Are you sure dad? It's not that cold out

AMARUQ HAWK
Whatever the weather is, it's a cold one up here in Alert.

Suddenly Nina steps into a puddle and has a disappointed look on her face.

NINA HAWK
Great, I stepped in a puddle.
Thanks a lot Global Warming for causing our beloved ice caps to melt.

AMARUQ HAWK
Enough of blaming Global Warming for things. Someday Global Warming will be a thing of the past, now get inside for your online school.

Amaruq goes back into the outpost. Nina looks up into the sky and suddenly a soda can falls from the sky and lands next to her.

She picks up the soda can with a curious look on her face. Nina then walks back into the outpost.

INT. SWEET SMOOTHIES DINING ROOM DAYTIME SUNNY

HAPPY GUITAR MUSIC IN THE BACKGROUND. The next day at Sweet Smoothies, Harvey and friends are having smoothies while watching the TV.

TV

NEWS REPORTER

And in other news, scientists discovered that dozens of icebergs are breaking off at a rapid rate. The scientists also say that this could raise the sea levels quicker too. They don't know what has caused this to happen, but the scientists still believe it's Global Warming.

SWEET SMOOTHIES

HARVEY STONE

Great scientists are blaming Global Warming for this.

ADDISON "ADDY" MONKS

I know. Back in the rain forest, there are some forest fires that caused Global Warming to increase faster.

MARCUS MAGNA

Hey we are a new generation of humans we can put a stop to this.

JAMES "JIM" JAYSON

Yes, but protesting can't solve everything.

(CONTINUED)

DOROTHY DILLIANS

Could they at least do a meeting with the world leaders and talk things over on how to stop Global Warming?

JAMES "JIM" JAYSON

That doesn't seem helpful or a salutation.

Then Ian comes into Sweet Smoothies and walks up to the front counter.

IAN LASTIC

Hi guys hows it going?

HARVEY STONE

Oh just talking about Global Warming.

IAN LASTIC

I know right. Global Warming is a big issue, and my dad doesn't want to use any recycled cans for the Glush sodas.

DOROTHY DILLIANS

He never uses recycled cans?

IAN LASTIC

No, he saids it's just a waste of money.

MARCUS MAGNA

Now that is just plan stupid.

A Sweet Smoothies Employee gives Ian his smoothie.

IAN LASTIC

Anyway I got to get going, my dad wants me to film a commercial in Antarctica.

DOROTHY DILLIANS

Antarctica? That's the coldest place on Earth.

JAMES "JIM" JAYSON

Tell that to the Ice caps trying to survive Global Warming down there.

Ian then exits out of Sweet Smoothies. Suddenly Harvey's phone VIBRATES. He takes it out and looks at it.

Later at Master Mountie's office, Harvey, Sylvester, Dorothy, Addison, James and Marcus are sitting in front of Master Mountie's desk, while Master Mountie is sitting up against his desk and Jolyne standing next to him.

MASTER MOUNTIE
Good to have you here. We have a
big mission ahead of us, so we are
going to split into teams.

HARVEY STONE
Splitting us up? Why?

MASTER MOUNTIE
Because we are getting reports of
the ice caps melting at a rapid
rate. And it's not caused by Global
Warming.

DOROTHY DILLIANS
You mean something else is causing
all of this?

MASTER MOUNTIE
Sounds like that. So Harvey, Darcy
and James, you're with me, and
Sylvester, you are with Addison and
Marcus.

SYLVESTER READS
So you're coming on this mission
with us too?

MASTER MOUNTIE
Yes I am.

JOLYNE AQUATICK
And I will be taking care of things
while Master Mountie is with you on
the mission.

(CONTINUED)

SYLVESTER READS

(blushing)

Well that is convenient. I hope things will run smoothly while we are on the mission.

JOLYNE AQUATICK

(smiling)

Indeed. Now run along on your mission, I got everything covered.

MASTER MOUNTIE

And we are off on our mission then.

Master Mountie leads Harvey and friends out of the office to go on the mission.

MASTER MOUNTIE

(smiling)

Welcome to Alert Nunavut.

Harvey, James and Dorothy look around and there is only an outpost in the middle of nowhere. Dorothy has a disgusted look on her face and Harvey and James have awkward looks on their faces.

DOROTHY DILLIANS

(disgusted)

That's it? This is all of Alert? Just a plain old outpost? Where is the mall, where is the movie theater?

NINA HAWK (O.S)

Just deal with this, we like it just the way it is.

Nina and Amaruq come out of the outpost. They walk down the ramp and up to meet Harvey, James, Darcy and Master Mountie.

AMARUQ HAWK

(to Master Mountie)

You must be from the Global Mountie Force. I'm Amaruq Hawk the officer

NINA HAWK
Hey you guys are from my online

HARVEY STONE

It's nice to meet you in person.
Too bad you never experienced real
school life eh.

NINA HAWK
Yeah my dad doesn't want me to
leave him. He get's lonely up here.

DOROTHY DILLIANS
No wonder, there isn't any other
buildings around here.

JAMES "JIM" JAYSON
(to Dorothy)
Let's just start our investigation.

Amaqua and Nina lead Harvey, James, Dorothy and Master
Mountie to the water. Near the water is a giant iceberg with
a giant hole in it.

AMARUQ HAWK
This iceberg came up to shore just
yesterday. There were a few woolly
mammoths inside of the iceberg, but
these Woolly Mammoths stand on 2
legs, not on all fours.

NINA HAWK
They break out while we were inside
of the outpost, they didn't attack
it, but they walk past it.

Master Mountie, James, Dorothy and Harvey look down and see
footprints in the snow. TENSE CLASSICAL MUSIC IN THE
BACKGROUND.

MASTER MOUNTIE
These footprints are heading
towards the west.

Suddenly STOMPING comes out of nowhere. Shadowy Figures come

JAMES "JIM" JAYSON
(freaks out)
Holy Cow!!! Those are Woolly
Mammoths!!! And they are walking on
2 legs eh!!!

The Mammothoids FIRE LASERS out of their laser blasters at Harvey and the others. Harvey throws a punch onto the ground.

HARVEY STONE
Thunder Wall!!!

A WALL OF ELECTRICITY comes out of the ground and the laser fire gets ABSORBED into the wall.

JAMES "JIM" JAYSON
This is freaky, we discovered a
herd of Woolly Mammoths inside of
an iceberg and now they want to
kill us?

DOROTHY DILLIANS
Looks like it.

MASTER MOUNTIE
(to Nina and Amaruq)
We shall handle this, while you 2
get inside.

NINA HAWK
I want to help you guys.

Dorothy makes BLACK HOLES to APPEAR behind the Mammothoids. The Black holes FIRE ENERGY BEAMS at the Mammothoids knocking them to the ground.

DOROTHY DILLIANS
(to Nina)
I don't think so, we have powers
here and you don't, so please get
inside where it's safe please.

(CONTINUED)

NINA HAWK

But I have powers too. Like this
power

Nina makes a small tornado to appear out of her hand and it rushes towards the Mammothmoids. The Small tornado GROWS and SUCKS the mammothmoids into it.

DOROTHY DILLIANS

(to Nina)

Let me guess, you found a soda can
and you drank it and then you
develop weather powers or
something?

NINA HAWK

Yes, I got those powers from a soda
can.

JAMES "JIM" JAYSON

How did that ended up here?

Suddenly the Mammothmoids come charging at Harvey and friends, while FIRING their LASER BLASTERS at them. Master Mountie FIRES MAGICAL ENERGY BEAMS out of his hands at the incoming Mammothmoids.

MASTER MOUNTIE

We shall figure that out later,
right now, we have work to do.

The Thunder Wall DISAPPEARS, and the Mammothmoids swing their plasma axes at Harvey and friends. Harvey makes an ICE SWORD to appear in his hands and he blocks the plasma axe strikes.

HARVEY STONE

I wonder how Marcus, Addy and
Sylvester are doing?

SYLVESTER READS

Master Mountie said that these are
the locations where the ice caps

ADDISON "ADDY" MONKS

Those penguins are so cute. I want to hug them.

SYLVESTER READS

Not now, we have a job to do.

Marcus, Sylvester and Addison turn their attention into the distance, where Ian is filming a commercial with the film crew

ADDISON "ADDY" MONKS

Hey isn't that Ian? He's filming a commercial here at Antarctica.

MARCUS MAGNA

We don't want to interfere with their filming, let's go look over there.

Marcus, Sylvester and Addison walk over into the other direction.

P.O.V CAMERA

Ian is in front of the camera with a big group of penguins behind him.

IAN LASTIC

This is Ian Lastic, and if you want the rush of an arctic blast, try Glush's new Sub Zero Beyond Soda.

Addison FIRES her banana bazooka at the Mammothmoids. The Mammothmoids FIRE LASERS out of their blasters at the banana rocket causing it to EXPLODE.

IAN LASTIC (O.S)

Hey Shaggy Elephants!!!

The Mammothmoids turn their attention to Ian in the distance. FLAMES APPEAR around his fists as he is in his fighting stances.

IAN LASTIC

(mad)

You ruined my shot!!!

Ian FIRES FIREBALLS out of his hands at the mammothmoids. The Mammothmoids block the attack with their force field shields and charge at Addison, Sylvester and Marcus.

1 of the Mammothmoids swing it's club at Sylvester. Sylvester gets hit by the swing and causing 2 dots to LIGHT up on his chest. Another Mammothmoid swings it's club at Sylvester. Sylvester catches the club and pushes the Mammothmoid through the air and falls onto the ground.

Some of the Mammothmoids charge at Marcus. Marcus uses his MAGNETIC POWERS on the snow, FORMING them into giant snowballs. He launches them at the Mammothmoids, hitting them and making them fall to the ground. A Mammothmoid points his laser blaster at the baby penguin who drank the soda from the ground.

ADDISON "ADDY" MONKS

Oh no you don't!!!

Addison leaps through the air and catches the baby penguin, as the laser fire hits the ground.

ADDISON "ADDY" MONKS

How...did it?

Addison looks down to the ground seeing the split can of soda. The Power-Up Energy Drink scanner BEEPS from her back pocket.

ADDISON "ADDY" MONKS
Oh yeah that soda was hiding
Power-Up Energy Drink in it.

2 Mammothmoids charge at Marcus. Marcus uses his MAGNETIC POWERS to make himself FLOAT into the air. He then uses his magnetic powers onto the Mammothmoids, causing himself to body slam onto the Mammothmoids while he's in his wheelchair.

MARCUS MAGNA
Is that all of them?

Suddenly more Mammothmoids come right towards them.

SYLVESTER READS
No there are more coming.

The Mammothmoids FIRE LASERS at Marcus, Addison, Sylvester and Ian. Ian throws a BLAZING PUNCH onto the ground, causing a FIRE WALL to APPEAR out of the ground surrounding Ian and the others.

The Mammothmoids stop in front of the firewall. Ian STRETCHES his arms over the firewall and throws punches at the Mammothmoids hitting them and making them walk backwards.

IAN LASTIC
Who are these mammoths?

MAMMOTHMOID 1
We are not mammoths, we are the
Mammothmoids, alien mammoths from a
far away planet. And we are here
for our leader.

Ian, Addison, Marcus and Sylvester are in shock of what the Mammothmoid said.

CUT TO

EXT. ALERT NUNAVUT DAYTIME SUNNY

Back in Alert, Harvey, Dorothy, James, Master Mountie and Nina are still fighting the other Mammothmoids. Master Mountie PROJECTS MAGICAL ENERGY BEAMS out of his hands at the Mammothmoids, but the Mammothmoids dodge the attack and charge right towards them.

Nina uses her WEATHER POWERS to make hail to fall from the sky and hit the Mammothmoids, knocking them to the ground.

DOROTHY DILLIANS
(to Nina)
Hey nice move.

NINA HAWK
Thanks. Now it's time to put these mammoths back on ice.

MAMMOTHMOID 2
We are not going back into the ice without accomplishing our mission.

HARVEY STONE
What is our mission anyway?

MAMMOTHMOID 2
We separated into groups to find our Mammothmoid King who's been in the ice since the Ice Age.

MAMMOTHMOID 3
And won't let you stop us from fulfilling it.

HARVEY STONE

So that's why the ice caps are melting, because of them.

Nina TWIRLS her spear and FIRES ELECTRICITY from her hands through her spear and ZAPS the Mammothmoids.

NINA HAWK

Maybe they are using some high tech alien weapons to melt the ice.

JAMES "JIM" JAYSON

I think you have a point about that.

James uses his IMAGINATION POWERS to make some cannons to appear out of his mind. James pulls the rope and FIRES a CANNONBALL out of the cannon. James pulls the rope on the cannon FIRING a CANNON BALL out of it and hits the Mammothmoids.

MASTER MOUNTIE

If they are melting the ice caps, we better find their ships. Those are the sources of this situation.

DOROTHY DILLIANS

We better give Addison, James, and Sylvester a heads up about this.

NINA HAWK
Those guys fell for it.

HARVEY STONE
Now let's follow them to find their

NINA HAWK
If you guys are going, then I am

EXT. ALERT NUNAVUT DAYTIME SUNNY

Later back in Alert, Harvey, his friends and Master Mountie are with Nina's father.

AMARUQ HAWK

I am glad my daughter is safe and she used her powers to help fight those aliens. And it will be the last time for her to use those.

HARVEY STONE

What?! But sir, your daughter was great with her weather powers and she will be a great part of the G.M.F.

NINA HAWK

(to Harvey and friends)

I always wanted to go to a big city and to a school like yours.

MARCUS MAGNA

You will love our school and our city.

JAMES "JIM" JAYSON

We always want to make new friends who have powers like you.

AMARUQ HAWK

I don't know.

MASTER MOUNTIE

The G.M.F will transfer you to Edmonton and someone will look after things here in Alert while you and your daughter are in Edmonton.

AMARUQ HAWK

(smiles)

OK, we shall go. And allowing Nina to join the G.M.F.

Everyone CHEER with joy.

NINA HAWK

(excited)

This is so cool, now we can celebrate.

(CONTINUED)

ADDISON "ADDY" MONKS
Too bad Ian can't join us, because
he has to finish his commercial,
but at least we got this cute
little thing.

Addison is holding the baby penguin in her arms.

MARCUS MAGNA
It drank some of the soda back in
Antarctica and it gained laser
firing powers.

MASTER MOUNTIE
Very well, the G.M.F shall keep it
and you need a name for it.

ADDISON "ADDY" MONKS
How about Zapperella?

HARVEY STONE
Sounds good. We got 2 new members
and the Mammothmoids are gone. I
think this is a good day after all.

MASTER MOUNTIE
But the Mammothmoids will return,
and the G.M.F will be ready.
