up at his desk while Harvey, Darla, Darcy and James are sitting across from him.

MASTER MOUNTIE

(to Harvey)

Well this was one epic day for you
young man. You used your
superpowers on a criminal.

(CONTINUED)

HARVEY STONE

Thank you Master Mountie, but now that I showed my powers to my new friends in public I can't come to the G.M.F anymore, due to my sister telling my mom that I showed my powers to my new friends.

DARLA STONE

(to Harvey)

Not exactly young man, I watched you in action and you know what you are doing with those powers of yours. And it's true you want to follow in your father's footsteps as a Mountie. So I was talking with Master Mountie and we decided to let you continue to go to the G.M.F as a full time junior Mountie.

HARVEY STONE

Really, you want me to be a junior Mountie...This is so cool.

MASTER MOUNTIE

Since your mother told me about Duke transporting those Power-Up Energy Drinks all over the world, people might drink those drinks and gain superpowers of their own. So we are allowing you and your friends to go on missions around the world to find people who gained superpowers from the energy drink and bring them to justice...or have them join your team...whoever use their new found powers for good or evil.

JAMES "JIM" JAYSON

So what about Duke?

MASTER MOUNTIE

He's back in jail, without his powers.

DARCY DILLIANS

How did that happened?

Suddenly Professor Nick and Professor Edward walk into the office.

(CONTINUED)

PROFESSOR EDWARD FREDRICK
His superpowers were removed by
another person who has the power to
remove superpowers.

PROFESSOR NICK
We scanned him while he was in jail
and his powers some how are all
removed. His 24th chromosome has
been removed from his body.

JAMES "JIM" JAYSON
24th chromosome? I thought the
human body has 23 chromosomes?

PROFESSOR EDWARD FREDRICK
You see whenever someone drinks a
Power Up Energy Drink they gain an
additional chromosome that grants
them superpowers.

HARVEY STONE
So that how my powers started.

DARCY DILLIANS
And that cloaked guy has the power
to remove other superpowers.

PROFESSOR NICK
What cloaked guy?

HARVEY STONE
When Duke got himself up to
continue to fight, there was this
tall cloaked guy who was on the
outside of the warehouse.

JAMES "JIM" JAYSON
He might had done something with
Duke's powers.

MASTER MOUNTIE
A Cloaked man eh? We will try to
find this cloaked man, but in the
mean time, how about celebrating
your rescue mission for saving your
mother.

Harvey, Darla, Darcy and James smile.

MELLOW HAPPY CLASSICAL MUSIC IN THE BACKGROUND. Harvey, Darla, Darcy and James walk out of the G.M.F HQ and walk down the path.

HARVEY STONE

(smiling)

Wow I can't believe I'm being a junior Mountie.

(to Darla)

But mom why won't you let me be part of the G.M.F in the first place?

DARLA STONE

I'm scared that I might never return on a long mission like your father did.

JAMES "JIM" JAYSON

(ask Harvey)

Where did your father go for a mission?

HARVEY STONE

I don't know, but all I know it's a long mission.

DARLA STONE

Wherever he is I think he'll be just fine.

DARCY DILLIANS

I wonder where that cloaked guy went off to?

take their powers away and gain
their powers for my own.
