FADE IN:

INT. ADAM'S ROOM - DAY

We see an alarm clock going off.

It's 10:52 am.

Adam wakes up and looks at the clock with one eye barely open.

ADAM

(groggy)

Shit.

He thinks he's late for work.

Adam picks up his phone and realizes it's Saturday.

INT. ADAM'S KITCHEN - MOMENTS LATER

Adam is looking for the coffee bag.

The phone is going off in his apartment but he's too busy opening the cabinets.

His roommate Danny walks in.

DANNY (O.S.)

You gonna get that?

Adam looks at his roommate waking out and toward the kitchen.

ADAM

(startled)

Yea i was just gonna-

Danny sees how tired he is.

DANNY

Jesus when'd you get up?

Adam looks at his phone.

It's 11:02.

ADAM

Like 10 minutes ago I think.

Danny laughs a little.

The phone starts ringing again.

ADAM (CONT'D)

Jesus i think that's the most i've heard that phone ring the whole time i've lived here.

DANNY

It's only rung twice.

ADAM

Yea have you heard it ring more than once?

DANNY

Maybe.

Adam disregards the phone and continues on his quest to look for the coffee bag.

DANNY

What are you looking for?

ADAM

Nothing.

Danny looks over at the cat's bowl.

It's empty.

DANNY

Did you forget to feed the cat?

ADAM

Uhhhh nope.

Adam looks over at the cat bowl.

ADAM (CONT'D)

I was actually looking for the cat food.

He starts looking for the cat food.

DANNY

Top left cabinet.

Adam is still confused.

Danny rolls his eyes.

DANNY (CONT'D)

Above the sink.

Adam finally finds it.

He pours it into the cat's bowl.

He calls for her to come out.

ADAM

Hey London!

She comes out from the cabinet above the microwave and starts eating.

The bag of coffee falls down after her.

Adam laughs a little.

ADAM (CONT'D)

Jesus.

DANNY

Alright I'm going to go check the mail.

Danny opens the door.

He looks down and sees a package.

He brings it inside.

DANNY (CONT'D)

You order anything?

ADAM

Nope.

ADAM (CONT'D)

Is there a label on it?

Danny places it on the table and sits for them to both look at it.

DANNY

(sarcastically)

Do you see any labels on this?

The box only has one sticker on it.

Adam flips it to look at the bottom.

To: Nolan

From: Maggie

DANNY (CONT'D)

You see something?

ADAM

(confused)

Yea.

Adam shows him the sticker.

ADAM (CONT'D)

Who the hell is Maggie?

DANNY

That's Nolan's ex.

ADAM

Why is she sending a package here?

Danny sits down to think it over.

ADAM (CONT'D)

Hello?

Danny looks up.

DANNY

Yea?

Adam points at the box.

DANNY (CONT'D)

Right.

He stands back up and starts pacing around the room.

DANNY (CONT'D)

Ok you remember Nolan?

ADAM

Yea but i don't remember any girl named Maggie.

DANNY

Yea he started dating her a couple months before he moved outta here.

ADAM

Well none of that explains why she's sending a package here.

DANNY

Yea.

ADAM

She knows he moved right? Like, a while ago.

DANNY

Yea.

Adam is starting to notice that his friend is shaken.

ADAM

Why the hell are you so worried about this.
