VINNIE DEO

Maybe she will. And...I think I am developing a crush on her.

Vinnie walks over to Penelope Twinkle. Penelope closes her locker door and turns around to Vinnie.

PENELOPE TWINKLE

(to Vinnie)

May I help you?

VINNIE DEO

Hi, my name is Vinnie Deo, and I am new here.

PENELOPE TWINKLE

You must be Jose Revano's cousin, right?

VINNIE DEO

How did you know?

PENELOPE TWINKLE

(smiles)

VINNIE DEO

anything about Deserted City, so
maybe you can show me around.

ANGUS GRITTS
(smooth)
Of course we can show you around
town. We are having this party
tonight at this place called
Videotopia, do you want to come?

VINNIE DEO
Yes I do, could I invite my friends

Didn't this place used to be closed
for a while? Like something bad has
happened.

CONNER REDCORN
Yeah, and I even heard that the
owner was scared and forgot to lock
the door before putting up the
closed sign.

RANDY RUSSO
Looks like the sign still says
closed, but it looks like it's
open.

VINNIE DEO
Let's just go inside for the party.

CUT TO

INT. VIDEOTOPIA MAIN STORE

Vinnie and friends enter into Videotopia, where the popular
teens are having fun in the store. Angus walks up to Vinnie
and friends.

ANGUS GRITTS
(smiling)
Hey there Vinnie, you made it.

HELGA GUMMER
Hello, we are here too, what do we
look like to you, chopped liver?

VINNIE DEO
So why do you want the party here?

ANGUS GRITTS
Because my Uncle used to own this
place.

RANDY RUSSO
Does your uncle know that you are
having a party here?

ANGUS GRITTS
No, he doesn't mind it at all.

(CONTINUED)

Angus leads the others to the other popular teens who are partying.

VINNIE DEO

So what do you guys have planned
for the rest of the party?

PENELOPE TWINKLE

(smiling)

We are going to watch a movie, how
about you pick out a movie for use
to watch.

Penelope FLUTTERS her eyelashes while starring at Vinnie.
Vinnie blushes with embarrassment.

VINNIE DEO

(smiles)

Sure why not.

Vinnie sees a golden video tape on a pillar.

VINNIE DEO

(smiles)

Let's see what movie is on this
video tape.

He walks up to it and picks up the golden video tape off of
it. TENSE DANGER CLASSICAL MUSIC IN THE BACKGROUND. Suddenly
an ALARM comes off and RED FLASHING LIGHTS APPEAR out of the
ceiling. Vinnie and friends look worried as Vinnie drops the
golden video tape onto the floor in surprise.

CONNER REDCORN

(worried)

What's going on?

Angus then LAUGHS historically at Vinnie.

ANGUS GRITTS

(smiles)

Oh man I knew that you were going
to fall for that.

HELGA GUMMER

What?

ANGUS GRITTS

(smiling and laughing)

We tricked your friend into coming
to the party here, so he can take
the blame for breaking into this
video store.

(CONTINUED)

VINNIE DEO
You guys tricked me?

ANGUS GRITTS
Yes we did.

JOSE REVANO
I knew it.

HELGA GUMMER
Me too.

CONNER REDCORN
What would your Uncle say when he
knows that you broke into his own
store?

ANGUS GRITTS
I don't have an Uncle.

PENELOPE TWINKLE
(to the popular kids)
Let's get out of here!!!

Angus, Penelope and the other popular teens run out of Videotopia. Angus pushes Vinnie to the floor, causing him to fall onto the golden video tape onto his back.

Suddenly PIO OWERS in his late 40's handsome, smart, free-spirited, smooth, relaxed, with a 70's hippie accent, has short shaggy light brown hair, a light brown beard and wearing glasses comes into the store.

PIO OWERS
What's going on here? Why are you
in my store?!

HELGA GUMMER
Sorry sir, but we just got tricked
by some popular kids at school, and
now they are gone.

RANDY RUSSO
Just look at the security footage
from tonight and you'll understand.

PIO OWERS
I don't have security cameras in
the store, and now where is that
Golden Video Tape?

Vinnie shows the golden video tape on his back to Pio.

(CONTINUED)

VINNIE DEO
You mean this sir?

PIO OWERS
(freaking out)
Oh no, this is bad, real bad. Quick
get it off of him.

Randy grabs the golden video tape on Vinnie's back and tries to pull it off of Vinnie's back, but the golden video tape is stuck on Vinnie's back.

RANDY RUSSO
It looks like, it's stuck.

HELGA GUMMER
(grumpy)
You're not pulling hard enough.

Helga grabs onto the golden video tape on Vinnie's back and tries to pull it off, but the golden video tape is still stuck on Vinnie's back. Randy, Conner and Jose help Helga to pull the video tape off of Vinnie's back. Suddenly they fall to the floor, and the golden video tape is still stuck to Vinnie's back.

HELGA GUMMER
(grumpy)
Alright, that video tape is stuck
on Vinnie like glue.

VINNIE DEO
Well at least it won't get any
worse.

TENSE HORROR CLASSICAL MUSIC IN THE BACKGROUND. Suddenly the video tapes and DVDs on the shelves start to SHAKE, and the whole store starts to shake.

PIO OWERS
(freaking out)
Oh no, not good. This is totally
not good dudes.

MAGICAL STREAMS OF COLOR come out of the videos and DVDs, and FLY out of the store.

RANDY RUSSO
What the heck happened?

PIO OWERS
(freaking out)
Those magical streams of color were
the movie characters and monsters
(MORE)

(CONTINUED)

PIO OWERS (cont'd)
from those videos and DVDs man. And
now they are on the loose all over
town.

HELGA GUMMER
Not all of them, look.

A MAGICAL SILVER STREAM SWIRLS in the middle of the floor.
It transforms into ELIZABETH MORNINGSUN Caucasian 14 years
old, beautiful, curious, sweet, caring, kind, soft-spoken
and delightful, has long silver and red curly hair, has blue
eyes with star-shaped pupils.

ELIZABETH MORNINGSUN
Hello there everyone...Where am I?

Pio SCREAMS like a little girl in panic.

PIO OWERS
(freaking out)
Oh man, Oh man it started to
happen, man. Elizabeth Morningsun
from the Suniverse franchise she's
in our world now!!

ELIZABETH MORNINGSUN
So I am in your world, what is it
called?

VINNIE DEO
(to Vinnie)
Deserted City. My name is Vinnie
Deo, and these are my friends.

ELIZABETH MORNINGSUN
(smiles to Vinnie)
It's nice to meet you Vinnie Deo.

VINNIE DEO
Please, just call me Vinnie.

PIO OWERS
And all of the other movie monsters
and characters are still loose in
the city!!!

SCREAMING comes out from the streets, and EXPLOSIONS come
out through the streets.

(CONTINUED)

ELIZABETH MORNINGSUN
What's happening outside?

TENSE DANGER CLASSICAL MUSIC IN THE BACKGROUND. Vinnie and the others look outside through the window. They see a lot of ZOMBIE DINOSAURS, dinosaurs that are zombies, CYBORG LEPRECHAUNS, leprechauns that have robot parts on their bodies, and GIANT 3 HEADED GORILLAS, giant gorillas with 3 heads are spreading chaos all over the streets.

Elizabeth holds onto Vinnie's hand in fear. Vinnie blushes and let go of Elizabeth's hand.

VINNIE DEO
(embarrassed)
Woah, woah. I think it's not the right time for this.

Suddenly a ZOMBIE TRICERATOPS charges towards Videotopia and CRASHES through the window. Suddenly MAGICAL VIDEO STRIPS come out from behind Vinnie's back and FORM a DOME around him and his friends. The Zombie Triceratops slams into the dome and bounce out of Videotopia. The magical video strips pull back into Vinnie's back. Vinnie and the others are confused.

VINNIE DEO
What just happened?

PIO OWERS
(to Vinnie)
Vinnie Dude, the golden video tape on your back.

Randy, Jose, Conner and Helga look at the golden video tape on Vinnie's back, and it's SPARKLING and GLOWING.

ELIZABETH MORNINGSUN
Why is it sparkling and glowing?

PIO OWERS
Let me tell you kids everything. 10 years ago there was this gypsy lady who wants a copy of some type of movie that I don't know about, and then I told her that I didn't have it. And so she put a curse on the store, and she turned an unused video tape into a golden video tape. So then I freaked out turned off all of the lights in the store and put the closed sign and ran out of there as fast as I can.

(CONTINUED)

VINNIE DEO

OK we get that part, but why did those movie monsters and characters get released in our world.

PIO OWERS

Here's another thing she told me. If anyone touches the golden video tape, the movie monsters and characters from the videos and DVDS get released into our world with free will. Only the person who touches the video tape can fight those monsters and characters and bring them back into their own worlds and the curse can be lifted.

JOSE REVANO

(to Pio)

So what you're saying, if we capture all of the movie monsters and characters, they will return to their own worlds?

PIO OWERS

You got that right man.

VINNIE DEO

If the video tape on my back can make a protective dome, I wonder what else I can make out of it's video strips.

Suddenly LOUD EXPLOSIONS come out of nowhere in the streets.

PIO OWERS

(to Vinnie)

No more lolly gagging and get to work dude.

Vinnie runs out of the store to get the escaped movie characters.

CUT TO

EXT. STREETS OF DESERTED CITY NIGHT TIME

ACTION CLASSICAL MUSIC IN THE BACKGROUND. Vinnie runs into the streets, where the Zombie Dinosaurs, the Cyborg Leprechauns and the Giant 3 headed gorillas are rampaging through the streets.

(CONTINUED)

A Zombie Tyrannosaur rex turns its attention to Vinnie. The Zombie Tyrannosaur Rex charges at Vinnie and ROARS. Vinnie goes into his fighting stances and thinks while he looks worried.

VINNIE DEO

If these magical video strips make
a protective dome over us, how
about a giant fist.

The MAGICAL VIDEO STRIPS come out of Vinnie's back and form into a giant fist. The giant fist throws a punch at the incoming Tyrannosaur Rex knocking him to the ground. Elizabeth runs over to Vinnie.

ELIZABETH MORNINGSUN

(smiling)

Wow that was amazing Vinnie.

VINNIE DEO

Thanks.

Suddenly Vinnie and Elizabeth are surrounded by Cyborg Leprechauns. Then the Cyborg Leprechauns start to dance around them. Vinnie and Elizabeth have confused looks on their faces.

VINNIE DEO

(confused)

Why are they dancing around us?

PIO OWERS

Well they are dancing because they
are charging up for their laser
attack.

The eyes on the Cyborg Leprechauns GLOW RED and FIRE RAPID LASER BEAMS at Vinnie and Elizabeth. The video strips cover Vinnie and Elizabeth from the laser fire, as the lasers reflect off of the video strips and upward into the sky.

VINNIE DEO

I think it's time for a new dance
move for these leprechauns to
learn.

Vinnie shoots his video strips through the ground, and the video strips hit the Leprechauns, causing them to LAUNCH through the air.

Then the Cyborg Leprechauns ACTIVATE their jet legs and ROCKET back towards Vinnie and Elizabeth. Vinnie and Elizabeth dodge the incoming leprechauns, and Vinnie forms

(CONTINUED)

his magical video strips into a baseball bat and swings it at the incoming Cyborg Leprechauns. The Cyborg Leprechauns get hit by the baseball bat and CRASH into the buildings.

HELGA GUMMER

Whoever made these characters, they are absolutely the freakiest and stupidest characters ever made.

PIO OWERS

I think they are good characters, but they turned evil after their gold got stolen.

Vinnie continues to hit the incoming Cyborg Leprechauns away from him and Elizabeth. Suddenly the ground SHAKES and Vinnie and friends look up to see the Giant 3 Headed Gorillas. The Giant 3 headed gorillas ROAR at them in rage.

ELIZABETH MORNINGSUN

Oh my, the Giant 3 Headed Gorillas. We forgot about them.

1 of the Giant 3 Headed Gorillas throws a punch down towards Vinnie and Elizabeth. Elizabeth catches the gorilla's punch and throws the gorilla, causing it to CRASH to the ground. Vinnie and the others are surprise and speechless.

HELGA GUMMER

OK, how did a sci fi princess gets super strength?

PIO OWERS

Well in her movie world, she has superhuman strength, but she is also has power adaptation, telekinesis, portal creation and she's a highly skilled swords woman.

RANDY RUSSO

Wait, if she can create portals, can she create one back into her movie world?

ELIZABETH MORNINGSUN

Let's find out.

Elizabeth use her PORTAL CREATION POWERS to make a PORTAL to APPEAR in front of her. Elizabeth leaps through the portal, and the portal DISAPPEARS. Suddenly a PORTAL APPEARS next to Pio, Helga, Randy, Jose and Conner.

(CONTINUED)

JOSE REVANO

I guess that's a no.

Suddenly more zombie dinosaurs come charging towards them. Vinnie's video strips BREAK down through the ground and POP out of the ground to form a giant hand. The giant hand flicks the dinosaurs away from Vinnie.

VINNIE DEO

I think that, if Elizabeth and the other movie monsters and characters are in our world, they can only use their powers in our world and not in their worlds.

PIO OWERS

I think he has a point about that.

Suddenly a giant club comes down towards Vinnie. Vinnie dodges the attack and TRANSFORMS the giant hand into GIANT LASER CANNONS and FIRES them at the Giant 3 headed gorillas, hitting them and make them fly through the air and CRASH into the buildings.

Suddenly more Zombie dinosaurs come towards Vinnie. He fires the laser cannons at the zombie dinosaurs hitting them and make them fall to the ground.

VINNIE DEO

(smiles)

That was a close one.

JOSE REVANO

I don't think so, look at the dinosaurs.

Suddenly the zombie dinosaurs stands up from the ground and ROAR at Vinnie and the others. Vinnie FIRES the laser cannons at the dinosaurs, causing them to FLY down the street.

Suddenly the Cyborg Leprechauns JET down towards Vinnie. Vinnie uses his video strips to TRANSFORM the laser cannons into spiky clubs and swings them at the cyborg leprechauns, knocking them to the ground.

RANDY RUSSO

(freaking out)

Alright I'm freaking out here, I'm freaking out.

(CONTINUED)

JOSE REVANO

I know right. What else is going to
come from those movie video worlds?

Suddenly VORK, cruel, evil, clever, cunning, adaptable,
intelligent, wise, and devastating, has red glowing eyes,
grey skin, wearing a futuristic wizard suit, has several
rings on his fingers and wearing a wizard hair with several
horns on it, FLOATS down from the black sky.

HELGA GUMMER

Who is that dork?

VORK

(to Helga)

Who do you call this dork of yours.
I am Vork, from the 1000th century,
ruler of the broken planet of Plink
and the leader of the Metallers
army.

PIO OWERS

(freaking out)

Oh man it's Vork, from the
Astronaut Ninja Viking Franchise.

VORK

(to Pio)

You there, where am I?

PIO OWERS

(nervous)

Um...Planet Plink?

Vork looks around, and he has a odd serious look on his
face.

VORK

This doesn't look like Plink to me.

JOSE REVANO

(nervous)

That's why, we redesigned it for
you.

VORK

Very well. It looks industrial, but
I will get used to it.

Vinnie TRANSFORMS the magical video strips into giant
hammers and swing the giant hammers at the incoming
dinosaurs. The incoming dinosaurs get hit by the giant
hammers and CRASH into the buildings.

(CONTINUED)

CONNER REDCORN

(to Pio)

Pio. If you know about these movie monsters, do you how to stop them?

VORK

(curious)

Movies...What do you mean by movies?

Suddenly the zombie dinosaurs charge at Vinnie and the others again. Vinnie uses his video strips to form a PROTECTIVE DOME around him and his friends.

VORK

Why do these dinosaurs look more like zombies?

The video strip dome BURSTS, and push away the zombie dinosaurs.

RANDY RUSSO

(to Pio)

Totally Pio, you own a video store, and you may know how to defeat these monsters and characters.

VORK (V.O)

Characters...Is that boy saying that, I'm a character, from a movie world, and these beings are from movie worlds too?

VORK'S P.O.V

Vork sees the Zombie Dinosaurs, the Cyborg Leprechauns and the Giant 3 Headed Gorillas surrounding Vinnie and friends.

RETURN TO SCENE

PIO OWERS

(nervous)

Alright... Let me think here.

Suddenly the Giant 3 Headed Gorillas ROAR and swing their clubs down onto Vinnie and his friends. Vinnie uses the video strips to catch the giant clubs and pull them out of the giant 3 headed gorillas' hands.

Vinnie forms the video strips into giant fists and they throw punches at the Giant 3 Headed Gorillas, hitting them and make them fall to the ground.

HELGA GUMMER
(worrying)
Think faster Pio.

PIO OWERS
I got it, I got it. The Giant 3
Headed Gorillas, their weakness is
cold weather.

ELIZABETH MORNINGSUN
So does that mean Vinnie can make a
freeze ray?

Suddenly the Zombie Dinosaurs, the Cyborg Leprechauns and the Giant 3 Headed Gorillas charge at Vinnie and Friends. Vinnie wraps his video strips around his friends, and springs made out of video strips APPEAR around Vinnie's feet. Vinnie BOUNCES up into the air with his friends. The Zombie Dinosaurs, the Cyborg Leprechauns and the giant 3 Headed Gorillas all batch into each other.

VINNIE DEO
Time to find out!!!

Vinnie and his friends land down onto the ground. Vinnie form his video strips into a giant freeze ray. The Giant 3 Headed Gorillas push the Zombie Dinosaurs and Cyborg Leprechauns off of them and ROAR in rage. Vinnie FIRES the freeze ray at the Giant 3 Headed Gorillas, FREEZING them in solid ice.

VINNIE DEO
Hey look at that. It worked.

JOSE REVANO
Now, how are we going to put them
back into their movie worlds?

VINNIE DEO
I don't know. I'm new at this.

HELGA GUMMER
How about wrapping the video strips
around the frozen 3 headed gorillas
and see what happens.

VINNIE DEO
Let's give it a try.

Vinnie uses his video strips to wrap them around the frozen giant 3 headed gorillas, and they get ABSORBED into the video strips.

(CONTINUED)

JOSE REVANO
(smiles)
Hey it worked.

Suddenly LASER FIRE comes out of nowhere, and Vinnie and friends dodge the attack. The Cyborg Leprechauns surrounds Vinnie and his friends.

CONNER REDCORN
(to Pio)
What about the Cyborg Leprechauns?

PIO OWERS
Spray water on them.

Vinnie looks around for something to spray the Cyborg Leprechauns with.

VINNIE'S P.O.V

Vinnie sees a fire hydrant behind the Cyborg Leprechauns.

RETURN TO SCENE

Vinnie uses the video strips from the video tape on his back and stretches them towards the fire hydrant. Vinnie's video strips cut the fire hydrant, SPRAYING WATER onto the Cyborg Leprechauns, causing SPARKS to come out of their bodies and collapse to the ground. Vinnie wraps his video strips onto the Cyborg Leprechauns causing them to get ABSORB into the video strips.

JOSE REVANO
At least that's over with.

HELGA GUMMER
I know, leprechauns freak me out.

RANDY RUSSO
Now we have are the Zombie
Dinosaurs.

The Zombie Dinosaurs ROAR and charge at Vinnie and friends. Elizabeth's eyes SHINE WHITE and she raises her hand in the air, causing the zombie dinosaurs to FLOAT into the air.

VINNIE DEO
(to Elizabeth)
Nice telekinesis Elizabeth. You
made all of the dinosaurs float in
the air.

(CONTINUED)

PIO OWERS

Oh yeah I forgot. She has telekinesis too.

ELIZABETH MORNINGSUN

Not all of the dinosaurs.

Suddenly a zombie pterodactyl swoops down from the sky and dives down towards Vinnie. Vinnie uses his video strips to wrap the zombie pterodactyl into the video strips and causing it to get absorbed.

VINNIE DEO

(smiles)

Time to wrap this up.

Vinnie uses his video strips onto the floating zombie dinosaurs and wraps them up. The zombie dinosaurs get ABSORBED into the video strips and into the video tape.

VINNIE DEO

All it's left now is.

VORK (O.S)

Me.

TENSE EVIL CLASSICAL MUSIC IN THE BACKGROUND. Vork FLOATS down from the sky and lands down onto the ground.

PIO OWERS

(to Vinnie)

Vinnie dude you better be careful with this dude. He is the most dangerous character in the Astronaut Ninja Viking Franchise.

VORK

Your shaggy bearded friend is right. You're no match for me.

Vork FIRES SWIRLING LIGHTNING BOLTS out of his hands at Vinnie. Vinnie makes a shield out of his video strips and blocks the swirling lightning bolts.

Vinnie makes the video strips into giant fists and throw punches at Vork. Vork dodges the attacks and ZOOMS up to Vinnie. Vork's eyes GLOW GREEN and A GUST OF WIND comes out of his eyes and pushes Vinnie down the street. Vinnie slams into a street lamp and feels dizzy from the attack.

ELIZABETH MORNINGSUN

(to Vork)

Hey don't you dare hurt my friend.

(CONTINUED)

Elizabeth throws a punch at Vork hitting him and makes him FLY through the air and CRASH into a building.

VINNIE DEO
Thanks Elizabeth.

Vork FLOATS off of the building and FIRES WAVY ENERGY BEAMS out of his fingers at Elizabeth. Elizabeth PROJECTS a PORTAL out of her hands to make the wavy energy beams go into the portal. Another portal APPEARS behind Vork, and makes the energy beams hit him causing him to fall to the ground.

VORK
Your powers are impressive, but how could they handle the might of my Metallers.

Vork takes out dozens of tiny metal balls out of his pockets and throws them to the ground. The tiny metal balls MORPH into METALLERS, gremlin like robots with red glowing eyes and sharp claws.

HELGA GUMMER
What are those things?

PIO OWERS
The Metallers, the most dangerous soldiers in the Astronaut Ninja Viking's universe. They are so dangerous they make every get nightmares.

The Metallers charge towards Vinnie's friends. Vinnie uses his video strips on his legs making springs to appear on them and he BOUNCES through the air. Vinnie comes in front of his friends, and wraps his video strips onto the Metallers and SUCKS them into his video strips.

VORK
So you absorbed my Metallers into your video thing.

VINNIE DEO
(to Vork)
Now it's your turn you dork.

VORK
It's Vork, not dork.

Vork gets angry FIRES ENERGY BEAMS out of his hands at Vinnie and his friends. Vinnie uses his video strips to make a SHIELD to APPEAR in front of his friends to block the energy beams and make them hit back at Vork, hitting him and make him fall to the ground.

(CONTINUED)

VORK

You are very strong boy, but here
is the true strength of Vork.

Vork makes GIANT FLOATING PURPLE ENERGY BALLS to APPEAR in the air. He FIRES ENERGY BLAST out of the energy balls at Vinnie. Vinnie uses his video strips to TRANSFORMS them into giant vacuums and SUCKS the energy blasts into the vacuums.

Vinnie then makes his video strips to form springs on his feet. Vinnie BOUNCES into the air and transforms his video strips into a baseball bat. Vinnie swings it at Vork, but Vork blocks the attack and throws Vinnie down onto a building.

VINNIE DEO

(freaks out)

Oh man this isn't good for me.

Vinnie's video strips then form into a slide and Vinnie slides down on the slide and heads towards the ground.

VINNIE DEO

(amazed)

Wow, I didn't realize that the
golden video tape can do that.

PIO OWERS

I don't know, but I think it might
have a psychic connection with you,
either that or I don't know
anything about magic.

Vork then throws the energy balls towards Vinnie. Vinnie and his friends dodge the energy balls as the CRASH onto the ground and EXPLODE on impact. Vork FLIES through the smoke and Elizabeth catches Vork. Elizabeth throws Vork through the air and he falls onto a parked car.

HELGA GUMMER

Nice one Elizabeth.

ELIZABETH MORNINGSUN

Thank you.

VINNIE DEO

Now it's time to wrap this up.

SUSPENSEFUL TENSE CLASSICAL MUSIC IN THE BACKGROUND. Vork then FLOATS into the air with a mad look on his face.

(CONTINUED)

JOSE REVANO

Vork is still alive.

VORK

Yes I am, and I am not going back to be an entertainer. I am a ruler, not a character for somebody's amusement.

VINNIE DEO

But sir, if you are in our world, you have free will. So now it's my job with the golden video tape on my back to take you and the others back into your own movie worlds.

VORK

Since I was released from my "movie world", I didn't realize that I'm a character in a so called movie. So now I am free into a world where it's reality not fiction. I can do whatever I want.

VINNIE DEO

You can't Vork, you need to go back to your video world. If you stay here in our world for too long, then...then?

(to Pio)

Hey Pio, what will happen if these movie monsters and characters continue to stay out in our world?

PIO OWERS

I don't know, but he needs to return to his movie world right now.

Vork RELEASES SMOG out of his hands, covering Vinnie and friends in the smog. Vinnie and the others start to COUGH from the smog. The smog CLEARS and Vork is gone.

PIO OWERS

Oh man, Vork is gone.

VINNIE DEO

We will catch him...eventually.

FADE TO

INT. VIDEOTOPIA MAIN STORE LATER

Later back at Videotopia a VHS tape is ejected out of the VHS player. Pio takes the VHS out of the player and put the video back into it's sleeve.

PIO OWERS

(Smiles)

Good news amigos, those creeps from tonight are back in their movie worlds.

ELIZABETH MORNINGSUN

Is there any other news?

PIO OWERS

Yeah, the bad news is that there are more movie monsters and characters on the loose.

JOSE REVANO

Including Vork.

RANDY RUSSO

Now that we know the truth about how these monsters and characters came out of the videos, now we have to work together to get them back into their video worlds.

JOSE REVANO

And speaking of video worlds, Elizabeth is out of her own video world too.

ELIZABETH MORNINGSUN

Yes indeed, but I would rather stay in your world to see everything.

HELGA GUMMER

As if, you need to go back to your world.

VINNIE DEO

(smiles)

Actually, how about we keep her in our world for a little while. So we can show her around the place

Vinnie blushes in embarrassment.

(CONTINUED)

PIO OWERS

OK kiddo. Now let's make Videotopia our base of operation.

CONNER REDCORN

Yeah since you know a lot more about these movies then we do. You can be thr brains of the operation.

VINNIE DEO

Now what about our parents, what will they say about this?

PIO OWERS

Leave that to me.

CUT TO

INT. VINNIE'S HOUSE LIVING ROOM LATER

Later at Vinnie's house, Vinnie, Elizabeth, Pio, Randy, Conner, Jose and Helga are in Vinnie's living room with Vinnie's mother, his grandparents and Jose's parents.

NATALIA DEO

(ask Vinnie)

You got a new job in town already?

VINNIE DEO

Yes I am working at this video store called Videotopia.

DR.EDUARDO REVANO

Wait, isn't that the store that closed down years ago?

MAXIMILLIANO REVANO

It was the same store that closed down years ago.

ALESSANDRA REVANO

At least it closed down, I like how streaming services are giving us free movies to watch.

PIO OWERS

Yes, but I am turning my store into an online business. I just need these kids to help me sort through videos and some help, to help me sell them to collectors.

(CONTINUED)

PALOMA REVANO
That seems reasonable.

CAROLINA REVANO
(smiles)
We are so proud of you both to
getting a job like this.

VINNIE AND JOSE
Thanks.

CAROLINA REVANO
Now what about this exchange
student friend of yours?

ELIZABETH MORNINGSUN
Could I stay here for a while?

ALESSANDRA REVANO
Of course you can. You can sleep
with Paloma.

PALOMA REVANO
Do I have to?

CUT TO

EXT. VINNIE'S HOUSE FRONT DOOR EVENING

MELLOW MEXICAN GUITAR MUSIC IN THE BACKGROUND. Vinnie,
Elizabeth, Conner, Randy, Jose, Helga and Pio exit out of
Vinnie's house.

HELGA GUMMER
(smiles)
Well that's a good cover up for us
Pio.

PIO OWERS
(smiles)
It is, oh and by the way I need
help setting up a website and the
other stuff just in case your
parents come to the store.

VINNIE DEO
(Smiles)
Good, because we don't want our
parents to be suspicious about
this.

(CONTINUED)

PIO OWERS

With you having that video tape on your back, there's no stopping us.

RANDY RUSSO

Speaking of video tapes, I wonder where Vork went off to?

CUT TO

EXT. HILLS OVER DESERTED CITY NIGHT TIME

TENSE EVIL CLASSICAL MUSIC IN THE BACKGROUND. Meanwhile on the hills of Deserted City, Vork looks down from the hill down at Deserted City.

VORK

(angry)

How dare that I am created to be a character, not a ruler. I think there are others like me trapped in their entertaining prisons. Once I freed the other characters from their so called video tape prisons, we shall rule this world, and make myself their leader.

Vork LAUGHS evilly as he FLIES back into the air.
